U.S.\$50,000,000,000 Euro Medium Term Note Programme

All references in the Programme Circular to ASB Finance Limited, London Branch shall, for the purpose of the disclosure requirement of the Prospectus Directive (as defined below), be construed as references to ASB Finance Limited.

Commonwealth Bank of Australia ("CBA") and ASB Finance Limited, London Branch ("ASB Finance" and, together with CBA, the "Issuers") may from time to time issue Euro Medium Term Notes (the "Notes") in any form contemplated in "Conditions of the Notes" herein and as described in "Description of the Programme" herein. The payment of all amounts payable in respect of Notes issued by ASB Finance will be unconditionally and irrevocably guaranteed by ASB Bank Limited ("ASB" or the "Guarantor").

The Notes will be issued from time to time to one or more of the Dealers specified on page 7 (each a "Dealer" and together the "Dealers", which expression shall include any additional Dealers appointed under the Programme (as defined below) from time to time). The relevant Issuer may agree with any Dealer and The Law Debenture Trust Corporation p.l.c. (the "Trustee") as trustee for the holders of the Notes that Notes may be issued in a form not contemplated by the "Conditions of the Notes" herein, in which case supplementary listing particulars, if appropriate, will be published which will describe the effect of the agreement reached in relation to such Notes.

An investment in Notes issued under the Programme involves certain risks. For a discussion of these risks see "Risk Factors".

Any person (an "Investor") intending to acquire or acquiring any securities from any person (an "Offeror") should be aware that, in the context of an offer to the public as defined in section 102B of the Financial Services and Markets Act 2000 (FSMA), the Issuer may be responsible to the Investor for the Programme Circular under section 90 of FSMA, only if the Issuer has authorised that Offeror to make the offer to the Investor. Each Investor should therefore enquire whether the Offeror is so authorised by the Issuer. If the Offeror is not authorised by the Issuer, the Investor should check with the Offeror whether anyone is responsible for the Programme Circular for the purposes of section 90 of FSMA in the context of the offer to the public, and, if so, who that person is. If the Investor is in any doubt about whether it can rely on the Programme Circular and/or who is responsible for its contents it should take legal advice.

Application has been made to the Financial Services Authority acting in its capacity as the competent authority under the Financial Services and Markets Act 2000 (the "UK Listing Authority") for Notes to be issued during the period of 12 months from the date of this Programme Circular under this U.S.\$50,000,000,000 Euro Medium Term Note Programme (the "Programme") to be admitted to the official list of the UK Listing Authority (the "Official List") and to the London Stock Exchange plc (the "London Stock Exchange") for such Notes to be admitted to trading on the London Stock Exchange's Gilt Edged and Fixed Interest market. References in this Programme Circular to Notes being "listed" (and all related references) shall mean that such Notes have been admitted to trading on the London Stock Exchange's Gilt Edged and Fixed Interest Market and have been admitted to the Official List. The London Stock Exchange's Gilt Edged and Fixed Interest Market is a regulated market for the purposes of Directive 93/22/EEC (the "Investment Services Directive"). Notice of the aggregate nominal amount of, interest (if any) payable in respect of, the issue price of, and any other terms and conditions not contained herein which are applicable to, each Series of Notes will be set forth in a Final Terms document (each a "Final Terms") which, with respect to Notes to be listed on the London Stock Exchange, will be delivered to the UK Listing Authority and the London Stock Exchange.

This document is issued in replacement of a Programme Circular dated 13 October 2006 and accordingly supersedes that earlier Programme Circular. This does not affect any Notes issued under the Programme prior to the date of this Programme Circular.

Neither the Dealers (which term in this paragraph and the third paragraph below includes Commonwealth Bank of Australia in its capacity as a dealer but does not include Commonwealth Bank of Australia in its capacity as an issuer of the Notes) nor the Trustee have separately verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Dealers or the Trustee as to the accuracy or completeness of the information contained in this Programme Circular or any further information supplied by each of CBA, ASB Finance and ASB in connection with the Notes.

No person has been authorised to give any information or to make any representation not contained in this Programme Circular or any further information supplied in connection with the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by either Issuer, the Guarantor, any of the Dealers or the Trustee.

Each investor contemplating purchasing Notes should make its own independent investigation of the condition and affairs, and its own appraisal of the creditworthiness, of the relevant Issuer and the Guarantor (where the relevant Issuer is ASB Finance). Neither this Programme Circular nor any further information supplied in connection with the Notes constitutes an offer or invitation by or on behalf of either Issuer, the Guarantor, any of the Dealers or the Trustee to any person to subscribe for or to purchase any of the Notes.

The delivery of this Programme Circular does not at any time imply that the information contained herein concerning CBA, ASB Finance and/or ASB is correct at any time subsequent to the date hereof or that any further information supplied in connection with the Notes is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers and the Trustee expressly do not undertake to review the financial or other condition or affairs of CBA, ASB Finance or ASB and any of their respective subsidiaries during the life of the Programme. Investors should review, *inter alia*, the most recent financial statements of the relevant Issuer and the Guarantor (where the relevant Issuer is ASB Finance) when deciding whether or not to purchase any of the Notes.

The distribution of this Programme Circular and the offer or sale of the Notes may be restricted by law in certain jurisdictions. Persons into whose possession this Programme Circular or any Notes come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of this Programme Circular and the offer or sale of the Notes in the United States of America, the European Economic Area (including the United Kingdom), Japan, Australia and New Zealand (see "Subscription and Sale").

The Notes have not been and will not be registered under the United States Securities Act of 1933 and include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to U.S. persons (see "Subscription and Sale").

This Programme Circular has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a Relevant Member State) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Programme Circular as completed by final terms in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

Any reference herein to an agreement between either Issuer, the Guarantor (where the relevant Issuer is ASB Finance) and the relevant Dealer shall, in the case of Notes being, or intended to be, subscribed by more than one Dealer, be to an agreement between such Issuer, the Guarantor (where the relevant Issuer is ASB Finance) and all such Dealers.

In this Programme Circular, references to “U.S. dollars”, “USD” and “U.S.\$” are to United States dollars, references to “JPY”, “Yen” and “¥” are to Japanese yen, references to “Sterling”, “GBP” and “£” are to pounds sterling, references to “AUD” and “A\$” are to Australian dollars, references to “NZD” and “NZ\$” are to New Zealand dollars, references to “HKD” are to Hong Kong dollars, references to “CHF” are to Swiss Francs and references to “euro” and “€” refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty establishing the European Community, as amended.

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

Risk Factors

CBA believes that the factors set out below under the heading “CBA” may affect its ability to fulfil its obligations under Notes issued under the Programme. ASB Finance believes that the factors set out below under the heading “ASB Finance” may affect its ability to fulfil its obligations under Notes issued under the Programme. ASB believes that the factors set out below under the heading “ASB” may affect its ability to fulfil its obligations under the Guarantee. Most of these factors are contingencies which may or may not occur and neither Issuer nor the Guarantor is in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued by the Issuers under the Programme are also described below.

Each of the Issuers and the Guarantor believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the relevant Issuer or the Guarantor (in the case of Notes issued by ASB Finance) to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and neither Issuer nor the Guarantor represents that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Programme Circular and reach their own views prior to making any investment decision.

CBA

A downturn in the Australian, New Zealand and global economies could adversely impact CBA’s results

As a financial group whose core businesses are banking, life insurance and funds management, CBA’s performance is affected by the state of the Australian, New Zealand and global economies. CBA’s results in recent years have benefited from historically high rates of growth of the Australian and New Zealand economies, low unemployment and historically low rates of inflation. CBA can give no assurances as to the likely states of the Australian and New Zealand economies, which can be influenced by many factors outside its control.

A material downturn in the Australian and New Zealand economies could adversely impact CBA’s future results and could potentially result in an increase in the amount overdue on individual loans. Recessive economic cycles also have a negative influence on CBA’s liquidity levels, credit defaults of corporations and other borrowers and CBA’s return on assets. CBA’s banking business is affected by market conditions in that there may be less demand for loan products or certain customers may face financial difficulty. In particular, a significant decrease in the Australian and New Zealand housing market could adversely affect CBA’s home mortgage portfolio. Furthermore, continued weakness in global markets could result in a decline in CBA’s revenues from its funds management and insurance businesses.

CBA is subject to extensive regulation, which could impact its results

CBA’s banking and insurance activities are subject to extensive regulation, mainly relating to liquidity levels, solvency, provisioning and insurance policy terms and conditions. The requirement to maintain certain levels of regulatory capital determines the level of CBA’s lending activity or, alternatively, requires the issue of additional equity capital or subordinated debt, which are additional sources of its funds. Any change in regulation to increase the requirements for capital adequacy could have an adverse impact on CBA’s results of operations.

Market, interest rate and currency risks could adversely impact CBA’s results

CBA is subject to the risks typical of banking, insurance and funds management activities, such as interest rate fluctuations, exchange rate variations and capital and equity market volatility. Many of these risks are outside its control and could adversely impact its future results. The results of CBA’s banking and insurance operations are affected by CBA’s management of interest rate sensitivity. Activity in the securities markets generally also affects its banking, funds management and insurance businesses. CBA also offer a number of financial products that expose it to risks associated with fluctuations in interest rates, securities prices or the value of real estate assets.

CBA faces intense competition, which could adversely impact its results

CBA faces intense competition in all of its principal areas of operation and markets, principally in Australia and New Zealand. Competition in the banking and funds management markets has, however, had the most significant effect on its results of operations.

Liquidity and funding, operational and life insurance risks could adversely impact CBA's results
CBA is subject to liquidity and funding risks, operational risks and life insurance risks, which could adversely impact its future results. Liquidity policies are in place to manage liquidity in a day-to-day sense and also under crisis assumptions. CBA's funding policy augments its liquidity policy with its aim to assure CBA has a stable diversified funding base without over-reliance on any one market sector.

ASB Finance

Factors affecting ASB Finance

ASB Finance is a funding vehicle for ASB, which is itself a wholly-owned subsidiary of CBA. As such, its principal purpose is to raise funds from offshore institutional debt markets to fund operations of ASB. Notes issued under the Programme by ASB Finance are guaranteed by ASB on a subordinated or on an unsubordinated basis, as specified in the applicable Final Terms, pursuant to the Trust Deed. ASB Finance is affected by the same risk factors which affect CBA's ability to fulfil its obligations under the Notes issued under the Programme.

ASB

Factors affecting ASB Bank Limited

ASB Bank Limited is a wholly-owned subsidiary of CBA and as such, is affected by the same risk factors which affect CBA's ability to fulfil its obligations under the Notes issued under the Programme as its operations are similar in scope to those of CBA. There are no additional risk factors solely affecting ASB.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

The Notes may not be a suitable investment for all investors

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Programme Circular or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The relevant Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index Linked Notes and Dual Currency Notes

The Issuers may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a “Relevant Factor”). In addition, the Issuers may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, potential investors should consult their own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes and the suitability of such Notes in light of their particular circumstances.

Partly-paid Notes

The Issuers may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed / Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the relevant Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the relevant Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the relevant Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the relevant Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

The Issuers' obligations under Subordinated Notes are subordinated

The Issuers' obligations under Subordinated Notes will be unsecured and subordinated and will rank junior in priority of payment to Senior Liabilities. "Senior Liabilities" means any direct, unconditional and unsecured obligations of the Issuers. Although Subordinated Notes may pay a higher rate of interest than comparable Notes which are not subordinated, there is a real risk that an investor in Subordinated Notes will lose all or some of his investment should the Issuer become insolvent.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification, waivers and substitution

The Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The Conditions of the Notes also provide that the Trustee may, without the consent of Noteholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of Notes or (ii) determine without the consent of the Noteholders that any Event of Default or potential Event of Default shall not be treated as such or (iii) the substitution of another company as principal debtor under any Notes in place of the relevant Issuer, in the circumstances described in Condition 13 of the Conditions of the Notes.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the relevant Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a Paying Agent, the relevant Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

Change of law

The Conditions of the Notes are based on English law in effect as at the date of this Programme Circular. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Programme Circular.

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The relevant Issuer will pay principal and interest on the Notes and, where the relevant Issuer is ASB Finance, the Guarantor will make any payments under the Guarantee in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Following the publication of this Programme Circular a supplement may be prepared by the relevant Issuer and approved by the UK Listing Authority in accordance with Article 16 of the Prospectus Directive. Statements contained in any such supplement (or contained in any document incorporated by reference therein) shall to the extent applicable (whether expressly by implication or otherwise) be deemed to modify or supersede statements contained in this Programme Circular or in a document which is incorporated by reference in this Programme Circular by way of a supplement prepared in accordance with Article 16 of the Prospectus Directive. Any statement so modified or superseded shall not except as so modified or superseded, constitute a part of this Programme Circular.

Copies of documents incorporated by reference in this Programme Circular will be available from the branch in London of Commonwealth Bank of Australia and from the London office of Deutsche Bank AG, London Branch specified at the end of this Programme Circular.

