No Guarantee by Commonwealth Bank of Australia or Macquarie

The Class A3-R Notes do not represent deposits or other liabilities of Commonwealth Bank of Australia (ABN 48 123 123 124) (in any capacity), Securitisation Advisory Services Pty Limited (ABN 88 064 133 946), Macquarie Bank Limited (ABN 46 008 583 542) (“**Macquarie**”) or any other member of the Commonwealth Bank of Australia or Macquarie group. None of Commonwealth Bank of Australia, Securitisation Advisory Services Pty Limited, Macquarie or any other member of the Commonwealth Bank of Australia or Macquarie group guarantees the payment or repayment or the return of any principal invested in, or any particular rate of return on, the Class A3-R Notes or the performance of the Assets of the Series Trust. In addition, none of the obligations of the Manager are guaranteed in any way by Macquarie, Commonwealth Bank of Australia or any other member of the Commonwealth Bank of Australia or Macquarie group.

Purpose of this Supplemental Information Memorandum

This Supplemental Information Memorandum relates solely to a proposed issue of Class A3-R Notes by Perpetual Trustee Company Limited (ABN 42 000 001 007) (the “**Trustee**”) in its capacity as trustee of the Series 2010-2 SWAN Trust (the “**Series Trust**”). It is not relevant for any other purpose.

This Supplemental Information Memorandum should be read in conjunction with the information memorandum relating to the Series 2010-2 SWAN Trust dated 14 January 2011 (the “**Base Information Memorandum**”), which is annexed to this Supplemental Information Memorandum and, except as updated by this Supplemental Information Memorandum, is incorporated in its entirety in this Supplemental Information Memorandum and each reference to the term “Information Memorandum” in the Base Information Memorandum shall be taken to mean the Base Information Memorandum as updated by this Supplemental Information Memorandum. To the extent of any inconsistency between the Base Information Memorandum and this Supplemental Information Memorandum, this Supplemental Information Memorandum will prevail.

This Supplemental Information Memorandum alone does not contain complete information about the offering of the Class A3-R Notes. No one may use this Supplemental Information Memorandum to offer and sell the Class A3-R Notes unless it is accompanied by the Base Information Memorandum.

References to Bankwest

The Base Information Memorandum contains various references to Bank of Western Australia Ltd or “**Bankwest**” (including as Manager, Seller, Servicer, Custodian, Liquidity Facility Provider, Fixed Rate Swap Provider and Basis Swap Provider). As at the date of the Base Information Memorandum, Bank of Western Australia Ltd was a wholly-owned subsidiary of Commonwealth Bank of Australia (ABN 48 123 123 124) (“**Commonwealth Bank of Australia**”). On 1 October 2012, pursuant to an approved application under the *Financial Sector (Business Transfer and Group Restructure) Act 1999* (Cth) (the “**TOB Act**”), all assets and liabilities of Bank of Western Australia Ltd and all duties, obligations, immunities, rights and privileges that applied to Bank of Western Australia Ltd immediately prior to the effective time of transfer became the duties, obligations, immunities, rights and privileges of Commonwealth Bank of Australia by force of the TOB Act. This included:

- Bank of Western Australia Ltd's rights and obligations in its capacity as Manager, Servicer, Seller, Custodian, Liquidity Facility Provider, Fixed Rate Swap Provider and Basis Swap Provider, in respect of the Series 2010-2 Swan Trust; and
- Bank of Western Australia Ltd's rights in respect of units held by it in the Series 2010-2 Swan Trust.

In December 2012, Commonwealth Bank of Australia retired as Manager of the Series 2010-2 Swan Trust and was replaced in that role by Securitisation Advisory Services Pty Limited (ABN 88 064 133 946).

As a result, Commonwealth Bank of Australia is now the Servicer, Custodian, Liquidity Facility Provider, Fixed Rate Swap Provider and Basis Swap Provider in respect of the Series 2010-2 Swan Trust.

Commonwealth Bank of Australia has also assumed Bank of Western Australia Ltd's rights and obligations as Seller in respect of the Series 2010-2 Swan Trust, although the Housing Loans acquired by the Series Trust were originated and sold to the Series Trust by Bank of Western Australia Ltd and no further Housing Loans have been or will be sold to the Series Trust by Commonwealth Bank of Australia.

Accordingly, for the purposes of this Information Memorandum, except where the context requires otherwise, all references in the Base Information Memorandum to Bank of Western Australia Ltd and Bankwest (other than as Manager) are to be construed as references to Commonwealth Bank of Australia and all references in the Base Information Memorandum to Bank of Western Australia Ltd and Bankwest as "Manager" are to be construed as references to Securitisation Advisory Services Pty Limited.

The Class A3-R Notes are subject to Investment Risk

The holding of the Class A3-R Notes is subject to investment risk, including possible delays in repayment and loss of income and principal invested.

US Selling Restrictions

The Class A3-R Notes have not been and will not be registered under the Securities Act and unless so registered may not be offered or sold within the United States or to, or for the account or benefit of, US persons (as defined in Regulation S under the Securities Act) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. Accordingly, the Class A3-R Notes are being offered and sold only to persons (other than United States persons) outside the United States pursuant to Regulation S and the Securities Act. For a description of certain further restrictions on offers, transfers and sales of the Class A3-R Notes and the distribution of this Information Memorandum, see Sections 1 ("*Important Notice*") and 13 ("*Selling Restrictions*") below.

1.1 Base Information Memorandum

This Supplemental Information Memorandum must be read only in conjunction with the Base Information Memorandum. See the section entitled “*Purpose of this Supplemental Information*” on page 2 of this Supplemental Information Memorandum.

1.2 Terms

References in this Supplemental Information Memorandum to various documents are explained in Section 14 (“*Transaction Documents*”) of this Supplemental Information Memorandum. Unless defined elsewhere, all other terms are defined in the Glossary in Section 17 (“*Glossary*”) of the Base Information Memorandum. Section 17 (“*Glossary*”) of the Base Information Memorandum should be referred to in conjunction with any review of this Supplemental Information Memorandum.

1.3 Interpretation

Bankwest references

Except where the context requires otherwise, references in the Base Information Memorandum to “Bankwest” and “Bank of Western Australia Ltd” (other than as Manager of the Series Trust) are to be interpreted as references to Commonwealth Bank of Australia and references in the Base Information Memorandum to “Bankwest” and “Bank of Western Australia Ltd” (as Manager of the Series Trust) are to be interpreted as references to Securitisation Advisory Services Pty Limited. See the section entitled “*References to Bankwest*” on page 2 of this Supplemental Information Memorandum.

References to the Notes

On 29 November 2010 (the “**Closing Date**”), the Trustee issued:

- A\$477,000,000 floating rate Class A1 Notes;
- A\$234,000,000 floating rate Class A2 Notes;
- A\$210,000,000 fixed rate Class A3 Notes;
- A\$39,000,00 floating rate Class AB Notes;
- A\$20,000,000 floating rate Class AC Notes; and
- A\$20,000,000 floating rate Class B Notes.

The terms on which those Notes were issued are described in the Base Information Memorandum and summarised in Section 2 (“*Transaction Summary*”) of this Supplemental Information Memorandum. No Class A3-R Notes have been issued prior to the date of this Supplemental Information Memorandum and the Class A3-R Notes were not offered pursuant to the Base Information Memorandum. However, for the purposes of this Supplemental Information Memorandum only, references in the Base Information Memorandum to the “**Notes**” offered pursuant to the Base Information Memorandum shall, except as the context otherwise requires, be taken to include a reference to the Class A3-R Notes.

The Class A3-R Notes are “Class A Notes” and “Floating Rate Notes” for the purposes of the Base Information Memorandum.

1.4 Summary Only

This Supplemental Information Memorandum is only a summary of the terms and conditions of the Class A3-R Notes and the Series Trust and is to assist each recipient to decide whether it will undertake its own further independent investigation of the Class A3-R Notes. This Supplemental Information Memorandum does not purport to contain all the information a person considering subscribing for or purchasing the Class A3-R Notes may require. Accordingly, this Supplemental Information Memorandum should not be relied upon by intending subscribers or purchasers of the Class A3-R Notes. Intending subscribers or purchasers of the Class A3-R Notes should review the Transaction Documents which contain the definitive terms relating to the Series Trust and the transactions connected therewith. If there is any inconsistency between this Supplemental Information Memorandum and the Transaction Documents, the Transaction Documents should be regarded as containing the definitive information. A copy of the Transaction Documents may be inspected by intending subscribers or purchasers of the Notes, on the conditions contained in Section 16 (“*Transaction Documents*”) of this Supplemental Information Memorandum, at the offices of the Trustee referred to in the Directory at the back of this Supplemental Information Memorandum.

This Supplemental Information Memorandum must be read together with the Base Information Memorandum.

This Supplemental Information Memorandum should not be construed as an offer or invitation to any person to subscribe for or buy the Class A3-R Notes and must not be relied upon by intending subscribers or purchasers of the Class A3-R Notes. In addition, this Supplemental Information Memorandum should not be construed as an offer or invitation to any person to subscribe for or buy any other Notes issued by the Trustee as trustee of the Series Trust.

It should not be assumed that the information contained in this Supplemental Information Memorandum is necessarily accurate or complete in the context of any offer to subscribe for or an invitation to subscribe for or buy any of the Class A3-R Notes even if this Supplemental Information Memorandum is circulated in conjunction with such an offer or invitation.

1.5 Limited Responsibility for Information

The Manager has prepared and authorised the distribution of this Supplemental Information Memorandum, has accepted sole responsibility for the information contained in it and to the best of its knowledge and belief the information contained in this Supplemental Information Memorandum is in accordance with the facts and does not omit anything likely to affect the import of such information.

None of Commonwealth Bank of Australia, the Trustee, Fitch Australia Pty Limited, Standard & Poor’s (Australia) Pty Limited or P.T. Limited (ABN 67 004 454 666) (the “**Security Trustee**”), Macquarie nor any of their related entities (other than the Manager, to the extent provided to above) have authorised, caused the issue of, or have (and expressly disclaim) any responsibility for, or made any statement in, any part of this Supplemental Information Memorandum. Furthermore, neither the Trustee nor the Security Trustee has had any involvement in the preparation of any part of this

Supplemental Information Memorandum (other than where parts of this Supplemental Information Memorandum contain particular references to Perpetual Trustee Company Limited or P.T. Limited in their corporate capacity).

While the Manager believes the statements in this Supplemental Information Memorandum are accurate, neither it nor Commonwealth Bank of Australia, the Trustee, the Security Trustee, Macquarie nor any of their related entities nor any external adviser to any of the foregoing makes any representation or warranty, express or implied, as to, nor assumes any responsibility or liability for, the authenticity, origin, validity, accuracy or completeness of, or any errors or omissions in, any information, statement, opinion or forecast contained in this Supplemental Information Memorandum or in any previous, accompanying or subsequent material or presentation.

No recipient of this Supplemental Information Memorandum can assume that any person referred to in it has conducted any investigation or due diligence concerning, or has carried out or will carry out any independent audit of, or has independently verified or will verify, the information contained in this Supplemental Information Memorandum.

1.6 Date of this Supplemental Information Memorandum

This Supplemental Information Memorandum has been prepared as at 25 November 2015 (the “**Preparation Date**”), based on information available and facts and circumstances known to the Manager at that time.

Neither the delivery of this Supplemental Information Memorandum, nor any offer or issue of Class A3-R Notes, at any time after the Preparation Date implies, or should be relied upon as a representation or warranty, that:

- (a) there has been no change since the Preparation Date in the affairs or financial condition of the Series Trust, the Trustee, Commonwealth Bank of Australia, or any other party named in this Supplemental Information Memorandum; or
- (b) the information contained in this Supplemental Information Memorandum is correct at such later time.

No person undertakes to review the financial condition or affairs of the Trustee or the Series Trust at any time or to keep a recipient of this Supplemental Information Memorandum or the holder of any note (the “**Noteholder**”) informed of changes in, or matters arising or coming to their attention which may affect, anything referred to in this Supplemental Information Memorandum.

Neither Commonwealth Bank of Australia, Macquarie nor any other person accepts any responsibility to Noteholders or prospective Noteholders to update this Information Memorandum after the Preparation Date with regard to information or circumstances which come to its attention after the Preparation Date.

1.7 Independent Investment Decisions

This Supplemental Information Memorandum is not intended to be, and does not constitute, a recommendation by the Trustee, Commonwealth Bank of Australia, Macquarie, the Manager or the Security Trustee or any of their related entities that any person subscribe for or purchase any Class A3-R Notes. Accordingly, any person contemplating the subscription or purchase of Class A3-R Notes must:

- (a) make their own independent investigation of the terms of the Class A3-R Notes (including reviewing the Transaction Documents) and the financial condition, affairs and creditworthiness of the Series Trust, after taking all appropriate advice from qualified professional persons; and
- (b) base any investment decision on the investigation and advice referred to in paragraph (a) and not on this Supplemental Information Memorandum.

1.8 Authorised Material

No person is authorised to give any information or to make any representation which is not contained in this Supplemental Information Memorandum and any information or representation not contained in this Supplemental Information Memorandum must not be relied upon as having been authorised by or on behalf of Commonwealth Bank of Australia or the Manager.

1.9 Distribution to Professional Investors Only

Prior to the approval of this Supplemental Information Memorandum by the relevant competent authority (if required) in connection with any application for listing or admission to trading of the Class A3-R Notes by the Manager, this Supplemental Information Memorandum has been prepared on a confidential basis for distribution only to professional investors whose ordinary business includes the buying or selling of securities such as the Class A3-R Notes. This Supplemental Information Memorandum is not intended for, should not be distributed to, and should not be construed as an offer or invitation to, any other person. If the Manager, subject to investor demand and in its sole discretion, makes an application for the Class A3-R Notes to be listed with a stock exchange and admitted to trading and such application is approved, it will no longer be confidential and will be a publicly available document.

1.10 Distribution

The distribution of this Supplemental Information Memorandum and the offering or invitation to subscribe for or buy the Class A3-R Notes in certain jurisdictions may be restricted by law. No action has been taken or will be taken which would permit the distribution of this Supplemental Information Memorandum or the offer or invitation to subscribe for or buy the Class A3-R Notes offering in any jurisdiction where action for that purpose is required.

1.11 Issue Not Requiring Disclosure to Investors under the Corporations Act

This Supplemental Information Memorandum is not a “Prospectus” for the purposes of Chapter 6D of the Corporations Act or a “Product Disclosure Statement” for the purposes of Chapter 7 of the Corporations Act and is not required to be lodged with the Australian Securities and Investments Commission under the Corporations Act as each offer for the issue, any invitation to apply for the issue, and any offer for sale of, and any invitation for offers to purchase, the Class A3-R Notes to a person under this Supplemental Information Memorandum:

- (a) will be for a minimum amount payable (after disregarding any amount lent by the person offering the Class A3-R Notes (as determined under section 700(3) of the Corporations Act) or any of their associates (as determined under sections 10 to

17 of the Corporations Act)) on acceptance of the offer or application (as the case may be) is at least \$500,000 (calculated in accordance with both section 708(9) of the Corporations Act and regulation 7.1.18 of the Corporations Regulations 2001); or

- (b) is made to a professional investor for the purposes of section 708 of the Corporations Act; or
- (c) does not otherwise require disclosure to investors under Part 6D.2 of the Corporations Act and is not made to a Retail Client.

No action has been taken or will be taken which would permit a public offering of the Class A3-R Notes, or possession or distribution of this Supplemental Information Memorandum, in any country or jurisdiction where action for that purpose is required.

A person may not (directly or indirectly) offer for issue or sale, or make any invitation to apply for the issue or to purchase, the Class A3-R Notes nor distribute this Supplemental Information Memorandum except if the offer or invitation:

- (a) does not need disclosure to investors under Part 6D.2 of the Corporations Act;
- (b) is not made to a Retail Client; and
- (c) complies with any other applicable laws in all jurisdictions in which the offer or invitation is made.

1.12 Offshore Associates Not To Acquire Class A3-R Notes

Under present law, interest and other amounts paid on the Class A3-R Notes will not be subject to Australian interest withholding tax if they are issued in accordance with certain prescribed conditions set out in section 128F of the Income Tax Assessment Act 1936 (Cth) and they are not acquired directly or indirectly by certain offshore associates of the Trustee or Commonwealth Bank of Australia other than in the capacity of a dealer, manager or underwriter in relation to the placement of the relevant Class A3-R Notes, or a clearing house, custodian, funds manager or responsible entity of a registered scheme. Each of the Joint Lead Managers has undertaken not to offer a Class A3-R Note if that Joint Lead Manager knows, or has reasonable grounds to suspect, that the Class A3-R note or an interest in the note was being or would be acquired by such an offshore associate of the Trustee or Commonwealth Bank of Australia.

1.13 Disclosure of Interests

Each Joint Lead Manager discloses that in addition to the arrangements and interests it will or may have with respect to any other party including without limitation the Trustee, the Security Trustee, the Manager, the Seller, the Servicer, the Liquidity Facility Provider, the Fixed Rate Swap Provider and the Basis Swap Provider (together, the “**Group**”) as described in this Supplemental Information Memorandum (the “**Transaction Document Interests**”), it, each of its related entities (as such term is defined in the Corporations Act) (the “**Related Entities**”), directors, officers and employees:

- (a) may have pecuniary or other interests in the Class A3-R Notes and they may also have interests pursuant to other arrangements; and

- (b) will receive fees, brokerage and commissions or other benefits, and may act as principal in any dealing in the Class A3-R Notes,
- (the “**Note Interests**”).

Each purchaser of Class A3-R Notes acknowledges these disclosures and further acknowledges and agrees that:

- (i) each party and each of their Related Entities, directors, officers and employees (each a “**Relevant Entity**”) will have the Transaction Document Interests and may from time to time have the Note Interests and is, and from time to time may be, involved in a broad range of Transactions including, without limitation, banking, dealing in financial products, credit, derivative and liquidity transactions, investment management, corporate and investment banking and research (the “**Other Transactions**”) in various capacities in respect of any member of the Group or any other person, both on the Relevant Entity’s own account and for the account of other persons (the “**Other Transaction Interests**”);
- (ii) each Relevant Entity in the course of its business (whether with respect to the Transaction Document Interests, Note Interests, the Other Transaction Interests or otherwise) may act independently of any other Relevant Entity;
- (iii) to the maximum extent permitted by applicable law, the duties of each Relevant Entity in respect of any member of the Group and the Class A3-R Notes are limited to the contractual obligations of the parties to the relevant members of the Group as set out in the Transaction Documents and, in particular, no advisory or fiduciary duty (except in the case of the Trustee in respect of the Series Trust and the Security Trustee in respect of the Security Trust) is owed to any person;
- (iv) a Relevant Entity may have or come into possession of information not contained in this Supplemental Information Memorandum that may be relevant to any decision by a potential investor to acquire the Class A3-R Notes and which may or may not be publicly available to potential investors (“**Relevant Information**”);
- (v) to the maximum extent permitted by applicable law but subject to the Transaction Documents, no Relevant Entity is under any obligation to disclose any Relevant Information to any member of the Group or to any potential investor and this Supplemental Information Memorandum and any subsequent conduct by a Relevant Entity should not be construed as implying that the Relevant Entity is not in possession of such Relevant Information; and
- (vi) each Relevant Entity may have various potential and actual conflicts of interest arising in the course of its business, including in respect of the Transaction Document Interests, the Note Interests or the Other Transaction Interests. For example, the exercise of rights against a member of the Group arising from the Transaction Document Interests (for example, by a Dealer) or from an Other Transaction may affect the ability of the Group member to perform its obligations in respect of the Class A3-R Notes. In addition, the existence of a Transaction Document Interest, Note Interest or Other Transaction Interest may affect how a Relevant Entity in another capacity (for example, as a Noteholder)

may seek to exercise any rights it may have in that capacity. These interests may conflict with the interests of the Group or a Noteholder, and the Group or a Noteholder may suffer loss as a result. To the maximum extent permitted by applicable law, a Relevant Entity is not restricted from entering into, performing or enforcing its rights in respect of the Transaction Document Interests, the Note Interests or the Other Transaction Interests and may otherwise continue or take steps to further or protect any of those interests and its business even where to do so may be in conflict with the interests of Noteholders or the Group, and the Relevant Entities may in so doing act without notice to, and without regard to, the interests of any such person.

1.14 Limited Recovery

Any obligation or liability of the Trustee arising under or in any way connected with the Class A3-R Notes, the Master Trust Deed, the Series Supplement, the Security Trust Deed or any other Transaction Document to which the Trustee is a party is limited, except in the case of fraud, negligence or wilful default on the part of the Trustee or its officers, employees or agents or any other person whose acts or omissions the Trustee is liable for under the Transaction Documents, to the extent to which it can be satisfied out of the Assets of the Series Trust out of which the Trustee is actually indemnified for the obligation or liability. Other than in the exception previously mentioned, the personal assets of the Trustee, the Security Trustee or any other member of the Perpetual group are not available to meet payments of interest or repayments of principal on the Class A3-R Notes.

None of Commonwealth Bank of Australia, Macquarie, the Trustee, the Manager or the Security Trustee nor any of their related entities guarantee the success of the Class A3-R Notes issued by the Trustee or the repayment of capital or any particular rate of capital or income return in respect of the investment by Noteholders in the Class A3-R Notes, nor do they make any statement (including, without limitation, any representation) with respect to income tax or other taxation consequences of any subscription, purchase or holding of the Class A3-R Notes or the receipt of any amounts thereunder.

1.15 Australian Financial Services Licence of Perpetual Trustee Company Limited

Perpetual Trustee Company Limited has obtained an Australian Financial Services Licence under Part 7.6 of the Corporations Act (Australian Financial Services Licence No. 236643). Perpetual Trustee Company Limited has appointed P.T. Limited to act as its authorised representative under that licence (Authorised Representative No. 266797).

1.16 European Union Capital Requirements Regulation - securitisation exposure rules and other regulatory initiatives

Articles 404 – 410 (inclusive) of Regulation (EU) No 575/2013 (as amended by corrigendum) of the European Parliament and Council (the “**CRR**”) came into force on 1 January 2014 in Member States of the European Union and have been or are expected to be implemented by national legislation in the other Member States of the European Economic Area (“**EEA**”).

Article 405 of the CRR restricts ‘credit institutions’ and ‘investment firms’ (each as defined in the CRR), and the consolidated group subsidiaries thereof (each, an “**Affected Investor**”) from investing in or being exposed to a ‘securitisation’ (as defined in the CRR)

unless the originator, sponsor or original lender in respect of that securitisation has explicitly disclosed to the Affected Investor that it will retain, on an ongoing basis, a net economic interest of at least 5 per cent in that securitisation in the manner contemplated by Article 405 (and regulatory technical standards since adopted by the European Commission, in relation to the same).

Article 406 of the CRR also requires that an Affected Investor be able to demonstrate that it has undertaken certain due diligence in respect of, among other things, the Notes it has acquired and the underlying exposures, and that procedures have been established for monitoring the performance of the underlying exposures on an ongoing basis.

Failure to comply with one or more of the requirements as set out in Articles 405 and 406 of the CRR may result in the imposition of a penal capital charge with respect to the investment made in the securitisation by the relevant Affected Investor.

Investors should also be aware of Article 17 of the EU Alternative Investment Fund Managers Directive (Directive 2011/61/EU), as supplemented by Section 5 of Chapter III of Commission Delegated Regulation (EU) No 231/2013 (“**Investment Managers Directive**”) and Article 135(2) of the EU Solvency II Directive 2009/138/EC, as supplemented by Articles 254-257 of Commission Delegated Regulation (EU) No 2015/35 (“**Solvency II**”), which introduce risk retention and due diligence requirements which apply, respectively, to EEA regulated alternative investment fund managers and EEA regulated insurance/reinsurance undertakings. While such requirements are similar to those which apply under the CRR they are not identical and, in particular, additional due diligence obligations apply to relevant investors under the Investment Managers Directive and Solvency II. Similar requirements are also scheduled to apply in the future to investment in securitisations by Undertakings for Collective Investment in Transferrable Securities (“**UCITS**”) and insurance and reinsurance undertakings subject to regulation by supervisory authorities in any member state of the European Economic Area. In this Supplemental Information Memorandum, all such requirements, together with Articles 404 – 410 (inclusive) of the CRR, are referred to as the “**Retention Rules**”.

Neither the Retention Rules nor the previous European Union retention rules under Article 122a of the Capital Requirements Directive (comprising Directive 2006/48/EC and Directive 2006/49/EC, as amended) were in force at the time the Series Trust was established and Notes were first issued by the Trustee and, accordingly, the Series Trust was not specifically structured for compliance with such rules. However, as at the Preparation Date, Commonwealth Bank of Australia holds all of the Class B Notes, which is the first loss tranche of the Notes and accounts for 8.4% of the aggregate principal balance of the securitised exposures as at 26 October 2015. Commonwealth Bank of Australia does not undertake to retain this interest for the term of the Class A3-R Notes for or any specific period.

Prospective investors should independently assess and determine whether the Retention Rules apply in respect of their investment in the Class A3-R Notes and the sufficiency of the information in this Supplemental Information Memorandum the purposes of the Retention Rules and any national measures which may be relevant to such investors. Prospective investors who are uncertain as to such requirements in a relevant jurisdiction should seek relevant professional advice or guidance from their regulator.

See Section 3.5 (“*European Union Capital Requirements Regulation – securitisation exposure rules and other regulatory initiatives*”) for further details.

1.17 Repo-Eligibility

Securitisation Advisory Services Pty Limited, as Manager intends to make an application to the Reserve Bank of Australia (“RBA”) for the Class A3-R Notes to be “eligible securities” (or “repo eligible”) for the purposes of repurchase agreements with the RBA.

The criteria for repo eligibility published by the RBA require, among other things, that certain information be provided by the Manager to the RBA at the time of seeking repo-eligibility and during the term of the Class A3-R Notes in order for the Class A3-R Notes to be (and to continue to be) repo-eligible.

No assurance can be given that the application by the Manager for the Class A3-R Notes to be repo eligible will be successful, or that the Class A3-R Notes will continue to be repo eligible at all times even if they are eligible in relation to their initial issue. For example, subsequent changes by the RBA to its criteria could affect whether the Class A3-R Notes continue to be repo-eligible.

If the Class A3-R Notes are repo-eligible at any time, Noteholders should be aware that relevant disclosures may be made by the Manager to investors and potential investors in Class A3-R Notes from time to time in such form as determined by the Manager as it sees fit (including for the purpose of complying with the RBA’s criteria).

1.18 Listing

Securitisation Advisory Services Pty Limited, as Manager, may, at its discretion, make an application to a securities exchange or other competent authority for the Class A3-R Notes to be listed and admitted for trading on its regulated market or unregulated markets. Such approval, if sought and obtained, would relate solely to the Class A3-R Notes. However, there can be no assurance that any application for listing or trading of the Class A3-R Notes, if made, will be successful. Accordingly, the issuance and settlement of the Class A3-R Notes is not conditional on the listing of the Class A3-R Notes on any securities exchange or the admission of the Class A3-R Notes to trading on any regulated or unregulated market. Perpetual Trustee Company Limited has not made or authorised any application for admission to listing and/or trading of any Class A3-R Notes.

1.19 References to Ratings

There are various references in this Supplemental Information Memorandum to the credit rating of the Class A3-R Notes and of particular parties. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the relevant Rating Agency. In addition, the provisional ratings of the Class A3-R Notes do not address the expected timing of principal repayments under the Class A3-R Notes. None of the Rating Agencies have been involved in the preparation of this Supplemental Information Memorandum. Each Rating Agency is not established in the European Community but rather is incorporated in the Commonwealth of Australia. Consequently, each Rating Agency is not required to be registered under Regulation (EC) 1060/2009 (“CRA Regulation”). It is anticipated that the credit ratings of the Class A3-R Notes will, upon their issue, be endorsed by Standard & Poor's Credit Market Services Europe Limited and Fitch Ratings Ltd, respectively, in accordance with the CRA Regulation. Each of Standard & Poor's Credit Market Services Europe Limited and Fitch Ratings Ltd is established in the European Union and registered under the CRA Regulation. As such, Standard & Poor's Credit Market Services Europe Limited and Fitch Ratings Ltd are included in the list of credit rating agencies published

by the European Securities and Markets Authority on its website in accordance with the CRA Regulation. The European Securities Markets Authority has indicated that ratings issued in Australia which have been endorsed by Standard & Poor's Credit Market Services Europe Limited and Fitch Ratings Ltd may be used in the European Union by the relevant market participants.

2.3 Summary of Notes

The Trustee issued Class A1 Notes, Class A2 Notes, Class A3 Notes, Class AB Notes, Class AC Notes and Class B Notes on 29 November 2010. The Trustee will not issue any further Notes of those Classes.

The Trustee proposes to issue the Class A3-R Notes on 25 November 2015 (the "**Class A3 Refinancing Date**") for the purpose of using the proceeds of such issue together with the balance of the GIC Account on that day for application towards repayment of the Invested Amount of the Class A3 Notes. For more detail, see Section 8.4 ("*Class A3-R Notes*") of the Base Information Memorandum. As at 26 October 2015, the balance of the GIC Account is \$20,365,964.91.

In certain circumstances, the Trustee may issue Redraw Notes – see Section 9.2 ("*Redraw Shortfall*") of the Base Information Memorandum. As at the Preparation Date, no Redraw Notes have been issued.

The Class A1 Notes, Class A2 Notes, Class A3 Notes, Class A3-R Notes, Class AB Notes, Class AC Notes, Class B Notes and Redraw Notes are secured, limited recourse obligations of the Trustee collateralised by the same pool of Housing Loans Rights. None of the Notes have been, or will be, registered in the United States. The Class A1 Notes and the Class A2 Notes have been repaid in full.

Only the Class A3-R Notes are being offered pursuant to this Supplementary Information Memorandum.

As at 26 October 2015:

- the aggregate Invested Amount of the Class A1 Notes is \$0;
- the aggregate Invested Amount of the Class A2 Notes is \$0;
- the aggregate Invested Amount of the Class A3 Notes is \$210,000,000;
- the aggregate Invested Amount of the Class AB Notes is \$17,803,389.37;
- the aggregate Invested Amount of the Class AC Notes is \$9,129,943.27;

- the aggregate Invested Amount of the Class B Notes is \$20,000,000; and
- there are no Redraw Notes on issue.

As outlined above, and discussed in further detail in Section 8.4 (“*Class A3-R Notes*”) of the Base Information Memorandum, it is expected that the Class A3 Notes will be redeemed immediately following the issue of Class A3-R Notes on the Class A3 Refinancing Date.

The descriptions of the Class A1 Notes, the Class A2 Notes, the Class A3 Notes, the Class AB Notes, the Class AC Notes and the Class B Notes (including the terms of the Transaction Documents as they apply to those Classes of Notes) are included in this Supplemental Information Memorandum solely for information purposes and to assist prospective investors in the Class A3-R Notes to understand the structure of the transaction and the current liabilities of the Series Trust.

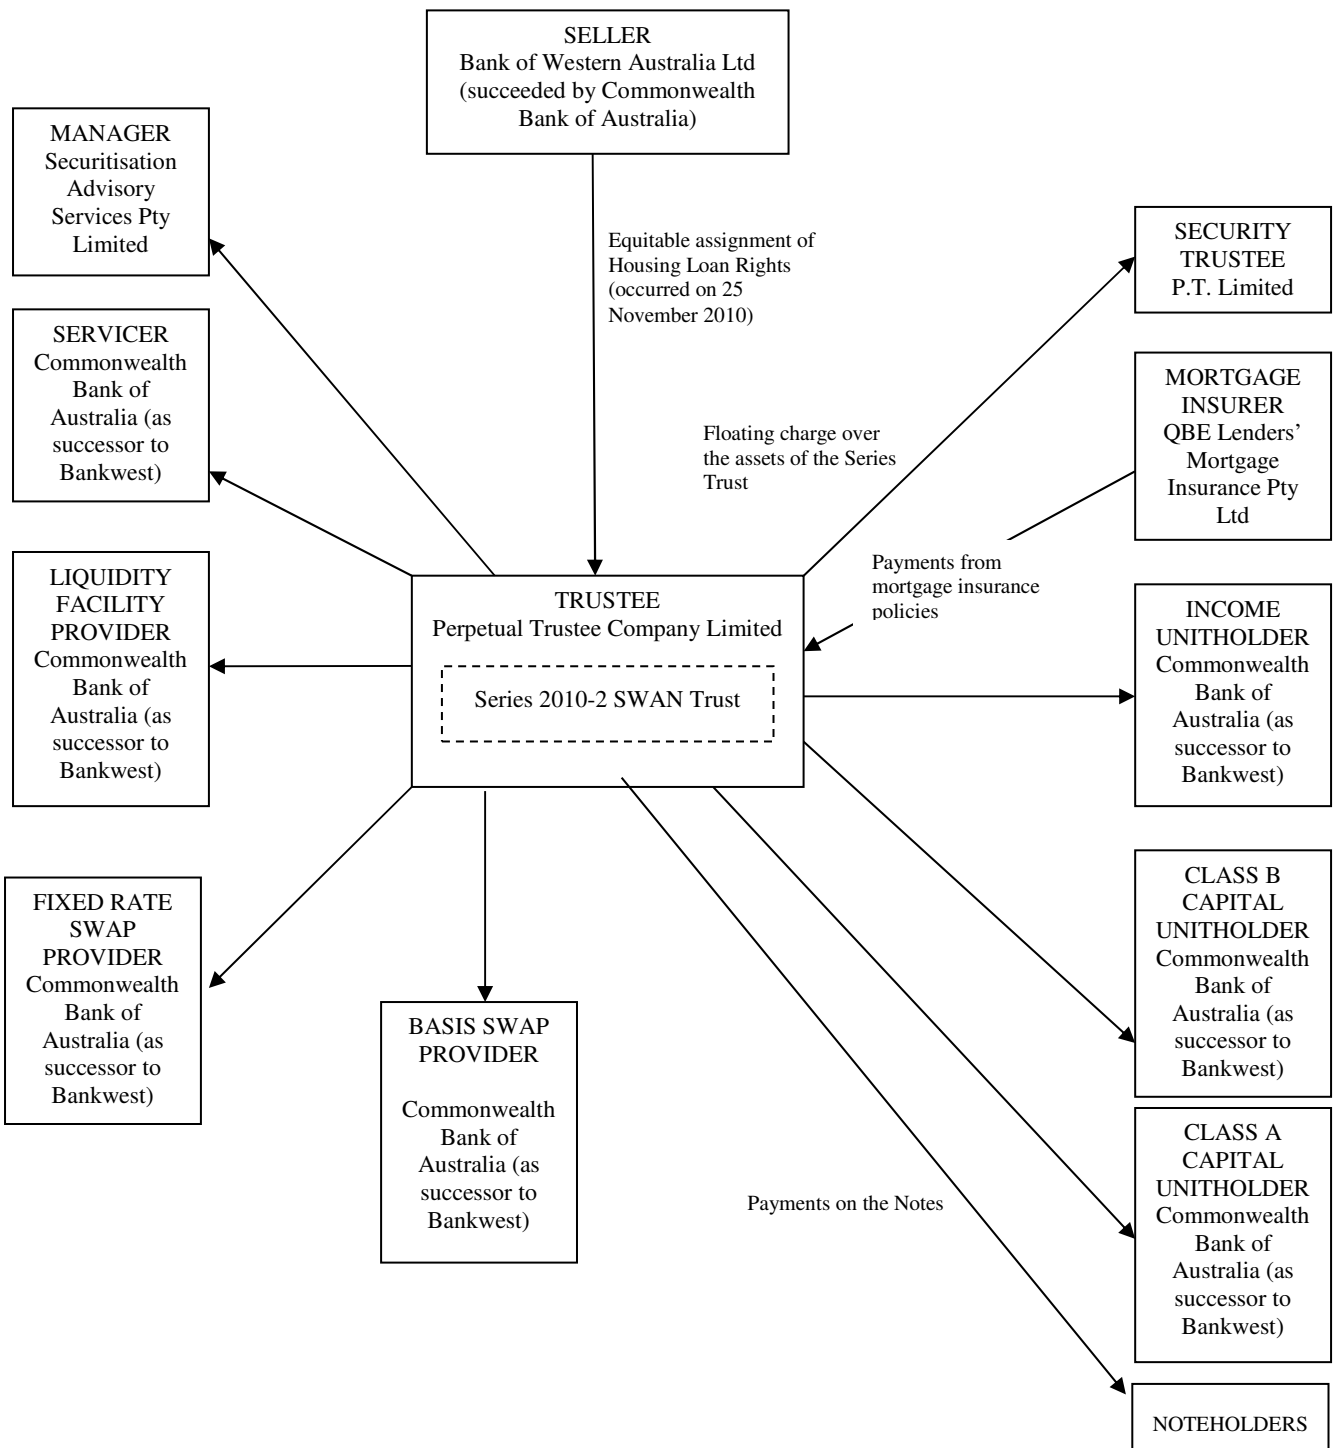

2.4 The Series 2010-2 SWAN Trust

The Series Trust was established on 19 November 2010 in New South Wales pursuant to the Master Trust Deed and the Series Supplement. The Series Trust is one of the trusts created under the SWAN securitisation programme established by Bank of Western Australia Ltd in 1999. The Trust is a unit trust and all units are currently held by Commonwealth Bank of Australia.

For an overview of the SWAN Securitisation Programme, see Section 2.4 (“*The SWAN Programme*”) of the Base Information Memorandum. For an overview of the Series Trust and its establishment, see Section 2.5 (“*Series 2010-2 SWAN Trust*”) and Section 5 (“*The Series Trust*”) of the Base Information Memorandum.

The following section contains a structure diagram of the Series Trust showing the current parties as at the Preparation Date. This should be referred to instead of the structure diagram included in Section 2.7 (“*Structure Diagram*”) of the Base Information Memorandum.

2.5 Structure Diagram

2.6 The Housing Loan Rights

The Housing Loan Rights forming part of the Assets of the Series Trust were originated by Bank of Western Australia Ltd.

The Trustee acquired the Housing Loan Rights from Bank of Western Australia Ltd (as the Seller) on 29 November 2010 (but with effect from 25 November 2010 (the “**Cut-Off Date**”)) by way of an assignment in equity, with such acquisition funded by the issue of the Class A1 Notes, the Class A2 Notes, the Class A3 Notes, the Class AB Notes, the Class AC Notes and the Class B Notes by the Trustee on the Closing Date.

See Section 6 (“*Housing Loans*”) of the Base Information Memorandum for a description of the Housing Loans and the process by which they were acquired by the Trustee on the Closing Date.

Following the integration of Bankwest with Commonwealth Bank of Australia, as described in the section entitled “*References to Bankwest*” on page 2 of this Supplemental Information Memorandum, to the extent that Bankwest retained any legal title or interest in relation to the Housing Loan Rights, that title or interest is now held by Commonwealth Bank of Australia.

2.7 General Description of the Class A3-R Notes

Status and ranking:

The Class A3-R Notes constitute secured, limited recourse obligations of the Trustee and will rank *pari passu* without any preference among themselves for interest and principal.

The Class A3-R Notes and all other Notes are all secured by the same assets of the Series Trust (which includes the Housing Loans held by the Trustee in its capacity as trustee of the Series Trust).

The Class A1 Notes and Class A2 Notes have been redeemed in full and the Class A3 Notes are expected to be redeemed in full on the Issue Date of the Class A3-R Notes. Accordingly, prior to the occurrence of an Event of Default and enforcement of the Charge, the Class A3-R Notes will rank *pari passu* and rateably with the Redraw Notes (if any are issued) for payment of interest and after the Redraw Notes for repayment of principal. After the occurrence of an Event of Default and enforcement of the Charge, the Class A3-R Notes will rank behind the Redraw Notes (if any are issued) for both payment of interest and repayment of principal.

The Class A3-R Notes will rank above the Class AB Notes, the Class AC Notes and the Class B Notes for payments of interest and repayment of principal at all times, except if the Step-Down Conditions are satisfied on a Payment Date prior to the occurrence of an Event of Default and enforcement of the Charge – in which case the Class AB Notes and the Class AC Notes will rank equally and without preference or priority with the Class A Principal Allocation in relation to the repayment of

principal. See, in particular, Sections 9.8 (“*Application of Total Investor Revenues on each Payment Date*”), 9.9 (“*Application of Total Principal Collections on each Payment Date*”), 9.10 (“*Class A Principal Allocation*”), 9.12 (“*Step-Down Conditions*”) and 12.4 (“*Priorities under the Security Trust Deed*”) of the Base Information Memorandum.

Form and Denomination:	The Class A3-R Notes will be issued for a minimum purchase price of A\$500,000 and in integral multiples of A\$50,000 thereafter. All Class A3-R Notes will be in registered form.
Issue Price:	100 per cent
Class A3-R Note Issue Date:	25 November 2015
Final Maturity Date:	25 September 2041 or, if such day is not a Business Day, the next Business Day unless that day falls in the next calendar month, in which case, the date is brought forward to the first preceding Business Day.
Ratings:	The Class A3-R Notes will, on their issue, be rated AAA(sf) by Standard & Poors and AAAsf by Fitch. See section 14 (“ <i>Ratings of the Class A3-R Notes</i> ”) of this Supplemental Information Memorandum.

2.8 Payments on the Class A3-R Notes

Payment Dates:	The 25th day of each month (or if such a day is not a Business Day, the next following Business Day unless that day falls in the next calendar month, in which case, the date is brought forward to the first preceding Business Day). The first Payment Date on which amounts may be paid on the Class A3-R Notes is 29 December 2015. The first Payment Date for the Series Trust occurred on 25 January 2011.
-----------------------	--

The final Payment Date in respect of the Class A3-R Notes will be the earlier of the Final Maturity Date and the Payment Date on which all of the Class A3-R Notes are redeemed in full (together with all accrued interest).

Method of Payment:	Noteholders of Class A3-R Notes will be paid by the Trustee by the method(s) set out in Section 7.5 (“ <i>Payments</i> ”) of this Supplemental Information Memorandum.
---------------------------	--

Rounding of Payments:	All payments in respect of interest and principal on the Class A3-R Notes will be rounded to the nearest Australian cent (half a cent being rounded upwards).
------------------------------	---

2.9 Interest on the Class A3-R Notes

Interest Periods: The first Interest Period for the Class A3-R Notes commences on (and includes) the Issue Date of the Class A3-R Notes and ends on (but excludes) the Payment Date falling in December 2015. Each succeeding Interest Period for the Class A3-R Notes commences on (and includes) a Payment Date and ends on (but excludes) the next succeeding Payment Date, except that the final Interest Period for Class A3-R Notes ends on (but excludes) the date on which the Class A3-R Notes are redeemed in full (together with accrued interest).

Interest: Interest is calculated on the Invested Amount of each Class A3-R Note on the first day of each Interest Period for the Class A3-R Notes at the Class A3-R Rate of Interest (in respect of the Class A3-R Notes).

At all times, the Class A3-R Notes will rank equally without any preference or priority between each other in respect of the payment of interest.

At all times, payments of interest in respect of:

- (a) the Class AB Notes are subordinated to payments of interest in respect of the Class A3-R Notes;
- (b) the Class AC Notes are subordinated to payments of interest in respect of the Class A3-R Notes and the Class AB Notes; and
- (c) the Class B Notes are subordinated to payments of interest in respect of the Class A3-R Notes, the Class AB Notes and the Class AC Notes.

A failure to pay interest on the Class AB Notes, the Class AC Notes or the Class B Notes does not constitute an Event of Default under the Security Trust Deed while there are any Class A Notes outstanding.

See Section 9 (“*Cashflow Allocation Methodology*”), Section 12.2 (“*Events of Default*”) and Section 12.4 (“*Priorities under the Security Trust Deed*”) of the Base Information Memorandum.

Class A3-R Rate of Interest: The Class A3-R Rate of Interest for each Interest Period from (and including) the Class A3 Refinancing Date up to (but excluding) the date on which the Class A3-R Notes are redeemed in full (together with accrued interest) is the aggregate of BBSW for that Interest Period and 1.00% per annum.

Determination Date: Each day falling 5 Business Days before a Payment Date.

Stated Amount:	<p>The Stated Amount of a Class A3-R Note on any day will be A\$50,000 less:</p> <ul style="list-style-type: none">(a) the aggregate amount of principal which has been repaid in respect of that Class A-3 Note on or before that day; and(b) the aggregate amount of any prior reductions in the Stated Amount of that Class A3-R Note as a result of Charge-Offs (see Section 9.17 (“<i>Defaulted Amount Insufficiency</i>”) of the Base Information Memorandum), plus the aggregate amount of prior increases in the Stated Amount of that Class A3-R Note as a result of reimbursement of earlier Charge-Offs (see Section 9.18 (“<i>Reimbursement of Charge-Offs</i>”) of the Base Information Memorandum).
Invested Amount:	<p>The Invested Amount of a Class A3-R Note on any day will be A\$50,000 less the aggregate amount of principal which has been repaid in respect of that Class A3-R Note on or before that day.</p>

2.10 Redemption of the Class A3-R Notes

Part Redemption of Notes:	<p>Class A3-R Noteholders will receive payments of principal in respect of the Class A3-R Notes on each Payment Date to the extent that there are available funds for that purpose.</p>
Call Option:	<p>The Trustee may redeem all, but not some only, of the Notes (of all Classes) on any Payment Date falling on or after the Payment Date on which the total principal outstanding on the Housing Loans are less than 10 per cent of the total principal outstanding of the Housing Loans as at the Cut-Off Date.</p>
Early Redemption:	<p>Class A3-R Notes may be redeemed prior to their stated maturity upon certain tax events in relation to the Notes or the Trustee.</p>
Listing:	<p>The Manager may, in its sole discretion, make an application to list the Class A3-R Notes on a securities exchange. See Section 15 (“<i>Listing on a securities exchange</i>”) of this Supplemental Information Memorandum.</p>
Form of Notes:	<p>The Class A3-R Notes will be issued in the form of registered debt securities of the Trustee.</p>
Notices to Noteholders:	<p>Notices to each Noteholder in respect of a Class A3-R Note will be deemed to have been given if sent by mail, postage prepaid, at the address of the Noteholder as shown in the Register. In the case of a Note held jointly, the notice will be sent to the registered address of the joint Noteholder whose name stands first in the Register. Any notice so mailed will be deemed to be received by the relevant Noteholder on the third (or seventh if outside Australia) day after posting. Such a notice will be</p>

conclusively presumed to have been duly given, whether or not the relevant Noteholder receives the notice. Notwithstanding the foregoing, any notice may be given to a Noteholder by an advertisement placed on a Sydney and Perth Business Day in the Australian Financial Review (or another nationally delivered paper in Australia).

2.11 Structural Features

Summary

The Series Trust has a number of structural features which are intended to enhance the likelihood of full payment of principal and interest due on the Notes. These include:

- *the Mortgage Insurance Policies in respect of the Housing Loan Rights* – see Section 10.3 (“*The Mortgage Insurance Policies*”) of this Supplemental Information Memorandum and Section 11.3 (“*The Mortgage Insurance Policies*”) of the Base Information Memorandum;
- *Excess cash flow generated by the Housing Loans*, after the making of required interest payments (other than on the Class B Notes) and other outgoings, which may be used to, among other things, reimburse Principal Draws, Defaulted Amounts (in respect of Housing Loans) and unreimbursed Charge-Offs in relation to Notes – see Sections 9.8 (“*Application of Total Investor Revenues on each Payment Date*”), 9.17 (“*Defaulted Amount Insufficiency*”) and 9.18 (“*Reimbursement of Charge-Offs*”) of the Base Information Memorandum;
- *interest and other income earned on the Collections Account* – see Section 2.13 (“*Structural Features – Collections Account*”) of the Base Information Memorandum;
- *the Liquidity Facility*, provided to the Series Trust by the Liquidity Provider to assist in meeting Net Liquidity Shortfalls – see Section 11.2 (“*The Liquidity Facility*”) of the Base Information Memorandum for information about the Liquidity Facility and Section 8.3 (“*Liquidity Facility*”) of this Supplemental Information Memorandum for information about Commonwealth Bank of Australia as the current Liquidity Facility Provider;
- *the Extraordinary Expense Reserve*, established in the Collections Account to assist in meeting Net Liquidity Shortfalls – see Section 9.13 (“*Extraordinary Expense Reserve*”) of the Base Information Memorandum; and
- *subordination of certain Classes of Notes and the order of allocation of losses on Housing Loans against Classes of Notes* as described in the following paragraphs of this Section 2.11 and in Section 9 (“*Cashflow Allocation*”

Methodology”) of the Base Information Memorandum.

Subordination of Note Classes

Prior to enforcement of the Charge, the Class B Notes, the Class AC Notes and the Class AB Notes will always be subordinated to the Class A Notes in their right to receive interest payments on a Payment Date. See Section 9.8 (“*Application of Total Investor Revenues on each Payment Date*”) of the Base Information Memorandum.

Prior to enforcement of the Charge, the Class B Notes, the Class AC Notes and the Class AB Notes will always be subordinated to the Class A Notes in their right to receive principal payments on a Payment Date, unless the Step-Down Conditions are satisfied on the immediately preceding Determination Date in which case the Class AC Notes and the Class AB Notes will be entitled to receive principal payments rateably with the Class A Notes as described in Sections 9.9 (“*Application of Total Principal Collections on a Payment Date*”) and 9.12 (“*Step-Down Conditions*”) of the Base Information Memorandum.

Following enforcement of the Charge, the Class B Notes, the Class AC Notes and the Class AB Notes will be subordinated to the Class A Notes in their right to receive interest payments and principal repayments.

The Class A Notes will rank *pari passu* and rateably with each other in their right to receive interest payments and principal repayments at all times, except to the extent described in Section 9.10 (“*Class A Principal Allocation*”) of the Base Information Memorandum. However, upon the redemption of the Class A3 Notes, the Class A3-R Notes will be the only Class A Notes outstanding and all Class A3-R Notes rank *pari passu* and rateably with each other in their right to receive interest payments and principal repayments at all times.

If Adjusted Principal Collections for a Monthly Period are insufficient to fully reimburse the Seller for Seller Advances made during that Monthly Period, the Trustee may issue Redraw Notes to fund the reimbursement of those Seller Advances, as described in Section 9.2 (“*Redraw Shortfall*”) of the Base Information Memorandum.

The following describes the support percentages provided by the relevant Classes of Notes as at 26 October 2015 (after giving effect to any principal payments to be made in respect of the Notes on that day).

Class	Credit Support Notes	Support percentage
Class A Notes	Class AB Notes,	19.8%

		Class AC Notes and Class B Notes	
	Class AB Notes	Class AC Notes and Class B Notes	12.3%
	Class AC Notes	Class B Notes	8.4%
Allocation of losses on the Housing Loans:	Class A Noteholders (including the Class A3-R Noteholders) will have the benefit of Charge-Offs being allocated first to the Class B Notes, second to the Class AC Notes and third to the Class AB Notes.		
	That is, to the extent that there is a loss on a Housing Loan which is not satisfied by a claim under the Mortgage Insurance Policy corresponding to that Housing Loan, or by application of Total Investor Revenues, the amount of the loss will be allocated pari passu and rateably to the Class B Notes, reducing the Stated Amount of the Class B Notes until their Stated Amount is zero.		
	The amount of any remaining loss will then be allocated to the Class AC Notes, reducing the Stated Amount of the Class AC Notes until their Stated Amount is zero.		
	The amount of any remaining loss will then be allocated to the Class AB Notes, reducing the Stated Amount of the Class AB Notes until their Stated Amount is zero.		
	The amount of any remaining loss will then be allocated pari passu and rateably to the Class A Notes (including the Class A3-R Notes) and the Redraw Notes (if any are issued), reducing the Stated Amount of the Class A Notes and the Redraw Notes pari passu and rateably until their Stated Amount is zero.		
	For a more detailed description of the operation of Charge-Offs, see Section 9 (“ <i>Cashflow Allocation Methodology</i> ”) of the Base Information Memorandum.		

2.12 Interest Rate Risk Management

Interest Rate Swaps: In order to hedge the mismatch between the rates of interest on the Housing Loans and the Trustee’s floating rate payment obligations under the Floating Rate Notes, the Trustee and the Manager have entered into the Basis Swap and the Fixed Rate Swap with an Interest Rate Swap Provider. Commonwealth Bank of Australia is the current Interest Rate Swap Provider for the Basis Swap and the Fixed Rate Swap. The Basis Swap and the Fixed Rate Swap are each governed by the terms of the Interest Rate Swap Agreement.

The Trustee has also entered into the Class A3 Note Fixed Swap (currently provided by Commonwealth Bank of Australia),

however this transaction will terminate upon the Class A3 Refinancing Date and so will no longer be in effect following the issue of the Class A3-R Notes. However, the Trustee and the Interest Rate Swap Provider will be required to exchange payments under the Class A3 Note Fixed Swap on the Class A3 Refinancing Date.

For details in relation to the Interest Rate Swaps and interest rate risk management, including requirements following termination of the Basis Swap or the Fixed Rate Swap or if a party fails to comply with its obligations under an Interest Rate Swap, see Sections 2.14 (“*Interest Rate Risk Management*”), 3.21 (“*Termination of Swaps*”) and 11.1 (“*The Interest Rate Swaps*”) of the Base Information Memorandum.

For further information about Commonwealth Bank of Australia as Interest Rate Swap Provider see Section 4.3 (“*Description of Commonwealth Bank of Australia*”) of this Supplemental Information Memorandum.

2.13 Further Information

- Security Trust Deed:** The obligations of the Trustee in respect of the Class A3-R Notes and the other Notes (among other obligations) are secured by the Charge granted by the Trustee over the Assets of the Series Trust in favour of the Security Trustee pursuant to the Security Trust Deed. The Security Trust Deed and the order of priority in which the proceeds of enforcement of the Charge are to be applied are described in Section 12.4 (“*Priorities under the Security Trust Deed*”) of the Base Information Memorandum.
- Deductions:** All payments in respect of the Class A3-R Notes will be made free and clear of, and without deduction for, taxes unless the Trustee is required by law to make such a deduction. In that event, the Trustee will account to the relevant authority for the amount of such deduction and will not be obliged to make an additional payment in respect of that deduction. For further details see Section 12 (“*Taxation Considerations*”) of this Supplemental Information Memorandum.
- Selling Restrictions:** The offering, sale and delivery of the Class A3-R Notes and the distribution of this Supplemental Information Memorandum and other material in relation to the Class A3-R Notes are subject to restrictions as may apply in any jurisdiction in connection with the offering and sale of the Class A3-R Notes. For further details see Section 13 (“*Selling Restrictions*”) of this Supplemental Information Memorandum.
- Governing Law:** All Transaction Documents are governed by the laws in force in the State of New South Wales, Australia.

3 Risk Factors

The purchase, and subsequent holding, of the Class A3-R Notes is not free of risk. Prospective investors should carefully read and consider the risk factors set out in Section 3 (“Some risk factors”) of the Base Information Memorandum (as if each reference to “Notes” and “Class A Notes” includes the Class A3-R Notes offered pursuant to this Supplemental Information Memorandum), as supplemented by the following paragraphs, prior to deciding whether to purchase any Class A3-R Notes.

The Manager believes that the risks described below and in Section 3 (“Some risk factors”) of the Base Information Memorandum are some of the principal risks inherent in the transaction for noteholders and that the discussion in relation to the Class A3-R Notes indicates some of the possible implications for Class A3-R Noteholders. However, the inability of the Trustee to pay interest or principal on the Class A3-R Notes may occur for other unforeseen reasons and the Manager does not in any way represent that the description of the risks outlined in these sections is exhaustive. It is only a summary of some particular risks. Further, although the Manager believes that the various structural protections available to Class A3-R Noteholders lessen certain of these risks, there can be no assurance that these measures will be sufficient to ensure the payment of interest or principal on the Class A3-R Notes on a timely or full basis. Prospective investors should also read the detailed information set out elsewhere in this Supplemental Information Memorandum and in the Base Information Memorandum and make their own independent investigation and seek their own independent advice as to the potential risks involved in purchasing and holding the Class A3-R Notes.

3.1 Risks of Equitable Assignment

This Section 3.1 updates and is to be read in substitution for Section 3.7 (“Assignment and risks of Equitable Assignment”) of the Base Information Memorandum.

The Housing Loans were assigned by Bank of Western Australia Ltd (as Seller) to the Trustee in equity. If the Trustee declares that a Perfection of Title Event has occurred under the Series Supplement (see Section 6.11 (“Perfection of Title Event”) of the Base Information Memorandum) the Trustee and the Manager must, amongst other things, take all such steps as are necessary to perfect the Trustee’s legal title in the mortgages relating to the Housing Loans (see Section 6.11 (“Perfection of Title Event”) of the Base Information Memorandum for further details on Perfection of Title Events). Until such time, the Trustee is not to take any such steps to perfect legal title and, in particular, it will not notify the borrowers or any security providers of the assignment of the Housing Loans. As at the Preparation Date, the Trustee has not taken any steps to perfect legal title to the Housing Loans.

The initial equitable assignment of the Housing Loans and associated delay in the notification to a borrower or any guarantor or security provider of the assignment of the Housing Loans to the Trustee may have the following consequences:

- (a) until a borrower, guarantor or security provider has notice of the assignment, such person is not bound to make payment to anyone other than the Seller and the borrower, guarantor or security provider can obtain a valid discharge from the Seller. As the Trustee will not have the right to give notice of assignment to the borrower, guarantor or security provider until a Perfection of Title Event has occurred, there is, therefore, a risk that a borrower, guarantor or security provider may make payments to the Seller after the Seller has become insolvent, but before

the borrower, guarantor or security provider receives notice of assignment of the relevant Mortgage Loan. These payments may not be able to be recovered by the Trustee. In addition, section 80(7) of the Personal Property Securities Act 2009 (Cth) (“PPSA”) provides that an obligor will be entitled to make payments and obtain a good discharge from the Seller rather than directly to, and from, the Trustee until such time as the obligor receives a notice of the assignment that complies with the requirements of section 80(7)(a) of the PPSA, including, without limitation, a statement that payment is to be made to the Trustee, unless the obligor requests the Trustee to provide proof of the assignment and the Trustee fails to provide that proof within 5 business days of the request, in which case the obligor may continue to make payments to the Seller. Accordingly, a borrower, guarantor or security provider may nevertheless make payments to the Seller and obtain a good discharge from the Seller notwithstanding the legal assignment of a Housing Loan to the Trustee, if the Trustee fails to comply with these requirements. One mitigating factor is that the Seller is also the initial Servicer of the Housing Loans and is obliged to deal with all moneys received from borrowers, guarantors or security providers in accordance with the Series Supplement and to service those Housing Loans in accordance with the servicing standards, however this may be of limited benefit if the Seller is insolvent;

- (b) rights of set-off or counterclaim may accrue in favour of the borrower, guarantor or security provider against its obligations under the Loans which may result in the Trustee receiving less money than expected from the Mortgage Loans (see Section 3.8 (“*Set-Off*”) of the Base Information Memorandum). However, under the Housing Loan documents, borrowers, guarantors and security providers agree to waive rights of set-off or counterclaim that they may have against the Seller;
- (c) for so long as the Trustee holds only an equitable interest in the Housing Loans, the Trustee’s interest in the Housing Loans may become subject to the interests of third parties created after the creation of the Trustee’s equitable interest but prior to it acquiring a legal interest. To reduce this risk, the Servicer has undertaken not to consent to the creation or existence of any security interest over the mortgages securing the Housing Loans;
- (d) for so long as the Trustee holds only an equitable interest in the Housing Loans, Commonwealth Bank of Australia may need to be joined as a party to any legal proceedings against any borrower, guarantor or security provider in relation to the enforcement of any Housing Loan. In this regard, the Servicer undertakes to service (including enforce) the Housing Loans in accordance with the servicing standards;
- (e) the agreement from which a Housing Loan derives may be modified or substituted by the Seller and the relevant borrower, guarantor or security provider without the involvement of the Trustee both before and after the notice of the transfer to the relevant borrower, guarantor or security provider, subject to certain conditions including that the modification or substitution does not have a material adverse effect on the transferee’s rights under the contract or the transferor’s ability to perform the contract; and
- (f) to effect a legal assignment of Housing Loans will require:

- (i) the execution of a further instrument in writing by the Seller in accordance with section 12 of the Conveyancing Act 1919 (NSW) or the applicable equivalent provision in each other Australian jurisdiction;
- (ii) in relation to each Housing Loan which is a mortgage, the execution and registration of instruments of transfer under the applicable real property legislation in the Australian jurisdictions; and
- (iii) depending on the situs of the Housing Loan, the payment of stamp duty (if any) on the transfer of the Housing Loan.

3.2 Consumer credit legislation

This Section 3.2 updates and is to be read in substitution for Section 3.12 (“*Consumer credit legislation*”) of the Base Information Memorandum.

Some of the Housing Loans and related mortgages and guarantees are regulated by the Consumer Credit Legislation. The “**Consumer Credit Legislation**” includes the National Consumer Credit Protection Act 2009 (Cth) (“**NCCP Act**”) (which incorporates the National Credit Code) and the unfair terms regime in Division 2 of Part 2 of the Australian Securities and Investments Commission Act 2001, each of which is described in further detail below.

The Consumer Credit Legislation requires anyone that engages in a credit activity, including by providing credit or exercising the rights and obligations of a credit provider, to be appropriately authorised to do so. This requires those persons to either hold an Australian Credit Licence (as defined in the NCCP Act), be exempt from this requirement or be a credit representative of a licensed person.

The Consumer Credit Legislation imposes a range of disclosure and conduct obligations on persons engaging in a credit activity. For example any increase of the credit limit of a regulated loan must be considered and made in accordance with the responsible lending obligations of the Consumer Credit Legislation.

Failure to comply with the Consumer Credit Legislation may mean that court action is brought by the borrower, guarantor, mortgagor or by the Australian Securities and Investments Commission (“**ASIC**”) to:

- (a) obtain an injunction preventing a regulated Housing Loan from being enforced (or any other action in relation to the Housing Loan) if to do so would breach the Consumer Credit Legislation;
- (b) obtain an order that compensation to be paid for loss or damage suffered (or likely to be suffered) as a result of a breach of a civil penalty provision or a criminal offence in the Consumer Credit Legislation;
- (c) if a credit activity has been engaged in without a licence and no relevant exemption applies, obtain orders (as the court considers appropriate) so that no profiting can be made from the activity, to compensate for loss and to prevent loss. This could include an order declaring a contract, or part of a contract, to be void, varying the contract, refusing to enforce, ordering a refund of money or return of property, payment for loss or damage or being ordered to supply specified services;

- (d) in the case of a debtor, vary the terms of a Housing Loan on the grounds of hardship;
- (e) vary the terms of a Housing Loan and related mortgage or guarantee, or a change to such documents, that are unjust, and reopen the transaction that gave rise to the Housing Loan and any related mortgage or guarantee, or change;
- (f) in the case of a debtor or guarantor, reduce or cancel any interest rate payable on the Mortgage Loan arising from a change to that rate which is unconscionable;
- (g) have certain provisions of the Housing Loan or a related mortgage or guarantee which are in breach of the legislation declared void or unenforceable;
- (h) obtain restitution or compensation from the credit provider in relation to any breaches of the Consumer Credit Legislation in relation to the Housing Loan or a related mortgage or guarantee; or
- (i) seek various remedies for other breaches of the Consumer Credit Legislation.