Each Issuer and the Guarantor (where the relevant Issuer is ASB Finance) will, in the event of any significant new factor, material mistake or inaccuracy relating to information included in this Programme Circular which is capable of affecting the assessment of any Notes issued by it, prepare a supplement to this Programme Circular or publish a new Programme Circular for use in connection with any subsequent issue of Notes. Each Issuer has undertaken to the Dealers in the Programme Agreement (as defined in "Subscription and Sale") that it will comply with section 87G of the FSMA.

Form of the Notes

The Notes of each Tranche in bearer form (“Bearer Notes”) will initially be represented by one or more temporary global Notes in bearer form without Coupons, Receipts or Talons (each as defined in “Conditions of the Notes”) which will be deposited on the issue date with a common depository on behalf of Euroclear Bank S.A./N.V. (“Euroclear”) and Clearstream Banking, société anonyme (“Clearstream, Luxembourg”).

If an interest payment date for any Bearer Notes occurs whilst such Notes are represented by a temporary global Note, the related interest payment will be made through Euroclear and/or Clearstream, Luxembourg against presentation of the temporary global Note only to the extent that certification of non-U.S. beneficial ownership (in the form set out in the temporary global Note) has been received by Euroclear or Clearstream, Luxembourg. On or after the date (the “Exchange Date”) which is 40 days after the date on which the temporary global Note is issued, provided that certification of non-U.S. beneficial ownership has been received, interests in the temporary global Note will be exchanged either for (i) interests in a permanent global Note in bearer form or (ii), at the option of the relevant Issuer, Notes in definitive bearer form. No payments of interest will be made on a temporary global Note after the Exchange Date. Payments of principal, premium (if any) or interest (if any) on a permanent global Note will be made through Euroclear or Clearstream, Luxembourg against presentation or surrender, as the case may be, of the permanent global Note without any requirement for certification of non-U.S. beneficial ownership. The applicable Final Terms will specify whether a permanent global Note will be exchangeable in whole for security-printed definitive Bearer Notes (i) upon at least 45 days’ written notice expiring at least 30 days after the Exchange Date from the holders of interests in the permanent global Note or (ii) only upon the occurrence of an Exchange Event. For these purposes, “Exchange Event” means that (i) the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system satisfactory to the Trustee is available or (ii) the relevant Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the permanent global Note to be in definitive form. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 16 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such permanent global Note) or the Trustee may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (ii) above, the relevant Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not later than 60 days after the date of receipt of the first relevant notice by the Agent. At present, neither Euroclear nor Clearstream, Luxembourg regard Notes in global form as fungible with Notes in definitive form. Temporary and permanent global Notes and definitive Bearer Notes will be issued by the Agent acting on behalf of the relevant Issuer.

The Notes of each Tranche in registered form (“Registered Notes”) will either (i) initially be represented by one or more temporary global Notes in bearer form which will be deposited with a common depository for Euroclear and Clearstream, Luxembourg and will be exchangeable for definitive Registered Notes in whole upon not less than 30 days’ written notice from the holders of interests in the relevant temporary global Note or (ii) be issued in definitive registered form.

The following legend will appear on all Bearer Notes and Coupons: “Any United States person (as defined in the United States Internal Revenue Code) who holds this obligation will be subject to limitations under the United States income tax laws including the limitations provided in sections 165(j) and 1287(a) of such Code.”

For so long as any of the Notes are represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg, each person who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the relevant Issuer, the Trustee, any Paying Agent and any Transfer Agent as the holder of such nominal amount of Notes for all purposes other than with respect to payments on the Notes for which purpose the bearer of the relevant global Note shall be treated by the relevant Issuer, the Trustee and any Paying Agent as the holder of such Notes

in accordance with and subject to the terms of the relevant global Note and the Trust Deed and the terms “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly. Notes held in Euroclear and/or Clearstream, Luxembourg and which are represented by a global Note will only be transferable, and payment in respect of them will only be made, in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearance system agreed between the relevant Issuer, the Agent, the Trustee and the relevant Dealer.

1 Form, Denomination and Title

The Notes of this Series are Bearer Notes and/or Registered Notes as specified in the applicable Final Terms and are in the Specified Currency and in the Specified Denomination(s). Definitive Notes of this Series (if issued) will be serially numbered. This Note is an Unsubordinated Note or a Subordinated Note as indicated in the applicable Final Terms. This Note is also a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, a Low Interest (discount) Note, a High Interest (premium) Note, an Index Linked Interest Note, a Dual Currency Interest Note or any appropriate combination thereof depending upon the Interest Basis specified in the applicable Final Terms and is a Dual Currency Redemption Note, an Index Linked Redemption Note, an Instalment Note or a Partly-Paid Note, or a combination of any of the foregoing, depending on the Redemption/Payment Basis specified in the applicable Final Terms. If this Note is a definitive Bearer Note, it is issued with Coupons for the payment of interest ("Coupons") and, if applicable, Talons for further Coupons ("Talons") attached, unless it is a Zero Coupon Note in which case references to interest (other than in relation to interest due after the Maturity Date) and Coupons or Talons in these Conditions are not applicable. If this Note is a definitive Bearer Note redeemable in instalments, it is issued with Receipts ("Receipts") for the payment of instalments of principal prior to the final Maturity Date attached. Wherever Dual Currency Notes, Index Linked Notes, Low Interest (discount) Notes or High Interest (premium) Notes are issued to bear interest on a fixed or floating rate basis or on a non-interest-bearing basis, the provisions in these Conditions relating to Fixed Rate Notes, Floating Rate Notes and Zero Coupon Notes respectively shall, where the context so admits, apply to such Dual Currency Notes, Index Linked Notes, Low Interest (discount) Notes or High Interest (premium) Notes. In the case of Dual Currency Notes, references to the Specified Currency in relation to any payment or calculation of a payment are to the currency in which that payment is required to be made. This Note is also an Index Linked Note where payment in respect of principal (each an "Index Linked Redemption Note") and/or interest (each an "Index Linked Interest Note") is linked to an Index and/or a Formula, and the appropriate provisions of these Conditions will apply accordingly. References in these Conditions, except in this paragraph, Condition 7 and Condition 10, to Coupons or Couponholders shall be deemed to include references to Talons or Talonholders and Receipts or Receiptholders.

Subject as set out below, title to the definitive Bearer Notes and the Coupons will pass by delivery and title to the definitive Registered Notes will pass upon the registration of transfers in accordance with the provisions of the Agency Agreement and the Trust Deed. The holder of each Coupon, whether or not such Coupon is attached to a Bearer Note, in his capacity as such, shall be subject to, and bound by, all the provisions contained in the relevant Note. Subject as set out below, the Issuer, the Guarantor (where the relevant Issuer is ASB Finance), the Trustee, any Paying Agent and any Transfer Agent may (to the fullest extent permitted by applicable laws) deem and treat the bearer of any Bearer Note or Coupon and the registered holder of any Registered Note as the absolute owner thereof (whether or not such Note or Coupon shall be overdue and notwithstanding any notation of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any global Note, without prejudice to the provisions set out below.

For so long as any Notes are represented by a global Note held on behalf of Euroclear Bank S.A./N.V. (“Euroclear”) and/or Clearstream Banking société anonyme (“Clearstream, Luxembourg”), each person who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor (where the relevant Issuer is ASB Finance), the Trustee and any Paying Agent as the holder of such nominal amount of Notes for all purposes other than with respect to payments on the Notes for which purpose the bearer of the relevant global Note shall be treated by the Issuer, the Guarantor (where the relevant Issuer is ASB Finance), the Trustee and any Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant global Note and the Trust Deed and the terms “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, except in the preceding paragraph and in Condition 16, wherever the context so permits, be deemed to include a reference to any additional or alternative clearance system approved by the Trustee and specified in the applicable Final Terms.

Notes which are represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg will only be transferable in accordance with the rules and procedures for the time being of Euroclear and/or Clearstream, Luxembourg, as the case may be.

2 Transfer and Exchange

- (a) A Registered Note may be transferred in whole or in part (in the nominal amount of the lowest Specified Denomination or any integral multiple thereof) by the deposit by the transferor of the Registered Note for registration of the transfer at the specified office of a Transfer Agent with the form of transfer endorsed on the Registered Note duly completed and executed by or on behalf of the transferor and upon the relevant Transfer Agent (after due and careful enquiry) being satisfied with the documents of title and the identity of the person making the request and subject to such reasonable regulations as the Issuer and the Registrar may (with the prior approval of the Trustee) prescribe. Subject as provided above, the relevant Transfer Agent will, within fourteen days of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), deliver at its specified office to the transferee or (at the risk of the transferee) send by mail to such address as the transferee may request a new Registered Note of a like aggregate nominal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note, a new Registered Note in respect of the balance of the Registered Note not transferred will be so delivered or (at the risk of the transferor) sent to the transferor.
- (b) A definitive Bearer Note (provided that all unmatured Coupons appertaining to the definitive Bearer Note are attached) may, where the applicable Final Terms so permits, be exchanged for a Registered Note of a like aggregate nominal amount by surrender of the definitive Bearer Note and Coupons to a Transfer Agent at its specified office, together with a written request for the exchange in the form for the time being available from the specified office of any Transfer Agent, provided that a definitive Bearer Note surrendered in exchange for a Registered Note after a Record Date (as defined in Condition 7(b)) and on or before the next following Interest Payment Date is not required to be surrendered with the Coupon maturing on the Interest Payment Date. Interest on a Registered Note issued on exchange will accrue as from that immediately preceding Interest Period End Date, except where issued in respect of a definitive Bearer Note surrendered after a Record Date and on or before the next following Interest Payment Date, in which event interest shall accrue as from the Interest Period End Date next following the date of exchange. Within fourteen days of the request, the relevant Transfer Agent will deliver at its specified office to the holder or (at the risk of the holder) send by mail to such address as may be specified by the holder in the request a Registered Note of a like aggregate nominal amount to the definitive Bearer Note exchanged.
- (c) No exchange of a Registered Note for a definitive Bearer Note will be permitted. Definitive Bearer Notes of one Specified Denomination may not be exchanged for definitive Bearer Notes of another Specified Denomination.

- (d) In the event of a partial redemption of Notes under Condition 6(c), the Issuer shall not be required:
- (i) to register the transfer of Registered Notes (or parts of Registered Notes) or to exchange definitive Bearer Notes for Registered Notes during the period beginning on the sixty-fifth day before the date of the partial redemption and ending on the day on which notice is given specifying the serial numbers of Notes called (in whole or in part) for redemption (both inclusive); or
 - (ii) register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption; or
 - (iii) to exchange any definitive Bearer Note called for partial redemption;
- except that a definitive Bearer Note called for partial redemption may be exchanged for a Registered Note which is simultaneously surrendered not later than the relevant Record Date.
- (e) Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer or any exchange as provided above, except for any costs or expenses of delivery other than at the specified office of a Transfer Agent or by regular mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration or exchange.
- (f) The names of the initial Registrar and other initial Transfer Agents and their initial specified offices in respect of this Series of Notes are set out at the end of these Conditions. Each of the Issuer and the Guarantor (where the relevant Issuer is ASB Finance) reserves the right, subject to the approval of the Trustee, at any time to vary or terminate the appointment of the Registrar or any other Transfer Agent and to appoint another Registrar or additional or other Transfer Agents provided that it will at all times maintain a Registrar and another Transfer Agent each having a specified office in a place approved by the Trustee which, in the case of the Registrar and so long as any Notes of this Series are admitted to the official list (the "Official List") of the UK Listing Authority and to trading on the London Stock Exchange plc's market for listed securities or on another stock exchange, shall be in London or such other place as may be required by that stock exchange. Notice of any termination or appointment and of any changes in specified offices will be given to the holders of the Notes of this Series promptly by the Issuer in accordance with Condition 16.

3 Status of the Notes and the Guarantee, Subordination and ASB Finance Covenant

(a) **Status of the Unsubordinated Notes**

If the Notes of this Series are Unsubordinated Notes, the Notes of this Series and the relative Coupons (if any) are direct, unconditional and unsecured obligations of the Issuer and rank without any preference or priority among themselves and *pari passu* with all other present and future unsecured and unsubordinated obligations (other than in respect of statutorily preferred creditors) of the Issuer subject to the provisions of the following paragraphs (if the Issuer is CBA) and of Condition 4.

If the Issuer is CBA, section 13A(3) of the Banking Act 1959 of the Commonwealth of Australia provides that, in the event of a bank becoming unable to meet its obligations or suspending payment, the assets of the bank in Australia shall be available to meet its deposit liabilities in Australia in priority to all other liabilities of the bank.

If the Issuer is CBA, section 16(2) of the Banking Act 1959 of the Commonwealth of Australia provides that, despite anything contained in any law relating to the winding up of companies, but subject to section 13A(3) of the Banking Act 1959, the debts of a bank to the Australian Prudential Regulatory Authority ("APRA") in respect of APRA's costs (including costs in the nature of remuneration and expenses) of being in control of a bank's business or of having an administrator in control of a bank's business have priority in a winding up of the bank over all other unsecured debts.

If the Issuer is CBA, section 86 of the Reserve Bank Act 1959 of the Commonwealth of Australia provides that notwithstanding anything contained in any law relating to the winding up of companies, but subject to section 13A(3) of the Banking Act 1959, debts due to the Reserve Bank of Australia by a bank shall, in the winding up, have priority over all other debts other than debts due to the Commonwealth of Australia.

(b) **Status and Subordination of the Subordinated Notes**

If the Notes of this Series are Subordinated Notes issued by CBA, the Notes of this Series and the

relative Coupons (if any) will, in the event of the winding up of CBA, be unsecured and subordinated obligations of CBA.

Accordingly, in the event of the winding up of CBA, all amounts paid from the assets of CBA to the Trustee will be held on trust for the Other Creditors admitted in the winding up of CBA upon the terms set out in clause 9(B) of the Twentieth Supplemental Trust Deed.

For the purposes of the Notes, "Other Creditors" means all creditors of CBA (including but not limited to the depositors of CBA in Australia) other than:

- (i) the holders of the Notes of this Series;
- (ii) creditors whose claims against CBA by the terms of any agreement, deed or instrument applicable to such creditors rank *pari passu* with the claims of the holders of the Notes of this Series; and
- (iii) creditors whose claims against CBA by the terms of any agreement, deed or instrument applicable to such creditors rank junior to the claims of the holders of the Notes of this Series.

The Notes of this Series shall rank *pari passu* with all other present and future outstanding unsecured subordinated indebtedness of CBA unless the terms of such other unsecured subordinated indebtedness of CBA expressly provide for it to rank ahead of or junior to the Notes of this Series. The Notes of this Series shall rank senior to all share capital of CBA (including without limitation preference shares, if any, of CBA).

The Notes of this Series do not represent a deposit liability of CBA for the purposes of the Banking Act 1959 of the Commonwealth of Australia.

Section 13A(3) of the Banking Act 1959 of the Commonwealth of Australia provides that, in the event of a bank becoming unable to meet its obligations or suspending payment, the assets of the bank in Australia shall be available to meet its deposit liabilities in Australia in priority to all other liabilities of the bank.

Section 16(2) of the Banking Act 1959 of the Commonwealth of Australia provides that, despite anything contained in any law relating to the winding up of companies, but subject to section 13A(3) of the Banking Act of 1959, the debts of a bank to the APRA in respect of APRA's costs (including costs in the nature of remuneration and expenses) of being in control of a bank's business or of having an administrator in control of a bank's business have priority in a winding up of the bank over all other unsecured debts.

Section 86 of the Reserve Bank Act 1959 of the Commonwealth of Australia provides that notwithstanding anything contained in any law relating to the winding up of companies, but subject to Section 13A(3) of the Banking Act 1959, debts due to the Reserve Bank of Australia by a bank shall, in the winding up, have priority over all other debts other than the debts due to the Commonwealth of Australia.

Nothing in the Conditions of the Notes of this Series shall be construed or deemed to limit the amount of senior debt, deposits and other obligations which rank senior to the Notes of this Series, including other unsecured subordinated obligations of CBA ranking senior to the Notes of this Series, that may be hereafter incurred or assumed by CBA.

Subject to applicable law, no holder of the Notes of this Series may exercise or claim any right of set-off in respect of any amounts owed to it by CBA arising under or in connection with the Notes of this Series and each such holder shall, by virtue of his subscription, purchase or holding of any such Note of this Series, be deemed to have waived all such rights of set-off.

Notwithstanding anything else in these Conditions, the obligations of CBA to make payments of interest in respect of the Notes of this Series is conditional upon CBA being Solvent at the time of payment. No interest is payable at any time with respect to the Notes of this Series except to the extent that CBA may make the payment and still be Solvent immediately after doing so.

If CBA would not remain Solvent after payment of the whole of any interest amount referred to above, but would remain Solvent immediately after payment of a portion of those moneys, then that proportion of the amounts payable to holders of any Notes of this Series will be due to and paid to those holders rateably (as to their respective due proportion only).

For the purposes of this Condition, CBA is taken to be "Solvent" if: (a) it is able to pay its debts to Unsubordinated Creditors as they fall due; and (b) its Assets exceed its Liabilities.

A report as to whether CBA is Solvent signed by 2 Authorised Officers of CBA or the auditors of CBA or, if CBA is being wound up, its liquidator, will, unless the contrary is proved, be evidence of the information set out in that report. Neither the Trustee nor any Paying Agent is obliged to obtain any such report prior to any due date for payment on the Notes or at any other time. In the absence of such a report the Trustee and the holder of any Note is entitled to assume (unless the contrary is proved) that CBA is and will after any payment be Solvent.

For the purpose of this Condition:

“Assets” means the unconsolidated gross assets of CBA as shown by the latest published audited accounts of CBA as adjusted for events subsequent to the date of such accounts in the manner and to the extent the directors, the auditor or, if relevant, the liquidator, of CBA determines to be appropriate; and

“Liabilities” means the unconsolidated gross liabilities of CBA as shown by the latest published audited accounts of CBA as adjusted for events subsequent to the date of such accounts in the manner and to the extent the directors, the auditor or, if relevant, the liquidator, of CBA determines to be appropriate.

If the Notes of this Series are Subordinated Notes issued by ASB Finance, the status and subordination of the Notes of this Series will be as set out in the applicable Final Terms.

(c) **Status of the Guarantee**

The Guarantor has, in the Trust Deed, unconditionally and irrevocably guaranteed the due and punctual payment of the principal of, and interest on, all Notes issued by ASB Finance and all other amounts payable by ASB Finance under or pursuant to the Trust Deed (the “Guarantee”).

The obligations of the Guarantor under the Guarantee constitute:

- (i) in the case of Senior Notes issued by ASB Finance, direct, unconditional and unsecured obligations of the Guarantor and will rank without any preference or priority amongst themselves and *pari passu* with all other present and future unsecured and unsubordinated obligations (other than statutorily preferred creditors) of the Guarantor subject as provided in Condition 4;
- (ii) in the case of Subordinated Notes issued by ASB Finance, unconditional and unsecured obligations of the Guarantor and will rank as set out in the applicable Final Terms and a supplemental trust deed.

(d) **Issuer Covenant**

If the Issuer of the Notes is ASB Finance, it covenants that the proceeds of any issue will be lent to the Guarantor pursuant to a loan agreement in the same currency and on the same financial terms with the addition of such margin or amounts as the Issuer may determine.

4 Negative Pledge

(a) **Unsubordinated Notes**

If the Notes of this Series are Unsubordinated Notes, as long as any of the Notes of this Series or the relative Coupons (if any) remains outstanding (as defined in the Trust Deed):

- (i) the Issuer will not create or have outstanding any mortgage, pledge or other charge, upon or with respect to, any of its present or future assets or revenues to secure repayment of, or to secure any guarantee or indemnity in respect of, any external indebtedness without, at the same time, according to the Notes of this Series the same security or such other security as shall in the opinion of the Trustee be not materially less beneficial to the interests of the holders of the Notes of this Series or as shall be approved by an Extraordinary Resolution (as defined in the Trust Deed) of the holders of the Notes of this Series; and
- (ii) the Guarantor (where the Issuer of the Unsubordinated Notes is ASB Finance), will not create or have outstanding any mortgage, pledge or other charge, upon or with respect to, any of its present or future assets or revenues to secure repayment of, or to secure any guarantee or indemnity in respect of, any external indebtedness without, at the same time, according to the Guarantee of the Notes of this Series the same security or such other security as shall in the opinion of the Trustee be not materially less beneficial to the interests of the holders of the Notes of this Series or as shall be approved by an Extraordinary Resolution of the holders of the Notes of this Series.

(b) **Subordinated Notes**

If the Notes of this Series are Subordinated Notes, this Condition 4 shall not be applicable to the Notes of this Series.

(c) **Interpretation**

For the purpose of this Condition “external indebtedness” means any obligation for the repayment of borrowed money in the form of or represented by bonds, notes, debentures or other securities:

- (i) which are initially offered outside the Commonwealth of Australia (if the Issuer is CBA) or New Zealand (if the Issuer is ASB Finance) with the consent of the Issuer in an amount exceeding 50 per cent. of the aggregate nominal amount of the relevant issue; and
- (ii) which are, or are capable of being, quoted, listed or ordinarily traded on any stock exchange or on any recognised securities market.

5 Interest

(a) **Interest on Fixed Rate Notes**

- (1) Each Fixed Rate Note bears interest from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest specified in the applicable Final Terms. Interest will accrue in respect of each Interest Period (which expression shall in these Conditions mean the period from (and including) an Interest Period End Date (or if none the Interest Commencement Date) to (but excluding) the next (or first) Interest Period End Date (each such latter date the “Interest Period End Final Date” for the relevant Interest Period)). Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date. If an Interest Payment Date falls after the Interest Period End Final Date in respect of the relevant Interest Period, no additional interest or other amount shall be payable as a result of such interest being payable on such later date.

If the Notes are in definitive form and if Fixed Coupon Amount is specified in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on (but excluding) the Interest Period End Final Date in respect of such Interest Period will amount to the Fixed Coupon Amount or the Broken Amount (if any) so specified.

Interest will be paid subject to and in accordance with the provisions of Condition 7 (unless otherwise specified in the applicable Final Terms). Interest will cease to accrue on each Fixed Rate Note (or, in the case of the redemption of part only of a Fixed Rate Note, that part only of such Note) on the due date for redemption thereof or, if different, the last Interest Period End Date in respect thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused, in which event interest will continue to accrue (as well after as before any judgment) until, but excluding, whichever is the earlier of (A) the day on which all sums due in respect of such Fixed Rate Note up to that day are received by or on behalf of the holder of such Fixed Rate Note and (B) the day which is seven days after the date on which the Agent has notified the holder in accordance with Condition 16 that it has received all sums due in respect thereof up to that date.

- (2) Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount, is specified in the applicable Final Terms, or where Business Day Convention is specified in the applicable Final Terms as applying to an Interest Period End Date or if interest is required to be calculated for a period (the “Relevant Period”) other than a full Interest Period interest shall be calculated in respect of any period by applying the Rate of Interest to:

(A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or

(B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

In this Condition 5(a), each of “Day Count Fraction” and “Business Day Convention” has the meaning given to it in Condition 5(c).

In these Conditions “sub-unit” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) Interest on Floating Rate Notes and Index Linked Interest Notes

(1) *Interest Period End Dates and Interest Payment Dates*

Each Floating Rate Note and Index Linked Interest Note bears interest in respect of each Interest Period (which expression shall in these Conditions mean the period from (and including) a Specified Interest Period End Date (or if none the Interest Commencement Date to (but excluding) the next (or first) Specified Interest Period End Date (each such latter date the “Interest Period End Final Date” for the relevant Interest Period)). For the purposes of this Condition 5(b), “Interest Period End Date” shall mean either:

- (A) the Specified Interest Period End Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Period End Date(s) is/are specified in the applicable Final Terms, each date which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Period End Date, after the Interest Commencement Date.

Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date. If an Interest Payment Date falls after an Interest Period End Final Date in respect of the relevant Interest Period, no additional interest or other amount shall be payable as a result of such interest being payable on such later date.

(2) *Interest Payments and Accrual*

Interest will be paid subject to and in accordance with the provisions of Condition 7 (unless otherwise specified in the applicable Final Terms). Interest will cease to accrue on each Floating Rate Note or Index Linked Interest Note (or, in the case of the redemption of part only of a Floating Rate Note or Index Linked Interest Note, that part only of such Note) on the Interest Period End Final Date for the last Interest Period unless, upon due presentation thereof, payment of principal is improperly withheld or refused, in which event interest will continue to accrue (as well after as before any judgement) until, but excluding, whichever is the earlier of (A) the day on which all sums due in respect of such Floating Rate Note or Index Linked Interest Note up to that day are received by or on behalf of the holder of such Floating Rate Note or Index Linked Interest Note and (B) the day which is seven days after the date on which the Agent has notified the holder in accordance with Condition 16 that it has received all sums due in respect thereof up to that date.

(3) *Rate of Interest*

The Rate of Interest payable from time to time in respect of each Floating Rate Note and Index Linked Interest Note will be determined in the manner specified in the applicable Final Terms.

(4) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period specified in the applicable Final Terms will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this Condition 5(b)(4), “ISDA Rate” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent or other person specified in the applicable Final Terms under an interest rate swap transaction if the Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes, (the “ISDA Definitions”) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency or on the Euro-zone inter-bank offered rate (EURIBOR) for calculations of payments in euro, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this Condition 5(b)(4), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions.