Applications may also be made to relevant external dispute resolution schemes, which have the power to resolve disputes where the amount in dispute is A\$500,000 or less. There is no ability to appeal from an adverse determination by an external dispute resolution scheme, including on the basis of bias, manifest error or want of jurisdiction.

Where a systemic contravention affects contract disclosures across multiple Housing Loans, there is a risk of a representative or class action under which a civil penalty could be imposed in respect of all affected Housing Loan contracts. If borrowers, guarantors or mortgagors suffer any loss, orders for compensation may be made.

Under the Consumer Credit Legislation, ASIC will also be able to make an application to vary the terms of a contract or a class of contracts on the above grounds if this is in the public interest (rather than limiting these rights to affected debtors).

Any such order (by a court or external dispute resolution scheme) may affect the timing or amount of interest, fees or charges or principal payments under the relevant Housing Loan (which might in turn affect the timing or amount of interest or principal payments under the Class A3-R Notes).

Breaches of the Consumer Credit Legislation may also lead to civil penalties or criminal fines being imposed on the Seller, for so long as it holds legal title to the Housing Loans and the mortgages. If the Trustee acquires legal title or otherwise becomes a “credit provider” with respect to regulated Housing Loans, it will then become primarily responsible for compliance with the Consumer Credit Legislation and would be exposed to civil and criminal liability for certain breaches. These include breaches caused in fact by the Servicer. The amount of any civil penalty payable by the Seller or the Trustee (as the case may be) may be set off against any amount payable by the debtor under the Housing Loans.

The Trustee will be indemnified out of the Assets of the Series Trust for liabilities it incurs under the National Credit Code and the applicable provisions of the NCCP Act. Where the Trustee is held liable for such breaches, the Trustee must seek relief initially under any indemnities provided to it by the Manager, the Seller or the Servicer before exercising its rights to recover against any Assets of the Series Trust.

The Seller gave certain representations and warranties that, as at the Cut-Off Date, the mortgages relating to the Housing Loans complied in all material respects with all applicable laws when those mortgages were entered into. The Servicer has also undertaken to comply with the National Credit Code and the applicable provisions of the NCCP Act (and any other relevant laws) in carrying out its obligations under the Transaction Documents. In certain circumstances the Trustee may have the right to claim damages from Commonwealth Bank of Australia (as Seller or Servicer), as the case may be, where the Trustee suffers loss in connection with a breach of the Consumer Credit Legislation which is caused by a breach of a relevant representation or undertaking.

Unfair Terms

Under the national unfair terms regime established by Part 2 of the Australian Securities and Investment Commission Act 2001 (Cth), a term of a standard-form consumer contract will be unfair, and therefore void, if it causes a significant imbalance in the parties' rights and obligations under the contract and is not reasonably necessary to protect the supplier's legitimate interests. A term that is unfair will be void however the contract will continue if it is capable of operating without the term.

Also, under the Victorian regime set out in Part 2B of the Fair Trading Act 1999 (Vic), a term in a consumer contract would be unfair and therefore void if it is a prescribed unfair term or if a court or Tribunal determines that in all the circumstances it causes a significant imbalance in the parties' rights and obligations arising under the contract to the detriment of the consumer.

The national regime commenced on 1 July 2010 while the application of the Victorian regime to credit contracts commenced in June 2009. The Victorian and/or the national unfair terms regime may apply to Housing Loans, depending when the Housing Loans were entered into. However, the Victorian version of the regime only applies to agreements if they were entered into between 9 October 2003 (or June 2009 for credit contracts) and 1 January 2011.

Housing Loans and related mortgages and guarantees entered into before the application of either the Victorian or national unfair terms regimes will become subject to the national regime going forward if those contracts are renewed or a term is varied (although, where a term is varied, the regime only applies to the varied term).

To the extent that a provision of any of the Housing Loans were found to be unfair, this could have an adverse effect on the ability of the Trustee to recover money from the relevant borrower and consequently to make payments under the Transaction Documents.

Effect of Orders

An order made under any of the above consumer credit laws may affect the timing or amount of collections under the relevant mortgage loans which may in turn affect the timing or amount of interest and principal payments under the Class A3-R Notes.

3.3 European Union directive on the taxation of savings income

This Section 3.3 updates and is to be read in substitution for Section 3.29 ("*European Union directive on the taxation of savings income*") of the Base Information Memorandum.

The European Union has adopted a Directive (2003/48/EC) regarding the taxation of savings income (“**Savings Tax Directive**”). Under the Savings Tax Directive, European Union member states (“**Member States**”) are required to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Austria is instead required (unless during that period it elects otherwise) to operate a withholding system in relation to such payments deducting tax at a rate of 35% (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries).

A number of non-European Union countries and certain dependent or associated territories of certain Member States have adopted and implemented similar measures (either provision of information or transitional withholding) in relation to payments of savings income made by a person within its jurisdiction to an individual, or to certain non-corporate entities, resident in a Member State.

In addition, Member States have entered into reciprocal arrangements with certain of those non-European Union countries and dependent or associated territories of certain Member States in relation to payments of savings income made by a person in a Member State to an individual, or to certain non-corporate entities, resident in certain dependent or associated territories or non-European Union countries.

Prospective holders of Class A3-R Notes should note that an amended version of the Savings Tax Directive was adopted by the Council of the European Union on March 24, 2014, which is intended to close loopholes identified in the current Savings Tax Directive. The amendments, which must be transposed by Member States prior to January 1, 2016 and which will apply from January 1, 2017, will extend the scope of the Savings Tax Directive to (i) payments made through certain intermediate structures (whether or not established in a Member State) for the ultimate benefit of an EU resident individual, and (ii) a wider range of income similar to interest.

The Organisation for Economic Co-operation and Development (“**OECD**”) has been tasked by the G20 with undertaking the technical work needed to take forward the single global standard for automatic exchange of financial account information endorsed by the G20 in 2013. The OECD has released a full version of the Standard for Automatic Exchange of Financial Account Information in Tax Matters (the “**Common Reporting Standard**”), which calls on governments to obtain detailed account information from their financial institutions and exchange that information automatically with other jurisdictions on an annual basis. On 9 December 2014, the Economic and Financial Affairs Council of the European Union officially adopted the revised Directive on Administrative Cooperation 2011/16/EU (the “**ACD**”) (regarding mandatory automatic exchange of information in the field of taxation), which effectively incorporates the Common Reporting Standard. Member States are required to adopt and publish the laws, regulations and administrative provisions necessary to comply with the ACD by 31 December 2015. They are required to apply these provisions from 1 January 2016 and to start the automatic exchange of information no later than end of September 2017.

Therefore, the European Commission has proposed the repeal of the Savings Tax Directive from 1 January 2017 in the case of Austria and from 1 January 2016 in the case of all other Member States (subject to on-going requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments made before those dates).

This is to prevent overlap between the Savings Tax Directive and the ACD (as amended by Council Directive 2014/107/EU). The proposal also provides that, if it proceeds, Member States will not be required to apply the new requirements of the amending directive.

Prospective holders of Class A3-RNotes should seek their own professional advice in relation to the Savings Tax Directive.

3.4 The proposed financial transactions tax (“FTT”)

The European Commission has published a proposal for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia. If the FTT is adopted based on the European Commission’s proposals, then it could apply in certain circumstances to persons within and outside of the European Union Member States participating in the FTT. Generally, the FTT would apply to certain dealings in financial instruments (including secondary market transactions) where at least one party is a financial institution, and at least one party is established or deemed to be established in a participating Member State. Accordingly, the FTT could, if implemented, operate in a manner giving rise to tax liabilities for Noteholders or, potentially, for the Trustee with respect to certain transactions. Any such liabilities, if incurred by the Trustee, may reduce amounts available to the Trustee to meet its obligations under the Class A3-RNotes and may result in investors receiving less interest or principal than expected.

Joint statements issued by participating Member States indicate an intention to implement the FTT by 1 January 2016.

However, the proposed Directive remains subject to negotiation between the participating Member States and may be the subject of further legal challenge. The scope of any such tax is therefore unclear. Additional EU Member States may decide to participate.

Prospective holders of Class A3-R Notes should seek their own professional advice in relation to the FTT.

3.5 European Union Capital Requirements Regulation - securitisation exposure rules and other regulatory initiatives

Articles 404 – 410 (inclusive) of Regulation (EU) No 575/2013 of the European Parliament and Council (the “**CRR**”) came into force on 1 January 2014 in Member States of the European Union and have been or are expected to be implemented by national legislation in the other Member States of the European Economic Area (“**EEA**”).

Article 405 of the CRR restricts ‘credit institutions’ and ‘investment firms’ (each as defined in the CRR), and the consolidated group subsidiaries thereof (each, an “**Affected Investor**”), from investing in or being exposed to a ‘securitisation’ (as defined in the CRR) unless the originator, sponsor or original lender in respect of that securitisation has explicitly disclosed to the Affected Investor that it will retain, on an ongoing basis, a net economic interest of at least 5 per cent in that securitisation in the manner contemplated by Article 405 (and the regulatory technical standards since adopted by the European Commission in relation to the same).

Article 406 of the CRR also requires an Affected Investor be able to demonstrate that it has undertaken certain due diligence in respect of, among other things, the Notes it has

acquired and the underlying exposures, and that procedures have been established for monitoring the performance of the underlying exposures on an on-going basis.

Failure to comply with one or more of the requirements as set out in Articles 405 and 406 of the CRR may result in the imposition of a penal capital charge with respect to the investment made in the securitisation by the relevant Affected Investor.

In addition, Article 17 of the EU Alternative Investment Managers Directive and Section 5 of Chapter III of Commission Delegated Regulation (EU) No. 231/2013 supplementing that Directive (“**Investment Managers Directive**”) and Article 135(2) of the European Union Solvency II Directive 2009/138/EC, as supplemented by Articles 254 to 257 of Commission Delegated Regulation (EU) No. 2015/35 (“**Solvency II**”), introduce risk retention and due diligence requirements which apply, respectively, to EEA regulated alternative investment fund managers and insurance/reinsurance undertakings. While the requirements under the Investment Managers Directive and Solvency II are similar to those which apply under the CRR, they are not identical and, in particular, additional due diligence obligations apply to relevant investors to whom the Investment Managers Directive and Solvency II apply. Similar requirements are also scheduled to apply in the future to investment in securitisations by Undertakings for Collective Investment in Transferrable Securities (“**UCITS**”) and insurance and reinsurance undertakings subject to regulation by supervisory authorities in any member state of the European Economic Area. All such requirements, together with Articles 404 to 410 of the CRR, are referred to as the “**Retention Rules**”.

Neither the Retention Rules nor the previous European Union retention rules under Article 122a of the Capital Requirements Directive (comprising Directive 2006/48/EC and Directive 2006/49/EC, as amended) were in force at the time the Series Trust was established and Notes were first issued by the Trustee and, accordingly, the Series Trust was not specifically structured for compliance with such rules. However, as at the Preparation Date, Commonwealth Bank of Australia holds all of the Class B Notes, which is the first loss tranche of the Notes and accounts for 8.4% of the aggregate principal balance of the securitised exposures as at 26 October 2015. Commonwealth Bank of Australia does not undertake to retain this interest for the term of the Class A3-R Notes for or any specific period.

Relevant investors are required to make their own assessment as to the application of the Retention Rules to their investment in the Class A3-R Notes and make themselves aware of the requirements of the Retention Rules (and any implementing rules in relation to a relevant jurisdiction) and should carefully consider the implications of the Retention Rules for an investment in the Class A3-R Notes. Investors who are uncertain as to any requirements that will need to be complied with in order to avoid the additional regulatory charges for non-compliance with the Retention Rules and any implementing rules in a relevant jurisdiction should seek guidance from their regulator.

The Retention Rules and any other changes to the regulation or regulatory treatment of the Class A3-R Notes for some or all investors may negatively impact the regulatory position of certain individual investors and, in addition, could have a negative impact on the price and liquidity of the Class A3-R Notes in the secondary market.

There can be no assurance that the regulatory capital treatment of the Class A3-R Notes for any investor will not be affected by any future implementation of, and changes to, the Retention Rules or other regulatory or accounting changes.

3.6 Effects of other financial regulatory measures

In addition to the European Union Retention Rules detailed above in Section 3.5 (*“European Union Capital Requirements Regulation - securitisation exposure rules and other regulatory initiatives”*), there are other domestic and international measures for increased or revised regulation (including with respect to regulatory capital treatment) of mortgage backed securities (such as the Class A3-R Notes) which are currently at various stages of implementation.

Such changes in the global financial regulation or regulatory treatment of mortgage-backed securities may negatively impact the regulatory position of affected investors and have an adverse impact on the value and liquidity of mortgage-backed securities such as the Class A3-R Notes. Prospective investors in the Class A3-R Notes should consult with their own legal and investment advisors regarding the potential impact on them and the related compliance issues.

3.7 Application of the Personal Property Securities regime

A new personal property securities regime commenced operation throughout Australia in January 2012. The Personal Property Securities Act 2009 (**“PPSA”**) established a national system for the registration of security interests in personal property, together with new rules for the creation, priority and enforcement of security interests in personal property. The PPSA commenced on 15 December 2009, and took effect on 30 January 2012 (**“PPSA Start Date”**), with a two year transitional period which ended on 30 January 2014. The PPSA has a retrospective effect on security interests and security agreements arising before the PPSA Start Date by operation of the transitional provisions, including in relation to security interests arising under the Transaction Documents.

Security interests for the purposes of the PPSA include traditional securities such as charges and mortgages (but do not include mortgages over real property). However, they also include transactions that in substance, secure payment or performance of an obligation but may not have been previously legally classified as securities (referred to as *“in-substance”* security interests), including transactions that were not regarded as securities under the law that existed prior to the introduction of the PPSA. Further, certain other interests are deemed to be security interests whether or not they secure payment or performance of an obligation. These deemed security interests include assignments of receivables.

A person who holds a security interest under the PPSA will need to register (or otherwise perfect) the security interest to ensure that the security interest (within a limited period of time) has priority over competing interests (and in some cases, to ensure that the security interest survives the insolvency of the grantor). If they do not do so:

- (a) another security interest may take priority;
- (b) another person may acquire an interest in the assets which are subject to the security interest free of their security interest; or
- (c) they may not be able to enforce the security interest against a grantor who becomes insolvent (because the security interest will vest in the grantor).

The transitional provisions under the PPSA provided that security interests registered on certain registers which existed prior to the PPSA Start Date were to be migrated to the Personal Property Securities Register. Security interests which were not migrated, or

which were not immediately prior to the PPSA Start Date registered on any such pre-existing registers, needed to be registered on the Personal Property Securities Register (or otherwise perfected) before 30 January 2014 to preserve priority. Accordingly, transactions which were not regarded as securities under the law that existed prior to the introduction of the PPSA, but may be security interests under the PPSA, either because they are “in-substance” securities or deemed securities, need to be registered under the PPSA.

The Transaction Documents contain security interests for the purposes of the PPSA. For example, the assignment of the Housing Loans to the Trustee is a deemed security interest under the PPSA. The Charge is also a security interest under the PPSA.

The Manager has undertaken in the Series Supplement, with effect from the Business Day immediately prior to the PPSA Start Date, to do all things reasonably necessary to ensure that the Charge and each transaction contemplated by the Transaction Documents which give rise security interests are perfected for the purposes of the PPSA. As a result of this process, the Manager has caused registrations to be made on the Personal Property Securities Register in relation to the assignments of receivables and the Charge.

There is uncertainty on aspects of the PPSA regime because the PPSA is still relatively new and has significantly altered the law relating to secured transactions. There are issues and ambiguities in respect of which a market view or practice will evolve over time. Further, the PPSA has recently been the subject of a statutory review process as required under section 343 of the PPSA. The final report on that review was tabled before Australia’s Commonwealth Parliament on 18 March 2015. However, it remains unclear at this stage what amendments will be made to the PPSA as a result of the final report and what the timeframe for implementation of those amendments will be.

3.8 Foreign Account Tax Compliance

The Foreign Account Tax Compliance Act provisions of the U.S. Hiring Incentives to Restore Employment Act (“**FATCA**”) establish, in an effort to assist the United States Internal Revenue Service (“**IRS**”) in enforcing U.S. taxpayer compliance, a new due diligence, reporting and withholding regime.

Under FATCA, a 30% withholding may be imposed (i) in respect of certain U.S. source payments, (ii) from 1 January 2017 in respect of gross proceeds from the sale of assets that give rise to U.S. source interest or dividends and (iii) from 1 January 2017, at the earliest, in respect of “foreign passthru payments” (a term which is not yet defined under FATCA), which are, in each case, paid to or in respect of entities that fail to meet certain certification or reporting requirements or do not comply with FATCA.

The Trustee and other financial institutions through which payments on the Notes are made may be required to withhold on account of FATCA. A withholding may be required if (i) an investor does not provide information sufficient for the Trustee or the relevant financial institution to determine whether the investor is subject to FATCA Withholding or (ii) a foreign financial institution (“**FFI**”) to or through which payments on the Notes are made is a “non-participating FFI”.

FATCA Withholding is not expected to apply if, in respect of foreign pass-thru payments only, the Notes are treated as debt for U.S. federal income tax purposes and the Notes are issued on or before the date that is six months after the date on which final regulations defining the term “foreign passthru payment” are filed with the U.S. Federal Register (the

“grandfathering date”) provided that the Notes are not materially modified after the grandfathering date.

The Australian Government and U.S. Government signed an intergovernmental agreement with respect to FATCA (“**IGA**”) on 28 April 2014. The Australian Government has enacted legislation amending, among other things, the Taxation Administration Act to give effect to the IGA (“**Australian Amendments**”) and that legislation came into force on 30 June 2014.

Australian financial institutions which are “Reporting Australian Financial Institutions” under the IGA must follow specific due diligence procedures to identify their account holders (e.g. the Noteholders) and provide information about financial accounts held by U.S. persons and recalcitrant account holders and on payments made to non-participating FFIs, to the Australian Taxation Office (“**ATO**”). The ATO is required to provide such information to the IRS.

Under the Australian Amendments, Australian FFIs will generally be able to be treated as “deemed compliant” with FATCA. Depending on the nature of the relevant FFI, FATCA Withholding may not be required from payments made with respect to the Class A3-R Notes other than in certain prescribed circumstances.

Noteholders may be requested to provide certain certifications and information to the Series Trust and/or the Trustee and any other financial institutions through which payments on the Class A3-R Notes are made in order for the Series Trust and/or the Trustee and such other financial institutions to comply with their FATCA obligations.

If a payment to or by the Series Trust is subject to withholding as a result of FATCA, this will not constitute a “Tax Event” for the purposes of the Series Trust (see Section 6.10 (“*Trustee’s right to dispose of Housing Loans*”) of the Base Information Memorandum) and therefore there will be no optional redemption of the Notes.

FATCA is particularly complex legislation and its application is uncertain at this time.

The above discussion is based on the IGA, the Australian Amendments, guidance issued by the ATO and regulations and guidance of the U.S. Treasury Department, all of which may be subject to change in a way that would alter the application of FATCA to the Series Trust and the Notes. Each Noteholder should consult its own tax advisor to obtain a more detailed explanation of FATCA and the IGA and to learn how they might affect such holder in its particular circumstance.

4 The Parties

4.1 The Trustee

Perpetual Trustee Company Limited was incorporated on 28 September 1886 as Perpetual Trustee Company (Limited) under the Companies Statute of New South Wales as a public company. The name was changed to Perpetual Trustee Company Limited on 14 December 1971 and the Trustee now operates as a limited liability public company under the Corporations Act. Perpetual Trustee Company Limited is registered in New South Wales and its registered office is at Level 12, 123 Pitt Street, Sydney, Australia.

The principal activities of Perpetual Trustee Company Limited are the provision of trustee and other commercial services. Perpetual Trustee Company Limited is an authorised trustee corporation, and holds an Australian Financial Services Licence under Part 7.6 of the Corporations Act (Australian Financial Services Licence No. 236643). Perpetual Trustee Company Limited and its related companies provide a range of services including custodial and administrative arrangements to the funds management, superannuation, property, infrastructure and capital markets.

4.2 Bankwest

Bankwest was the Seller, Servicer, Manager, Custodian, Liquidity Facility Provider, GIC Provider and Interest Rate Swap Provider upon establishment of the Series Trust. Bankwest was incorporated on 7 December 1990. On 19 December 2008, Commonwealth Bank of Australia acquired all of the issued shares in Bankwest from HBOS Australia Pty Ltd (now called Lloyds International Pty Ltd), then a wholly owned subsidiary of HBOS plc.

On 1 October 2012, by force of the *Financial Sector (Business Transfer and Group Restructure) Act 1999* (Cth), all assets and liabilities of Bankwest and all duties, obligations, immunities, rights and privileges that applied to Bankwest immediately prior to the effective time of transfer became the duties, obligations, immunities, rights and privileges of Commonwealth Bank of Australia, including the duties, obligations, immunities, rights and privileges that applied to Bankwest in relation to the Series Trust.

As a result, Commonwealth Bank of Australia assumed the role of Manager, Servicer, Custodian, Liquidity Facility Provider, Fixed Rate Swap Provider and Basis Swap Provider in respect of the Series 2010-2 Swan Trust and assumed the rights and obligations as Seller in respect of the Series Trust. In December 2012, Commonwealth Bank of Australia retired as Manager of the Series Trust and was replaced in that role by Securitisation Advisory Services Pty Limited.

For further details, see the section entitled “*References to Bankwest*” on page 2 of this Supplemental Information Memorandum.

4.3 Description of Commonwealth Bank of Australia

The Commonwealth Bank of Australia was established in 1911 by an Act of Australia’s Commonwealth Parliament as a government owned enterprise to conduct commercial and savings banking business. For a period it also operated as Australia’s central bank until this function was transferred to the Reserve Bank of Australia in 1959. The process of privatisation of the Commonwealth Bank of Australia was commenced by Australia’s

Commonwealth Government in 1990 and was completed in July 1996. The Commonwealth Bank of Australia is now a public company listed on the Australian Securities Exchange. Its registered office is at Ground Floor, Tower 1, 201 Sussex Street, Sydney, New South Wales, Australia.

As at 30 June 2015, Commonwealth Bank of Australia had a long term credit rating of AA- from Fitch Ratings, Aa2 from Moody's Investor Services and AA- from S&P and a short term credit rating of A-1+ from S&P, F1+ from Fitch Ratings and P-1 from Moody's Investor Services.

As at 30 June 2015, Commonwealth Bank of Australia and its subsidiaries, on a consolidated International Financial Reporting Standards basis, had total assets of A\$873.4 billion, total deposits and public borrowings of A\$543.2 billion and made a net profit attributable to equity holders of the Bank for the year ended 30 June 2015 of A\$9,063 million. Total regulatory capital under Basel III was A\$46.8 billion.

The Australian banking activities of the Commonwealth Bank of Australia come under the regulatory supervision of the Australian Prudential Regulation Authority.

This Section 4.3 should be read in conjunction with information provided by the Commonwealth Bank of Australia to the Australian Securities Exchange as part of its continuous disclosure obligations under the ASX listing rules.

4.4 Description of the Manager

The current Manager of the Series Trust, Securitisation Advisory Services Pty. Limited, is a wholly owned subsidiary of Commonwealth Bank of Australia. Its principal business activity is the management of securitisation trusts established under Commonwealth Bank of Australia's Medallion Trust Programme or the SWAN Securitisation Programme, as well as the management of other securitisation programmes and a covered bond programme established by Commonwealth Bank of Australia or its customers. The Manager's registered office is Ground Floor, Tower 1, 201 Sussex Street, Sydney, New South Wales, Australia.

The Manager has obtained an Australian Financial Services License under Part 7.6 of the Australian Corporations Act (Australian Financial Services License No. 241216).

4.5 Description of Security Trustee

The Security Trustee, P.T. Limited is a wholly owned subsidiary of Perpetual Trustee Company Limited. P.T. Limited is a public company established under the laws of Australia. Perpetual Trustee Company Limited has appointed P.T. Limited to act as its authorised representative under its Australian Financial Services License (Authorised Representative Number 266797). The Security Trustee's registered office is Level 12, 123 Pitt Street, Sydney, Australia. The principal activities of P.T. Limited are the provision of trustee and other commercial services. P.T. Limited and its related companies provide a range of services including custodial and administrative arrangements to the funds management, superannuation, property, infrastructure and capital markets.

5 Description of the Series Trust

For a description of the Series Trust, including the role, duties, powers and terms of appointment of the Trustee, the Manager, the Servicer and the Custodian, see Section 5 (“*The Series Trust*”) of the Base Information Memorandum.

In addition, the Manager has undertaken not to direct the Trustee to, and the Trustee has agreed not to, acquire or invest in any Authorised Short-Term Investments that constitute a securitisation exposure or a resecuritisation exposure (as defined in Prudential Standard APS 120 issued by the Australian Prudential Regulation Authority including any amendment or replacement of that Prudential Standard).

6 The Housing Loans

6.1 Acquisition of the Housing Loans by the Trustee from Bank of Western Australia Ltd on the Closing Date

The Housing Loans and Housing Loan Rights forming part of the Assets of the Series Trust were originated by Bank of Western Australia Ltd and were acquired by the Trustee from Bank of Western Australia on the Closing Date. No further Housing Loans have been or will be acquired as Assets of the Series Trust.

The assignment of the Housing Loans and Housing Loan Rights to the Trustee occurred in equity only and accordingly the Trustee only obtained an equitable interest in the Housing Loans and Housing Loan Rights assigned to it. The Trustee will not be entitled to take any steps to perfect its legal title or give notice to any party to the Housing Loan Documents of the assignment unless a Perfection of Title Event occurs as described in Section 6.11 (*“Perfection of Title Event”*) of the Base Information Memorandum and has not taken any such steps as at the Preparation Date of this Supplemental Information Memorandum.

For information about the acquisition, holding and disposal of Housing Loan Rights by the Trustee under the Transaction Documents see Section 6 (*“Housing Loans”*) of the Base Information Memorandum.

For a description of the Housing Loans (including their features and process of origination) acquired by the Trustee on the Closing Date, see Section 7 (*“Bankwest’s Housing Loan Business”*) of the Base Information Memorandum.

7 Terms and Conditions of the Class A3-R Notes

7.1 Issuance and use of proceeds

The Class A1 Notes, the Class A2 Notes, the Class A3 Notes, the Class AB Notes, the Class AC Notes and the Class B Notes were issued by the Trustee on 29 November 2010. No Class A1 Notes, Class A2 Notes, Class A3 Notes, Class AB Notes, Class AC Notes or Class B Notes are being offered by this Supplemental Information Memorandum. For a description of the terms and conditions applicable to the Class A1 Notes, Class A2 Notes, Class A3 Notes, Class AB Notes, Class AC Notes and Class B Notes, see Section 8 (“*Terms and Conditions of the Notes*”) of the Base Information Memorandum. The Class A1 Notes and the Class A2 Notes have been redeemed in full.

The Trustee will issue the Class A3-R Notes on the Class A3 Refinancing Date pursuant to a direction from the Manager to the Trustee. The proceeds of the Class A3-R Notes will be applied on that date towards redeeming the Class A3 Notes.

The Class A3-R Notes will not be issued unless the aggregate Initial Invested Amount of the Class A3-R Notes together with the expected balance of the GIC Account on the Class A3 Refinancing Date is equal to the Invested Amount of the Class A3 Notes on that date. On the Class A3 Refinancing Date, the Trustee is required to deposit the issue proceeds of the Class A3-R Notes into the GIC Account and then apply the entire balance of the GIC Account towards the redemption of the Class A3 Notes in full. Accordingly, following the Issue Date of the Class A3-R Notes, there will not be any Class A3 Notes and Class A3-R Notes outstanding at the same time.

In addition, Class A3-R Notes will not be issued unless the margin for the Class A3-R Notes is less than 1.90% (being the “**Class A3 Stepped Up Margin**”) and the Class A3-R Notes are assigned ratings of AAA(sf) by Standard & Poor’s and AAAsf by Fitch.

The Class A3-R Notes are “Floating Rate Notes” for the purposes of the Base Information Memorandum and a sub-class of the “Class A Notes” of the Series Trust. Except as described in the Base Information Memorandum, as supplemented by this Supplemental Information Memorandum, the Class A3-R Notes are subject to the terms and conditions of the Class A Notes as described in the Base Information Memorandum.

The following paragraphs summarise the key terms and conditions as they relate to the Class A3-R Notes. For further details, see Sections 8 (“*Terms and Conditions of the Notes*”) and 9 (“*Cashflow Allocation Methodology*”) of the Base Information Memorandum.

7.2 Form and denomination

The Class A3-R Notes will be denominated in Australian Dollars and upon issue be in the form of registered debt securities and will be issued by the Trustee in its capacity as trustee of the Series Trust. They are issued with the benefit of, and subject to, the Master Trust Deed, the Series Supplement and the Security Trust Deed.

The Register maintained by the Trustee is the only conclusive evidence of the title of a person recorded in it as the holder of a Class A3-R Note. No definitive certificate or other instrument will be issued to evidence a person’s title to Class A3-R Notes.

7.3 Interest on the Class A3-R Notes

(a) ***Period for which Class A3-R Notes accrue interest***

Each Class A3-R Note accrues interest from (and including) the Issue Date of the Class A3-R Notes and ceases to accrue interest from (and excluding) the date on which the Class A3-R Note is deemed to be redeemed, provided that for so long as a Note has a Stated Amount of zero, that Class A3-R Note will not accrue any interest.

(b) ***Interest Periods***

The period that a Class A3-R Note accrues interest as described above is divided into Interest Periods. The first Interest Period for a Class A3-R Note commences on (and includes) the Issue Date of the Class A3-R Note and ends on (but excludes) the first Payment Date thereafter (being 29 December 2015). Each succeeding Interest Period in respect of a Class A3-R Note commences on (and includes) a Payment Date and ends on (but excludes) the next Payment Date. The final Interest Period for a Class A3-R Note ends on (but excludes) the date on which interest ceases to accrue on that Class A3-R Note as described above.

(c) ***Calculation of Interest on the Class A3-R Notes***

The “**Class A3-R Rate of Interest**” in relation to a Class A3-R Note and an Interest Period means at all times the aggregate of BBSW for that Interest Period and the Class A3-R Margin.

The “**Class A3-R Margin**” in relation to a Class A3-R Note means 1.00% per annum.

Interest on the Class A3-R Notes for an Interest Period is calculated by applying the Class A3-R Rate of Interest for that Interest Period to the Invested Amount of that Class A3-R Notes on the first day of the Interest Period (after taking into account any reductions in the Invested Amount on that day), and by then multiplying such product by the actual number of days in the Interest Period divided by 365 and rounding the resultant figure to the nearest cent (half a cent being rounded upward).

(d) ***Payment of Class A3-R Note Interest Amounts on each Payment Date***

The Trustee must, in accordance with the Series Supplement, on each Payment Date apply any amount available under the Series Supplement, towards payment of amounts including the aggregate interest accrued on each Class A3-R Note during the Interest Period ending on that Payment Date in the order contemplated by the Series Supplement. See Section 9.8 (“*Application of Total Investor Revenues on each Payment Date*”) of the Base Information Memorandum.