When this Condition 5(b)(4) applies, in respect of each relevant Interest Period:

- (i) the Rate of Interest for such Interest Period will be the rate of interest determined by the Agent or other person specified in the applicable Final Terms in accordance with this Condition 5(b)(4); and
- (ii) the Agent or other person specified in the applicable Final Terms will be deemed to have discharged its obligations under Condition 5(b)(8) in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this Condition 5(b)(4).

(5) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent or other person specified in the applicable Final Terms. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest rate, one only of such rates) and the lowest (or, if there is more than one such lowest rate, one only of such rates) shall be disregarded by the Agent or that other person for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (A) above, no such offered quotation appears or, in the case of (B) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph. Such provisions will apply to each Floating Rate Note where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(6) *Minimum and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such minimum Rate of Interest. If the applicable Final Terms specifies a maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such maximum Rate of Interest, the Rate of Interest for such Interest Period shall be the maximum Rate of Interest.

(7) *Business Day, Interest Determination Date and Relevant Screen Page*

- (i) In this Condition, “Business Day” has the meaning given to it in Condition 5(c).
- (ii) In this Condition, “Interest Determination Date” has the meaning set out in the applicable Final Terms.
- (iii) In this Condition, “Relevant Screen Page” has the meaning set out in the applicable Final Terms.

(8) *Determination of Rate of Interest and Calculation of Interest Amount*

The Agent, in the case of Floating Rate Notes, the Calculation Agent specified in the applicable Final Terms, in the case of Index Linked Interest Notes, or other person specified in the

applicable Final Terms will, as soon as practicable after 11.00 a.m. (London time) (or, if different, such other time as is customary in the principal financial centre of the country of the Specified Currency) on each Interest Determination Date, determine the Rate of Interest and calculate the amount of interest payable in respect of each Specified Denomination (each an "Interest Amount") for the relevant Interest Period.

The Interest Amount payable on the Floating Rate Notes or Index Linked Interest Notes for the relevant Interest Period will be calculated by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

The determination of the Rate of Interest and calculation of each Interest Amount by the Agent or other person specified in the applicable Final Terms shall (in the absence of manifest error) be final and binding upon all parties.

(9) *Notification of Rate of Interest and Interest Amount*

The Agent will cause the Rate of Interest and the Interest Amount for each Interest Period and the relevant Interest Period End Date and, if different, the relevant Interest Payment Date to be notified to the Issuer, the Trustee and, in the case of Floating Rate Notes or Index Linked Interest Notes which are listed on a stock exchange, that stock exchange as soon as possible but in any event not later than the second Business Day after their determination and will cause notice of such information to be given to the holders of the Notes of this Series in accordance with Condition 16 not later than the fourth Business Day after their determination. Each Interest Amount, Interest Period End Date and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notification as aforesaid in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to any stock exchange on which the Notes affected thereby are for the time being listed.

(10) *Determination or Calculation by Trustee*

If for any reason the Agent, the Calculation Agent or other person specified in the applicable Final Terms does not at any time determine the Rate of Interest or calculate any Interest Amount as provided in this Condition, the Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition 5 but subject always to any minimum or maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances and/or, as the case may be, the Trustee shall calculate the Interest Amount in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Agent, the Calculation Agent or other person specified in the applicable Final Terms.

(11) *Notifications, etc. to be final*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition by the Agent, the Calculation Agent or the Trustee will (in the absence of default, bad faith or manifest error by them or any of their directors, officers, employees or agents) be binding on the Issuer, the Guarantor (where the relevant Issuer is ASB Finance), the Trustee, the Agent, the Calculation Agent, the Paying Agents and all holders of the Notes of this Series and Coupons relating thereto and (in the absence of any default, bad faith or manifest error as referred to above) no liability to the Issuer, the Guarantor (where the relevant Issuer is ASB Finance) or the holders of the Notes of this Series and Coupons relating thereto shall attach to the Agent, the Calculation Agent or the Trustee in connection with the exercise or non-exercise by them of their powers, duties and discretions under this Condition.

(c) Day Count Fraction and Business Day Convention

(i) *Day Count Fraction*

“Day Count Fraction” means, unless otherwise specified in the applicable Final Terms:

- (1) if “Actual/Actual (ISDA)” is specified in the applicable Final Terms, the actual number of days in, for the purposes of Condition 5(a), the Interest Period or the Relevant Period, as the case may be, and, for the purposes of Condition 5(b), the Interest Period, in each case divided by 365 (or, if any portion of the relevant period falls in a leap year, the sum of (A) the actual number of days in that portion of the relevant period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the relevant period falling in a non-leap year divided by 365);
- (2) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in, for the purposes of Condition 5(a), the Interest Period or the Relevant Period, as the case may be, and, for the purposes of Condition 5(b), the Interest Period, in each case divided by 365;
- (3) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in, for the purposes of Condition 5(a), the Interest Period or the Relevant Period, as the case may be, and, for the purposes of Condition 5(b), the Interest Period, in each case divided by 365 or, in the case of the relevant period falling in a leap year, 366;
- (4) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in, for the purposes of Condition 5(a), the Interest Period or the Relevant Period, as the case may be, and, for the purposes of Condition 5(b), the Interest Period, in each case divided by 360;
- (5) if “30/360 (Floating)”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls:

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (6) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in, for the purposes of Condition 5(a), the Interest Period or the Relevant Period, as the case may be, and, for the purposes of Condition 5(b), the Interest Period, in each case divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls:

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

(7) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:

(A) in the case of Notes where the number of days in the Interest Period or the Relevant Period, as the case may be, from (and including) the most recent Interest Period End Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “Accrual Period”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; or

(B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:

(1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; and

(2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year;

(8) if “30/360 (Fixed)” or “30/360, unadjusted” is specified in the applicable Final Terms, the number of days in the Interest Period or the Relevant Period, as the case may be, (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

“Determination Period” means the period from (and including) a Determination Date (as specified in the applicable Final Terms) to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Period End Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

(9) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls:

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31 and D₂ will be 30.

(ii) *Business Day Convention*

If any Interest Period End Date (or other date) which is specified in the applicable Final Terms to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in the case where a Specified Period is specified in accordance with Condition 5(b)(1)(B) above, the Floating Rate Convention, such Interest Period End Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (a) such Interest Period End Date (or other date) shall be brought forward to the immediately preceding Business Day and (b) after the foregoing paragraph (a) shall have applied, each subsequent Interest Period End Date (or other date) shall be the last Business Day of the last month which falls in the Interest Period after the preceding applicable Interest Period End Date occurred; or
- (2) the Following Business Day Convention, such Interest Period End Date (or other date) shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Period End Date (or other date) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Period End Date (or other date) shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Period End Date (or other date) shall be brought forward to the immediately preceding Business Day.

In this Condition:

“Business Day” means (unless otherwise stated in the applicable Final Terms):

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and, if any Additional Business Centre(s) is specified in the applicable Final Terms, in such Additional Business Centre(s); and
- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (if other than London) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System (“TARGET”) is open.

- (d) Zero Coupon Notes, Low Interest (discount) Notes and High Interest (premium) Notes

Where a Zero Coupon Note, Low Interest (discount) Note or High Interest (premium) Note becomes due and repayable prior to the Maturity Date and is not paid when due, the amount due and repayable shall be the Amortised Face Amount of such Note as determined in accordance with Condition 6(f). As from the Maturity Date any overdue principal of such Note shall bear interest at a rate per annum equal to the Amortisation Yield. Such interest shall continue to accrue (as well after as before any judgment) until whichever is the earlier of (A) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the holder of such Note and (B) the day which is seven days after the date on which the Agent has notified the holder in accordance with Condition 16 that it has received all sums due in respect thereof up to that date. Unless otherwise specified in the applicable Final Terms, such interest will be calculated on the basis of a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the actual number of days elapsed.

- (e) Dual Currency Interest Notes

In the case of Dual Currency Interest Notes where the rate of interest falls to be determined by reference to the Rate of Exchange, the provisions for determining the rate of interest, accrual of interest, calculation of interest amounts, determination of interest payment dates and other relevant provisions shall be specified in the applicable Final Terms and payment shall be made in accordance with Condition 7.

- (f) Partly-Paid Notes

6 Redemption and Purchase

(a) Final Redemption

Unless previously redeemed or purchased and cancelled as provided below, each Note of this Series will be redeemed at its Final Redemption Amount in the relevant Specified Currency on the Maturity Date (as specified in the applicable Final Terms).

(b) Redemption for Tax Reasons

The Notes of this Series may be redeemed, subject to the prior written consent of APRA if the Notes of this Series are Subordinated Notes issued by CBA, at the option of the Issuer in whole, but not in part, at any time (in the case of Notes other than Floating Rate Notes, Index Linked Interest Notes and Dual Currency Interest Notes) or on any Interest Period End Date (in the case of Floating Rate Notes, Index Linked Interest Notes and Dual Currency Interest Notes), on giving not less than 30 nor more than 60 days' notice in accordance with Condition 16 (which notice shall be irrevocable), at the Early Redemption Amount provided in, or calculated in accordance with, paragraph (g) or (h) (as applicable) below, together with (if provided in such paragraphs) interest accrued up to, but excluding, the date fixed for redemption, if the Issuer or the Guarantor (where the relevant Issuer is ASB Finance) satisfies the Trustee immediately prior to the giving of such notice that (i) it has or will become obliged to pay additional amounts as provided or referred to in Condition 9 or the Guarantor (in the case of Notes issued by ASB Finance) would be unable for reasons outside its control to procure payment by ASB Finance and in making payment itself would be required to pay such additional amounts or (ii) (if the Issuer is ASB Finance) in order to reduce the applicable level of any New Zealand non-resident withholding tax (under current law or change of law) to zero, the Issuer becomes obliged to pay approved issuer levy at a rate exceeding the rate of the levy being charged at the date of issue of the Notes under section 86J of the Stamp and Cheque Duties Act 1971 of New Zealand or incurs any other cost in excess of that applicable under New Zealand law at the date of issue of the Notes, in each case as a result of any change in, or amendment to, the laws or regulations of the Commonwealth of Australia (if the Issuer is CBA) or New Zealand or the United Kingdom (if the Issuer is ASB Finance) or (in either case) a Taxing Jurisdiction (as defined in Condition 9) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including the manner of exercising any official discretion thereunder), which change or amendment becomes known generally or to the Issuer or the Guarantor (where the relevant Issuer is ASB Finance) on or after the Issue Date (or, in the case of a second or subsequent Tranche of Notes of this Series, the Issue Date for the original Tranche) provided that no such notice of redemption shall be given in respect of the Notes of this Series earlier than 90 days prior to the earliest date on which the Issuer or the Guarantor (where the relevant Issuer is ASB Finance) would be obliged to pay such additional amounts and, for the purpose only of determining the earliest date on which such notice may be given, it shall be deemed that a payment, in respect of which the Issuer or the Guarantor (where the relevant Issuer is ASB Finance) would be obliged to pay such additional amounts, is due in respect of the Notes of this Series on the day on which any such change or amendment becomes effective.

(c) Redemption at the Option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Final Terms, the Issuer may, subject to the prior written consent of APRA if the Notes of this Series are Subordinated Notes issued by CBA, on any Optional Redemption Date specified in the applicable Final Terms at its option, on giving not less than five Business Days' notice or such other notice period specified in the applicable Final Terms to the holders of the Notes of this Series (which notice shall be irrevocable) in accordance with Condition 16, redeem all or from time to time some only of the Notes of this Series then outstanding on the relevant Optional Redemption Date and at the Optional Redemption Amount indicated in the applicable Final Terms together with (in the case of Fixed Rate Notes) interest accrued up to, but excluding, the relevant Optional Redemption Date. In the event of a redemption of some only of such Notes, such redemption must be for an amount being equal to the Minimum Redemption Amount or a Higher Redemption Amount (if any) specified in the applicable Final Terms. In the case of a partial redemption of Notes, Notes to be redeemed will be selected individually by lot in such place as the Trustee may approve and in such manner as the Trustee shall deem to be appropriate and fair (without involving any part only of a Bearer Note) not less than 40 days prior to the date fixed for redemption. In the case of a partial redemption where some or all of the Notes are represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg, such redemption with respect to those

Notes will take place in accordance with the procedures of Euroclear and/or Clearstream, Luxembourg from time to time. Each notice of redemption will specify the date fixed for redemption and, in the case of a partial redemption, the aggregate nominal amount, and, where some or all of the Notes are in definitive form, the serial numbers, of the Notes to be redeemed and, in each case, the aggregate nominal amount of the Notes of this Series which will be outstanding after the partial redemption. In addition, in the case of a partial redemption of a Series of Notes which includes Registered Notes, the Issuer will publish an additional notice of redemption not less than 80 nor more than 95 days before the date fixed for redemption which notice will specify the period during which exchanges or transfers of Notes may not be made as provided in Condition 2.

(d) Redemption at the Option of the Noteholders (Investor Put)

If Investor Put is specified in the applicable Final Terms, upon any Noteholder giving to the Issuer in accordance with Condition 16 not less than 30 nor more than 60 days' notice (the "notice period"), the Issuer will, upon the expiry of such notice redeem in whole (but not in part) the Notes the subject of the notice on the Optional Redemption Date and at the Optional Redemption Amount indicated in the applicable Final Terms together with (in the case of Fixed Rate Notes) interest accrued up to, but excluding, the Optional Redemption Date. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form, and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) on any business day (as defined in Condition 7(h)) falling within the notice period a duly signed and completed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or from the Registrar (a "Put Notice") and, in the case of a Put Notice in respect of Bearer Notes, in which the holder must specify a bank account outside Australia to which payment is to be made under this Condition. If this Note is in definitive form, the Put Notice must be accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control.

If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if this Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

A Put Notice or other notice given by a holder of any Note pursuant to this Condition 6(d), once delivered, shall be irrevocable and the Issuer shall redeem all Notes delivered therewith on the applicable redemption date.

(e) Final Terms

The applicable Final Terms indicates that either (1) this Note cannot be redeemed prior to its Maturity Date except as provided in paragraph (b) above or (2) that this Note will be redeemable at the option of the Issuer and/or the holder of this Note prior to such Maturity Date in accordance with the provisions of paragraphs (c) and/or (d) above an Optional Redemption Date and at an Optional Redemption Amount and in any Minimum Redemption Amount or Higher Redemption Amount indicated therein or (3) that this Note will be redeemable in instalments and the relevant Instalment Amounts and Instalment Dates.

(f) Zero Coupon Notes, Low Interest (discount) Notes and High Interest (premium) Notes

(1) The amount payable in respect of any Zero Coupon Note, Low Interest (discount) Note or High Interest (premium) Note upon redemption of such Note pursuant to paragraph (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 11 shall be the Amortised Face Amount (calculated as provided below) of such Note.

(2) Subject to the provisions of sub-paragraph (3) below, the Amortised Face Amount of any Zero Coupon Note, Low Interest (discount) Note or High Interest (premium) Note shall be the sum of (A) the sum of (i) the Reference Price and (ii) the aggregate amortisation of the difference

between the Reference Price and the nominal amount of the Note from, and including, the Issue Date to, but excluding, the date on which the Note is redeemed or becomes due and repayable as provided in Condition 11 at a rate per annum (expressed as a percentage) equal to the Amortisation Yield compounded annually and (B) interest (if any) accrued but unpaid to, but excluding, the date on which the Note is redeemed or becomes due and repayable as provided in Condition 11. Unless otherwise specified in the applicable Final Terms, where such calculation is to be made for a period other than a full year, it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the actual number of days elapsed.

- (3) If the amount payable in respect of any Zero Coupon Note, Low Interest (discount) Note or High Interest (premium) Note upon redemption of such Note pursuant to paragraph (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 11 is not paid when due, the amount due and repayable in respect of such Note shall be the Amortised Face Amount of such Note calculated pursuant to sub-paragraph (2) above, except that such sub-paragraph shall have effect as though the reference therein to the date on which the Note becomes due and repayable was replaced by a reference to the date (the "Reference Date") which is the earlier of (A) the date on which all sums due in respect of the Note up to that day are received by or on behalf of the holder thereof and (B) the date on which the Agent has notified the holder in accordance with Condition 16 that it has received all sums due in respect thereof up to that date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph will continue to be made, after as well as before judgment, until the Reference Date unless the Reference Date falls on or after the Maturity Date, in which case the amount due and repayable shall be the nominal amount of such Note together with any interest which may accrue in accordance with Condition 5(c).
- (g) **Early Redemption Amounts**
For the purposes of paragraph (b) above and Condition 11, unless otherwise indicated in the applicable Final Terms, Notes (other than Index Linked Redemption Notes and Dual Currency Redemption Notes) will be redeemed at their Early Redemption Amount, being (1) in the case of Fixed Rate Notes or Floating Rate Notes (other than Low Interest (discount) Notes and High Interest (premium) Notes) the Final Redemption Amount (2) in the case of Zero Coupon Notes, Low Interest (discount) Notes or High Interest (premium) Notes at the Amortised Face Amount of such Notes determined in accordance with paragraph (f) above, in each case in the relevant Specified Currency together with, in the case of Fixed Rate Notes redeemed pursuant to paragraph (b) above, interest accrued to, but excluding, the date fixed for redemption.
- (h) **Index Linked Redemption Notes and Dual Currency Redemption Notes**
In respect of an Index Linked Redemption Note or a Dual Currency Redemption Note where the amount payable in respect of principal upon redemption (the "Final Redemption Amount") falls to be determined by reference to the Index and/or the Formula or, as the case may be, the Rate of Exchange, the Final Redemption Amount shall be determined in accordance with the Index and/or the Formula or, as the case may be, the Rate of Exchange in the manner specified in the applicable Final Terms and each such Index Linked Redemption Note or Dual Currency Redemption Note shall, unless previously redeemed or purchased and cancelled as provided below, be redeemed at the applicable Final Redemption Amount together, where relevant, with interest accrued to, but excluding, the date fixed for redemption on the Maturity Date. In respect of an Index Linked Redemption Note or a Dual Currency Redemption Note where the amount payable on an early redemption (including an early redemption pursuant to Condition 11) in respect of principal only, principal and interest or interest only (the "Early Redemption Amount") falls to be determined in whole or in part by reference to the Index and/or the Formula or, as the case may be, the Rate of Exchange, the Early Redemption Amount shall be calculated in accordance with the applicable Final Terms and shall be paid together with, in the case of a Fixed Rate Note where the Early Redemption Amount is calculated in respect of principal only, interest accrued to, but excluding, the date fixed for redemption.
- (i) **Purchase and Cancellation**
The Issuer or the Guarantor (where the relevant Issuer is ASB Finance) may (subject as provided below and subject to the prior consent of APRA if the Notes of this Series are Subordinated Notes issued by CBA) at any time purchase Notes of this Series (provided that all unmatured Coupons appertaining to such Notes, if in definitive bearer form, are attached thereto or surrendered therewith) in any manner and at any price. If purchases are made by tender, tenders must be made available to all holders of Notes of this Series alike.

All Notes of this Series together, in the case of definitive Notes in bearer form, with all unmatured Coupons appertaining thereto, purchased by or on behalf of the Issuer (other than those purchased in the ordinary course of the business of dealing in securities) will be cancelled forthwith.

(j) **Partly-Paid Notes**

Partly-Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition as modified by the provisions of the applicable Final Terms.

(k) **Instalments**

Each Note which is redeemable in instalments will be redeemed in the Instalment Amounts and on the Instalment Dates, in the case of all instalments other than the final instalment by (in the case of Bearer Notes in definitive form) surrender of the relevant Receipt (which must be presented with the Note to which it appertains) or by (in the case of Notes represented by a global Note) presentation and endorsement of the global Note, and (in the case of the final instalment) by surrender of the relevant Note, all in accordance with Condition 7.

7 Payments and Exchange of Talons

(a) **Payments in respect of definitive Bearer Notes**

(1) Payments of principal and interest (if any) in respect of definitive Bearer Notes (if issued) will (subject as provided below) be made against surrender (or, in the case of part payment only, presentation and endorsement) of definitive Bearer Notes, Receipts or Coupons (which expression, in this Condition and Condition 10, shall not include Receipts or Talons), as the case may be, at any specified office of any Paying Agent outside Australia.

(2) In the case of Bearer Notes in definitive form, payments of principal in respect of instalments (if any), other than the final instalment, will (subject as provided below) be made against surrender (or, in the case of part payment only, presentation and endorsement) of the relevant Receipt. Payment of the final instalment will be made against surrender (or, in the case of part payment only, presentation and endorsement) of the relevant definitive Bearer Note. Each Receipt must be presented for payment of such instalment together with the relevant definitive Bearer Note against which the amount will be payable in respect of that instalment. If any definitive Bearer Notes are redeemed or become repayable prior to the Maturity Date in respect thereof, principal will be payable on surrender of each such Note together with all unmatured Receipts appertaining thereto. Unmatured Receipts and Receipts presented without the definitive Bearer Notes to which they appertain do not constitute obligations of the Issuer.

(3) All payments of principal and interest with respect to definitive Bearer Notes will be made outside Australia and (except as otherwise provided in paragraph (d) below) the United States. Payments in any currency other than euro in respect of definitive Bearer Notes will (subject as provided below) be made by transfer to an account (in the case of payment in Yen to a non-resident of Japan, a non-resident account) in the Specified Currency maintained by the payee with a bank in the principal financial centre of the country of the Specified Currency (or, if the Specified Currency is Australian dollars, in London or another place outside Australia) provided that if at any time such payments cannot (in the opinion of the Trustee) be so made, then payments will be made outside Australia in such other manner as the Issuer may, with the prior written approval of the Trustee, determine and notify in accordance with Condition 16. Payments in euro in respect of definitive Bearer Notes will be made by transfer to a euro account outside Australia (or any other account outside Australia to which euro may be transferred) specified by the payee.

(b) **Payments in respect of definitive Registered Notes**

Payments of principal in respect of definitive Registered Notes will (subject as provided in this Condition) be made against presentation and surrender of such Registered Notes at the specified office outside Australia of the Registrar by a cheque in the Specified Currency drawn on a bank in the principal financial centre of the country of the Specified Currency. Payments of interest in respect of definitive Registered Notes will (subject as provided in this Condition) be made by a cheque in the Specified Currency drawn on a bank in the principal financial centre of the country of the Specified Currency and posted on the business day in the city in which the Registrar has its specified office immediately preceding the relevant due date to the holder (or to the first named of joint holders) of the Registered Note appearing on the register at the close of business on the fifteenth day before the relevant due date (the "Record Date") at his address shown on the register on the Record Date. Upon application of the holder to the specified office

of the Registrar not less than three business days in the city in which the Registrar has its specified office before the due date for any payment in respect of a Registered Note, the payment of principal and/or interest may be made (in the case of payment of principal against presentation and surrender of the relevant Registered Note as provided above) by transfer on the due date to an account in the Specified Currency maintained by the payee with a bank in the principal financial centre of the country of the Specified Currency subject to the provisions of the following two sentences. If the Specified Currency is Australian dollars, payment will be made (in the case of a transfer to a bank account) by transfer to an account in London or another place outside Australia and, if the Specified Currency is Yen, payment will be made (in the case of payment to a non-resident of Japan) by cheque drawn on, or by transfer to a non-resident account. If the Specified Currency is euro, payment will be made to a euro account outside Australia (or any other account outside Australia to which euro may be transferred), as the case may be, specified by the payee.

(c) Payments in respect of global Notes

(1) Payments of principal and interest (if any) in respect of Notes represented by any global Note will (subject as provided below) be made in the manner specified in the relevant global Note against presentation and endorsement or surrender, as the case may be, of such global Note at the specified office of any Paying Agent outside Australia. A record of each payment made on such global Note, distinguishing between any payment of principal and interest, will be made on such global Note by the Paying Agent to which such global Note is presented for the purpose of making such payment, and such record shall (save in the case of manifest error) be conclusive evidence that the payment in question has been made.

(2) The holder of a global Note shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the Issuer or, as the case may be, the Guarantor (where the relevant Issuer is ASB Finance) will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of Notes must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor (where the relevant Issuer is ASB Finance) to, or to the order of, the holder of the relevant global Note. Subject to Condition 12 and the Trust Deed, no person other than the holder of a global Note shall have any claim against the Issuer or, as the case may be, the Guarantor (where the relevant Issuer is ASB Finance) in respect of any payments due on that global Note.

(d) Payments of interest in U.S. dollars in respect of Bearer Notes

Notwithstanding the foregoing, payments of interest in U.S. dollars in respect of Bearer Notes will only be made at the specified office of any Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and District of Columbia, its territories, its possessions and other areas subject to its jurisdiction))

(1) if (A) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment at such specified offices outside the United States of the full amount of interest on the Bearer Notes in the manner provided above when due, (B) payment of the full amount of such interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (C) such payment is then permitted under United States law and (2) at the option of the relevant holder if such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(e) *[This paragraph is no longer applicable]*

(f) Payments subject to applicable laws

Payments in respect of the Notes will be subject in all cases to any fiscal or other laws and regulations applicable thereto but without prejudice to the provisions of Condition 9.