(e) ***Interest on Unpaid Class A3-R Note Interest Amounts***

If interest is not paid in respect of a Class A3-R Note on the date when due and payable, that unpaid interest will in turn bear interest at the relevant Class A3-R Rate of Interest applicable from time to time until (but excluding) the day on which the unpaid interest, and interest in relation to the Class A3-R Note, is paid

in accordance with the Series Supplement. The Trustee must, in accordance with the Series Supplement, on each Payment Date apply any amount available under the Series Supplement, subject to the order contemplated by the Series Supplement, towards payment of the Class A3-R Unpaid Interest Amount, in relation to the Interest Period ending on that Payment Date. See Section 9.8 (“*Application of Total Investor Revenues on each Payment Date*”) of the Base Information Memorandum.

7.4 Principal Repayments on the Class A3-R Notes

(a) ***Final Redemption***

Unless previously redeemed in full, the Trustee will redeem the Class A3-R Notes at their then Invested Amount, together with all accrued but unpaid interest, on the Final Maturity Date. All Classes of Notes have the same Final Maturity Date.

(b) ***Part Redemption on Payment Date***

On each Payment Date prior to the enforcement of the Charge, the Trustee must redeem the Class A3-R Notes in part by applying any amount available (if any) under the Series Supplement for that purpose. See Section 9.9 (“*Application of Total Principal Collections on each Payment Date*”) of the Base Information Memorandum.

(c) ***Early Redemption***

On any Payment Date, if either:

- (i) the Call Date; or
- (i) a Tax Event,

has occurred and unless previously redeemed in full, the Trustee when directed by the Manager (at the Manager’s option) may redeem all, but not some, of the Notes of all Classes by repaying the then Invested Amount of such Notes together with, in the case of all Notes other than the Class B Notes, all accrued but unpaid interest to (but excluding) the date of redemption.

However, the Trustee may redeem the Notes at their Stated Amount, instead of at their Invested Amount, together with, in the case of all Notes other than the Class B Notes, all unpaid interest in respect of the Notes to (but excluding) the date of redemption if the redemption of the Notes at their Stated Amount is approved by an Extraordinary Resolution of the Noteholders at a meeting convened under the Security Trust Deed.

(d) ***Redemption on Final Payment***

Upon a final distribution being made in respect of the Class A3-R Notes in accordance with the Series Supplement or the Security Trust Deed, the Class A3-R Notes will thereupon be deemed to be redeemed and discharged in full and any obligation to pay any accrued but unpaid interest, any then unpaid Invested Amount, Stated Amount or any other amounts in relation to the Class A3-R Notes

will be extinguished in full. Noteholders of Class A3-R Notes will have no further rights or entitlements in respect of their Class A3-R Notes.

(e) ***No Payment in excess of Invested Amount***

No amount of principal will be repaid in respect of a Class A3-R Note in excess of the Invested Amount of that Class A3-R Note.

7.5 Payments

Any amounts payable by the Trustee to a Noteholder in respect of a Class A3-R Note will be paid in Australian dollars and may be paid by:

- (a) a crossed “not negotiable” cheque made payable to the Noteholder and despatched by post to the address of the Noteholder appearing on the Register;
- (b) electronic transfer through Austraclear;
- (c) at the option of the Noteholder (which may be exercised on a Note Transfer), direct transfer to a designated bank account in Australia of the Noteholder; or
- (d) any other manner specified by the Noteholder and agreed to by the Manager and the Trustee.

7.6 Rounding of Payments

All payments in respect of the Class A3-R Notes will be rounded to the nearest Australian cent (half a cent being rounded upwards).

7.7 Transfer of Class A3-R Notes

Subject to the following conditions, a Class A3-R Noteholder is only entitled to transfer any of its Class A3-R Notes if the offer for sale, or invitation to purchase the Class A3-R Note, to the proposed transferee by the Class A3-R Noteholder is an offer or invitation that:

- (a) is not made to a person who is a “retail client” within the meaning of section 761G of the Australian Corporations Act;
- (b) complies with all applicable laws in all applicable jurisdictions; and
- (c) is in accordance with the listing and market rules of any exchange on which the Class A3-R Notes are listed or quoted as those rules apply to the Class A3-R Notes.

Unless lodged into the Austraclear system as explained below, all transfers of Notes must be effected by a Note Transfer as described in Section 8.9 (“*Transfer of Notes*”) of the Base Information Memorandum.

If the Class A3-R Notes are lodged into the Austraclear system, Austraclear Limited will become the registered holder of those Class A3-R Notes in the Register. While those Notes remain in the Austraclear system:

- (a) all payments and notices required of the Trustee and the Manager in relation to those Notes will be directed to Austraclear Limited; and

- (b) all dealings and payments in relation to those Notes within the Austraclear system will be governed by the Austraclear Limited Regulations.

If the Class A3-R Notes are lodged in the Austraclear system, interests in the Notes may be held through Euroclear or Clearstream, Luxembourg. In these circumstances, entitlements in respect of holdings of interests in the Notes in Euroclear would be held in the Austraclear system by Westpac Custodian Nominees Limited as nominee of Euroclear while entitlements in respect of holdings of interests in the Notes in Clearstream, Luxembourg would be held in the Austraclear system by ANZ Nominees Limited as nominee of Clearstream, Luxembourg.

The rights of a holder of interests in Class A3-R Notes held through Euroclear or Clearstream, Luxembourg are subject to the respective rules and regulations for accountholders of Euroclear and Clearstream, Luxembourg, the terms and conditions of agreements between Euroclear and Clearstream, Luxembourg and their respective nominees and the rules and regulations of the Austraclear system.

In addition, any transfer of interests in Class A3-R Notes which are held through Euroclear or Clearstream, Luxembourg will, to the extent such transfer will be recorded on the Austraclear system, be subject to the Corporations Act and the other requirements set out above and in Section 8.9 (“*Transfer of Notes*”) of the Base Information Memorandum.

7.8 Notices to Class A3-R Noteholders

Notices, requests, certificate, approval, demand, consent and other communications by the Trustee or the Manager to Noteholders of Class A3-R Notes must:

- (a) advertisement placed on a Sydney Business Day in The Australian Financial Review (or other nationally delivered newspaper); or
- (b) mail, postage prepaid, to the address of the Class A3-R Noteholder as shown in the Register. Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the Class A3-R Noteholder actually receives the notice.

7.9 Joint Noteholders

Where Class A3-R Notes are held jointly, only the person whose name appears first in the Register will be entitled to be:

- (a) given any notices; and
- (b) paid any moneys due in respect of the Class A3-R Notes except that in the case of payment by cheque, the cheque will be payable to the joint Noteholders.

8 Cashflow Allocation Methodology

8.1 Applications and payments on Payment Dates

All collections received by the Trustee in respect of the Housing Loans and all other amounts available for distribution under the Series Supplement will, prior to the occurrence of an Event of Default and enforcement of the Charge, be allocated by the Manager and paid in accordance with the cashflow allocation methodology described in Section 9 (“*Cashflow Allocation Methodology*”) of the Base Information Memorandum.

Following the occurrence of an Event of Default and enforcement of the Charge, amounts available for distribution to Secured Creditors must be paid in accordance with the order of application set out in Section 12.4 (“*Priorities under the Security Trust Deed*”) of the Base Information Memorandum.

8.2 Redraw Shortfall

Please see Section 9.2 (“*Redraw Shortfall*”) of the Base Information Memorandum for information about the issue of Redraw Notes in circumstances where the Manager determines on a Determination Date that the Adjusted Principal Collections for the relevant Monthly Period are likely to be insufficient to meet Seller Advances in full on the immediately following Payment Date.

As at the Preparation Date, no Redraw Notes have been issued by the Trustee in respect of the Series Trust.

8.3 Liquidity Facility

Please see Section 9.3 (“*Drawings under Liquidity Facility Agreement and application of Cash Deposit*”) of the Base Information Memorandum for information about the making of drawings under the Liquidity Facility to assist in covering Net Liquidity Shortfalls.

As at the Preparation Date, no drawings have been made under the Liquidity Facility.

8.4 Cash Reserves

Please see Section 9.13 (“*Extraordinary Expense Reserve*”) of the Base Information Memorandum for information about drawings by the Trustee from the Extraordinary Expense Reserve to assist in meeting Net Liquidity Shortfalls remaining after application of any drawing under the Liquidity Facility.

Please see Section 9.14 (“*Income Reserve*”) of the Base Information Memorandum for information about drawings by the Trustee from the Income Reserve. The balance of the Income Reserve will be withdrawn and paid to the Seller on the Class A3 Refinancing Date (after any drawings required from it on that day).

8.5 Charge-Offs

For a description of the allocation of Charge-Offs to the Notes and the reimbursement of Charge-Offs, Please see Sections 9.17 (“*Defaulted Amount Insufficiency*”) and 9.18 (“*Reimbursement of Charge-Offs*”), respectively, of the Base Information Memorandum.

The Manager confirms that there are no unreimbursed Charge-Offs as described in those sections as at the Preparation Date.

9 Servicing of the Housing Loans

9.1 The Servicer

Please see Section 10 (“*The Servicer*”) of the Base Information Memorandum, as supplemented by the following paragraphs, for information about the role of the Servicer in relation to the Series Trust.

9.2 Arrears Management

This Section 9.2 updates and is to be read in substitution for Section 10.6 (“*Loans in Arrears*”) of the Base Information Memorandum.

The control, monitoring and reporting of loans in arrears by the Servicer are managed by its Retail Collections, Debt Solutions, Hardship Assist and Retail Secured Recoveries teams.

Credit Strategy and Analytics is responsible for monitoring arrears performance and reporting monthly to the Retail Credit Risk Committee for review and comment.

Retail Collections control accounts in arrears typically up to 60 days, with borrowers contacted by mail, telephone, SMS, email or a mixture of all depending on risk rating and current Credit Risk strategies. The preferred outcome is to make arrangements to clear arrears within the shortest timeframe.

The Debt Solutions team manage the issuance of the legal demand at 65 days delinquent; here accounts are case managed. Manual efforts are made to locate and contact customers who could not otherwise be contacted or with whom successful repayment arrangements have not already been established. This team ensures accounts are either returned back to business as usual or escalated to the Secured Recoveries team.

Retail Secured Recoveries manages accounts that exceed 120 days delinquent without a repayment arrangement in place. The recovery action used is in line with standard procedures which meets all legal and regulatory requirements, and is dependent on the previous arrears history, equity in the security property, liaison with the mortgage insurer and an assessment of the borrower’s financial position. Ultimately after all avenues are taken to rehabilitate the customer the bank would look at repossession and sale of the security property.

9.3 Litigation and Enforcement

This Section 9.3 updates and is to be read in substitution for Section 10.7 (h) (“*Express Powers and Limitations on Servicing – Litigation and Enforcement*”) of the Base Information Memorandum.

The Servicer may take such action to enforce a Housing Loan and its Housing Loan Rights as it determines should be taken. The Servicer is not required to institute, or continue, any litigation in respect of any amount owing under a Housing Loan if there are reasonable grounds for believing, based on assessments by Secured Recoveries Officers and advice from its legal advisers (either internal or external), that:

- (i) the Servicer is, or will be, unable to enforce the provisions of a Housing Loan under which such amount is owing; or

- (ii) the likely proceeds of any such litigation, in light of the costs involved, do not warrant the litigation.

The Servicer must not, however, knowingly take any action, or knowingly fail to take action, if that action or failure will interfere with the enforcement by the Trustee or the Servicer of any rights under a Housing Loan or Housing Loan Rights, unless such action or failure is in accordance with the Servicing Standards.

10 The Support Facilities

10.1 General

For information about the Fixed Rate Swap, the Basis Swap, the Class A3 Note Fixed Swap, the Liquidity Facility, the Mortgage Insurance Policies and the GIC Agreement, see Section 11 (“*Support Facilities*”) of the Base Information Memorandum as supplemented by the following paragraphs.

10.2 Commonwealth Bank of Australia as a Support Facility Provider

The current provider of the Fixed Rate Swap, the Basis Swap, the Class A3 Note Fixed Swap, the Liquidity Facility and the GIC Account is Commonwealth Bank of Australia. For information about Commonwealth Bank of Australia, see Section 4.3 (“*Description of Commonwealth Bank of Australia*”) of this Supplemental Information Memorandum.

10.3 The Mortgage Insurance Policies

The Mortgage Insurance Policies are provided by QBE Lenders’ Mortgage Insurance Limited (ABN 70 000 511 071).

QBE Lenders’ Mortgage Insurance Limited (ABN 70 000 511 071) is an Australian public company registered in New South Wales and limited by shares. QBE Lenders’ Mortgage Insurance Limited’s principal activity is lenders’ mortgage insurance which it has provided in Australia since 1965.

QBE Lenders’ Mortgage Insurance Limited’s parent is QBE Holdings (AAP) Pty Ltd, a subsidiary of the ultimate parent company, QBE Insurance Group Limited (“**QBE Group**”). QBE Group is an Australian based public company listed on the Australian Securities Exchange. QBE Group is recognised as Australia’s largest international general insurance and reinsurance company with operations in more than 35 countries around the world, and is one of the top 20 global general insurers and reinsurers as measured by net earned premium. QBE Group currently has a counterparty credit rating by Standard & Poor’s of A- (outlook stable).

As of 31 December 2014, the audited financial statements of QBE Lenders’ Mortgage Insurance Limited had total assets of A\$2,565 million and shareholder’s equity of A\$1,328 million. QBE Lenders’ Mortgage Insurance Limited currently has an insurer financial strength rating by Standard & Poor’s of A+ (outlook stable) and Fitch Ratings of AA- (outlook stable).

There is no assurance that the ratings will continue for any given period of time or that they will not be revised or withdrawn entirely by such rating agencies, if, in their judgment, circumstances so warrant. The ratings reflect each respective rating agency’s current assessments of the creditworthiness of QBE Lenders’ Mortgage Insurance Limited and its ability to pay claims on its policies of insurance. Each insurer financial strength rating of QBE Lenders’ Mortgage Insurance Limited should be evaluated independently. Any further explanation as to the significance of the above ratings may be obtained only from the applicable rating agency. Such ratings are subject to revision, qualification or withdrawal at any time by the applicable rating agency.

The business address of QBE Lenders' Mortgage Insurance Limited is Level 5, 2 Park Street, Sydney, New South Wales, Australia, 2000.

For a summary of the material terms and conditions of the Mortgage Insurance Policies, see Section 11.3 ("*The Mortgage Insurance Policies*") of the Base Information Memorandum.

10.4 Expiry of Class A3 Note Fixed Rate Swap and GIC Account arrangements on the Class A3 Refinancing Date

The Class A3 Note Fixed Rate Swap will terminate in accordance with its terms on the Class A3 Refinancing Date (with the final payments under that swap transaction to be made between the Trustee and the Interest Rate Swap Provider on that day).

Immediately after issuance of the Class A3-R Notes on the Class A3 Refinancing Date, the entire balance of the GIC Account will be transferred to the Collection Account and applied towards redemption of the Class A3 Notes on that day. No further amounts will be deposited or credited to the GIC Account after that time.

11 Security

Section 12 (“*Security Trust Deed*”) of the Base Information Memorandum contains a summary of the material terms and conditions of the Security Trust Deed, under which the Trustee has granted the Charge over the Assets of the Series Trust in favour of the Security Trustee to secure the Trustee’s obligations to the Noteholders and other Secured Creditors of the Series Trust, including details of the Events of Default which may lead to enforcement of the Charge.

12 Taxation Considerations

*The following is a summary of the material Australian withholding tax consequences under the Income Tax Assessment Acts of 1936 and 1997 of Australia (together, “**Australian Tax Act**”), the Taxation Administration Act 1953 of Australia and any relevant rulings, judicial decisions or administrative practice, as at the Preparation Date of this Supplemental Information Memorandum of the purchase, ownership and disposition of the Class A3-R Notes by Noteholders who purchase the Class A3-R Notes on original issuance at the stated offering price and do not hold the Class A3-R Notes as trading stock. It also sets out a summary of certain other Australian tax matters. It is not exhaustive and, in particular, does not deal with the position of certain classes of Noteholders (including, dealers in securities, custodians or other third parties who hold Class A3-R Notes on behalf of any Noteholders).*

The following is not, and should not be construed as, legal or tax advice. It is a general guide only and each prospective investor should consult his or her own tax advisors concerning the tax consequences, in their particular circumstances, of the purchase, ownership and disposition of Class A3-R Notes.

12.1 Tax Issues for the Series Trust

The Series Trust will form part of a consolidated group for Australian income tax purposes. Under consolidation, the head company of the consolidated group has the liability to pay the income tax of the group. Further comments on consolidation are in part 13.4(a) below.

12.2 Interest Withholding Tax

(a) Exemption in section 128F

An exemption from Australian interest withholding tax imposed under Division 11A of Part III of the Australian Tax Act (“**IWT**”) is available, in respect of the Class A3-R Notes issued by the Trustee under section 128F of the Australian Tax Act, if the following conditions are met:

- (i) the Trustee is a company as defined in section 128F(9) (which includes certain companies acting in their capacity as trustee) and a resident of Australia when it issues those Class A3-R Notes and when interest (as defined in section 128A(1AB) of the Australian Tax Act) is paid. Interest is defined to include amounts in the nature of, or in substitution for, interest and certain other amounts;
- (ii) those Class A3-R Notes are debentures that are not equity interests and are issued in a manner which satisfies the public offer test. There are five principal methods of satisfying the public offer test, the purpose of which is to ensure that lenders in capital markets are aware that the Trustee is offering those Class A3-R Notes for issue. In summary, the five methods are:
 - A. offers to 10 or more unrelated financiers, securities dealers or entities that carry on the business of providing finance, or investing or dealing in securities, in the course of operating in financial markets;

- B. offers to 100 or more investors of a certain type;
 - C. certain offers of listed notes;
 - D. certain offers via publicly available information sources; and
 - E. offers to a dealer, manager or underwriter under an agreement with the Issuer on behalf of the Issuer who offers to sell those Class A3-R Notes within 30 days by one of the preceding methods.
- (iii) the Trustee does not know or have reasonable grounds to suspect, at the time of issue, that those Class A3-R Notes or interests in those Class A3-R Notes were being, or would later be, acquired, directly or indirectly, by an “associate” of the Trustee, except as permitted by section 128F(5) of the Australian Tax Act (see below); and
- (iv) at the time of the payment of interest, the Trustee does not know, or have reasonable grounds to suspect, that the payee is an “associate” of the Trustee, except as permitted by section 128F(6) of the Australian Tax Act (see below).

(b) **Associates**

Since the Trustee is a trustee of a trust, the entities that are “associates” of the Trustee for the purposes of section 128F of the Australian Tax Act include:

- (i) any entity that benefits, or is capable of benefiting, under the trust (“**Beneficiary**”), either directly or through any interposed entities; and
- (ii) if the Beneficiary is a company, an “associate” of that Beneficiary, which would, for these purposes, include:
 - A. a person or entity that holds more than 50% of the voting shares in, or otherwise controls, the Beneficiary;
 - B. an entity in which more than 50% of the voting shares are held by, or which is otherwise controlled by, the Beneficiary;
 - C. a trustee of a trust where the Beneficiary is capable of benefiting (whether directly or indirectly) under that trust; and
 - D. a person or entity that is an “associate” of another person or entity that is an “associate” of the Beneficiary under sub-paragraph A above.

However, for the purposes of sections 128F(5) and (6) of the Australian Tax Act (see paragraphs (a)(iii) and (a)(iv) above), the issue of the Class A3-R Notes to, and the payment of interest to, the following “associates” may still qualify for the exemption from IWT under section 128F:

- (iii) onshore “associates” (ie Australian resident “associates” who do not hold the Class A3-R Notes carrying on business at or through a permanent establishment outside Australia and non-resident “associates” who hold

the Class A3-R Notes in the course of carrying on business at or through a permanent establishment in Australia); or

- (iv) offshore “associates” (ie Australian resident “associates” that hold the Notes in carrying on business at or through a permanent establishment outside Australia and non-resident “associates” who do not hold the Class A3-R Notes in carrying on business at or through a permanent establishment in Australia) who are acting in the capacity of:
 - A. in the case of section 128F(5), a dealer, manager or underwriter in relation to the placement of the relevant Class A3-R Notes or a clearing house, custodian, funds manager or responsible entity of a registered scheme; or
 - B. in the case of section 128F(6), a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme.

(c) **Compliance with section 128F of the Australian Tax Act**

The Class A3-R Notes are “debentures” for the purposes of section 128F of the Australian Tax Act. Interest payable on the Class A3-R Notes would be “interest” for the purposes of the withholding tax provisions.

Unless otherwise specified in any relevant supplement to this Supplemental Information Memorandum, the Trustee intends to issue the Class A3-R Notes in a manner which will satisfy the requirements of section 128F of the Australian Tax Act.

(d) **Exemptions under recent Tax Treaties**

The Australian Government has signed new or amended double tax conventions with a number of countries (each a “**Specified Country**”) which contain certain exemptions from IWT.

In broad terms, those treaties prevent IWT being imposed on payments of interest derived by either:

- (i) the government of the relevant Specified Country and certain governmental authorities and agencies in the Specified Country; or
- (ii) a “financial institution” which is a resident of a “Specified Country” and which is unrelated to and dealing wholly independently with the Trustee. The term “financial institution” refers to either a bank or any other form of enterprise which substantially derives its profits by carrying on a business of raising and providing finance. However, interest under a back-to-back loan or an economically equivalent arrangement will not qualify for this exemption.

Specified Countries include the United States, the United Kingdom, France, Finland, Norway, Japan, New Zealand, South Africa and Switzerland.

The Australian Federal Treasury maintains a listing of Australia’s double tax conventions which provides details of country, status, withholding tax rate limits

and Australian domestic implementation which is available to the public through the Federal Treasury's Department's website.

(e) **No payment of additional amounts**

Despite the fact that the Class A3-R Notes are intended to be issued in a manner which will satisfy the requirements of section 128F of the Australian Tax Act, if the Trustee is at any time compelled or authorised by law to deduct or withhold an amount in respect of any Australian withholding taxes imposed or levied by the Commonwealth of Australia in respect of the Class A3-R Notes, the Trustee is not obliged to pay any additional amounts in respect of such deduction or withholding.

12.3 Other tax matters that are relevant to Class A3-R Noteholders

Discussed below is a general discussion of certain matters that are relevant to Class A3-R Noteholders, under Australian laws as presently in effect.

(a) **Other taxes**

- (i) *death duties* - no Class A3-R Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- (ii) *stamp duty and other taxes* - no ad valorem stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any Class A3-R Notes;
- (iii) *supply withholding tax* - payments in respect of the Class A3-R Notes can be made free and clear of the "supply withholding tax" imposed under Section 12-190 of Schedule 1 to the Taxation Administration Act;
- (iv) *goods and services tax* - The receipt of the Class A3-R Notes will not give rise to a liability for GST in Australia on the basis that the supply of Class A3-R Notes will comprise either an input taxed financial supply or (in the case of an offshore non-resident subscriber) a GST-free supply; and
- (v) *garnishee directions* – The Commissioner of Taxation may give a direction under section 255 of the Australian Tax Act or section 260-5 of Schedule 1 to the Taxation Administration Act or any similar provision requiring the Trustee to deduct or withhold from any payment to any other party (including any Class A3-R Noteholder) any amount in respect of tax payable by that other party. If the Trustee is served with such a direction, the Trustee will comply with that direction and make any deduction or withholding required by that direction.

(b) **Non-Australian Class A3-R Noteholders**

- (i) *income tax* - assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Class A3-R Notes, payments of principal and interest (as defined in section 128A(1AB) of the Australian Tax Act) to a Noteholder of the Class A3-R Notes, who is a non-resident of Australia and who, during the taxable year, does not hold the Class A3-

R Notes in carrying on business at or through a permanent establishment in Australia, will not be subject to Australian income taxes;

- (ii) *gains on disposal or redemption of Class A3-R Notes* - a Class A3-R Noteholder, who is a non-resident of Australia and who, during the taxable year, does not hold the Class A3-R Notes in carrying on business at or through a permanent establishment in Australia, will not be subject to Australian income tax on gains realised during that year on sale or redemption of the Class A3-R Notes, provided such gains do not have an Australian source. A gain arising on the sale of Class A3-R Notes by a non-Australian resident Noteholder to another non-Australian resident where the Class A3-R Notes are sold outside Australia and all negotiations are conducted, and documentation executed, outside Australia would not be expected to have an Australian source. In certain cases, a non-resident Noteholder may be able to claim a treaty exemption in relation to Australian sourced gains if there is a relevant double tax convention;
- (iii) *deemed interest* - there are specific rules that can apply to treat a portion of the purchase price of Class A3-R Notes as interest for IWT purposes when certain Notes originally issued at a discount or with a maturity premium or which do not pay interest at least annually are sold by a non-Australian Noteholder to an Australian resident (who does not acquire them in the course of carrying on business at or through a permanent establishment outside Australia) or a non-resident who acquires them in carrying on business at or through a permanent establishment in Australia. If the Class A3-R Notes are not issued at a discount and do not have a maturity premium, these rules should not apply to the Class A3-R Notes. These rules also do not apply in circumstances where the deemed interest would have been exempt under section 128F of the Australian Tax Act if the Class A3-R Notes had been held to maturity by a non-resident; and
- (iv) *additional withholdings from certain payments to non-residents* - Section 12-315 of Schedule 1 to the Taxation Administration Act gives the Governor-General power to make regulations requiring withholding from certain payments to non-residents. However, Section 12-315 expressly provides that the regulations will not apply to interest and other payments which are treated as interest under the IWT rules or specifically exempt from those rules. Further, regulations may only be made if the responsible Minister is satisfied the specified payments are of a kind that could reasonably relate to assessable income of foreign residents. The regulations that have so far been promulgated under Section 12-315 prior to the Preparation Date of this Supplemental Information Memorandum are not applicable to any payments in respect of the Class A3-R Notes. Any further regulations also should not apply to repayments of principal under the Class A3-R Notes, as in the absence of any issue discount, such amounts will generally not be reasonably related to assessable income. The possible application of any future regulations to the proceeds of any sale of the Class A3-R Notes will need to be monitored; and
- (v) *other withholding taxes on payments in respect of Class A3-R Notes*:

- A. Section 12-140 of Schedule 1 to the Taxation Administration Act imposes a type of withholding tax (see paragraph (c)(iii) below for the rate of withholding tax) on the payment of interest on certain registered securities unless the relevant payee has quoted an Australian tax file number (“TFN”) or an Australian Business Number (“ABN”) (in certain circumstances) or provided proof of some other exemption (as appropriate). Assuming that the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Class A3-R Notes, then the requirements of Section 12-140 do not apply to payments to a Noteholder of Class A3-R Notes in registered form who is not a resident of Australia and not holding those Class A3-R Notes in the course of carrying on business at or through a permanent establishment in Australia; and
- B. Section 126 of the Australian Tax Act imposes a type of withholding tax on the payment of interest on debentures payable to bearer (other than certain promissory notes) where the issuer fails to disclose to the ATO the names and addresses of the holders. As the Class A3-R Notes are in registered form, any interest payable under the Class A3-R Notes would not be subject to tax under section 126 of the Australian Tax Act; and
- (vi) *debt/equity rules* – Division 974 of the Australian Tax Act contains tests for characterising debt (for all entities) and equity (for companies) for Australian tax purposes, including for the purposes of dividend withholding tax and IWT. The Trustee intends to issue Class A3-R Notes which should not be characterised as equity interests for the purposes of the tests contained in Division 974. Returns paid on the Class A3-R Notes are expected to be “interest” for the purpose of section 128F of the Australian Tax Act. Accordingly, Division 974 is unlikely to affect the Australian tax treatment of holders of Class A3-R Notes; and
- (vii) *mutual assistance in the collection of debts* - The Commissioner of Taxation has some powers to collect a taxation debt on behalf of certain foreign taxation authorities if formally requested to do so, or to take conservancy measures to ensure the collection of that debt. Conservancy is concerned with preventing a taxpaying entity from dissipating their assets when they have a tax related liability. The provisions also treat Australian tax debts collected and remitted to Australia by a foreign tax authority as tax debts collected in Australia. In certain circumstances, any foreign tax liabilities of a non-resident Noteholder of the Class A3-R Notes the subject of the measures may be collected by Australia on behalf of another country.
- (c) **Australian Noteholders**
- (i) *income tax* - Australian residents or non-Australian residents who hold the Class A3-R Notes in carrying on business at or through a permanent establishment in Australia (“**Australian Noteholders**”), will be assessable for Australian tax purposes on income either received or accrued due to them in respect of the Class A3-R Notes. Whether income will be recognised on a cash receipts, accruals basis or subject to the

taxation of financial arrangements provisions (set out at paragraph (d) below) will depend upon the tax status of the particular Noteholder and the terms and conditions of the Class A3-R Notes. Special rules apply to the taxation of Australian residents who hold the Class A3-R Notes in carrying on business at or through a permanent establishment outside Australia which vary depending on the country in which that permanent establishment is located;

- (ii) *gains on disposal of Class A3-R Notes* - Australian Noteholders will be required to include any gain or loss on disposal of the Class A3-R Notes in their taxable income. Special rules apply to the taxation of Australian residents who hold the Class A3-R Notes in the course of carrying on business at or through a permanent establishment outside Australia which vary depending on the country in which that permanent establishment is located; and
- (iii) *other withholding taxes on payments in respect of Class A3-R Notes* - Payments to Australian Noteholders of Class A3-R Notes in registered form may be subject to a withholding where the Noteholder does not quote a TFN or ABN or provide proof of an appropriate exemption (as appropriate). The rate of withholding tax is 49% for the 2015-16 and 2016-17 income years and, under current law, will be reduced to 47% following the 2016-17 income year; and
- (iv) *taxation of foreign exchange gains and losses* - Divisions 230, 775 and 960 of the Australian Tax Act, together with related regulations, contain rules to deal with the taxation consequences of foreign exchange transactions. As all payments under the Class A3-R Notes will be in Australian dollars, these rules should not apply to the Australian Noteholders.

(d) **Taxation of Financial Arrangements**

The Australian Tax Act contains tax-timing rules for certain taxpayers to bring to account gains and losses from “financial arrangements”. The rules do not alter the rules relating to the imposition of IWT nor override the IWT exemption available under section 128F of the Australian Tax Act.

In addition, the rules do not apply to certain taxpayers or in respect of certain short term “financial arrangements”. They should not, for example, generally apply to Noteholders which are individuals and certain other entities (eg certain superannuation entities and managed investment schemes) which do not meet various turnover or asset thresholds, unless they make an election that the rules apply to their “financial arrangements”. Potential Noteholders of Class A3-R Notes should seek their own tax advice regarding their own personal circumstances as to whether such an election should be made.

12.4 Other tax matters that are relevant to the Series Trust

(a) **Tax Consolidation Rules**

Under the tax consolidation rules, the Series Trust will be a member of a consolidated group. Under consolidation, the transactions entered into by the

members of the consolidated group are effectively ignored for certain income tax purposes and attributed to the head company. The head company has the liability to pay the income tax of the group. However, if the head company fails to make a relevant tax payment promptly, then there is (prima facie) joint and several liability on all group members to pay that tax. That joint and several liability can be avoided by allocating the relevant tax obligation to the group members on a reasonable basis under a tax sharing agreement. The Series Trust is party to a tax sharing agreement and such agreement is considered to be a “valid” tax sharing agreement for these purposes.

(b) **Goods and Services Tax**

The issue of the Class A3-R Notes will not give rise to a liability for GST in Australia on the basis that the supply of Class A3-R Notes will comprise either an input taxed financial supply or (in the case of an offshore non-resident subscriber) a GST-free supply. Furthermore, neither the payment of principal or interest by the Series Trust, nor the disposal of the Class A3-R Notes, would give rise to any GST liability on the part of the Series Trust.

The supply of some services made to the Series Trust may give rise to a liability for GST on the part of the relevant service provider.

In relation to the acquisition of these taxable services by the Series Trust:

- (i) In the ordinary course of business, the service provider would charge the Series Trust an additional amount on account of GST unless the agreed fee is already GST-inclusive.
- (ii) The Series Trust would be entitled to full input tax credits to the extent that the acquisition relates to a GST-free supply (i.e. where the subscriber is an offshore non-resident) and assuming that the Series Trust exceeds the financial acquisitions threshold for the purposes of Division 189 of the GST Act, which is likely to be the case, the Series Trust would not be entitled to a full input tax credit from the ATO to the extent that the acquisition relates to the Series Trust’s input taxed supply of issuing Class A3-R Notes (ie Class A3-R Notes issued to:
 - A Australian residents; or
 - B to non-residents acting through a fixed place of business in Australia).

In the case of acquisitions which relate to the making of supplies where the Series Trust would not be entitled to full input tax credits, the Series Trust may still be entitled to a “reduced input tax credit” (“**RITC**”) in relation to certain acquisitions prescribed in the GST regulations, but only where the Series Trust is the recipient of the taxable supply and the Series Trust either provides or is liable to provide the consideration for the taxable supply. A RITC is equivalent to 75% of the value of a full input tax credit, except in respect of the acquisition of certain services made by trustees, in which case the reduced input tax credit will be 55% if the trust concerned is a “recognised trust scheme”. A trust is not a “recognised trust scheme” if it is a “securitisation entity”. On the basis that the Series

Trust satisfies the definition of being a “securitisation entity”, the Series Trust will not be a “recognised trust scheme” and the reduced input tax credits available to the Series Trust in respect of the acquisition of services from the Trustee, the Security Trustee, the Manager and the Servicer will be 75% of the GST payable by the Trustee, Security Trustee, Manager and Servicer respectively. The availability of RITCs will reduce the expenses of the Trust. Further, RITCs will not be available in respect of any services provided by the Custodian as RITCs are not available in respect of the safe custody of money, documents and other things. However, the exclusion in relation to safe custody of money, documents and other things does not apply in relation to the fees payable to the Trustee and Security Trustee as it is an inherent part of the role of a trustee to hold trust property.

- (iii) Where services are provided to the Series Trust by an entity comprising an associate of the Series Trust for income tax purposes, those services are provided for nil or less than market value consideration, and the Series Trust would not be entitled to a full input tax credit, the relevant GST (and any input tax credit) would be calculated by reference to the market value of those services. The associate may be entitled to recover the GST calculated by reference to the market value of the services from the Series Trust. Depending on the nature of the services supplied the Series Trust, if the associate charges the Series Trust GST in relation to those services, the Series Trust may be entitled to partly recover the GST charged to it as a “reduced input tax credit”.
- (iv) Where GST is payable on a taxable supply made to the Series Trust in respect of the Series but a full input tax credit is not available, this will mean that less money is available to pay interest on the Notes or other liabilities of the Series Trust.

In the case of supplies performed outside Australia for the purposes of the Series Trust’s business, these may attract a liability for Australian GST if they are supplies of a kind which would have been taxable if they occurred in Australia and if the Series Trust would not have been entitled to a full input tax credit if the supply had been performed in Australia. This is known as the “reverse charge” rule. Where the rule applies, the liability to pay GST to the ATO falls not on the supplier, but on the Series Trust.

Where services are performed offshore for the Series Trust and the supplies relate solely to the issue of Class A3-R Notes by the Series Trust to Australian non-residents who subscribe for the Class A3-R Notes through a fixed place of business outside Australia, the “reverse charge” rule should not apply to these offshore supplies. This is because the Series Trust would have been entitled to a full input tax credit for the acquisition of these supplies if the supplies had been performed in Australia, as the supplies would be GST-free and not taxable.

(c) **Proposed reforms to taxation of trusts**

On 16 December 2010, the Assistant Treasurer to the former Government issued Media Release No. 0.25 of 2010 in relation to the taxation of trusts. As a follow on from this release, a consultation paper was released on options for modernising the taxation of trusts on 21 November 2011 (refer to the Assistant Treasurer’s

Media Release No. 155 of 2011). The consultation paper explored the impediments to the effective operation of the trust income tax provisions in Division 6 of Part III of the Australian Tax Act and highlighted options for reform.

In July 2012, the former Government announced that the proposed start date for the reform/rewrite of the trust taxation rules in Division 6 would be 1 July 2014 (rather than 1 July 2013).

The former Government released an options paper for the proposed reforms to the scope of the trust taxation rules on 24 October 2012. The options paper contained proposed models for how trust taxation will operate, and posed questions to stakeholders regarding how certain aspects of those models should operate. The options paper did not provide any further guidance with respect to the timing of the reforms.

On 6 November 2013, the current Government announced its approaches to a number of tax measures proposed by the former Government (see Media Release dated 6 November 2013, titled "Restoring integrity in the Australian tax system"). The announcement did not, however, specifically address any proposed measures identified above.

An update on the status of the tax measures provided by the Assistant Treasurer of the current Government in a media release dated 14 December 2013 also did not provide further guidance on the position of the proposed rewrite.

As at the Preparation Date, the current Government has released draft legislation concerning the taxation of managed investment trusts ("MITs"). The draft legislation proposes an entirely different regime for the taxation of income derived by MITs than currently applies. In particular, it imposes the liability for income tax upon unit holders of certain MITs by reference to fair and reasonable allocations made by the trustee. The draft legislation also proposes the repeal of Division 6B of the Australian Tax Act and the amendment of the definition of exempt entities for the purposes of identifying a public unit trust for the purposes of Division 6C of the Australian Tax Act. It is proposed that the legislation will, if enacted, operate from 1 July 2016. It is not anticipated that the draft legislation will have any substantial impact upon trusts that are members of a tax consolidated group, such as the Series Trust.

It is not currently expected that the outcome of the reforms of the taxation of trusts should adversely affect the tax treatment of the Series Trust. However, the development of any new laws should be monitored.

13 Selling Restrictions

13.1 Introduction

No action has been taken by the Trustee any of the Joint Lead Managers which would or is intended to permit a public offer of the Class A3-R Notes in any country or jurisdiction where action for that purpose is required. Neither this Supplemental Information Memorandum nor any other circular, prospectus, form of application, advertisement or other material may be distributed in or from or published in any country or jurisdiction except under circumstances which will result in compliance with applicable laws and regulations.

13.2 Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Class A3-R Notes has been or will be lodged with ASIC or the ASX and:

- (a) no invitation or offer of the Class A3-R Notes has been or will be made for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) no Information Memorandum or any other offering material or advertisement relating to any Class A3-R Notes in Australia may be distributed or published, unless:
 - (i) the minimum aggregate consideration payable by each offeree or invitee on acceptance of the offer is at least A\$500,000 (or its equivalent in an alternate currency) (disregarding monies lent by the offeror or its associates) or more, or the offer does not otherwise require disclosure to investors under Part 6D.2 or Part 7.9 of the Corporations Act;
 - (ii) the offer does not constitute an offer to a “retail client” for the purposes of Chapter 7 of the Corporations Act; and
 - (iii) such action complies with other applicable laws and directives and does not require any document to be lodged with ASIC.

13.3 The United States of America

The Class A3-R Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”), and the Trustee has not been and will not be registered as an investment company under the United States Investment Company Act of 1940, as amended (the “**Investment Company Act**”). An interest in the Class A3-R Notes may not be offered or sold within the United States of America or to, or for the account or benefit of, a “U.S. person” (as defined in Regulation S under the Securities Act (“**Regulation S**”)) at any time except in accordance with Regulation S or pursuant to an exemption from the registration requirements of the Securities Act.

13.4 European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), with effect from and including the date on which the Prospectus Directive is implemented in that Relevant

Member State (the “**Relevant Implementation Date**”) no person may make an offer of Class A3-R Notes to the public in that Relevant Member State other than:

- (a) to any legal entity which is a “qualified investor” as defined in the Prospectus Directive;
- (b) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provisions of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), as permitted under the Prospectus Directive, subject to obtaining the prior consent of the relevant dealer or dealers nominated by the Trustee for any such offer; or
- (c) in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Class A3-R Notes shall require the Trustee or any dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Class A3-R Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Class A3-R Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Class A3-R Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments hereto, including the 2010 PD Amending Directive, to the extent implemented in that Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU. The expression “**European Economic Area**” means the European Union. The expression “**Member State of the European Economic Area**” means any Member State of the European Union plus Iceland, Norway and Liechtenstein.

13.5 The Republic of Ireland

No person may:

- (a) offer or sell any Class A3-R Notes, except in accordance with the provisions of the Prospectus (Directive 2003/71/EC) Regulations 2005 (“**Prospectus Regulations**”) and the provisions of the Irish Companies Act 1963-2005 (as amended) and any rules issued under section 51 of the Irish Investment Funds, Companies and Miscellaneous Provisions Act 2005 by the Central Bank of Ireland;
- (b) offer or sell any Class A3-R Notes other than in compliance with the provisions of the Market Abuse (Directive 2003/6/EU) Regulations 2005 (Ireland) and any rules issued under section 34 of the Irish Investment Funds, Companies and Miscellaneous Provisions Act 2005 by the Central Bank of Ireland;
- (c) underwrite the issue of, or place, the Class A3-R Notes in the Republic of Ireland, otherwise than in conformity with the provisions of the Central Bank Acts 1942-

2011 (Ireland) (as amended) and any codes of conduct made under Section 117(1) thereof; and

- (d) underwrite the issue or place the Class A3-R Notes otherwise than in accordance with the provisions of the Irish Investment Intermediaries Act 1995 (as amended), including without limitation section 9, 23 (including any advertising restrictions made under that section), 50 and 37 (including any codes of conduct issued under that section) and the provisions of the Irish Investor Compensation Act 1998, including without limitation, section 21.

13.6 The United Kingdom

Each person subscribing for the Class A3-R Notes:

- (a) may only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Class A3-R Notes in circumstances in which section 21(1) of the FSMA does not or would not, if the Trustee was not an authorised person, apply to the Series Trust; and
- (b) must comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Class A3-R Notes in, from or otherwise involving the United Kingdom.

13.7 Hong Kong

No person may:

- (a) offer or sell and in the Hong Kong Special Administrative Region of the People's Republic of China ("**Hong Kong**"), by means of any document, any Class A3-R Notes other than (i) to "professional investors" within the meaning of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) as amended ("**SFO**") and any rules made under the SFO; or (ii) in circumstances which do not result in the document being a "prospectus" within the meaning of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Chapter 32 of the Laws of Hong Kong) ("**CWMO**") or which do not constitute an offer to the public within the meaning of the CWMO; and
- (b) unless permitted to do so under the laws of Hong Kong, issue or have in its possession for the purpose of issue (in each case whether in Hong Kong or elsewhere), any advertisement, invitation, offering material or document relating to the Class A3-R Notes, which is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong other than with respect to the Class A3-R Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to "professional investors" within the meaning of the SFO and any rules made under that Ordinance.

13.8 Japan

The Class A3-R Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended and reviewed) (the "**Financial Instruments and Exchange Act**") and, accordingly, no person may offer or sell any Class A3-R Notes, directly or indirectly, in Japan or to, or for the account or benefit of, any resident of Japan (which term as used herein means any person resident in

Japan or a juridical person having its main office in Japan as defined in Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Act of Japan (Act No. 228 of 1949), including any corporation having its principal office in or other entity organised under the laws of Japan. Any branch or office in Japan of a non-resident will be deemed to be a resident for the purpose whether such branch or office has the power to represent such non-resident), or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, a resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and any other applicable laws, regulations and ordinances promulgated by the relevant Japanese governmental and regulatory authorities and in effect at the relevant time.

13.9 New Zealand

On and from 1 December 2014, when both Part 3 and Schedule 1 to the Financial Markets Conduct Act 2013 of New Zealand (the “**FMCA**”) came into force, no person may offer for sale or transfer or directly or indirectly offer for sale or transfer any Class A3-R Notes in a manner that makes the Class A3-R Notes the subject of a regulated offer for the purposes of the FMCA and the minimum subscription requirements below have been or will be complied with in connection with any direct or indirect offer for sale or transfer of the Class A3-R Notes. In particular, the Class A3-R Notes have and will only be offered or transferred either:

- (a) to persons who are “wholesale investors” as that term is defined in clauses 3(2)(a), (c) and (d) of Schedule 1 to the FMCA, being a person who is:
 - (i) an “investment business”
 - (ii) “large”, or
 - (iii) a “government agency”

in each case as defined in Schedule 1 to the FMCA; or

- (b) in other circumstances where there is no contravention of the FMCA, provided that (without limiting paragraph (a) above) Class A3-R Notes may not be offered or transferred to any “eligible investors” (as defined in the FMCA) or any person that meets the investment activity criteria specified in clause 38 of Schedule 1 to the FMCA.

No person must distribute this Supplemental Information Memorandum, the Base Information Memorandum, the Series Supplement or any other Transaction Document, terms or any information or other material that may constitute an advertisement (as defined in the FMCA) in relation to any offer of the Class A3-R Notes in New Zealand other than to any such persons as referred to in the applicable paragraphs above.

13.10 Switzerland

This Supplemental Information Memorandum does not constitute a prospectus within the meaning of Article 652A of the Swiss Code of Obligations and Article 1156 et seq. of the Swiss Code of Obligations. The Class A3-R Notes may not be publicly offered or distributed in or from Switzerland, and neither the Information Memorandum nor any

other offering materials relating to any of the Class A3-R Notes may be publicly distributed in connection with any such offering or distribution.

This Supplemental Information Memorandum does not constitute a public offering prospectus as that term is understood pursuant to Article 1156 et seq. of the Code of Obligations. The Trustee has not applied for a listing of the Class A3-R Notes on the SIX Swiss Exchange and as a result, the information set out in this Supplemental Information Memorandum does not necessarily comply with the information standards set out in the relevant listing rules. The Class A3-R Notes will not be publicly offered or sold in Switzerland. No person may publicly offer or distribute the Class A3-R Notes in or from Switzerland, and neither the Information Memorandum nor any other offering materials relating to any of the Class A3-R Notes may be publicly distributed in connection with any such offering or distribution.

13.11 Singapore

This Supplemental Information Memorandum has not been registered as a prospectus with the Monetary Authority of Singapore under the Securities and Futures Act, Chapter 289 of Singapore, as amended (the “**Securities and Futures Act**”) and the Class A3-R Notes will be offered pursuant to exemptions. The Class A3-R Notes must not be offered or sold or made the subject of an invitation for subscription or purchase nor may this Supplemental Information Memorandum or any other document or material in connection with the offer or sale or invitation for subscription or purchase of any Class A3-R Notes be circulated or distributed, whether directly or indirectly, to the public or any member of the public in Singapore other than (a) to an institutional investor pursuant to section 274 of the Securities and Futures Act, (b) to a relevant person pursuant to Section 275(1) of the Securities and Futures Act, or any person pursuant to section 275(1A) of the Securities and Futures Act, and in accordance with the conditions specified in section 275 of the Securities and Futures Act, or (c) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the Securities and Futures Act.

Where the Class A3-R Notes are subscribed or purchased in reliance on an exemption under Section 274 or 275 of the Securities and Futures Act, the Class A3-R Notes must not be sold within the period of six months from the date of the initial acquisition of the Class A3-R Notes, except to any of the following persons:

- (a) an institutional investor (as defined in Section 4A of the Securities and Futures Act);
- (b) a relevant person (as defined in Section 275(2) of the Securities and Futures Act);
or
- (c) any person pursuant to an offer referred to in Section 275(1A) of the Securities and Futures Act,

unless expressly specified otherwise in Section 276(7) of the Securities and Futures Act or Regulation 32 of the Securities and Futures (Offers of Investments) (Shares and Debentures) Regulations 2005 of Singapore.

Each of the following relevant persons specified in section 275 of the Securities and Futures Act which has subscribed or purchased Class A3-R Notes from and through that person, namely a person who is:

- (a) a corporation (which is not an accredited investor as defined in section 4A of the Securities and Futures Act) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or
- (b) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary of the trust is an individual who is an accredited investor,

should note that shares, debentures and units of shares and debentures of that corporation or the beneficiaries' rights and interest in that trust shall not be transferred within 6 months after that corporation or that trust has acquired the Class A3-R Notes under section 275 of the Securities and Futures Act except:

- (ii) to an institutional investor (for corporations, under section 274 of the Securities and Futures Act) or to a relevant personas defined in section 275(2) of the Securities and Futures Act and in accordance with the conditions specified in section 275 of the Securities and Futures Act;
 - (iii) (in the case of a corporation) where the transfer arises from an offer referred to in section 276(3)(i)(B) of the Securities and Futures Act or (in the case of a trust) where the transfer arises from an offer referred to in Section 276(4)(i)(B) of the Securities and Futures Act;
 - (iv) where no consideration is or will be given for the transfer;
 - (v) where the transfer is by operation of law; or
- as specified in Regulation 32 of the Securities and Futures (Offers of Investments) (Shares and Debentures) Regulations 2005 of Singapore.

13.12 Republic of China

The Class A3-R Notes may not be sold or offered in the Republic of China and may only be offered and sold to Republic of China resident investors from outside the Republic of China in such a manner as complies with securities laws and regulations applicable to such cross border activities in the Republic of China.

13.13 General

These selling restrictions may be modified with the agreement of each of the Joint Lead Managers following a change in or clarification of a relevant law, regulation, directive, request or guideline having the force of law or compliance with which is in accordance with the practice of responsible financial institutions in the country concerned or any change in or introduction of any of them or in interpretation or administration.

14 Ratings of the Class A3-R Notes

The issuance of the Class A3-R Notes will be conditioned on obtaining ratings of AAA(sf) by S&P and AAAsf by Fitch Ratings. You should independently evaluate the security ratings of the Class A3-R Notes from similar ratings on other types of securities. A security rating is not a recommendation to buy, sell or hold securities. A rating does not address the market price or suitability of the Class A3-R Notes for an investor. A rating may be subject to revision or withdrawal at any time by the Rating Agencies. The rating does not address the expected schedule of principal repayments other than to say that principal will be returned no later than the Final Maturity Date. None of the Rating Agencies have been involved in the preparation of this Supplemental Information Memorandum.

15 Listing on a securities exchange

15.1 Application for Listing

Securitisation Advisory Services Pty Limited, as Manager, may, in its discretion, apply for listing of the Class A3-R Notes on a securities exchange and admission of the Class A3-R Notes to trading on any regulated or unregulated markets, although as at the Preparation Date it has no intention of doing so. There can be no assurance that such approval, if sought, will be granted and accordingly the issuance and settlement of the Class A3-R Notes on the Class A3 Refinancing Date is not conditional on the listing of the Class A3-R Notes on any securities exchange. If any such application for listing and/or trading is made, Perpetual Trustee Company Limited will not be taken to have authorised or made the application.

15.2 Additional Information

If and for so long as any the Class A3-R Notes are listed on a securities exchange and the rules of that securities exchange so require, copies of notices to holders of the listed Class A3-R Notes must be forwarded in final form to the appropriate office of that securities exchange, no later than the day of dispatch and copies of any Transaction Documents required to be made publicly available will be made available during normal business hours at the registered office of the Manager or any listing agent appointed by the Manager for the purposes of listing on that securities exchange.

If any application is made for listing of the Class A3-R Notes on a securities exchange, the Manager will undertake that, for as long as the Class A3-R Notes are listed on the securities exchange, it will, if required under the rules of the relevant securities exchange, notify that stock exchange of any material amendment to any Transaction Document and if any party to any Transaction Document resigns or is replaced, together with details of any relevant replacement party.

The Series Trust was established on 19 November 2010 in the State of New South Wales, Australia by the Trustee and Bank of Western Australia Ltd executing a series supplement and the Manager settling A\$200 on the Trustee. The Series Trust is governed by the laws of New South Wales, Australia. The Series Trust is a special purpose entity established to issue Notes and (in the case of the Class A1 Notes, the Class A2 Notes, the Class A3 Notes, the Class AB Notes, the Class AC Notes and the Class B Notes only) to apply the proceeds to acquire the Housing Loans from Bankwest and to hold the Housing Loans in accordance with the Transaction Documents.

As at the date of this Supplemental Information Memorandum, the Series Trust has no borrowings or financial indebtedness other than in respect of the Class A3 Notes, the Class AB Notes, the Class AC Notes and the Class B Notes as set out in Section 2.3 (“*Summary of the Notes*”) of this Supplemental Information Memorandum.

The Trustee is not involved in any litigation, arbitration or governmental proceedings which may have, or have had during the 12 months preceding the date of this Supplemental Information Memorandum, a significant effect on the Trustee’s financial position nor, as far as the Trustee is aware, are any such litigation, arbitration or governmental proceedings pending or threatened.

The Series Trust is not required by Australian law and does not intend to publish annual reports and accounts.

The Manager is the administrator of the Series Trust. The Manager can be contacted on +61 2 9118 7214. The Trustee can be contacted on + 61 2 9229 9000.

16 Transaction Documents

Listing on the Irish Stock Exchange

This Information Memorandum has been approved by the Central Bank of Ireland (“**Central Bank**”), as competent authority under the Prospectus Directive 2003/7 1/EC (“**Prospectus Directive**”). The Central Bank only approves this Information Memorandum as meeting the requirements imposed under Irish and EU law pursuant to the Prospectus Directive. Application has been made to the Irish Stock Exchange for the Class A2 Notes to be admitted to the Official List and trading on its regulated market. Such approval relates only to the Class A2 Notes which are to be admitted to trading on the regulated market of the Irish Stock Exchange or other regulated markets for the purposes of Directive 2004/39/EC or which are to be offered to the public in any member state of the European Economic Area.

The issuance and settlement of the Class A2 Notes on the Issue Date is not conditional on the listing of the Class A2 Notes on the Irish Stock Exchange. There can be no assurance that any such listing will be obtained. Perpetual Trustee Company Limited has not made or authorised the application for admission to listing or trading of the Class A2 Notes.

Any reference to this Information Memorandum constituting a prospectus is for the purposes only of the Prospectus Directive and for the avoidance of doubt, this Information Memorandum does not constitute a prospectus or product disclosure statement for the purposes of the Corporations Act 2001 of Australia.

The Notes are subject to Investment Risk

The holding of the Notes is subject to investment risk, including possible delays in repayment and loss of income and principal invested.

US Selling Restrictions

The Notes have not been and will not be registered under the Securities Act and unless so registered may not be offered or sold within the United States or to, or for the account or benefit of, US persons (as defined in Regulation S under the Securities Act) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. Accordingly, the Notes are being offered and sold only to persons (other than United States persons) outside the United States pursuant to Regulation S and

the Securities Act. For a description of certain further restrictions on offers, transfers and sales of the Notes and the distribution of this Information Memorandum, see Sections 1 (“*Important Notice*”) and 14 (“*Selling Restrictions*”) below.

1 Important notice

1.1 Terms

References in this Information Memorandum to various documents are explained in Section 16 (“*Transaction Documents*”). Unless defined elsewhere, all other terms are defined in the Glossary in Section 17 (“*Glossary*”). Section 16 (“*Transaction Documents*”) and Section 17 (“*Glossary*”) should be referred to in conjunction with any review of this Information Memorandum.

1.2 Purpose

This Information Memorandum relates solely to a proposed issue of Class A1 Notes, Class A2 Notes, Class A3 Notes, Class AB Notes, Class AC Notes and Class B Notes by Perpetual Trustee Company Limited (ABN 42 000 001 007) (the “**Trustee**”) in its capacity as trustee of the Series 2010-2 SWAN Trust (the “**Series Trust**”). This Information Memorandum does not relate to, and is not relevant for, any other purpose.

1.3 Information Memorandum is a “Prospectus” for Class A2 Notes

For the purposes of the Prospectus Directive only, this Information Memorandum is a Prospectus for the Class A2 Notes.

The following information is an overview of the principal features of the issue of the Class A2 Notes. This overview does not purport to be complete and is taken from, and is qualified in its entirety by reference to, the detailed information appearing elsewhere in this Information Memorandum, the terms of the Transaction Documents and, in relation to the terms and conditions of the Class A2 Notes (see Section 8 (“*Terms and Conditions of the Notes*”). Prospective purchasers of the Class A2 Notes are advised to read carefully, and to rely solely on, the detailed information appearing elsewhere in this Prospectus in making any decision whether or not to invest in any Class A2 Notes. Capitalised terms used, but not defined, in this section can be found elsewhere in this Information Memorandum, unless otherwise stated. A glossary of defined terms is set out in Section 17 (“*Glossary*”) of this Information Memorandum.

This overview constitutes a general description of the Class A2 Notes for the purpose of Article 22.5(3) of Commission Regulation (EC) No. 809/2004 implementing the Prospectus Directive.

1.4 Summary Only

This Information Memorandum is only a summary of the terms and conditions of the Class A1 Notes, the Class A2 Notes, the Class A3 Notes, the Class AB Notes, the Class AC Notes and the Class B Notes (“**Notes**”) and the Series Trust and is to assist each recipient to decide whether it will undertake its own further independent investigation of the Notes. This Information Memorandum does not purport to contain all the information a person considering subscribing for or purchasing the Notes may require. Accordingly, this Information Memorandum should not be relied upon by intending subscribers or purchasers of the Notes. Intending subscribers or purchasers of the Notes should review the Transaction Documents which contain the definitive terms relating to the Series Trust and the transactions connected therewith. If there is any inconsistency between this Information Memorandum and the Transaction Documents, the Transaction Documents

should be regarded as containing the definitive information. A copy of the Transaction Documents may be inspected by intending subscribers or purchasers of the Notes, on the conditions contained in Section 16 (“*Transaction Documents*”), at the offices of the Trustee referred to in the Directory at the back of this Information Memorandum.

This Information Memorandum should not be construed as an offer or invitation to any person to subscribe for or buy the Notes and must not be relied upon by intending subscribers or purchasers of the Notes. In addition, this Information Memorandum should not be construed as an offer or invitation to any person to subscribe for or buy the Redraw Notes which may be issued from time to time.

It should not be assumed that the information contained in this Information Memorandum is necessarily accurate or complete in the context of any offer to subscribe for or an invitation to subscribe for or buy any of the Notes even if this Information Memorandum is circulated in conjunction with such an offer or invitation.

1.5 Limited Responsibility for Information

The Manager has prepared and authorised the distribution of this Information Memorandum, has accepted sole responsibility for the information contained in it and to the best of its knowledge and belief the information contained in this Information Memorandum is in accordance with the facts and does not omit anything likely to affect the import of such information.

None of Commonwealth Bank of Australia, the Trustee, JP Morgan, Macquarie, Deutsche Bank, Fitch Australia Pty Limited, Standard & Poor’s (Australia) Pty Limited or P.T. Limited (ABN 67 004 454 666) (the “**Security Trustee**”) nor any of their related entities have authorised, caused the issue of, or have (and expressly disclaim) any responsibility for, or made any statement in, any part of this Information Memorandum. Furthermore, neither the Trustee nor the Security Trustee has had any involvement in the preparation of any part of this Information Memorandum (other than where parts of this Information Memorandum contain particular references to Perpetual Trustee Company Limited or P.T. Limited) in their corporate capacity.

Perpetual Trustee Company Limited has obtained an Australian Financial Services Licence under Part 7.6 of the Corporations Act 2001 of Australia (Australian Financial Services Licence No. 236643). Perpetual Trustee Company Limited has appointed P.T. Limited to act as its authorised representative under that licence (Authorised Representative No. 266797).

While the Manager believes the statements in this Information Memorandum are accurate, neither it nor Commonwealth Bank of Australia, the Trustee, the Security Trustee, JP Morgan, Macquarie, Deutsche Bank nor any of their related entities nor any external adviser to any of the foregoing makes any representation or warranty, express or implied, as to, nor assumes any responsibility or liability for, the authenticity, origin, validity, accuracy or completeness of, or any errors or omissions in, any information, statement, opinion or forecast contained in this Information Memorandum or in any previous, accompanying or subsequent material or presentation.

No recipient of this Information Memorandum can assume that any person referred to in it has conducted any investigation or due diligence concerning, or has carried out or will carry out any independent audit of, or has independently verified or will verify, the information contained in this Information Memorandum.

1.6 Date of this Information Memorandum

This Information Memorandum has been prepared as at 14 January 2011 (the “**Preparation Date**”), based on information available and facts and circumstances known to the Manager at that time.

Neither the delivery of this Information Memorandum, nor any offer or issue of the Notes, at any time after the Preparation Date implies, or should be relied upon as a representation or warranty, that:

- (a) there has been no change since the Preparation Date in the affairs or financial condition of the Series Trust, the Trustee, Bankwest, Commonwealth Bank of Australia, or any other party named in this Information Memorandum; or
- (b) the information contained in this Information Memorandum is correct at such later time.

No person undertakes to review the financial condition or affairs of the Trustee or the Series Trust at any time or to keep a recipient of this Information Memorandum or the holder of any note (the “**Noteholder**”) informed of changes in, or matters arising or coming to their attention which may affect, anything referred to in this Information Memorandum.

None of Commonwealth Bank of Australia, JP Morgan, Macquarie, Deutsche Bank or any other person accepts any responsibility to Noteholders or prospective Noteholders to update this Information Memorandum after the Preparation Date with regard to information or circumstances which come to its attention after the Preparation Date.

1.7 Independent Investment Decisions

This Information Memorandum is not intended to be, and does not constitute, a recommendation by Bankwest, the Trustee, Commonwealth Bank of Australia, JP Morgan, Macquarie, Deutsche Bank or the Security Trustee or any of their related entities that any person subscribe for or purchase any Notes. Accordingly, any person contemplating the subscription or purchase of Notes must:

- (a) make their own independent investigation of the terms of the Notes (including reviewing the Transaction Documents) and the financial condition, affairs and creditworthiness of the Series Trust, after taking all appropriate advice from qualified professional persons; and
- (b) base any investment decision on the investigation and advice referred to in paragraph (a) and not on this Information Memorandum.

1.8 Authorised Material

No person is authorised to give any information or to make any representation which is not contained in this Information Memorandum and any information or representation not contained in this Information Memorandum must not be relied upon as having been authorised by or on behalf of Bankwest or Commonwealth Bank of Australia.

1.9 Distribution to Professional Investors Only

Prior to approval by the Central Bank, this Information Memorandum will have been prepared on a confidential basis for distribution only to professional investors whose ordinary business includes the buying or selling of securities such as the Notes. This Information Memorandum is not intended for, should not be distributed to, and should not be construed as an offer or invitation to, any other person. After this Information Memorandum has been approved by the Central Bank, it will no longer be confidential and will be a publicly available document.

1.10 Distribution

The distribution of this Information Memorandum and the offering or invitation to subscribe for or buy the Notes in certain jurisdictions may be restricted by law. No action has been taken or will be taken which would permit the distribution of this Information Memorandum or the offer or invitation to subscribe for or buy the Notes offering in any jurisdiction where action for that purpose is required.