(g) Unmatured Receipts, Coupons and Talons

(1) Fixed Rate Notes in definitive bearer form (other than Long Maturity Notes (as defined in subparagraph (2)), Index Linked Notes and Dual Currency Notes) should be presented for redemption together with all unmaturing Coupons (which expression shall include Coupons falling to be issued on exchange of Talons which will have matured on or before the relevant redemption date) appertaining thereto, failing which, the amounts of any missing unmaturing Coupons (or, in the case of payment of principal not being made in full, that proportion of the

aggregate amount of such missing unmatured Coupons that the sum of principal so paid bears to the total principal amount due) will be deducted from the sum due for payment. Any amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupons at any time in the period expiring 10 years after the Relevant Date (as defined in Condition 9) for the payment of such principal, whether or not such Coupon would otherwise have become void pursuant to Condition 10 or, if later, five years from the due date for payment of such Coupon. Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Receipts and Talons (if any) appertaining thereto will become void and no payments in respect of any such Receipts and no further Coupons in respect of any such Talons will be made or issued, as the case may be.

- (2) Upon the due date for redemption of any Floating Rate Note, Long Maturity Note, Dual Currency Note or Index Linked Note in definitive bearer form, any unmatured Receipts, Coupons or Talons relating to such Note (whether or not attached) shall become void and no payment or exchange, as the case may be, shall be made in respect of them. Where any such Note is presented for redemption without all unmatured Receipts, Coupons or Talons relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require. A Long Maturity Note is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Fixed Interest Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

(h) **Payments due on non-business days**

If any date for payment of principal in respect of any Registered Note or any amount in respect of any Bearer Note, Receipt or Coupon is not a business day, then the holder thereof shall not be entitled to payment at the place of presentation of the amount due until the next following business day (unless otherwise specified in the applicable Final Terms) and shall not be entitled to any interest or other sum in respect of any such postponed payment. In addition if any date for the payment of interest by transfer to an account specified by the holder in respect of any Registered Note is not a business day, then the holder shall not be entitled to payment to such account until the next following business day and shall not be entitled to any interest or other sum in respect of any such postponed payment. In this Condition "business day" means, subject as provided in the applicable Final Terms:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
- (A) the relevant place of presentation;
 - (B) London; and
 - (C) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open.

(i) **Payment of accrued interest**

If the due date for redemption of any interest bearing Bearer Note in definitive form is not a due date for the payment of interest relating thereto, interest accrued in respect of such Note from, and including, the last preceding due date for the payment of interest (or, if none, from the Interest Commencement Date) will be paid only against surrender (or, in the case of part payment, presentation and endorsement) of such Note.

(j) **Exchange of Talons**

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Paying Agent in Luxembourg (or any other Paying Agent notified by the Issuer to the Noteholders in accordance with Condition 16 for the purposes of this paragraph) in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to, and including, the final date for the payment of interest due in respect of the

Bearer Note in definitive form to which it appertains) a further Talon, subject to the provisions of Condition 10. Each Talon shall, for the purposes of these Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the Coupon sheet in which that Talon was included on issue matures.

(k) **Initial Paying Agents**

The names of the initial Agent and the other initial Paying Agents and their initial specified offices in respect of this Series of Notes are set out below. The Issuer may at any time, with the approval of the Trustee, vary or terminate the appointment of any Paying Agent and appoint additional or other Paying Agents, provided that it will, so long as any of the Notes of this Series is outstanding, maintain (i) an Agent, (ii) a Paying Agent (which may be the Agent) having a specified office in a leading financial centre in Europe approved by the Trustee, (iii) so long as any Notes of this Series are admitted to the Official List and to trading on the London Stock Exchange plc's market for listed securities or on another stock exchange, a Paying Agent (which may be the Agent) having a specified office in London or other place as may be required by that stock exchange and (iv) a Paying Agent in a Member State of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive. In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in paragraph (d) of this Condition. Any such variation, termination or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 days' prior notice thereof shall have been given to the holders of the Notes of this Series in accordance with Condition 16 and provided further that neither the resignation nor the removal of the Agent shall take effect, except in the case of insolvency as aforesaid, until a new Agent approved by the Trustee has been appointed. Notice of any change in or addition to the Paying Agents or their specified offices will be given by the Issuer promptly in accordance with Condition 16.

8 *[This Condition is no longer applicable].*

9 **Taxation**

All payments of, or in respect of, principal and interest on the Notes of this Series will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature ("Taxes") imposed or levied by or on behalf of the Commonwealth of Australia (if the Issuer is CBA) or New Zealand or the United Kingdom (if the Issuer is ASB Finance) and (in either case) any Taxing Jurisdiction or any political sub-division thereof or any authority thereof or therein having power to tax unless such Taxes are required by law to be withheld or deducted. In that event, the Issuer or the Guarantor (where the relevant Issuer is ASB Finance) will pay such additional amounts of, or in respect of, principal and/or interest as will result (after deduction of the Taxes) in payment to the holders of the Notes of this Series and/or the Coupons relating thereto of the amounts which would otherwise have been payable in respect of the Notes of this Series or, as the case may be, Coupons relating thereto, except that no such additional amounts shall be payable with respect to any Note of this Series or Coupon relating thereto presented for payment:

- (a) by or on behalf of a holder who is subject to such Taxes in respect of such Note or Coupon by reason of his being connected with the Commonwealth of Australia (if the Issuer is CBA) or New Zealand or the United Kingdom (if the Issuer is ASB Finance) and (in either case) a Taxing Jurisdiction other than by reason only of the holding of the Note or Coupon;
- (b) if the Issuer is CBA, by or on behalf of a holder who is an associate (as that term is defined in section 128F of the Income Tax Assessment Act 1936 of Australia (the "Australian Tax Act")) of the Issuer and the payment being sought is not, or will not be, exempt from interest withholding tax because of section 128F(6) of the Australian Tax Act;
- (c) if the Issuer is ASB Finance, with respect to any withholding or deduction for or on account of New Zealand resident withholding tax;
- (d) if the Issuer is ASB Finance, by or on behalf of a holder if such withholding or deduction may be avoided (and has not been so avoided) by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to any authority of or in New Zealand, unless such holder proves that he is not entitled so to comply or to make such declaration or claim;

- (e) more than 30 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such additional amount on presenting the same for payment on the last day of such period of 30 days;
- (f) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (g) by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a member state of the European Union which does not impose such withholding or deduction.

The "Relevant Date" in relation to any Note or Coupon of this Series means whichever is the later of:

- (i) the date on which payment in respect of such Note or Coupon first becomes due and payable; or
- (ii) if the full amount of the moneys payable in respect of such Note or Coupon has not been duly received by the Agent or the Trustee on or prior to such date, the date on which notice is duly given to the Noteholders of this Series in accordance with Condition 16 that such moneys have been so received.

The "Taxing Jurisdiction" in relation to any Note or Coupon of this Series means the jurisdiction, if any, named in the applicable Final Terms as being the jurisdiction wherein the Issuer's borrowing office is located for this Series of Notes if such borrowing office is not located in the Commonwealth of Australia (if the Issuer is CBA) or the United Kingdom (if the Issuer is ASB Finance).

References in these Conditions to principal and interest shall be deemed also to refer (as appropriate) (i) to any additional amounts which may be payable under this Condition 9 or under any obligation undertaken in addition hereto or in substitution herefor pursuant to the Trust Deed, (ii) in relation to Zero Coupon Notes, Low Interest (discount) Notes or High Interest (premium) Notes, to the Amortised Face Amount, (iii) in relation to Index Linked Redemption Notes, to the Final Redemption Amount or Early Redemption Amount, (iv) in relation to Dual Currency Notes, to the principal and interest in the relevant Specified Currency and (v) to any premium which may be payable in respect of the Notes.

If the Issuer is ASB Finance, where used in the remaining provisions of this Condition, "Interest" means interest (as defined under New Zealand taxation legislation) for withholding tax purposes, which under current legislation includes the excess of the redemption amount over the issue price of any Note as well as coupon interest paid on such Note.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 7.

- (iii)
- (A) any other present or future indebtedness of the Issuer or the Guarantor (where the relevant Issuer is ASB Finance) for or in respect of moneys borrowed or raised (not being moneys borrowed or raised in the ordinary course of business) becomes due and payable prior to its stated maturity as a result of a default by the Issuer or the Guarantor (where the relevant Issuer is ASB Finance); or
 - (B) any such indebtedness is not paid when due or (as the case may be) within any applicable grace period therefor; or
 - (C) the Issuer or the Guarantor (where the relevant Issuer is ASB Finance) fails to pay when due or expressed to be due any amount payable or expressed to be payable by it under any present or future guarantee or indemnity for any moneys borrowed or raised (not being a guarantee or indemnity given in the ordinary course of business); or

12 Enforcement of Rights

If the Notes of this Series are Unsubordinated Notes, no holder of a Note or Coupon of this Series Notes is entitled to proceed directly against the Issuer or the Guarantor (where the relevant Issuer is ASB Finance) unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

13 Meetings of Noteholders; Modifications of Conditions; Substitution; Waiver

The Trust Deed contains provisions for convening meetings of holders of the Notes of this Series to consider any matters affecting their interests, including modifications of the terms and conditions of the Notes of this Series and the Trust Deed. Any such modification must be authorised by an Extraordinary Resolution which is defined in the Trust Deed to mean a resolution passed by a majority consisting of not less than three-quarters of the votes cast at a meeting of the holders of the Notes of this Series duly convened and held and, if the Notes of this Series are Subordinated Notes and issued by CBA, any such modification which affects the subordination or stated maturity of the Notes of this Series (being a modification of Condition 3, 6(b), 6(c), 6(d), 6(i) or 11) may only be made with the prior written consent of APRA. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons holding or representing a clear majority in nominal amount of the Notes of this Series for the time being outstanding or, at any adjourned meeting, one or more persons being or representing the holders of the Notes of this Series whatever the nominal amount of Notes of this Series so held or represented; provided that at any meeting the business of which includes the modification of certain terms, including any reduction or cancellation of, or modification of the method of calculating, the amount payable in respect of the Notes of this Series, any modification of, or of the method of calculating, the date of payment of principal or interest in respect of the Notes of this Series or any modification of the currency of payment of the Notes of this Series or the Coupons relating thereto, the quorum will be one or more persons holding or representing not less

A resolution duly passed at a meeting of holders of the Notes of this Series shall be binding on all the holders of the Notes of this Series (whether present at the meeting or not) and on all the holders of Coupons relating thereto.

The Trustee may agree without the consent of the holders of the Notes of this Series or the holders of Coupons relating thereto to any modifications to the terms and conditions of the Notes of this Series or the Coupons relating thereto or to the provisions of the Trust Deed which in its opinion are of a formal, minor or technical nature, are made to correct a manifest error or (not being such a modification as is mentioned in the proviso to the third sentence of the preceding paragraph) are not materially prejudicial to the interests of the holders of the Notes of this Series provided that, if the Notes of this Series are Subordinated Notes and issued by CBA, any such modification which affects the subordination or stated maturity of the Notes of this Series (being a modification of Condition 3, 6(b), 6(c), 6(d), 6(i) or 11) may only be agreed to by the Trustee if the prior consent of APRA has been obtained.

The Trustee may also agree without the consent of the holders of the Notes of this Series or the holders of the Coupons relating thereto to the substitution of any other corporation in place of the Issuer as principal debtor under the Trust Deed, the Notes of this Series and the Coupons relating thereto, or the Guarantor (where the relevant Issuer is ASB Finance) under the Trust Deed, subject as provided in the Trust Deed.

The Trustee may without the consent of the holders of the Notes of this Series or the holders of Coupons relating thereto authorise or waive any breach or proposed breach by the Issuer or the Guarantor of any of the provisions of the Trust Deed and/or the Notes of this Series or the Coupons relating thereto or determine that any act or omission which constitutes, or would or might on its own or together with any other act or omission constitute, an Event of Default which, in the opinion of the Trustee, is not materially prejudicial to the interests of the holders of the Notes of this Series shall, notwithstanding Condition 11, not be an Event of Default.

The Trustee shall, in connection with the exercise by it of any of the powers, trusts or discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution) vested in it by the Trust Deed or these Conditions, have regard to the interests of the holders of the Notes of this Series or the holders of the Coupons relating thereto as a class and in particular, but without prejudice to the generality of the foregoing, shall not have regard to the consequences of the exercise of any of its powers, trusts or discretions for individual holders of the Notes of this Series or Coupons relating thereto, resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any holder of a Note of this Series or any holder of a Coupon relating thereto be entitled to claim, from the Issuer or any other person, any indemnification or payment in respect of any tax consequence of any such exercise upon individual holders of the Notes of this Series or Coupons relating thereto except to the extent already provided for in Condition 9 and/or any undertaking given in addition to, or in substitution for, Condition 9 pursuant to the Trust Deed.

14 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings to enforce repayment unless indemnified to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer and/or any entity controlled by it without accounting for any profit resulting therefrom.

15 Replacement of Notes and Coupons

If any Note (including a global Note) or Coupon is mutilated, defaced, stolen, destroyed or lost, it may be replaced at the specified office of the Agent on payment by the claimant of such costs as may be incurred in connection therewith and on such terms as to evidence, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Notes or Coupons must be surrendered before replacement Notes or Coupons will be issued.

Any such notice shall be deemed to have been given to the holders of the Notes of this Series the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg, as the case may be.
- (d) Notwithstanding paragraph (b) of this Condition 16, in any case where the identity and addresses of all the holders of Bearer Notes in definitive form is known to the Issuer, notices to such holders may be given individually by recorded delivery mail to such addresses and will be deemed to have been given when received at such addresses.
- (e) Notices to be given to the Issuer by any holder of Notes under Condition 6(d) shall be in writing and given by lodging the same, together with the relative definitive Note or Notes, with the Agent. Whilst any Notes are represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg, such notices may be given by a holder of any Notes so represented to the Agent via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg may approve for this purpose.

17 Further Issues

The Issuer shall be at liberty from time to time without the consent of the holders of the Notes of this Series or the Coupons (if any) relating thereto to create and issue further Notes ranking *pari passu* in all respects (or in all respects save for the Issue Date or Interest Commencement Date, as the case may be, the Issue Price and the amount of the first payment of interest (if any) on such further Notes) and so that the same shall be consolidated and form a single series with the outstanding Notes of a particular Series (including the Notes of this Series). The Trust Deed contains provisions for convening a single meeting of the holders of the Notes of this Series and the holders of Notes of other Series in certain circumstances where the Trustee so decides.

18 Disapplication of Contracts (Rights of Third Parties) Act 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of any Note but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If, in respect of any particular issue, there is a particular identified use of proceeds, this will be stated in the applicable Final Terms.

Commonwealth Bank of Australia

Summary Information

Commonwealth Bank of Australia (the “Bank”) is a public company with an ordinary share capital of A\$14,738 million. The Bank is governed by, and operates in accordance with the objects set out within, its Constitution, the Corporations Law of Australia, the Australian Stock Exchange Limited Listing Rules and certain provisions of the Commonwealth Banks Act 1959 as amended (the “1959 Act”) (which constitute the corporate governance regime of Australia). The objects of Commonwealth Bank of Australia include providing integrated financial services including retail, business and institutional banking, superannuation, life insurance, general insurance, funds management, broking services and finance company activities. The Bank was incorporated on 17 April 1991 in the Australian Capital Territory and has Australian Business Number 48 123 123 124. Its headquarters are at Level 7, 48 Martin Place Sydney, NSW 2000, Australia, telephone number +61 2 9378 2000. The Bank and its subsidiaries together provide a wide range of banking, financial and related services in Australia.

At 30 June 2007, the Bank and its consolidated subsidiaries had total assets of A\$425,139 million, deposits and other public borrowings of A\$203,382 million and total regulatory capital of A\$23,951 million. Net profit after income tax, for the year ended 30 June 2007 was A\$4,470 million.

History and Recent Developments

The origins of the Bank lie in the former Commonwealth Bank of Australia which was established in 1911 by an Australian Act of Parliament to conduct commercial and savings banking business.

Its functions were later expanded to encompass those of a central bank. Subsequent legislative amendment in 1959 created a separate Reserve Bank of Australia to take over the central bank functions.

In December 1990, the Commonwealth Banks Restructuring Act 1990 was passed, which provided for:

- the conversion of the Bank into a public company with a share capital, governed by its then Memorandum and Articles of Association but subject to certain overriding provisions of the 1959 Act – this conversion occurred on 17 April 1991;
- Commonwealth Bank of Australia to become the successor in law of the State Bank of Victoria – this occurred on 1 January 1991; and
- the issue of shares in the Bank to the Australian public.

An offer of just under 30 per cent. of the issued shares in the Bank was made to members of the Australian public and staff of the Bank in July/August 1991, to strengthen the Bank’s capital base following its acquisition of State Bank of Victoria and to provide a sound foundation for further development of the Bank’s business. The offer closed on 14 August 1991 and was fully subscribed.

In October 1993, the Australian Government sold a portion of the Commonwealth of Australia’s shareholding in the Bank, reducing its shareholding to 50.4 per cent. of the total number of issued voting shares.

In June/July 1996, the Australian Government made a public offer of its remaining 50.4 per cent. shareholding in the Bank. The offer was fully subscribed. In conjunction with this offer, the Bank, pursuant to a Buy-back Agreement between the Bank and the Commonwealth of Australia, agreed to buy back 100 million shares in the Bank from the Commonwealth of Australia. The public offer and buy-back were effected on 22 July 1996.

As part of its capital management programme, in December 1997 and March 1999 further buy-backs of approximately 38.1 million and 27.3 million shares respectively were undertaken. The Bank also successfully completed an off-market share buy-back utilising a tender process in November 1999, buying back 2.2 per cent. of its ordinary shares for A\$553 million. In November 2000, an on-market buy-back programme resulted in the purchase of 0.8 million ordinary shares for A\$23.5 million and an off-market buy-back in March 2001 resulted in the purchase of 25.1 million ordinary shares for A\$700 million. A further off-market buyback in March 2004 resulted in the purchase of 19.4 million shares for \$532 million. This brings the total amount of capital the Bank has returned to shareholders since 1996 to A\$4.2 billion.

On 10 March 2000, the Bank and Colonial Limited (“Colonial”) announced their intention to merge, with 7 Bank shares being offered for 20 Colonial shares. The merger received final approval from the Supreme Court of Victoria on 31 May 2000 and was completed on 13 June 2000.

On 22 August 2000, the Bank purchased the 25 per cent. minority interest in ASB Group in New Zealand for NZD560 million (A\$430 million). This gives the Bank a 100 per cent. interest in ASB Group.

The Bank became the successor in law to the State Bank of New South Wales (known as Colonial State Bank) and to all the assets and liabilities of State Bank of New South Wales effective on 4 June 2001 pursuant to legislation.

In relation to the Commonwealth of Australia’s guarantee of the Bank’s liabilities, transitional arrangements for the phasing out of that guarantee commenced on 19 July 1996.

Under these arrangements, section 117(1) of the 1959 Act provided for the Commonwealth of Australia to guarantee the due payment of the following amounts:

- (a) any amount that was payable by the Bank before the end of the day on 19 July 1999 in respect of a demand deposit made with the Bank;
- (b) any amount that is payable by the Bank at any time in respect of a term deposit made with the Bank before the end of the day on 19 July 1999; and
- (c) any amount that:
 - (i) is not in respect of a demand deposit or a term deposit; and
 - (ii) is payable by the Bank under a contract that was entered into, or any other instrument that was executed, issued, endorsed or accepted before 7.00 a.m. (Sydney time) on 19 July 1996 by the Bank.

Accordingly, Notes issued from the date of this Programme Circular are not guaranteed by the Commonwealth of Australia.

Following deregulation of the banking industry in late 1986, it became a full-service bank offering personal, corporate and business banking services and treasury operations, and changed its name to ASB Bank in August 1987. The Commonwealth Bank of Australia acquired a 75 per cent. shareholding in February 1989, with the ASB Bank Community Trust retaining a 25 per cent. shareholding.

In 1992 ASB commenced its national expansion programme by moving outside its traditional Auckland and Northland areas of operation.

On 30 March 1999, the direct shareholding of ASB Bank Limited changed from Commonwealth Investments New Zealand Limited (75 per cent.) and ASB Bank Community Trust (25 per cent.) to being a wholly owned subsidiary of ASB Group Limited; ASB Group Limited then being owned by the Commonwealth Bank of Australia (75 per cent.) and the ASB Bank Community Trust (25 per cent.).

United Kingdom

Each Dealer has represented and agreed that:

- (i) in relation to any Notes issued by ASB Finance having a maturity of less than one year, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses, where the issue of the Notes would otherwise constitute a contravention of section 19 of the FSMA by ASB Finance;
- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not, or in the case of CBA, would not, if it was not an authorised person, apply to the relevant Issuer; and
- (iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom.

Japan

The Notes have not been and will not be registered under the Securities and Exchange Law of Japan (the “Securities and Exchange Law”) and each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will not offer or sell any Notes, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan), or to others for re-offering or resale, directly or indirectly, in Japan or to a resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Securities and Exchange Law and any other applicable laws, regulations and ministerial guidelines of Japan.

Australia

Each Dealer has represented and agreed that in connection with the distribution of each Tranche of Notes it:

- (i) has not offered and will not offer for issue or sale and has not invited and will not invite applications for issue or offers to purchase Notes in Australia, including an offer or invitation received in Australia; and
- (ii) has not distributed or published and will not distribute or publish any offering memorandum, advertisement or other offering material relating to the Notes in Australia or received in Australia,

in each case unless:

- (a) the amount payable by each offeree or invitee for the Notes is a minimum amount (or the equivalent in another currency) of A\$500,000 disregarding amounts, if any, lent by the offeror or inviter or its associates (within the meaning of those expressions in Part 6D.2 of the Corporations 2001 Act of Australia (the "Corporations Act")), or the offer or invitation is otherwise an offer or invitation for which by virtue of section 708 of the Corporations Act no disclosure is required to be made under Part 6D.2 of the Corporations Act and is not made to a retail client (as defined in the Corporations Act); and
- (b) the offer, invitation or distribution complies with all applicable laws, regulations and directives.

Each Dealer has agreed to offer the Notes for sale in a manner which will allow payments of interest or amounts in the nature of interest on the Notes to be exempt from Australian withholding tax under section 128F of the Australian Tax Act, as amended. In particular, each Dealer has agreed that it will not sell Notes to any person if, at the time of sale the Dealer knew or had reasonable grounds to suspect that as a result of such sale, any Notes or an interest in any Notes was being, or would later be, acquired (directly or indirectly) by an *Offshore Associate* of the relevant Issuer (other than one acting in the capacity of a dealer, manager or underwriter in relation to the placement of the Notes or in the capacity of a clearing house, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act).

An "Offshore Associate" of the Issuer means an associate (as defined in section 128F of the Australian Tax Act) of the Issuer that is either a non-resident of the Commonwealth of Australia which does not acquire the Notes in carrying on a business at or through a permanent establishment in Australia or, alternatively, a resident of Australia that acquires the Notes in carrying on business at or through a permanent establishment outside of Australia.

New Zealand

Each Dealer has represented and agreed that:

- (a) it has not offered, sold or delivered and will not directly or indirectly offer, sell or deliver any Note; and
- (b) it will not distribute any offering memorandum or advertisement in relation to any offer of Notes, in New Zealand other than:
 - (i) to persons whose principal business is the investment of money or who, in the course of and for the purposes of their business, habitually invest money, or who in the circumstances can properly be regarded as having been selected other than as members of the public; or
 - (ii) to persons who are each required to pay a minimum subscription price of at least NZ\$500,000 for the Notes (disregarding any amount lent by the offeror, the relevant Issuer, or any associated person of the offeror or relevant Issuer) before the allotment of those Notes and who have a minimum holding of at least NZ\$500,000; or
 - (iii) in other circumstances where there is no contravention of the Securities Act 1978 of New Zealand.

Each Dealer has represented and agreed that it has not offered or sold, and will not offer or sell, any Notes to persons whom it believes to be persons who are resident in New Zealand for New Zealand income tax purposes or who carry on business in New Zealand through a fixed establishment (as defined for New Zealand income tax purposes) in New Zealand, unless such persons certify that they hold a valid certificate of exemption for New Zealand resident withholding tax purposes and provide a New Zealand tax file number to such Dealer (in which event the Dealer shall provide details thereof to the relevant Issuer or to a Paying Agent or to the Trustee).

General

No action (other than the approval of the Programme Circular as an approved prospectus for the purposes of Section 85 of the FSMA by the UK Listing Authority) has been taken by the Issuers or any of the Dealers that would, or is intended to, permit an offer of any Notes in any country or jurisdiction where any such action for that purpose is required.

Accordingly, each Dealer has undertaken that it will not, directly or indirectly, offer or sell any Notes or distribute or publish any offering circular, prospectus, form of application, advertisement or other document or information in any country or jurisdiction except under circumstances that will result in compliance with any applicable laws and regulations and all offers and sales of Notes by it will be made on the same terms.

Without prejudice to the generality of the preceding paragraph each Dealer has agreed that, except as provided in the Programme Agreement, it will obtain any consent, approval or permission which is required for the offer, purchase or sale by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such offers, purchases or sales and it will comply with all such laws and regulations.

General Information

1 Admission of the Notes to the Official List

The admission of Notes to the Official List will be expressed as a percentage of their nominal amount (excluding accrued interest). It is expected that each Tranche of Notes which is to be admitted to the Official List and to trading by the London Stock Exchange will be admitted separately as and when issued, subject only to the issue of a global Note or Notes representing the Notes of such Tranche. Application has been made to the UK Listing Authority for Notes issued under the Programme to be admitted to the Official List and to the London Stock Exchange for such Notes to be admitted to trading on the London Stock Exchange's Gilt Edged and Fixed Interest Market. The listing of the Programme in respect of such Notes is expected to be granted on or around 18 October 2007.