1.11 Issue Not Requiring Disclosure to Investors under the Corporations Act

This Information Memorandum is not a “Product Disclosure Statement” for the purposes of Chapter 7 of the Corporations Act and is not required to be lodged with the Australian Securities and Investments Commission under the Corporations Act as each offer for the issue, any invitation to apply for the issue, and any offer for sale of, and any invitation for offers to purchase, the Notes to a person under this Information Memorandum:

- (a) will be for a minimum amount payable (after disregarding any amount lent by the person offering the Notes (as determined under section 700(3) of the Corporations Act) or any of their associates (as determined under sections 10 to 17 of the Corporations Act)) on acceptance of the offer or application (as the case may be) is at least \$500,000 (calculated in accordance with both section 708(9) of the Corporations Act and regulation 7.1.18 of the Corporations Regulations 2001); or
- (b) does not otherwise require disclosure to investors under Part 6D.2 of the Corporations Act and is not made to a Retail Client.

No action has been taken or will be taken which would permit a public offering of the Notes, or possession or distribution of this Information Memorandum, in any country or jurisdiction where action for that purpose is required.

A person may not (directly or indirectly) offer for issue or sale, or make any invitation to apply for the issue or to purchase, the Notes nor distribute this Information Memorandum except if the offer or invitation:

- (a) does not need disclosure to investors under Part 6D.2 of the Corporations Act;
- (b) is not made to a Retail Client; and
- (c) complies with any other applicable laws in all jurisdictions in which the offer or invitation is made.

1.12 Offshore Associates Not To Acquire Notes

Under present law, interest and other amounts paid on the Notes will not be subject to Australian interest withholding tax if they are issued in accordance with certain prescribed conditions set out in section 128F of the Income Tax Assessment Act 1936 (Cth) and they are not acquired directly or indirectly by certain offshore associates of the Trustee or Bankwest, other than in the capacity of a dealer, manager or underwriter in relation to the placement of the relevant Notes, or a clearing house, custodian, funds manager or responsible entity of a registered scheme. Each of the Joint Lead Managers has undertaken not to offer a Note if that Joint Lead Manager knows, or has reasonable grounds to suspect, that the note or an interest in the note was being or would be acquired by such an offshore associate of the Trustee or Bankwest.

1.13 Disclosure of Interests

Each of Bankwest, Commonwealth Bank of Australia, JP Morgan, Macquarie, Deutsche Bank and their respective related entities:

- (a) may have a pecuniary or other interest in the Notes; and
- (b) may receive fees, brokerage and commissions, and may act as principal, in any dealings in the Notes.

1.14 Limited Recovery

Any obligation or liability of the Trustee arising under or in any way connected with the Notes, the Master Trust Deed, the Series Supplement, the Security Trust Deed or any other Transaction Document to which the Trustee is a party is limited, except in the case of fraud, negligence or wilful default on the part of the Trustee or its officers, employees or agents or any other person whose acts or omissions the Trustee is liable for under the Transaction Documents, to the extent to which it can be satisfied out of the Assets of the Series Trust out of which the Trustee is actually indemnified for the obligation or liability. Other than in the exception previously mentioned, the personal assets of the Trustee, the Security Trustee or any other member of the Perpetual group are not available to meet payments of interest or repayments of principal on the Notes.

None of Bankwest, Commonwealth Bank of Australia, the Trustee, JP Morgan, Macquarie, Deutsche Bank or the Security Trustee nor any of their related entities guarantee the success of the Notes issued by the Trustee or the repayment of capital or any particular rate of capital or income return in respect of the investment by Noteholders in the Notes, nor do they make any statement (including, without limitation, any representation) with respect to income tax or other taxation consequences of any subscription, purchase or holding of the Notes or the receipt of any amounts thereunder.

1.15 References to Rating

There are various references in this Information Memorandum to the credit rating of the Notes and of particular parties. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the relevant Rating Agency. In addition, the provisional ratings of the Notes do not address the expected timing of principal repayments under the Notes. None of the Rating Agencies have been involved in the preparation of this Information Memorandum. Each Rating Agency is not established in the European Community but rather is incorporated in

the Commonwealth of Australia. Consequently, each Rating Agency is not required to be registered under Regulation (EC) 1060/2009.

1.16 Distribution by Macquarie

This information is distributed in Hong Kong by Macquarie Capital Securities Limited (“MCSL”) and is intended solely for “professional investors” within the meaning of the Securities and Futures Ordinance (Cap. 571) of Hong Kong for the purpose of providing preliminary information and does not constitute any offer to the public within the meaning of the Companies Ordinance (Cap.32) of Hong Kong. Neither MCSL nor any of its related companies carries on banking business in Hong Kong, nor are they Authorized Institutions under the Banking Ordinance (Cap. 155) of Hong Kong and therefore none of them are subject to the supervision of the Hong Kong Monetary Authority. The contents of this information have not been reviewed by any regulatory authority in Hong Kong.

This information is distributed in Singapore by Macquarie and has not been registered as a prospectus with the Monetary Authority of Singapore. Accordingly, this document and any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the financial instruments referred to in this document may not be circulated or distributed, nor may the financial instruments be offered or sold, or be made the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore other than (i) to an institutional investor (as defined under Section 4A of the Securities and Futures Act, Chapter 289 of Singapore (the “SFA”)) under Section 274 of the SFA, (ii) to an accredited investor (as defined under Section 4A of the SFA) under Section 275 of the SFA, or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provisions of the SFA. **None of Macquarie or its group of companies and associated entities carries on banking business in Singapore or holds a licence under the Banking Act, Chapter 19 of Singapore and therefore none of them is subject to the supervision of the Monetary Authority of Singapore in respect thereof.**

In the United Kingdom, this document is distributed by Macquarie and in the EEA by Macquarie Bank International (“MBI”), both of which are authorised and regulated by the Financial Services Authority. This document is only being distributed to and is only directed at professional clients and eligible counterparties, as defined in the rules of the Financial Services Authority. It is not intended for retail clients and such persons should not rely on the information in this document. 2.4 The SWAN Programme

Bankwest established the SWAN Programme in July 1999 pursuant to the Master Trust Deed for the purpose of enabling the issue of debt instruments by series trusts established under the Master Trust Deed and the application of the proceeds of those debt instruments to invest in assets originated from time to time by Bankwest. The Master Trust Deed provides for the creation of an unlimited number of series trusts. Each series trust is a separate and distinct trust fund and is created pursuant to the Master Trust Deed and a series supplement establishing specific provisions of the relevant series trust and the instruments to be issued by that series trust. Multiple classes of notes may be issued in relation to each series trust that differ amongst themselves as to, among other things, currency of denomination and payment, priority of repayment and credit risk.

2.5 Series 2010-2 SWAN Trust

The detailed terms of the Series Trust are set out in the Series Supplement and the Master Trust Deed. The Master Trust Deed establishes the general framework under which series trusts may be established from time to time. It does not actually establish any trusts. To establish a trust, the Manager and the Trustee execute a Series Supplement which, in the case of the Series Trust, was executed on 19 November 2010.

The Series Supplement sets out (among other things) various representations and undertakings of the parties specific to the Housing Loans, which are additional to those in

the Master Trust Deed, and amends the Master Trust Deed to the extent necessary to give effect to the specific aspects of the Series Trust and the issue of the Notes.

The Master Trust Deed and the Series Supplement should therefore be read together when determining the rights, powers and obligations of the Trustee, the Manager and the Seller in relation to the Series Trust.

The proceeds of the issue of the Notes will fund the acquisition by the Series Trust of a pool of residential housing loans originated and currently held by the Seller.

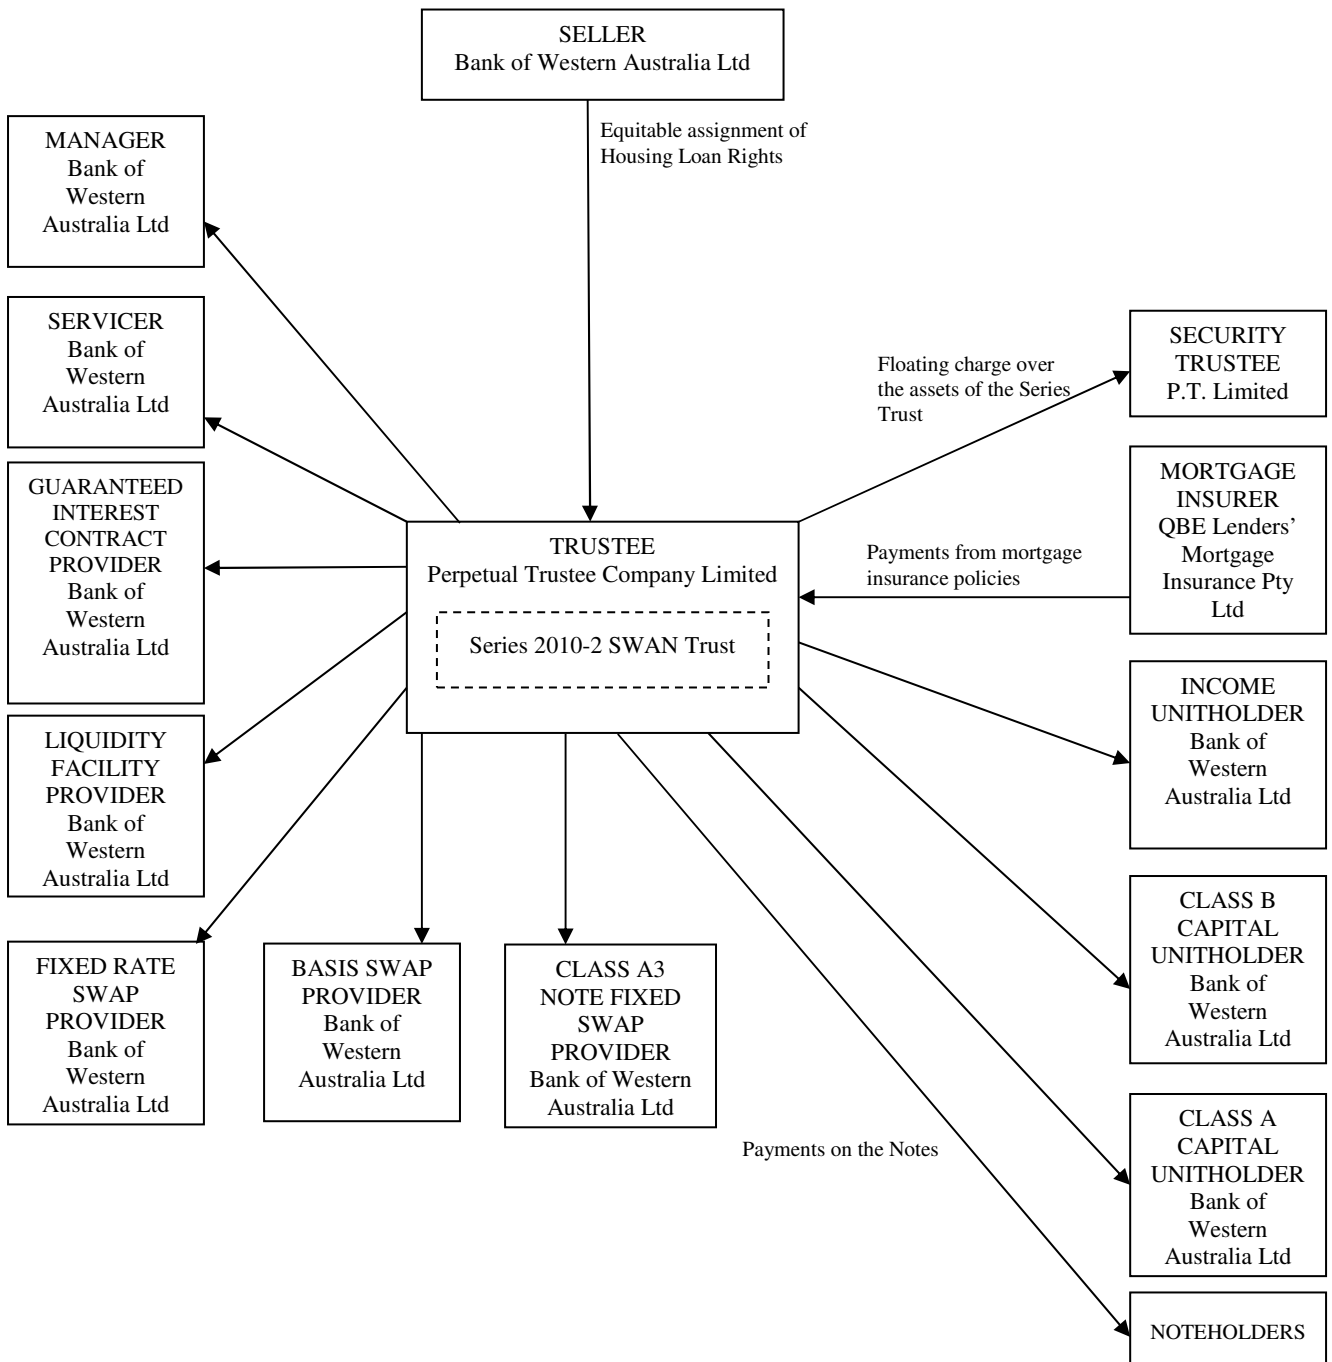

2.6 Housing Loan Rights

The Housing Loan Rights to be acquired by the Trustee were originated by the Seller.

On the Issue Date, it is proposed that the Trustee will acquire the rights held by the Seller in relation to the Housing Loan Rights.

Bankwest will continue to service the Housing Loans in accordance with the Transaction Documents and will provide only limited representations and warranties to the Trustee.

2.8 General Description of the Notes

- Notes:**
- A\$477,000,000 Class A1 Mortgage Backed Floating Rate Notes due September 2041;
 - A\$234,000,000 Class A2 Mortgage Backed Floating Rate Notes due September 2041;
 - A\$210,000,000 Class A3 Mortgage Backed Fixed Rate Notes due September 2041;
 - A\$39,000,000 Class AB Mortgage Backed Floating Rate Notes due September 2041;
 - A\$20,000,000 Class AC Mortgage Backed Floating Rate Notes due September 2041; and
 - A\$20,000,000 Class B Mortgage Backed Floating Rate Notes due September 2041.

Status of Notes: The Notes constitute secured, limited recourse obligations of the Trustee and the Notes of each Class rank pari passu without any preference among themselves. The Notes are all secured by the same assets of the Series Trust (which includes the Housing Loans held by the Trustee in its capacity as trustee of the Series Trust).

The Class A1 Notes will rank equally without any preference or priority among themselves in relation to the payment of interest and the repayment of principal both prior to and following the occurrence of an Event of Default and enforcement of the Charge.

The Class A2 Notes will rank equally without any preference or priority among themselves in relation to the payment of interest and the repayment of principal both prior to and following the occurrence of an Event of Default and enforcement of the Charge.

The Class A3 Notes will rank equally without any preference or priority among themselves in relation to the payment of interest and the repayment of principal both prior to and following the occurrence of an Event of Default and enforcement of the Charge.

The Class A3-R Notes will rank equally without any preference or priority among themselves in relation to the payment of interest and the repayment of principal both prior to and following the occurrence of an Event of Default and enforcement of the Charge.

The Class AB Notes will rank equally without any preference or priority among themselves in relation to the payment of interest and the repayment of principal both prior to and following the occurrence of an Event of Default and enforcement of the Charge.

The Class AC Notes will rank equally without any preference or priority among themselves in relation to the payment of interest and the

repayment of principal both prior to and following the occurrence of an Event of Default and enforcement of the Charge.

The Class B Notes will rank equally without any preference or priority among themselves in relation to the payment of interest and the repayment of principal both prior to and following the occurrence of an Event of Default and enforcement of the Charge.

If the Step-Down Conditions have not been satisfied on a Payment Date prior to the occurrence of an Event of Default and enforcement of the Charge:

- (a) if the Class A1 Notes remain outstanding, the Class A1 Notes and the Class A2 Notes will share the Class A Principal Allocation in the following proportions:
 - (i) an amount equal to 75% of the Class A Principal Allocation will be allocated to the Class A1 Noteholders; and
 - (ii) an amount equal to 25% of the Class A Principal Allocation will be allocated to the Class A2 Noteholders;
- (b) if the Class A1 Notes have been redeemed, the Class A2 Notes will rank equally without any preference or priority among themselves in relation to the repayment of principal;
- (c) on or prior to the Class A3 Refinancing Date, payments to the GIC Account (the balance of which will be applied on the Class A3 Refinancing Date towards the redemption of the Class A3 Notes) will rank behind the Class A1 Notes and Class A2 Notes in relation to the repayment of principal;
- (d) after the Class A3 Refinancing Date, the Class A3-R Notes will rank behind the Class A1 Notes and the Class A2 Notes in relation to the repayment of principal;
- (e) the Class AB Notes will rank behind the Class A1 Notes, the Class A2 Notes and the Class A3-R Notes in relation to the repayment of principal;
- (f) the Class AC Notes will rank behind the Class A1 Notes, the Class A2 Notes, the Class A3-R Notes and the Class AB Notes in relation to the repayment of principal; and
- (g) the Class B Notes will rank behind the Class A1 Notes, the Class A2 Notes, the Class A3 Notes, the Class A3-R Notes, the Class AB Notes and the Class AC Notes in relation to the repayment of principal.

If the Step-Down Conditions have been satisfied on a Payment Date prior to the occurrence of an Event of Default and enforcement of the Charge, the Class AB Notes and the Class AC Notes will rank equally and without preference or priority with the Class A Principal Allocation

in relation to the repayment of principal. The Class A Principal Allocation is applied to the Class A Notes in accordance with Section 9.10 (“*Class A Principal Allocation*”).

The Class B Notes will rank behind the Class A1 Notes, the Class A2 Notes, the Class A3 Notes, the Class A3-R Notes, the Class AB Notes and the Class AC Notes in relation to the repayment of principal at all times.

The Class A Notes will rank equally without any preference or priority among themselves in relation to the payment of interest both prior to and following the occurrence of an Event of Default and enforcement of the Charge.

The Class AB Notes will rank behind the Class A Notes in respect of the payment of interest at all times.

The Class AC Notes will rank behind the Class A Notes and the Class AB Notes in respect of the payment of interest at all times.

The Class B Notes will rank behind the Class A Notes, the Class AB Notes and the Class AC Notes in respect of the payment of interest at all times.

If any Redraw Notes are issued, they will rank pari passu with the Class A Notes in relation to the payment of interest and prior to the Class A Notes for the repayment of principal prior to the occurrence of an Event of Default and enforcement of the Charge and will rank pari passu with Class A Notes for principal and interest following the occurrence of an Event of Default and enforcement of the Charge.

Form and Denomination:

The Notes will be issued a minimum purchase price of A\$500,000 and in integral multiples of A\$50,000 thereafter. All Notes will be in registered form.

Issue Price:

Class A1 Notes – 100 per cent.

Class A2 Notes – 100 per cent.

Class A3 Notes – 99.649 per cent.

Class AB Notes – 100 per cent.

Class AC Notes – 100 per cent.

Class B Notes – 100 per cent.

Issue Date:

29 November 2010.

Final Maturity Date:

25 September 2041 or, if such day is not a Business Day, the next Business Day unless that day falls in the next calendar month, in which case, the date is brought forward to the first preceding Business Day.

Ratings:

- The Class A1 Notes are expected to be rated AAA(sf) by

Standard & Poor's and AAAsf by Fitch.

- The Class A2 Notes are expected to be rated AAA(sf) by Standard & Poor's and AAAsf by Fitch.
- The Class A3 Notes are expected to be rated AAA(sf) by Standard & Poor's and AAAsf by Fitch.
- The Class AB Notes are expected to be rated AAA(sf) by Standard & Poor's and AAAsf by Fitch.
- The Class AC Notes are expected to be rated AAA(sf) by Standard & Poor's and AAAsf by Fitch.
- The Class B Notes will not be rated by Standard & Poor's or Fitch.

2.9 Payments on the Notes

Payment Dates: The 25th day of each month (or if such a day is not a Business Day, the next following Business Day unless that day falls in the next calendar month, in which case, the date is brought forward to the first preceding Business Day). The first Payment Date is 25 January 2011 (or if that day is not a Business Day, the next following Business Day unless that day falls in the next calendar month, in which case, the date is brought forward to the first preceding Business Day).

The final Payment Date in respect of a Class or sub-class of Notes will be the earlier of the Final Maturity Date and the Payment Date on which all of the Notes of that Class or sub-class, as applicable, are redeemed in full (together with all accrued interest).

Method of Payment: Noteholders will be paid by the Trustee by the method(s) set out in Section 8.5 ("*Payments*") (under the heading "**Method of Payment**").

Rounding of Payments: All payments in respect of interest and principal on the Notes will be rounded to the nearest Australian cent (half a cent being rounded upwards).

2.10 Interest on the Notes

Interest Periods: In respect of each Class of Floating Rate Notes, the first Interest Period commences on (and includes) the Issue Date and ends on (but excludes) the Payment Date falling in 25 January 2011. Each succeeding Interest Period commences on (and includes) a Payment Date and ends on (but excludes) the next succeeding Payment Date, except that the final Interest Period for a Class or sub-class of Floating Rate Notes ends on (but excludes) the date on which the Notes of such Class or sub-class, as applicable, are redeemed in full (together with accrued interest).

In respect of each Class of Fixed Rate Notes, the first Interest Period commences on (and includes) the Issue Date and ends on (but excludes) the Fixed Interest Payment Date falling in 25 May 2011. Each succeeding Interest Period commences on (and includes) a Fixed Interest Payment Date and ends on (but excludes) the next succeeding Fixed Interest Payment Date, except that the final Interest Period for a Class or sub-class of Fixed Rate Notes ends on (but excludes) the date on which the Notes of such Class or sub-class, as applicable, are redeemed in full (together with accrued interest).

Interest: Interest is calculated on the Invested Amount of each Note on the first day of each Interest Period:

- at the Class A1 Rate of Interest (in respect of the Class A1 Notes);
- at the Class A2 Rate of Interest (in respect of the Class A2 Notes);
- at the Class A3 Rate of Interest (in respect of the Class A3 Notes);
- at the Class A3-R Rate of Interest (in respect of the Class A3-R Notes);
- at the Class AB Rate of Interest (in respect of the Class AB Notes);
- at the Class AC Rate of Interest (in respect of the Class AC Notes); and
- at the Class B Rate of Interest (in respect of the Class B Notes).

At all times, the Class A Notes will rank equally without any preference or priority between each other in respect of the payment of interest.

At all times, payments of interest in respect of:

- (a) the Class AB Notes are subordinated to payments of interest in respect of the Class A Notes;
- (b) the Class AC Notes are subordinated to payments of interest in respect of the Class A Notes and the Class AB Notes; and
- (c) the Class B Notes are subordinated to payments of interest in respect of the Class A Notes, the Class AB Notes and the Class AC Notes.

A failure to pay interest on the Class AB Notes, the Class AC Notes or the Class B Notes does not constitute an Event of Default under the Security Trust Deed while there are any Class A Notes outstanding.

A failure to pay interest on the Class AC Notes or the Class B Notes does not constitute an Event of Default under the Security Trust Deed while there are any Class AB Notes outstanding.

A failure to pay interest on the Class B Notes does not constitute an Event of Default under the Security Trust Deed while there are any Class AC Notes outstanding.

Rates of Interest:

The Class A1 Rate of Interest for each Interest Period from (and including) the Issue Date up to (but excluding) the Call Date is the aggregate of BBSW for that Interest Period and the Agreed Margin with respect to the Class A1 Notes. The Class A1 Rate of Interest for each Interest Period from (and including) the Call Date up to (but excluding) the date on which the Class A1 Notes are redeemed in full (together with accrued interest) is, subject to the following, the aggregate of BBSW for that Interest Period, the Agreed Margin with respect to the Class A1 Notes plus 0.25% with respect to the Class A1 Notes.

The Class A2 Rate of Interest for each Interest Period from (and including) the Issue Date up to (but excluding) the Call Date is the aggregate of BBSW for that Interest Period and the Agreed Margin with respect to the Class A2 Notes. The Class A2 Rate of Interest for each Interest Period from (and including) the Call Date up to (but excluding) the date on which the Class A2 Notes are redeemed in full (together with accrued interest) is, subject to the following, the aggregate of BBSW for that Interest Period, the Agreed Margin with respect to the Class A2 Notes plus 0.25% with respect to the Class A2 Notes.

The Class A3 Rate of Interest for each Fixed Rate Interest Period from (and including) the Issue Date up to (but excluding) the date on which the Class A3 Notes are redeemed in full (together with accrued interest) is 7.00% per annum.

If the Class A3 Notes are not repaid in full on the Class A3 Refinancing Date or the Class A3 Notes are not refinanced on that day, the Class A3-R Rate of Interest for each Interest Period from (and including) the Class A3 Refinancing Date up to (but excluding) the Call Date is the

aggregate of BBSW for that Interest Period and the Agreed Margin with respect to the Class A3-R Notes. The Class A3-R Rate of Interest for each Interest Period from (and including) the Call Date up to (but excluding) the date on which the Class A3-R Notes are redeemed in full (together with accrued interest) is, subject to the following, the aggregate of BBSW for that Interest Period and the Agreed Margin with respect to the Class A3-R Notes, which will remain unchanged.

If the Class A3 Notes are refinanced at the Class A3 Refinancing Date, the Class A3-R Rate of Interest for each Interest Period from (and including) the Class A3 Refinancing Date up to (but excluding) the Call Date is the aggregate of BBSW for that Interest Period and the Agreed Margin with respect to the Class A3-R Notes. The Class A3-R Rate of Interest for each Interest Period from (and including) the Call Date up to (but excluding) the date on which the Class A3-R Notes are redeemed in full (together with accrued interest) will be as agreed between the Class A3-R Noteholders and the Trustee, and in respect of which the Manager has issued a Rating Affirmation Notice in relation to each Rating Agency, on the Class A3-R Refinancing Date.

The Class AB Rate of Interest for each Interest Period from (and including) the Issue Date up to (but excluding) the Call Date is the aggregate of BBSW for that Interest Period and the Agreed Margin with respect to the Class AB Notes. The Class AB Rate of Interest for each Interest Period from (and including) the Call Date up to (but excluding) the date on which the Class AB Notes are redeemed in full (together with accrued interest) is, subject to the following, the aggregate of BBSW for that Interest Period, the Agreed Margin with respect to the Class AB Notes plus 0.25% with respect to the Class AB Notes.

The Class AC Rate of Interest for each Interest Period from (and including) the Issue Date up to (but excluding) the Call Date is the aggregate of BBSW for that Interest Period and the Agreed Margin with respect to the Class AC Notes. The Class AC Rate of Interest for each Interest Period from (and including) the Call Date up to (but excluding) the date on which the Class AC Notes are redeemed in full (together with accrued interest) is, subject to the following, the aggregate of BBSW for that Interest Period, the Agreed Margin with respect to the Class AC Notes plus 0.25% with respect to the Class AC Notes.

The Class B Rate of Interest for each Interest Period from (and including) the Issue Date up to (but excluding) the Call Date is the aggregate of BBSW for that Interest Period and the Agreed Margin with respect to the Class B Notes. The Class B Rate of Interest for each Interest Period from (and including) the Call Date up to (but excluding) the date on which the Class B Notes are redeemed in full (together with accrued interest) is, subject to the following, the aggregate of BBSW for that Interest Period and the Agreed Margin with respect to the Class B Notes, which will remain unchanged.

Notwithstanding the foregoing, if on a Payment Date, falling on or after the Call Date, the Trustee is unable to redeem the Notes at their Stated Amount because the Noteholders have not approved, by an

Extraordinary Resolution at a meeting convened under the Security Trust Deed, the redemption of the Notes at their Stated Amount, then the margin on each Class or sub-class of Notes as from that Payment Date will remain at, or revert to, the Agreed Margin in relation to each such Class or sub-class, as applicable.

Agreed Margins: The Agreed Margin in respect of:

- the Class A1 Notes is 1.00 per cent per annum;
- the Class A2 Notes is 1.30 per cent per annum;
- the Class A3-R Notes is equal to the Class A3 Stepped Up Margin or such lower margin as agreed to by the Class A3-R Noteholders;
- the Class AB Notes is 2.00 per cent per annum;
- the Class AC Notes is 2.50 per cent per annum; and
- the Class B Notes is not disclosed.

Following the Call Date, subject to the above paragraphs, the margin on the Class A1 Notes, Class A2 Notes, Class AB Notes and Class AC Notes will increase by 0.25 per cent per annum.

The margin on the Class B Notes will remain unchanged.

Determination Date: Each day falling 5 Business Days before a Payment Date.

Stated Amount: The Stated Amount of a Note on any day will be A\$50,000 less:

- (a) the aggregate amount of principal which has been repaid in respect of that Note on or before that day; and
- (b) the aggregate amount of any prior reductions in the Stated Amount of that Note as a result of Charge-Offs (see Section 9.17 (“*Defaulted Amount Insufficiency*”)), plus the aggregate amount of prior increases in the Stated Amount of that Note as a result of reimbursement of earlier Charge-Offs (see Section 9.18 (“*Reimbursement of Charge-Offs*”)).

Invested Amount: The Invested Amount of a Note on any day will be A\$50,000 less the aggregate amount of principal which has been repaid in respect of that Note on or before that day.

2.11 Redemption of the Notes

Part Redemption of Notes: Noteholders will receive payments of principal on each Payment Date to the extent that there are available funds for that purpose.

Call Option: The Trustee may redeem all but not some only, of the Notes on any Payment Date falling on or after the Payment Date on which

the total principal outstanding on the Housing Loans are less than 10 per cent of the total principal outstanding of the Housing Loans as at the Cut-Off Date.

Early Redemption:

Notes may be redeemed prior to their stated maturity upon certain tax events in relation to the Notes or the Trustee.

Limit on Rights of Noteholders:

Apart from any security interest arising under the Security Trust Deed (see Section 12.1 (“*Charge*”)), the Noteholders do not own and have no interest in the Series Trust or any of its assets. In particular, but without prejudice to the rights and powers of the Security Trustee and the Noteholders under the Security Trust Deed, no Noteholder in its capacity as such is entitled to:

- (a) interfere with or question the exercise or non-exercise of the rights or powers of the Seller, the Servicer, the Manager or the Trustee in their dealings with the Series Trust or any Assets of the Series Trust;
- (b) require the transfer to it of any Asset of the Series Trust;
- (c) attend meetings or take part in or consent to any action concerning any property or corporation in which the Trustee has an interest;
- (d) exercise any rights, powers or privileges in respect of any Asset of the Series Trust;
- (e) lodge a caveat or other notice:
 - (i) forbidding the registration of any person as transferee or proprietor of, or any instrument affecting, any Asset of the Series Trust; or
 - (ii) claiming any estate or interest in any Asset of the Series Trust;
- (f) negotiate or communicate in any way with any person in respect of any Housing Loan assigned to the Trustee or with any person providing a Support Facility to the Trustee;
- (g) seek to wind up or terminate the Series Trust;
- (h) seek to remove the Servicer, the Manager or the Trustee;
- (i) take any proceedings of any nature whatsoever in any court or to obtain any remedy of any nature (including, without limitation, against the Trustee, the Manager, the Seller or the Servicer or in respect of the Series Trust or any Asset of the Series Trust). This will not limit the Noteholders right to compel the Trustee, the Manager or the Security Trustee to comply with their respective obligations under the Master Trust Deed, the Series

Supplement or the Security Trust Deed;

- (j) have any recourse to the Trustee or the Manager in their respective personal capacities, except to the extent of their fraud, negligence or wilful default (as defined in the Transaction Documents); or
- (k) have any recourse to the Seller or the Servicer in respect of a breach by the Seller or the Servicer of their respective obligations under the Series Supplement.

Listing:

Bankwest, as Manager, may make an application to the Irish Stock Exchange for the Class A2 Notes to be admitted to the Official List and trading on its regulated market. Any such approval relates only to the Class A2 Notes which are to be admitted to trading on the regulated market of the Irish Stock Exchange or other regulated markets for the purposes of Directive 2003/71/EC or which are to be offered to the public in any member state of the European Economic Area. There can be no assurance that any such listing will be obtained. The issuance and settlement of the Class A2 Notes on the Issue Date is not conditional on the listing of the Class A2 Notes on the Irish Stock Exchange. Perpetual Trustee Company Limited has not made or authorised the application for admission to listing and/or trading of the Class A2 Notes.

Form of Notes:

The Notes will be issued in the form of registered debt securities of the Trustee.

Notices to Noteholders:

Notices to each Noteholder will be deemed to have been given if sent by mail, postage prepaid, at the address of the Noteholder as shown in the Register. In the case of a Note held jointly, the notice will be sent to the registered address of the joint Noteholder whose name stands first in the Register. Any notice so mailed will be deemed to be received by the relevant Noteholder on the third (or seventh if outside Australia) day after posting. Such a notice will be conclusively presumed to have been duly given, whether or not the relevant Noteholder receives the notice. Notwithstanding the foregoing, any notice may be given to a Noteholder by an advertisement placed on a Sydney and Perth Business Day in the Australian Financial Review (or another nationally delivered paper in Australia).

While the Class A2 Notes are listed on the Irish Stock Exchange, a copy of all notices given to the Class A2 Noteholders must also be given to the Irish Stock Exchange.

2.12 The Housing Loans

Purchase of Housing Loans:

The Trustee will use the proceeds from the issue of the Notes to acquire the Housing Loans and Housing Loan Rights from the Seller. The Purchase Price for the Housing Loans will be

A\$998,063,700.53 (being the total principal balance outstanding as at the Cut-Off Date in respect of the purchased Housing Loans).

The Housing Loans are sourced from the Seller's general portfolio of residential housing loans. The Housing Loans are required to be secured by a registered mortgage over Australian residential property. The mortgage must be a first ranking mortgage or a second ranking mortgage if the Seller also had the benefit of a first ranking mortgage and that first ranking mortgage will also be assigned to the Trustee. Further details in relation to the Housing Loans and the features they may have are contained in Section 6 ("*Housing Loans*").

Assignment of Housing Loans:

The Housing Loans and Housing Loan Rights will be initially transferred from the Seller to the Trustee in equity on the Issue Date (but with effect from the Cut-Off Date). Upon the occurrence of a Perfection of Title Event the Trustee may be required to take certain steps to perfect its legal title to the Housing Loans and Housing Loan Rights. For further details on perfection of title, see Section 6.11 ("*Perfection of Title Event*").

Custody of Housing Loan Documents:

The Servicer will hold custody of the Housing Loan Documents on behalf of the Trustee until a Document Transfer Event occurs. For further details see Section 5.8 ("*Document Custody*").

Servicing:

Bankwest has been appointed as the initial Servicer under the Series Supplement. For further details on the Servicer, see Sections 5.4 ("*The Servicer*") and 10 ("*The Servicer*").

Collection:

The Trustee will be entitled to all Collections received in respect of Housing Loans from and including the Cut-Off Date. The Trustee will pay to the Seller on the first Payment Date from those Collections the Accrued Interest Adjustment (being an amount equal to the interest accrued on the Housing Loans from (and including) the previous due date for the payment of interest on each of the Housing Loans up to (but excluding) the Cut-Off Date). Moneys due by borrowers under the terms of the Housing Loans will be collected by the Servicer on behalf of the Trustee.

Whilst the Collections Account is permitted to be maintained with the Servicer (see Section 2.13 ("*Structural Features*")), the Servicer may retain the Collections it receives in respect of a Monthly Period until the next following Payment Date, when it must deposit such Collections into the Collections Account together with, in certain circumstances, interest earned on those Collections during the period they are held by the Servicer.

If the Collections Account is not permitted to be maintained with the Servicer (see 2.13 ("*Structural Features*")) the Servicer must pay all Collections it receives into the Collections Account within 2 Business Days of receipt or, where Collections are not received by the Servicer but are otherwise payable by the

Servicer or the Seller, within 2 Business Days of when they fell due for payment by the Servicer or the Seller.

Collections in respect of each Monthly Period will be distributed on the Payment Date following the end of that Monthly Period.

Other than as described in the foregoing paragraphs it is not intended that surplus cashflows will accumulate in the Series Trust.

Reporting of Pool Performance Data:

The Manager or a person nominated by the Manager will, on the Business Day prior to each Payment Date, publish on Reuters or Bloomberg, L.P. (or another similar electronic reporting service) pool performance data.

Pool performance data will include:

- (a) performance data relating to the Notes issued (including the Stated Amount of the Notes, the Class A1 Rate of Interest, the Class A2 Rate of Interest, the Class A3 Rate of Interest, the Class A3-R Rate of Interest, the Class AB Rate of Interest and the Class AC Rate of Interest;
- (b) the Note Factor for each Class of Notes;
- (c) prepayment rates;
- (d) arrears statistics; and
- (e) default statistics.

2.13 Structural Features

Mortgage Insurance:

The Noteholders' first level of protection if principal or interest losses (or both) occur on the Housing Loans is provided by the Mortgage Insurance Policies in respect of each Housing Loan. Together, the Mortgage Insurance Policies cover all principal and/or interest (other than penalty interest) losses incurred (if any) on each Housing Loan (subject to certain exclusions and the ability of the insurer to reduce the amount payable, or refuse, a claim in certain circumstances). For further details on the Mortgage Insurance Policies, see Section 11.3 ("*The Mortgage Insurance Policies*").

Excess Investor Revenues:

The Noteholders' second level of protection is the monthly excess of the cash flow generated by the Housing Loans (after taking into account the operation of the swaps under the Interest Rate Swap Agreements) over the payments to be made on the Notes and other outgoings ranking pari passu with or in priority to the Notes. To the extent that there is such an excess in cash flow available in relation to a Payment Date, it will be used to:

- (a) first, reimburse any unreimbursed Principal Draws;
- (b) second, to the extent that there are any amounts remaining, reimburse, any Defaulted Amounts;
- (c) third, to the extent that there are any amounts remaining, reimburse, any unreimbursed Charge-Offs in relation to the Notes; and
- (d) finally, to the extent there are amounts remaining, reimburse the Interest Rate Swap Providers and Subordinated Termination Payments payable by the Trustee in accordance with the relevant Interest Rate Swap Agreement.

Any amount remaining will be paid to the Income Unitholder. For a more detailed description of these cash flows, see Section 9 (“*Cashflow Allocation Methodology*”).

Charge-Offs:

Class A Noteholders will have the benefit of Charge-Offs being allocated first to the Class B Notes, second to the Class AC Notes and third to the Class AB Notes.

Class AB Noteholders will have the benefit of Charge-Offs being allocated first to the Class B Notes and second to the Class AC Notes.

Class AC Noteholders will have the benefit of Charge-Offs being allocated first to the Class B Notes.

That is, to the extent that there is a loss on a Housing Loan which is not satisfied by a claim under the Mortgage Insurance Policy corresponding to that Housing Loan, or by application of Total Investor Revenues, the amount of the loss will be allocated pari passu and rateably to the Class B Notes, reducing the Stated Amount of the Class B Notes until their Stated Amount is zero.

The amount of any remaining loss will then be allocated to the Class AC Notes, reducing the Stated Amount of the Class AC Notes until their Stated Amount is zero.

The amount of any remaining loss will then be allocated to the Class AB Notes, reducing the Stated Amount of the Class AB Notes until their Stated Amount is zero.

The amount of any remaining loss will then be allocated pari passu and rateably to the Class A Notes, reducing the Stated Amount of the Class A Notes until their Stated Amount is zero.

For a more detailed description of the operation of the Charge-Offs, see Section 9 (“*Cashflow Allocation Methodology*”).

Collections Account:

The Trustee will establish an account (or accounts) (the

“**Collections Account**”) into which all Collections received in respect of the Series Trust must be paid. The Collections Account must be maintained with a financial institution (an “**Eligible Depository**”) that has assigned to it short term credit ratings of at least A-1 by Standard & Poor’s and F1 by Fitch or a long term credit rating of at least A by Fitch, which includes the Servicer whilst the Servicer has those ratings. Where the Servicer is not an Eligible Depository, the Collections Account may still be maintained with the Servicer provided that:

- (a) a standby guarantee has been provided by an Eligible Depository to support the Servicer’s obligation to credit to, and to repay from, in accordance with normal bank practice, moneys deposited and to be deposited in the Collections Account; or
- (b) the Manager has issued a Rating Affirmation Notice in relation to each Rating Agency in relation to the Collections Account being held with the Servicer.

Where:

- (a) the Collections Account is held with the Servicer and the Servicer is not an Eligible Depository; and
- (b) the maximum amount available to be claimed by the Trustee under the standby guarantee is less than all amounts then deposited into the Collections Account and to be deposited into the Collections Account by 1.00pm on the next following Payment Date,

an amount equal to that excess must be transferred from that Collections Account to another Collections Account with an Eligible Depository which has short term credit ratings of at least A-1 by Standard & Poor’s and at least F1 by Fitch and a long term credit rating of at least A by Fitch.

Interest will be earned on the amount standing to the credit of the Collections Account except, whilst the Collections Account is held with the Servicer, the Servicer is not required to pay interest with respect to any amount deposited in the Collections Account on each Payment Date if:

- (a) the Manager determined on the Determination Date immediately preceding that day that all outstanding interest payable by the Trustee on the Notes is to be paid in full to the Noteholders on that Payment Date; and
- (b) an Insolvency Event does not exist in respect of the Servicer.

In addition, while the Collections Account is held with the

Servicer, the Servicer is not required to pay interest with respect to any prepayments by an Interest Rate Swap Provider (if any) held in the Collections Account.

The initial Collections Account will be held with the Servicer at its 17 Castlereagh Street, Sydney branch.

Liquidity Facility:

If there is a Net Liquidity Shortfall, the Trustee may be able to request an advance under the Liquidity Facility up to a total aggregate amount equal to the un-utilised portion of the Liquidity Facility Limit.

As described in Section 11.2 (“*The Liquidity Facility*”), the Liquidity Facility Limit will at all times be capped at the Performing Loans Amount. Subject to this limitation, the Liquidity Facility Limit will initially be A\$16,000,000 (1.6 per cent of the aggregate Invested Amount of the Notes on the Issue Date) as at the Issue Date. If the Amortisation Conditions have ever been satisfied, the Liquidity Facility Limit will be reduced each year in proportion to the aggregate Performing Loans Amount as at the most recent Payment Date that the Amortisation Conditions were satisfied following any payment on that date, subject to a floor of \$1,600,000.

Drawings under the Liquidity Facility will be subject to certain conditions precedent.

Bankwest will be the initial Liquidity Facility Provider.

For further details on the Liquidity Facility and a description of Bankwest, see Section 11.2 (“*The Liquidity Facility*”).

GIC Account:

The Trustee will establish the GIC Account that must be maintained with a financial institution with a short term credit rating of at least A-1+ by Standard & Poor’s and F1+ by Fitch and a long term credit rating of at least AA by Standard & Poor’s and A by Fitch. No amounts of principal will be repaid on the Class A3 Notes prior to the Class A3 Refinancing Date. On each Payment Date, to the extent that there are sufficient Principal Collections, amounts that would otherwise be applied to reduce the Invested Amount of the Class A3 Notes will be set aside in the GIC Account. On the Class A3 Refinancing Date, the balance of the GIC Account will be applied towards redeeming the Class A3 Notes.

If the Manager (acting reasonably) forms the opinion that the balance of the GIC Account at any time will result in a reduction, qualification or withdrawal of the ratings then assigned by any of the Rating Agencies to the Class A3 Notes, the Manager may direct the Trustee to withdraw an amount from the GIC Account and invest that amount in GIC Authorised Investments which have a maturity prior to the Class A3 Refinancing Date, provided that a Rating Affirmation Notice has been provided in respect of

the acquisition of those GIC Authorised Investments. The Manager has agreed to direct the Trustee to realise the GIC Authorised Investments on or before the Class A3 Refinancing Date and deposit the realisation proceeds into the GIC Account.

For further details on the GIC Account, see Section 11.4 (“*GIC account*”).

Extraordinary Expense Reserve:

The Seller has agreed to lend to the Trustee an amount equal to the Extraordinary Expense Reserve Required Amount on the Issue Date. The Trustee has agreed to, at the direction of the Manager, deposit the Extraordinary Expense Reserve Required Amount received from the Seller into the Collections Account as a sub-ledger known as the “Extraordinary Expense Reserve”. Further amounts may be deposited into the Extraordinary Expense Reserve to the extent required under Section 9.8 (“*Application of Total Investor Revenues on each Payment Date*”).

If, on any Determination Date, the Manager determines that the Net Liquidity Shortfall exceeds the Applied Liquidity Amount (if any) to be paid or applied under the Liquidity Facility Agreement on the immediately following Payment Date, then an amount equal to the lesser of:

- (a) that excess; and
- (b) the balance of the Extraordinary Expense Reserve,

will be applied from the Extraordinary Expense Reserve on the following Payment Date by the Trustee, at the direction of the Manager, to meet that shortfall (“**Extraordinary Expense Reserve Draw**”).

For further details on the Extraordinary Expense Reserve, see Section 9.13 (“*Extraordinary Expense Reserve*”).

Income Reserve:

The Seller has agreed to lend to the Trustee an amount equal to the Income Reserve Required Amount on the Issue Date. The Trustee has agreed to, at the direction of the Manager, deposit the Income Reserve Required Amount received from the Seller into the Collections Account as a sub-ledger known as the “Income Reserve”. Further amounts may be deposited into the Income Reserve to the extent required under Section 9.8 (“*Application of Total Investor Revenues on each Payment Date*”).

On each Determination Date, an amount equal to the lesser of:

- (a) an amount equal to:
 - (i) the GIC Balance as at the immediately preceding Payment Date; multiplied by
 - (ii) the Class A3 Swap Margin; multiplied by
 - (iii) the number of days in the immediately preceding

Monthly Period; divided by

(iv) 365; and

(b) the balance of the Income Reserve,

will be applied from the Income Reserve on the following Payment Date by the Trustee, at the direction of the Manager, to meet that shortfall (“**Income Reserve Draw**”).

For further details on the Income Reserve, see Section 9.14 (“*Income Reserve*”).

Redraw Notes:

If Adjusted Principal Collections for a Monthly Period are insufficient to fully reimburse the Seller for Seller Advances made during that Monthly Period, the Trustee may issue Redraw Notes to fund the reimbursement of those Seller Advances.

Class A3-R Notes:

For further details on the Class A3-R Notes, see Section 8.4 (“*Class A3-R Notes*”).

2.14 Interest Rate Risk Management

Interest Rate Swap Agreement:

In order to hedge the mismatch between the rates of interest on the Housing Loans and the Trustee’s floating rate payment obligations under the Floating Rate Notes, the Trustee and the Manager will enter into the Basis Swap and the Fixed Rate Swap with an Interest Rate Swap Provider. Bankwest will be the initial Interest Rate Swap Provider for the Basis Swap and the Fixed Rate Swap.

In order to hedge the mismatch between the rates of interest on the Housing Loans and the Trustee’s fixed rate payment obligations under the Fixed Rate Notes, the Trustee and the Manager will enter into the Class A3 Fixed Rate Swap with an Interest Rate Swap Provider.

Bankwest will be the initial Interest Rate Swap Provider for the Basis Swap, the Fixed Rate Swap and the Class A3 Fixed Rate Swap. The Basis Swap, the Fixed Rate Swap and the Class A3 Fixed Rate Swap will each be governed by the terms of the Interest Rate Swap Agreement. For further details in relation to the Interest Rate Swaps and a description of Bankwest, see Section 4.2 (“*Description of Bankwest*”) and Section 11.1 (“*The Interest Rate Swaps*”), respectively.

Threshold Rate:

If the Basis Swap has been terminated, the Manager must determine the rate that is the minimum interest rate required to be set on Housing Loans which are subject to a variable rate, in order to cover, together with amounts to be received in respect of fixed rate Housing Loans under any Fixed Rate Swap and certain other Investor Revenues, the amounts payable by the Trustee

under paragraphs (a) to (g) (inclusive) of Section 9.8 (“*Application of Total Investor Revenues on each Payment Date*”) (the “**Threshold Rate**”) and notify that rate to the Trustee, the Seller and the Servicer on or prior to the following Payment Date.

2.15 Further Information

- Security Trust Deed:** The obligations of the Trustee in respect of the Notes (among other obligations) are secured by the Charge granted by the Trustee over the Assets of the Series Trust in favour of the Security Trustee pursuant to the Security Trust Deed. The Security Trust Deed and the order of priority in which the proceeds of enforcement of the Charge are to be applied are described in Section 9 (“*Cashflow Allocation Methodology*”).
- Deductions:** All payments in respect of the Notes will be made free and clear of, and without deduction for, taxes unless the Trustee is required by law to make such a deduction. In that event, the Trustee will account to the relevant authority for the amount of such deduction and will not be obliged to make an additional payment in respect of that deduction. For further details see Section 13 (“*Taxation Considerations*”).
- Selling Restrictions:** The offering, sale and delivery of the Notes and the distribution of this Information Memorandum and other material in relation to the Notes are subject to restrictions as may apply in any jurisdiction in connection with the offering and sale of the Notes. For further details see Section 14 (“*Selling Restrictions*”).
- Governing Law:** All Transaction Documents are governed by the laws in force in the State of New South Wales, Australia.

3 Some risk factors

The purchase, and subsequent holding, of the Notes is not free of risk. The Manager believes that the risks described below are some of the principal risks inherent in the transaction for noteholders and that the discussion in relation to the Notes indicates some of the possible implications for Noteholders. However, the inability of the Trustee to pay interest or principal on the Notes may occur for other unforeseen reasons and the Manager does not in any way represent that the description of the risks outlined below is exhaustive. It is only a summary of some particular risks. Further, although the Manager believes that the various structural protections available to Noteholders lessen certain of these risks, there can be no assurance that these measures will be sufficient to ensure the payment of interest or principal on the Notes on a timely or full basis. Prospective investors should also read the detailed information set out elsewhere in this Information Memorandum and make their own independent investigation and seek their own independent advice as to the potential risks involved in purchasing and holding the Notes.

3.1 Limited Liability Under the Notes

The Notes are debt obligations of the Trustee in its capacity as Trustee of the Series Trust. The Trustee's liability in respect of the Notes is limited to, and can be enforced against the Trustee only to the extent to which it can be satisfied out of, the Assets of the Series Trust out of which the Trustee is actually indemnified for the liability except in certain limited circumstances (as to which see Section 5.2 ("*The Trustee*")).

3.2 Secondary Market Risk

There is no assurance that any secondary market will develop or, if one does develop, that it will provide liquidity of investment or will continue for the life of the Notes.

The risk that the secondary market in the Notes will cease to develop or fail is increased during major disruptions in the capital markets. Such disruptions may not be limited to issues which are directly relevant to the Assets of the Series Trust and which therefore may appear to be unrelated to the Notes. For example, recently there has been a significant downturn in the global credit markets which has been precipitated by performance concerns in the "sub-prime" loan market in the United States. Due to the way in which those "sub-prime" loans were funded in the capital markets, many investors with exposure to sub-prime were forced to revalue their investments based on current market prices and liquidate holdings which crystallised losses.

The global debt capital markets are currently experiencing disruptions worldwide resulting from reduced investor demand for debt instruments, including mortgage-backed securities. A prolonged reduction in demand for mortgage-backed or other debt securities (including in relation to Australian prime residential mortgage backed securities), alone or in combination with the continuing increase in prevailing market interest rates, may adversely affect the market value of the Notes and may adversely affect the ability of the Noteholders to sell the Notes.

There is no certainty as to the duration of the destabilising effect in the debt capital markets or whether the price of the Notes will be affected by factors which are unrelated to the credit quality of the Notes. For example, the price of the Notes may be affected by issues including the performance of debt instruments of other Series Trusts, even though these events may have no direct correlation to the quality of the Assets of the Series Trust.

There is no certainty that the secondary market in relation to the Notes will recover or whether the price of the Notes will be affected by factors which are unrelated to the credit quality of the Notes.

3.3 Timing of Principal Payments

If the Notes were bought above face value, the yield on the Notes will drop if the principal payments occur at a faster than expected rate. If the notes were bought below face value, the yield on the notes will drop if principal payments occur at a slower than expected rate. Set out below is a description of some circumstances in which the Trustee may receive early or delayed repayments of principal on the Housing Loans and, as a result of which, the Noteholders may receive repayments of principal on the Notes earlier or later than would otherwise have been the case:

- (a) enforcement proceeds received by the Trustee due to a borrower having defaulted on its Housing Loan;
- (b) receipt of insurance proceeds by the Trustee in relation to an insurance claim in respect of a Housing Loan;
- (c) repurchases of Housing Loan by Bankwest as a result of any one of the following occurring:
 - (i) Bankwest making a further advance under a Housing Loan which causes the scheduled principal balance for that Housing Loan to be exceeded by more than 1 scheduled monthly instalment (see Section 6.8 (“*Consequences of Seller Advances by the Seller*”)), providing an additional feature in relation to a Housing Loan or for any similar purpose;
 - (ii) there being a change in law which leads to the Series Trust being terminated early and the Housing Loan are then repurchased by the Seller or sold to a third party (see Section 5.8 (“*Document Custody*”)); or
 - (iii) the Seller exercising its option to repurchase the balance of the Housing Loan on or following the termination of the Series Trust or after the Call Date;
- (d) the Servicer is obliged to service the Housing Loan in accordance with its servicing guidelines or, to the extent not covered by the servicing guidelines, the standards and practices of a prudent lender in the business of making and servicing retail home loans. There is no definitive view as to whether the standards and practices of a prudent lender in the business of making and servicing retail home loans do or do not include the Servicer’s own franchise considerations. If those considerations are included the Servicer would be entitled to consider its own reputation and future business writing prospects in making a determination as to how current Housing Loan are administered. Such a course may result in a delay of principal returns to Noteholders. The Servicer is, however, required to give undertakings as to how it will administer the Housing Loans (see Section 5.4 (“*The Servicer*”)) and comply with the express limitations in the Series Supplement;

- (e) the terms and conditions of the Housing Loan and Housing Loan Rights allow borrowers, with the consent of Bankwest, to substitute their mortgaged property with a different mortgaged property without necessitating the repayment of the Housing Loan in full. Housing Loans which are secured by mortgaged property which may be substituted in this way may show a slower rate of prepayment than Housing Loan secured by mortgaged property which cannot be substituted in this way;
- (f) the terms and conditions of a Housing Loan and Housing Loan Rights may allow a borrower, at the discretion of Bankwest, to redraw funds previously prepaid by that borrower. This may slow the rate of prepayment on the Housing Loans;
- (g) the mortgage which secures a Housing Loan may also secure other financial accommodation provided by Bankwest. If the mortgagor is in default under that other financial accommodation and Bankwest enforces the relevant mortgage, the proceeds of enforcement will be made available to the Trustee (in priority to Bankwest for repayment of the Housing Loan. This may in turn result in the relevant Housing Loan being prepaid earlier than would otherwise be the case. This may occur notwithstanding there being no default under the Housing Loan; and
- (h) the Trustee transferring (on the direction of the Manager) some or all of the Housing Loans to another trust established under the Master Trust Deed on the Payment Date following the day the aggregate principal outstanding on the Housing Loans is on the last day of a Monthly Period, when expressed as a percentage of the aggregated principal outstanding on the Housing Loans at the Closing Date, at or below 10%.

3.4 Prepayment then Non-Payment

There is the possibility that borrowers who have prepaid an amount of principal under their Housing Loans do not continue to make scheduled payments under the terms of their Housing Loans. Consistent with standard Australian banking practice, the Servicer does not consider such a Housing Loan to be in arrears until such time as the actual principal balance has exceeded the then current scheduled principal balance.

The failure of borrowers to make payments when due after an amount has been prepaid under their Housing Loans may affect the ability of the Trustee to make timely payments of interest and principal to Noteholders. If the Trustee has insufficient funds to pay interest on the Notes because the above situation has occurred, the Trustee may be entitled to make a drawing under the Liquidity Facility for the amount of the deficiency (as to which, see Section 11.2 (*"The Liquidity Facility"*)) up to a total aggregate amount equal to the un-utilised portion of the liquidity facility limit. The Liquidity Facility mitigates the risk of such a deficiency but may not be sufficient to cover the whole of the deficiency.

3.5 Delinquency and Default Risk

The Trustee's obligations to pay interest and principal on the Notes in full is limited by reference to, amongst other things, receipts under or in respect of the outstanding Housing Loans. Noteholders must rely, amongst other things, for payment upon payments being made under the Housing Loans and on amounts available under the Mortgage Insurance Policies and, if and to the extent available, money to be drawn under the Liquidity Facility (see Section 11.2 (*"The Liquidity Facility"*)).

If borrowers fail to make their monthly payments when due (other than when the borrower has prepaid principal under its Housing Loan), there is a possibility that the Trustee may have insufficient funds to make full payments of interest on the Notes and eventual payment of principal to the Noteholders. A wide variety of local or international developments of a legal, social, economic, political or other nature could conceivably affect the performance of borrowers under their Housing Loan.

In particular, as at the Cut-Off Date, some of the Housing Loans will be set at variable rates. These rates are reset from time to time at the discretion of the Servicer as appropriate (see Section 10.7 (“*Express Powers and Limitations on Servicing*)). It is possible, therefore, that if these rates increase significantly relative to historical levels, borrowers may experience distress and increased default rates on the Housing Loans may result.

If a borrower defaults on payments to be made under a Housing Loan and the Servicer as appropriate seeks to enforce the mortgage securing the Housing Loan, many factors may affect the length of time before the mortgaged property is sold and the proceeds of sale are realised. In such circumstances, the sale proceeds are likely to be less than if the sale was carried out by the borrower in the ordinary course. Any such delay and any loss incurred as a result of the realised proceeds of the sale of the property being less than the principal amount outstanding at that time under the Housing Loan may affect the ability of the Trustee to make payments under the Notes, notwithstanding any amounts that may be claimed under the Mortgage Insurance Policies (see Section 11.3 (“*The Mortgage Insurance Policies*”)) or claimed under the Liquidity Facility (see Section 11.2 (“*The Liquidity Facility*”)).

Noteholders will bear the investment risk resulting from the delinquency and default experience of the Housing Loans.

3.6 Servicer Risk

The appointment of the Servicer may be terminated in certain circumstances. If the appointment of the Servicer is terminated, the Trustee is obliged to find another entity to perform the role of Servicer for the Series Trust. The appointment of a substitute Servicer will only have effect once the Manager has given prior written notice to each Rating Agency in relation to such appointment and the substitute Servicer has executed a deed under which it agrees to service the Housing Loans and Housing Loan Rights upon the same terms as originally agreed to by the Servicer. However, there is no guarantee that a substitute Servicer will be found who would be willing to service the Housing Loans and Housing Loan Rights on the same terms agreed to by the Servicer.

If the Trustee is unable to locate a suitable substitute Servicer, the Trustee must act as the substitute Servicer, and will continue to act in this capacity until a suitable substitute Servicer is found.

The Servicer may also retire as Servicer by giving not less than 3 months’ notice in writing to the Trustee and the Manager (or, if the Trustee has agreed to a lesser period of notice, that lesser period).

3.7 Assignment and risks of Equitable Assignment

The Housing Loans will be assigned by Bankwest to the Trustee in equity. If the Trustee declares that a Perfection of Title Event has occurred under the Series Supplement (see

Section 6.11 (“*Perfection of Title Event*”) the Trustee and the Manager must, amongst other things, take all such steps as are necessary to perfect the Trustee’s legal title in the mortgages relating to the Housing Loans (see Section 6.11 (“*Perfection of Title Event*”) for further details on Perfection of Title Events). Until such time, the Trustee is not to take any such steps to perfect legal title and, in particular, it will not notify the borrowers or any security providers of the assignment of the Housing Loans.

The delay in the notification to a borrower of the assignment of the Housing Loans to the Trustee may have the following consequences:

- (a) until a borrower, guarantor or security provider has notice of the assignment, such person is not bound to make payment to anyone other than Bankwest and can obtain a valid discharge from Bankwest. However, Bankwest is appointed as the initial Servicer of the Housing Loans and is obliged to deal with all moneys received from borrowers in accordance with the Series Supplement and to service those Housing Loans in accordance with the servicing standards;
- (b) until a borrower, guarantor or security provider has notice of the assignment, rights of set-off or counterclaim may accrue in favour of the borrower, guarantor or security provider against its obligations under the Housing Loans which may result in the Trustee receiving less money than expected from the Housing Loans (see Section 3.8 (“*Set-Off*”) below);
- (c) for so long as the Trustee holds only an equitable interest in the Housing Loans, the Trustee’s interest in the Housing Loans may become subject to the interests of third parties created after the creation of the Trustee’s equitable interest but prior to it acquiring a legal interest. To reduce this risk, the Servicer has undertaken not to consent to the creation or existence of any security interest over the mortgages securing the Housing Loans; and
- (d) for so long as the Trustee holds only an equitable interest in the Housing Loans, Bankwest must be a party to any legal proceedings against any borrower, guarantor or security provider in relation to the enforcement of any Housing Loan. In this regard, the Servicer undertakes to service (including enforce) the Housing Loans in accordance with the servicing standards.

Further, a single judge of the Federal Court of Australia has recently held in *Goodridge v Macquarie Bank Limited (ABN 46 008 583 542) and Leveraged Equities Limited* [2010] FCA 67 (“**Goodridge**”) that rights under a loan contract are not capable of assignment where they are inherent and necessary to both the assignor's rights and its obligations under the whole loan and security arrangements. The Goodridge decision relates to margin loans, rather than residential mortgage loans, where there was an obligation by the bank to provide additional funding to the borrowers in certain circumstances and in respect of which it had certain rights. Bankwest has very limited, if any, continuing obligations under the Housing Loans given that Bankwest is under no obligation to provide redraws and further advances to borrowers. Further, the rights associated with any such obligations are not linked to the obligations in the way described in the Goodridge decision and for that reason the decision should be distinguished.

3.8 Set-Off

The Housing Loans can only be sold free of set-off to the Trustee to the extent permitted by law. The consequence of this is that if a borrower, guarantor or security provider in

connection with the Housing Loan has funds standing to the credit of an account with Bankwest or amounts are otherwise payable to such a person by Bankwest, that person may have a right on the enforcement of the Housing Loan or the Housing Loan Rights or on the insolvency of Bankwest to set-off Bankwest's liability to that person in reduction of the amount owing by that person in connection with the Housing Loan.

If Bankwest becomes insolvent, it can be expected that borrowers, guarantors and security providers will exercise their set-off rights to a significant degree.

To the extent that, on the insolvency of Bankwest set-off is claimed in respect of deposits, the amount available for payment to the Noteholders may be reduced to the extent that those claims are successful.