2 Authorisation

The establishment of the Programme, and the subsequent increases in the amount of the Programme, were authorised by the Managing Director of CBA, Mr D. V. Murray. ASB Finance's accession to the Programme was authorised by its Board of Directors.

The Trustee is not entitled to require legal opinions at any other time except in certain limited circumstances set out in the Trust Deed.

10 Australian Taxation

The following is a summary of the Australian taxation treatment, at the date of this Programme Circular, of payments of interest on Notes and certain other matters (where the Issuer is CBA). It is not exhaustive, and in particular does not deal with the position of certain classes of holders of a Note (such as dealers in securities). Prospective holders of Notes should be aware that the particular terms of issue of any series of Notes may affect the tax treatment of that and other series of Notes. The following is a general guide and should be treated with appropriate caution. Holders of Notes who are in any doubt as to their tax position should consult their professional advisers.

References to 'interest' may include amounts in the nature of or in substitution for interest.

The requirements for obtaining an exemption from Australian interest withholding tax set out in section 128F of the Australian Tax Act include:

- (i) the issuer must be a resident of Australia when it issues the Notes and when interest is paid;

- (ii) the issue of the Notes must satisfy a public offer test containing five basic alternatives designed to ensure that lenders in overseas capital markets are aware that the issuer is offering Notes for issue.

Where practicable, CBA intends to issue Notes in a manner which will satisfy these requirements.

The public offer test

In summary, the alternatives to satisfy the public offer test are:

- (i) offers to 10 or more professional market financiers, investors or dealers who are not associates of each other;
- (ii) offers to 100 or more potential investors;
- (iii) offers of listed Notes;
- (iv) offers as a result of negotiations being initiated via electronic or other market sources; or
- (v) offers to dealers, managers or underwriters who by agreement with the issuer offer the Notes for sale within 30 days by one of the preceding methods.

The issue of a global note by one of these methods will satisfy the public offer test.

Associates of issuer

The public offer test will not be satisfied if, at the time of issue, the issuer knew or had reasonable grounds to suspect that the Notes, or an interest in the Notes, was being, or would later be, acquired either directly or indirectly by an Offshore Associate of the issuer (other than one acting in the capacity of a dealer, manager or underwriter in relation to the placement of the Notes or in the capacity of a clearing house, custodian, funds manager or responsible entity of a registered scheme (within the meaning of the Corporations Act)).

Moreover, the section 128F exemption will not be available if, at the time of payment, the issuer knows or has reasonable grounds to suspect that interest in respect of a Note was to be paid to an Offshore Associate of the issuer other than one receiving the payment in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme. The Conditions of the Notes provide that in these circumstances CBA will not be required to gross up interest payments.

ACCORDINGLY, NOTES MUST NOT BE PURCHASED BY OFFSHORE ASSOCIATES OF CBA OTHER THAN THOSE ACTING IN THE PERMITTED CAPACITIES DESCRIBED ABOVE

As a result of the issue of global Notes, rights conferred by Euroclear or Clearstream, Luxembourg in relation to the Notes will be created in favour of the Noteholders. Interest includes an amount in the nature of, or in substitution for, interest.

Section 126 of the Australian Tax Act imposes a type of withholding tax at the rate of 45 per cent. on the payment of interest on bearer notes (other than certain zero coupon promissory notes) if the issuer fails to disclose the names and addresses of the holders to the Australian Taxation Office. Section 126 does not apply to the payment of interest on notes held by non-residents who do not carry on business at or through a permanent establishment in Australia where the issue of those notes satisfied the requirements of section 128F of the Australian Tax Act or interest withholding tax is payable. However, the operation of section 126 in relation to notes held in some circumstances is unclear.

Section 126 will not apply in any circumstances if the name and address of the holder of the relevant notes is disclosed to the Australian Taxation Office.

The Commissioner of Taxation of the Commonwealth of Australia may give a direction under section 255 of the Australian Tax Act or section 260-5 of the Taxation Administration Act 1953 or any similar provision requiring the issuer to deduct from any payment to any other party (including any holder of Notes) any amount in respect of tax payable by that other party.

11 New Zealand Taxation

The following is a general description of certain New Zealand tax considerations as at the date hereof relating to the Notes. It does not purport to be a complete analysis of all tax considerations relating to the Notes, whether in that country or elsewhere. Prospective purchasers of Notes should consult their own tax advisers as to which countries' tax laws could be relevant to acquiring holding and disposing of the Notes and receiving payments of interest, principal and/or other amounts under the Notes, and the consequences of such actions under the tax laws of those countries.

New Zealand Resident Withholding Tax

To the extent New Zealand law requires, a deduction on account of New Zealand resident withholding tax will be made from the payment of interest (as defined for New Zealand income tax purposes) made by ASB Finance under the Notes (and, in the case of ASB, under the guarantee of Notes issued by ASB Finance) where:

- (a) the recipient is a resident of New Zealand for income tax purposes or such recipient carries on business in New Zealand through a fixed establishment (as defined for New Zealand income tax purposes) in New Zealand (a "New Zealand Holder"); and
- (b) at the time of such payment the New Zealand Holder does not hold a valid certificate of exemption for New Zealand resident withholding tax purposes.

Prior to any interest payment date or the maturity date of any of the Notes, any New Zealand Holder:

- (i) must notify ASB Finance or the Paying Agent (i) that the New Zealand Holder is the holder of a Note and (ii) whether it derives beneficially interest under a Note jointly with any other person; and
- (ii) must notify ASB Finance or the Paying Agent of any circumstances, and provide ASB Finance or the Paying Agent with its New Zealand tax file number and any information (including a copy of a valid certificate of exemption), that may enable ASB Finance to make the payment of interest to the New Zealand Holder without deduction on account of New Zealand resident withholding tax.

The New Zealand Holder must notify ASB Finance, prior to any interest payment date or the maturity date of Notes of any change in the New Zealand Holder's circumstances from those previously notified that could affect ASB Finance's payment obligations in respect of such Note.

New Zealand Non-Resident Withholding Tax

To the extent that New Zealand law requires ASB Finance under the Notes or ASB under the guarantee of Notes issued by ASB Finance to deduct New Zealand non-resident withholding tax from the payment of interest in respect of a Note, ASB Finance and ASB may, and intend (for so long as the relevant party does not incur any increased cost or detriment from doing so) to reduce the applicable rate of non-resident withholding tax to zero per cent. by registering the Notes with the New Zealand Inland Revenue Department, and paying, on the relevant party's own account, an approved issuer levy (which is currently equal to two per cent. of the relevant interest payment). The approved issuer levy regime will not apply to payments to an "associate" (as defined under the Income Tax Act of New Zealand).

Where interest is paid in respect of a Note and the recipient:

- (a) is not a New Zealand Holder; and
- (b) derives such interest jointly with one or more persons, and one or more of those persons is a New Zealand resident for New Zealand tax purposes,

the approved issuer levy regime will not apply to the non-New Zealand Holder and (subject to any applicable double tax treaty) the New Zealand non-resident withholding tax imposed will equate to the applicable rate of New Zealand resident withholding tax.

Indemnity and Other Taxation Matters

By accepting payment of the full face amount of any Note on its maturity:

- (a) a New Zealand Holder agrees to indemnify ASB Finance and ASB for all purposes in respect of any liability that ASB Finance or, as the case may be, ASB may incur for not deducting any amount from such payment on account of New Zealand resident withholding tax; and

- (b) in the case of a Note under which a person, who is not a New Zealand Holder, derives a beneficial interest jointly with one or more persons, and one or more of those persons is resident in New Zealand, such non-New Zealand Holder agrees to indemnify ASB Finance and ASB for all purposes in respect of any liability that ASB Finance or, as the case may be, ASB may incur for not deducting any amount from such payment on account of New Zealand non-resident withholding tax applicable to such non-New Zealand Holder.

A Note holder will not become resident, or deemed to be resident, or domiciled, in New Zealand for New Zealand tax purposes by reason only of the holding of a Note or the execution, performance, delivery and/or enforcement of the Notes.

New Zealand has no wealth, estate or inheritance taxes. New Zealand does, however, have gift duty. Any transfer of the Notes which constitutes a dutiable gift for the purposes of the Estate and Gift Duties Act 1968 (New Zealand) will be subject to gift duty. There is no New Zealand goods and services tax (which is a type of value added tax) payable in respect of payments in consideration for the issue of Notes or the transfer of a Note.

No stamp, registration, documentary or other similar tax is payable in New Zealand in respect of the issue of Notes or in relation to any enforcement proceedings in respect of the Notes brought in the Courts of New Zealand, other than the nominal cheque duty that may be required to be paid on any Note were such Note to be enforced in the courts of New Zealand.

Neither ASB Finance nor ASB makes any statement about the treatment for taxation purposes of payments or receipts in respect of Notes. Persons contemplating acquiring Notes should consult their tax advisers as to the consequences (including the withholding tax consequences) relating to the acquisition, retention and disposition of Notes.

12 **United Kingdom Taxation**

The following applies only to persons who are the beneficial owners of Notes issued by ASB Finance and is a summary of the Issuer's understanding of current law and HM Revenue & Customs ("HMRC") practice in the United Kingdom relating only to United Kingdom withholding tax treatment of payments of principal and interest in respect of Notes issued by ASB Finance. It does not deal with any other United Kingdom taxation implications of acquiring, holding or disposing of Notes issued by ASB Finance. Prospective Noteholders (or beneficial owners) of Notes issued by ASB Finance who may be subject to tax in a jurisdiction other than the United Kingdom or who may be unsure as to their tax position should seek their own professional advice.

Interest on the Notes issued by ASB Finance

Payments of interest on the Notes issued by ASB Finance Limited, London Branch ("ASB Finance") may be made without deduction of or withholding for or on account of United Kingdom income tax provided that the Notes issued by ASB Finance are and continue to be listed on a "recognised stock exchange" within the meaning of section 1005 of the Income Tax Act 2007 (the "Act"). The London Stock Exchange is a recognised stock exchange for these purposes. Securities will be treated as listed on the London Stock Exchange if they are included in the Official List (within the meaning of and in accordance with the provisions of Part 6 of the Financial Services and Markets Act 2000) and admitted to trading on the London Stock Exchange. Provided, therefore, that the Notes issued by ASB Finance are and remain so listed, interest on the Notes issued by ASB Finance will be payable without withholding or deduction for or on account of United Kingdom tax.

Interest on the Notes issued by ASB Finance may also be paid without withholding or deduction on account of United Kingdom tax in certain limited circumstances including where interest on the Notes issued by ASB Finance is paid to a person who belongs in the United Kingdom for United Kingdom tax purposes and, at the time the payment is made, the Issuer reasonably believes (and any person by or through whom interest on the Notes issued by ASB Finance is paid reasonably believes) that the beneficial owner is within the charge to United Kingdom corporation tax as regards the payment of interest; provided that HMRC has not given a direction (in circumstances where it has reasonable grounds to believe that the above exemption is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.

Interest on the Notes issued by ASB Finance may also be paid without withholding or deduction on account of United Kingdom tax where the maturity of the Notes issued by ASB Finance is less than 365 days.

In other cases, an amount must generally be withheld from payments of interest on the Notes issued by ASB Finance on account of United Kingdom income tax at the savings rate (currently

20%). However, where an applicable double tax treaty provides for a lower rate of withholding tax (or for no tax to be withheld) in relation to a Noteholder, HMRC can issue a notice to the Issuer to pay interest to the Noteholder without deduction of tax (or for interest to be paid with tax deducted at the rate provided for in the relevant double tax treaty).

Noteholders may wish to note that, in certain circumstances, HMRC has power to obtain information (including the name and address of the payee or the beneficial owner of the interest) from any person in the United Kingdom who either pays or credits interest to or receives interest on behalf of a Noteholder. HMRC also has power, in certain circumstances, to obtain information from any person in the United Kingdom who pays amounts payable on the redemption of Notes issued by ASB Finance which are deeply discounted securities for the purposes of Chapter 8 of Part 4 of the Income Tax (Trading and Other Income) Act 2005 to or receives such amounts on behalf of another person who is an individual, although HMRC published practice indicates that HMRC will not exercise the power referred to above to require this information in respect of amounts payable on the redemption of deeply discounted securities where such amounts are paid or received on or before 5 April 2008. Such information may include the name and address of the payee or the beneficial owner of the amount payable on redemption. Any information obtained may, in certain circumstances, be exchanged by HMRC with the tax authorities in other countries.

13 EU savings directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual or to certain other persons resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria may, unless during that period they elect otherwise, instead operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

14 Post-issuance information

The Issuers do not intend to provide any post-issuance information in relation to any issues of Notes.

15 Dealers transacting with the Issuers

Certain of the Dealers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services to the Issuers and of the Guarantor and their respective affiliates in the ordinary course of business.