3.9 Ability of the Trustee to Redeem the Notes

The ability of the Trustee to redeem all the Notes at their aggregate outstanding principal amounts whilst any of the Housing Loans are still outstanding will depend upon whether the Trustee is able to collect or otherwise obtain an amount sufficient to redeem the Notes and to pay its other obligations in the order explained in Section 9 ("*Cashflow Allocation Methodology*"). Following the enforcement of the Security Trust Deed and the crystallisation of the floating charge in favour of the Noteholders and other Secured Creditors, the Security Trustee will be required to apply moneys otherwise available for distribution in the order of the priority set out in the Security Trust Deed (described in Section 12.4 ("*Priorities under the Security Trust Deed*"). The moneys available to the Security Trustee for distribution may not be sufficient to satisfy in full the claims of all or any of the Noteholders and neither the Security Trustee nor the Trustee will have any liability to the Noteholders in respect of any such deficiency. Although the Security Trustee may seek to obtain the necessary funds by means of a sale of the outstanding Housing Loans, there is no guarantee that there will be at that time an active and liquid secondary market for mortgages. Further, if there was such a secondary market, there is no guarantee that the Security Trustee will be able to sell the Housing Loans for the principal amount then outstanding under such Housing Loans.

Accordingly, the Security Trustee may be unable to realise the value of the Housing Loans, or may be unable to realise the full value of the Housing Loans which may impact upon its ability to redeem all outstanding Notes at that time.

3.10 Breach of Representation and Warranty

Bankwest makes certain representations and warranties as at the Cut-Off Date to the Trustee in relation to the Housing Loans to be assigned to the Trustee (see Section 6.5 ("*Seller's Representations and Warranties in relation to the Housing Loans*"). The Trustee has not investigated or made any enquiries regarding the accuracy of the representations and warranties. Under the Series Supplement the Trustee is under no obligation to test the truth of the representations and warranties and is entitled to rely entirely upon the representations and warranties being correct unless it is actually aware of any breach (see Section 6.6 ("*Trustee Entitled to Assume Accuracy of Representations and Warranties*"). If the Trustee discovers that a representation and warranty was incorrect when given in relation to a Housing Loan, Bankwest has agreed to pay damages to the Trustee for any loss or costs incurred by the Trustee. However, the amount of such loss or costs cannot exceed the principal outstanding amount and accrued but unraised interest and any outstanding fees in respect of the Housing Loans. Besides this remedy, there is no other express remedy available to the Trustee in respect of a breach of the

representations and warranties given in respect of the Housing Loans. The rights of the Trustee in respect of any representation or warranty being incorrect are described in more detail in Section 6.7 (“*Consequences of a Breach of the Representations and Warranties*”).

3.11 The Mortgage Insurance Policies

The Mortgage Insurance Policies are subject to some exclusions from coverage and rights of refusal or reduction of claims, some of which are described in Section 11.3 (“*The Mortgage Insurance Policies*”). The availability of funds under these Mortgage Insurance Policies will ultimately be dependent on the financial strength of the insurers. A Borrower’s payments that are expected to be covered by the Mortgage Insurance Policies may not be covered because of these exclusions, refusals or reductions or because of financial difficulties impeding the mortgage insurer’s ability to perform its obligations. If such circumstances arise the Trustee may not have enough money to make timely and full payments of principal and interest on the Notes.

A claim under a Mortgage Insurance Policy may be refused or reduced in certain circumstances (see generally Section 11.3 (“*The Mortgage Insurance Policies*”)) including in the event of a misrepresentation or a breach of any duty of disclosure by the Trustee or Bankwest. This may affect the ability of the Trustee to make timely payments of interest and principal on the Notes. However, in respect of certain of these circumstances, the Trustee may have recourse to Bankwest either for breach of a representation and warranty (see Section 6.7 (“*Consequence of a Breach of the Representations and Warranties*”)) or for breach of its obligations as Servicer).

3.12 Consumer credit legislation

Consumer Credit Code

Some of the Housing Loans and Housing Loan Rights are regulated by the Consumer Credit Code. Under that legislation, a debtor, guarantor or mortgagor may have a right to apply to a court to:

- (a) in the case of a debtor, vary the terms of a Housing Loan on the grounds of hardship;
- (b) vary the terms of a Housing Loan and Housing Loan Rights or a change to such documents, that are unjust, and reopen the transaction that gave rise to the Housing Loan and any Housing Loan Rights or change;
- (c) in the case of a debtor or guarantor, reduce or cancel any interest rate payable on the Housing Loan arising from a change to that rate which is unconscionable;
- (d) have certain provisions of the Housing Loan or Housing Loan Rights which are in breach of the legislation declared void or unenforceable;
- (e) obtain restitution or compensation from the credit provider in relation to any breaches of the Consumer Credit Code in relation to the Housing Loan or Housing Loan Rights; or
- (f) seek various remedies for other breaches of the Consumer Credit Code.

Any such order may affect the timing or amount of interest, fees or charges, or principal payments under the relevant Housing Loan (which might in turn affect the timing or amount of Coupon or principal payments under the Notes).

Breaches of the Consumer Credit Code may also lead to civil penalties or criminal fines being imposed on the Seller, for so long as it holds legal title to the Housing Loans and the Housing Loan Rights. If the Trustee acquires legal title, it will then become primarily responsible for compliance with the Consumer Credit Code. The amount of any civil penalty payable by the debtor may be set off against any amount payable by the debtor under the Housing Loans. The Trustee will be indemnified out of the Assets of the Series Trust for liabilities it incurs under the Consumer Credit Code. Where the Trustee is held liable for breaches of the Consumer Credit Code, the Trustee must seek relief initially under any indemnities provided to it by the Servicer before exercising its rights to recover against any Assets of the Series Trust.

The Seller will give certain representations and warranties that the mortgages relating to the Housing Loans complied in all material respects with all applicable laws when those Housing Loans were entered into. The Servicer has also undertaken to comply with the Consumer Credit Code in carrying out its obligations under the Transaction Documents. In certain circumstances the Trustee may have the right to claim damages from the Seller or the Servicer, as the case may be, where the Trustee suffers loss in connection with a breach of the Consumer Credit Code which is caused by a breach of a relevant representation or undertaking.

Unfair Terms

On 10 June 2009, Victoria extended its unfair terms regime (contained in Part 2B of the Fair Trading Act 1999 (Vic)) to apply to Consumer Credit Code regulated credit contracts, which had previously been excluded. Under the Victorian regime, a term in a consumer contract is unfair and therefore void if it is a prescribed unfair term or if a court or Tribunal determines that in all the circumstances it causes a significant imbalance in the parties' rights and obligations arising under the contract to the detriment of the consumer. Under the transitional provisions, the legislation will apply to a term of the Housing Loans and Housing Loan Rights to the extent the term is varied on or after 11 June 2009, but only to the extent of the variation.

The recently enacted Trade Practices Amendment (Australian Consumer Law) Act (No.1) 2010 ("**TPA Act**") introduces a national unfair terms regime. Under this regime, a term of a standard-form consumer contract will be unfair, and therefore void, if it causes a significant imbalance in the parties' rights and obligations under the contract, is not reasonably necessary to protect the supplier's legitimate interests and would cause detriment to the consumer if it were relied on. The provisions in the Act dealing with unfair terms commenced on 1 July 2010 and will apply to a term of the Receivables Contracts if the contract is renewed or varied, or the term is renewed or varied, after 1 July 2010. A term of a Receivables Contracts which is unfair under this legislation may be declared void.

Consumer Credit

The National Consumer Credit Protection Act ("**NCCP Act**"), which includes a new National Credit Code ("**New Code**"), received Royal Assent on 23 December 2009.

The New Code will apply (with some limited exceptions) to the Housing Loans and Housing Loans Rights that were previously regulated under the Consumer Credit Code from 1 July 2010 (or a later date prescribed by regulation).

Under the New Code a debtor, mortgagor and guarantor will continue to have the same rights to apply to a court as are described above in relation to the Consumer Credit Code.

It is also proposed to extend the responsible lending obligations under the NCCP Act to the Housing Loans in limited circumstances.

Entities that engage in “credit activities” in connection with the New Code regulated Housing Loans and Housing Loans Rights may also require an Australian credit licence.

Effect of orders

Any order made under any of the above consumer credit laws may affect the timing or amount of collections under the relevant Eligible Receivable which may in turn affect the timing or amount of interest and principal payments under the Notes.

Representation and warranty

Bankwest have made certain representations and warranties that the Housing Loans complied with all applicable laws at the time the Housing Loans were made. The Servicer has undertaken to comply with all applicable laws in servicing those loans regulated by the legislation.

3.13 Independent Ratings Evaluation

The security ratings of the Notes should be evaluated independently from similar ratings on other types of Notes or securities. A security rating by a Rating Agency is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension, qualification or withdrawal at any time by the relevant rating agency. A revision, suspension, qualification or withdrawal of the rating of the Notes may adversely affect the price of the Notes. In addition, the ratings of the Notes do not address the expected timing of principal repayments under the Notes, only that principal will be received no later than the Final Maturity Date.

3.14 Investor Suitability

The Notes are not a suitable investment for any investor that requires a regular or predictable schedule of payments or payment on any specific date. The Notes are complex investments that should be considered only by investors who, either alone or with their financial, tax and legal advisors, have the expertise to analyse the prepayment, reinvestment, default and market risk, the tax consequences of an investment, and the interaction of these factors.

Mortgage-backed securities, like the Notes, usually produce more returns of principal to investors when market interest rates fall below the interest rates on the housing loans and produce less returns of principal when market interest rates rise above the interest rates on the housing loans. If borrowers refinance their housing loans as a result of lower interest rates, investors will receive an unanticipated payment of principal. As a result, investors are likely to receive more money to reinvest at a time when other investments generally are producing a lower yield than that on the notes and are likely to receive less money to reinvest when other investments generally are producing a higher yield than that on the

notes. Investors will bear the risk that the timing and amount of payment on the Notes will prevent investors from attaining the desired yield.

3.15 Changes in the Features of Housing Loans

The features of the Housing Loans including their interest rates, may be changed by Bankwest, either on its own initiative or at a borrower's request. Some of these changes may include the addition of newly developed features which are not described in this Information Memorandum. As a result of these changes and borrowers' payments of principal, the concentration of Housing Loans with specific characteristics is likely to change over time, which may affect the timing and amount of payments investors receive.

If Bankwest changes the features of the Housing Loans or fails to offer desirable features offered by their competitors, borrowers might elect to refinance their loan with another lender to obtain more favourable features. In addition, the Housing Loans included in the Series Trust are not permitted to have some features. If a borrower chooses to add one of these features to his or her Housing Loans, in effect the Housing Loan will be repaid and a new Housing Loans will be written which will not form part of the Assets of the Series Trust. The refinancing or removal of Housing Loans could cause investors to experience higher rates of principal prepayment than investors expected, which could affect the yield on Notes.

3.16 Australian Economic Conditions

If the Australian economy were to experience a decline in economic conditions, an increase in interest rates, a fall in property values or any combination of these factors, delinquencies or losses on the Housing Loans might increase, which might cause losses on the Notes.

3.17 Geographic Concentration of Housing Loans

To the extent that the Series Trust contains a high concentration of Housing Loans secured by properties located within a single state or region within Australia, any deterioration in the real estate values or the economy of any of those states or regions could result in higher rates of delinquencies, foreclosures and losses than expected on the Housing Loans. In addition, these states or regions may experience natural disasters, which may not be fully insured against and which may result in property damage and losses on the Housing Loans. These events may in turn have a disproportionate impact on funds available to the Series Trust, which could cause investors to suffer losses.

3.18 Privacy

The collection and handling of personal information (including credit reports) about individuals (including debtors, mortgagors and guarantors) is regulated by the Australian Privacy Act. The Act contains, amongst other things, restrictions on the use and disclosure of information. In most cases, if the collection and handling of credit information or reports does not comply with the Act, the contravening party is guilty of an offence punishable by a fine. In addition, a person may complain to the Privacy Commissioner, who can investigate the complaint and make a determination that can include a declaration that the complainant is entitled to loss and damage suffered by reason of the act or practice the subject of the complaint. The determination may be enforced by the Federal Court. The Privacy Commissioner has other powers including to investigate certain acts and conduct audits.

3.19 Priority of Principal on the Redraw Notes

If Redraw Notes are issued they will rank ahead of Notes with respect to payment of principal prior to enforcement of the charge under the Security Trust Deed, and Noteholders may not receive full repayment of principal on the Notes.

3.20 Class AB Notes, Class AC Notes and Class B Notes provide only limited protection

The amount of credit enhancement providing through the subordination of the Class AB Notes, the Class AC Notes or the Class B Notes (or one or more of them) to the Class A1 Notes, the Class A2 Notes, the Class A3 Notes, the Class A3-R Notes, the Class AB Notes, the Class AC Notes and the Redraw Notes is limited and could be depleted prior to the payment in full of the Class A1 Notes, the Class A2 Notes, the Class A3 Notes, the Class A3-R Notes, the Class AB Notes, the Class AC Notes and the Redraw Notes. If the Stated Amount of the Class AB Notes, the Class AC Notes or the Class B Notes is reduced to zero, Class A1 Noteholders, Class A2 Noteholders, Class A3 Noteholders, Class A3-R Noteholders, Class AB Noteholders and Class AC Noteholders may suffer losses on the their Notes.

3.21 Termination of Swaps

- (a) The Trustee will exchange the interest payments from the fixed rate Housing Loans for variable rate payments based upon the one month BBSW. If a fixed rate swap is terminated or the Interest Rate Swap Provider fails to perform its obligations, Noteholders will be exposed to the risk that the floating rate of interest payable on the Notes will be greater than the discretionary fixed rate set by the Servicer on the fixed rate Housing Loans, which may lead to losses to Noteholders.
- (b) The Trustee will exchange the interest payments from the variable rate and fixed rate housing loans for fixed rate payments based upon the Class A3 Rate of Interest. If a fixed rate swap is terminated or the Interest Rate Swap Provider fails to perform its obligations, there may be less funds available to Noteholders, which may lead to losses to Noteholders.
- (c) The Trustee will exchange the interest payments from the variable rate housing loans for variable rate payments based upon the one month BBSW. If a basis swap is terminated, the Manager will direct the Servicer to, subject to applicable laws, set the rates at which interest set-off benefits are calculated under the mortgage interest saver accounts at a rate low enough to cover the payments owed by the Series Trust or to zero, and if that does not produce sufficient income, to set the interest rate on the variable rate Housing Loans at a rate high enough to cover the payments owed by the Series Trust. If the rates on the variable rate Housing Loans are set above the market interest rate for similar variable rate Housing Loans, the affected Borrowers will have an incentive to refinance their Housing Loans with another institution, which may lead to higher rates of principal prepayment than Noteholders initially expected, which will affect the yield on the Notes.
- (d) If the Trustee is required to make a termination payment to the Fixed Rate Swap Provider upon the termination of a fixed rate swap the Trustee will make the termination payment from the Assets of the Series Trust and, prior to enforcement of the Security Trust Deed, in priority to payments on the Notes. Thus, if the

Trustee makes a termination payment, there may not be sufficient funds remaining to pay interest on the Notes on the next Payment Date, and the principal on the Notes may not be repaid in full.

3.22 Unreimbursed redraws and further advances

Outstanding Seller Advances will rank ahead of Notes with respect to payment of principal prior to enforcement of the charge under the Security Trust Deed, and investors may not receive full repayment of principal on the Notes.

3.23 Recharacterisation of Housing Loans

The transfer of the Housing Loans from Bankwest to the Trustee is intended by the parties to be and has been documented as a sale. However, Bankwest will treat the transfer of the Housing Loans as an imputed loan for accounting purposes. If Bankwest were to become insolvent, a liquidator or other person that assumes control of Bankwest could attempt to recharacterise the sale of the Housing Loans as a loan or to consolidate the Housing Loans with the assets of Bankwest, as applicable. Any such attempt could result in a delay in or reduction of Collections on the Housing Loans available to make payments on the Notes. The risk of such a recharacterisation with respect to the Housing Loans may be increased by the treatment of the transfer of these Housing Loans as an imputed loan for accounting purposes.

3.24 Commingling of collections on the Housing Loans with other assets

Before the Seller or the Servicer remits Collections to the Collections Account, the Collections may be commingled with the assets of the Seller or the Servicer. If the Seller or the Servicer becomes insolvent, the Trustee may only be able to claim those Collections as an unsecured creditor of the insolvent company. This could lead to a failure to receive the Collections on the Housing Loans, delays in receiving the Collections, or losses to investors.

3.25 Liquidity Facility limit

If the interest collections during a Monthly Period are insufficient to cover fees and expenses of the Series Trust and the interest payments due on the Notes on the next Payment Date, the Trustee will request an advance under the Liquidity Facility. If advances under the Liquidity Facility are insufficient for this purpose, funds may be allocated from the Net Collections towards meeting such fees, expenses and interest as a Principal Draw. In the event that there is not enough money available under the Liquidity Facility or by way of Principal Draw, investors may not receive a full payment of interest on that Payment Date, which will reduce the yield on the Notes.

3.26 Principal Collections to cover liquidity shortfalls

If Principal Collections are drawn upon to cover shortfalls in interest collections and there is insufficient excess available income in succeeding Monthly Periods to repay those Principal Draws, investors may not receive full repayment of principal on the Notes.

3.27 Servicer waiving fees

Subject to the servicing requirements in Section 10.7 (“*Express Powers and Limitations on Servicing*”), the Servicer has the express power, among other things, to waive any fees and break costs which may be collected in the ordinary course of servicing the Housing

Loans or arrange the rescheduling of interest due and unpaid following a default under any Housing Loans, or to waive any right in respect of the Housing Loans and mortgages in the ordinary course of servicing the Housing Loans and mortgages. Those waivers may affect the timing and amount of payments investors receive.

3.28 Withholding tax

If a withholding tax is imposed on payments of interest on the Notes, investors will not be entitled to receive grossed-up amounts to compensate for such withholding tax. Thus, investors will receive less interest than is scheduled to be paid on the Notes.

If the option to redeem the Notes early, as a result of the imposition of a withholding or other tax on any Notes or in respect of the Housing Loans, is exercised and Charge-Offs have occurred, Noteholders owning at least 75% of the aggregate outstanding amount of the Notes may consent to receiving an amount equal to the outstanding principal amount of the Notes, less unreimbursed Charge-Offs, plus accrued interest. As a result, investors may not fully recover their investment. In addition, the early retirement of the Notes will shorten their average lives and potentially lower the yield on the Notes.

3.29 European Union directive on the taxation of savings income

The European Union has adopted a Directive (2003/48/EC) regarding the taxation of savings income. Since 1 July 2005 Member States have been required to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident in that other Member State, except that Austria, Belgium and Luxembourg are required instead to impose a withholding system for a transitional period in relation to such payments, deducting tax of rates rising over time to 35%. The transitional period commenced on 1 July 2005 and terminates at the end of the first full fiscal year following agreement by certain non-European Union countries to the exchange of information relating to such payments. A number of non-European Union countries and territories including Switzerland have agreed to adopt similar measures (a withholding system in the case of Switzerland) with effect from the same date. Therefore, payments of interest on the Notes which are made or collected through Belgium, Luxembourg, Austria or any other relevant country may be subject to withholding tax which would prevent holders of the Notes from receiving interest on their Notes in full.

3.30 Australian Anti-Money Laundering and Counter-Terrorism Financing Regime

The Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (Cth) (“**AML/CTF Act**”) implements a number of significant changes to Australia’s anti-money laundering and counter-terrorism financing regulation.

If an entity has not met its obligations under the AML/CTF Act, that entity will be prohibited from providing a designated service, which includes (amongst other things):

- (a) opening or providing an account, allowing any transaction in relation to an account or receiving instructions to transfer money in and out of the account;
- (b) issuing, dealing, acquiring, disposing of, cancelling or redeeming a security; and
- (c) exchanging one currency for another.

The obligations placed on an entity include that entity undertaking customer identification procedures before a designated service is provided and receiving information about international and domestic institutional transfers of funds. Until the obligations have been met, an entity will be prohibited from providing funds or services to a party or making any payments on behalf of a party.

4 The Parties

4.1 Description of the Trustee

Perpetual Trustee Company Limited was incorporated as Perpetual Trustee Company (Limited) on 28 September 1886 under the Companies Statute of New South Wales as a public company and, after a name change in 1971, is now known as Perpetual Trustee Company Limited. Perpetual Trustee Company Limited operates as a limited liability public company under the Corporations Act 2001 (Cth). Perpetual Trustee Company Limited's registered office is located at Level 12, 123 Pitt Street, Sydney, NSW 2000, Australia, and the phone number of its registered office is +61 2 9229 9000.

Perpetual Trustee Company Limited's principal activities are the provision of services as trustee, executor, administrator, attorney and agent and other fiduciary services.

4.2 Description of Bankwest

Bankwest provides a range of retail and commercial products through its branches and stores, through electronic and telephone banking channels and through third party originators. In its home state of Western Australia, Bankwest is a market leader in advances and bank deposits.

Bankwest has a sectorial lending mix of business 45% and retail 55%, with a geographical lending mix of 57% interstate and 43% in Western Australia (at 30 June 2010). It is Bankwest's strategy to strengthen its market leadership in Western Australia and become a well known challenger brand in other Australian States.

On 19 December 2008, Commonwealth Bank of Australia ("CBA") acquired all of the issued shares in Bankwest from HBOS Australia Pty Ltd (now called Lloyds International Pty Ltd), then a wholly owned subsidiary of HBOS plc.

The banking operations of Bankwest are supervised by the Australian Prudential Regulation Authority ("APRA"). Standard & Poor's raised the long term rating of Bankwest from AA- to AA on 22 December 2008 following the acquisition of Bankwest by CBA. On 25 October 2010, Moody's Investors Services confirmed Bankwest's senior unsecured debt and deposit ratings of Aa1/Prime-1, subordinated debt rating of Aa2, and short-term debt and deposit ratings of Prime-1. Moody's Investors Services lowered Bankwest's bank financial strength rating ("BFSR") to C- from C, with a stable outlook. It was originally anticipated that Bankwest and CBA would combine into a single legal entity with a single Authorised Deposit-taking Institutions licence within a year of the acquisition. This formed the basis of maintaining the existing BFSR of C (pre-CBA acquisition) and assigning CBA's debt and deposit rating to Bankwest. However, this process has taken longer than anticipated, resulting in CBA and Bankwest remaining separate entities. Both banks are in discussions with the Western Australian Government about amending the Bank of Western Australia Act 1995 (WA) to allow licence consolidation to occur.

Bankwest was incorporated on 7 December 1990 and continues to exist and operate as a limited liability company under the Corporations Act 2001 of Australia. Bankwest's registered address is Level 34 Bankwest Tower, 108 St Georges Terrace, Perth, WA 6000.

Share Capital

Bankwest has 3,802,205,656 shares on issue with a paid amount of A\$1.

Ownership Structure

Bankwest is a wholly owned subsidiary of Commonwealth Bank of Australia

Directors

As at the date of this Information Memorandum the directors of Bankwest are:

- Harvey Russell Collins - Chairman;
- Brian Jamieson;
- Garry Lynton Mackrell;
- Jon Earle Sutton;

- Simon Robert Saunders Blair.

4.3 Description of Security Trustee

The Security Trustee is P.T. Limited. P.T. Limited was incorporated on 10 November 1959 and operates as a Registered Australian public company limited by shares under the Corporations Act 2001 of Australia (“**Corporations Act**”). The Australian Business Number of P.T. Limited is 67 004 454 666 and its office is Level 12 Angel Place, 123 Pitt Street Sydney NSW, 2000, Australia.

The business of P.T. Limited is the provision of corporate trustee services.

5 The Series Trust

5.1 Creation of Trusts

(a) *Creation of the Series Trust*

The Master Trust Deed provides for the creation of an unlimited number of series trusts. Each series trust is a separate and distinct trust fund. The assets of each series trust are not available to meet the liabilities of any other series trust and the Trustee must ensure that no moneys held by it in respect of any series trust are commingled with any moneys held by the Trustee in respect of any other series trust.

The Series Trust is the eighth series trust established under the Master Trust Deed.

The beneficial ownership of the Series Trust is divided into two classes of units, two capital units (a “**Class A Capital Unit**” and a “**Class B Capital Unit**”) and the income unit (the “**Income Unit**” and together with the Capital Units the “**Units**”).

The Trustee of the Series Trust will fund the purchase of the Housing Loans and Housing Loans Rights from the Seller by issuing the Notes.

(b) *Creation of the BW Trust*

In addition to selling the Housing Loans to the Series Trust, the Seller will also sell:

- (i) the mortgages and collateral securities appearing in the Seller’s records as securing the Housing Loans; and
- (ii) all other loans (the “**Other Loans**”) secured by the sold mortgages.

The Trustee’s interest in the Other Loans will be held by way of a separate trust by the Trustee for the Seller (the “**BW Trust**”). The Trustee’s interest in the mortgages and collateral securities which secure only the Housing Loans will be held by the Trustee for the Series Trust. The Trustee’s interest in the mortgages and collateral securities which secure the Housing Loans and the Other Loans (the “**Other Securities**”) will also be held by the Trustee for the Series Trust but only to the extent that the proceeds the Trustee receives on their realisation equal the amount outstanding under the Housing Loans they secure. The balance will be held by the Trustee subject to the terms of the BW Trust.

The Trustee must not (and the Manager must not direct the Trustee to) sell, transfer or grant any security interest in a mortgage or collateral security which secures a Housing Loan and an Other Loan unless the relevant transferee or holder of the security interest is first notified of the interest of the Seller as beneficiary of the BW Trust in that collateral security. If the Trustee has (or the Seller reasonably believes that the Trustee will) breach this restriction, the Seller will be entitled to lodge caveats to protect its interests in the relevant mortgages or collateral securities.

5.2 The Trustee

(a) *Appointment*

The Trustee is appointed as trustee of the Series Trust on the terms set out in the Master Trust Deed and the Series Supplement.

(b) *The Trustee's Undertakings*

The Trustee undertakes, among other things, that it will:

- (i) act in the interests of the Investors on and subject to the terms and conditions of the Master Trust Deed and the Series Supplement and, in the event of a conflict between such interests, act in the interests of the Noteholders;
- (ii) exercise all due diligence and vigilance in carrying out its functions and duties and in protecting the rights and interests of the Investors;
- (iii) do everything and take all actions which are necessary to ensure that it is able to maintain its status as trustee of the Series Trust;
- (iv) act honestly and in good faith in the performance of its duties and in the exercise of its discretions under the Master Trust Deed and the Series Supplement;
- (v) exercise such diligence and prudence as a prudent person of business would exercise in performing its express functions and in exercising its discretions under the Master Trust Deed, having regard to the interests of the Investors;
- (vi) use its best endeavours to carry on and conduct its business in so far as it relates to the Master Trust Deed and the Series Trust in a proper and efficient manner;
- (vii) keep accounting records which correctly record and explain all amounts paid and received by the Trustee; and
- (viii) keep the Series Trust separate from each other series trust which is constituted pursuant to the Master Trust Deed and account for the assets and liabilities of the Series Trust separately from the assets and liabilities of such other series trusts.

(c) *No Duty to Investigate*

Under the Master Trust Deed and the Series Supplement the Trustee has no duty to investigate whether or not a Manager Default, Servicer Default or a Perfection of Title Event has occurred except where the Trustee has actual notice, knowledge or awareness of the event.

Subject to the provisions of the Transaction Documents dealing with deemed receipt of notices or other communications, the Trustee will only be considered to have knowledge, awareness or notice of a thing or grounds to believe anything by virtue of the officers of the Trustee (or any Related Body Corporate of the

Trustee's) who have day to day responsibility for the administration or management of the Trustee's (or a Related Body Corporate of the Trustee's) obligations in respect of the Series Trust or the BW Trust having actual knowledge, actual awareness or actual notice of that thing, or grounds or reason to believe that thing. Notice, knowledge or awareness of a Manager Default, Servicer Default or Perfection of Title Event means notice, knowledge or awareness of the occurrence of the event or circumstances constituting a Manager Default, Servicer Default or Perfection of Title Event.

(d) *The Trustee's Powers*

Subject to the Master Trust Deed, the Trustee has all the powers in respect of the Assets of the Series Trust which it could exercise if it were the absolute and beneficial owner of those assets. In particular, the Trustee has power to:

- (i) invest in, dispose of or deal with any asset or property of the Series Trust (including the Housing Loans) in accordance with the Manager's proposals;
- (ii) obtain and act on advice from such advisers as may be necessary, usual or desirable for the purpose of enabling the Trustee to be fully and properly advised and informed in order that it can properly exercise its powers and obligations;
- (iii) enter into, perform and, subject to the restrictions in the Master Trust Deed, enforce the Transaction Documents;
- (iv) subject to the limitations set out in the Master Trust Deed, borrow or raise money, whether or not on terms requiring security to be granted over the Assets of the Series Trust;
- (v) refuse to comply with any instruction or direction from the Manager, the Servicer or the Seller in respect of the Series Trust where it reasonably believes that the rights and interests of the Investors are likely to be materially prejudiced by so complying;
- (vi) with the agreement of the Manager, do things incidental to any of its specified powers or necessary or convenient to be done in connection with the Series Trust or the Trustee's functions;
- (vii) purchase any Housing Loan notwithstanding that, as at the Cut-Off Date, such Housing Loan is in arrears at the time of its acquisition by the Trustee; and
- (viii) to direct a person who owes an amount to the Trustee to make that payment to another person on behalf of the Trustee (including payments due under the Notes).

The Trustee generally acts on the direction of the Manager except as required by the Transaction Documents.

(e) ***Delegation by Trustee***

The Trustee is entitled to appoint the Manager, the Servicer, the Seller, the Security Trustee, a Related Body Corporate or any other person permitted by the Master Trust Deed or the Series Supplement to be attorney or agent of the Trustee for the purposes of carrying out and performing its duties and obligations in relation to the Series Trust provided that it does not delegate a material part of its duties and obligations. The Trustee at all times remains liable for the acts and omissions of any Related Body Corporate when it is acting as the Trustee's delegate.

(f) ***The Trustee's Fees and Expenses***

The Trustee is entitled to a fee (the "**Trustee Fee**") for performing its duties in relation to the Series Trust for each Monthly Period calculated based on the actual number of days in the Monthly Period divided by 365 and a percentage agreed between the Trustee and the Manager from time to time of the principal outstanding on the Housing Loans immediately prior to the commencement of the Monthly Period. The Trustee Fee for a Monthly Period is payable to the Trustee in arrears on the Payment Date following the end of the Monthly Period. The Trustee Fee may also be adjusted, either by agreement or by expert determination, so that the Trustee is not economically disadvantaged by a change in the Australian goods and services tax. Any adjustment is subject to confirmation from each Rating Agency that the adjustment will not result in a withdrawal, qualification or reduction of the credit rating then assigned by it to the Notes.

The Trustee is entitled to be reimbursed out of the Assets of the Series Trust in respect of all expenses incurred in respect of the Series Trust (but not general overhead costs and expenses). Furthermore, the Trustee is entitled to be indemnified out of the Assets of the Series Trust for all costs, charges, expenses and liabilities incurred by the Trustee in relation to or under any Transaction Document. The Trustee will also be indemnified for costs in connection with court proceedings alleging negligence, fraud or wilful default (as defined in the Transaction Documents) except where such allegation is found by the court to be correct.

(g) ***Removal of the Trustee***

The Trustee must retire as trustee of the Series Trust if:

- (i) it fails or neglects, within 20 Business Days (or such longer period as the Manager may agree to) after receipt of a notice from the Manager requiring it to do so, to carry out or satisfy any material duty or obligation imposed on it by a Transaction Document;
- (ii) an Insolvency Event occurs with respect to it in its personal capacity;
- (iii) it ceases to carry on business;
- (iv) it merges or consolidates with another entity without obtaining the consent of the Manager (which approval will not be unreasonably withheld) and the resulting merged or consolidated entity does not assume the Trustee's obligations under the Transaction Documents; or

- (v) there is a change in the ownership of 50 per cent or more of its issued share capital from that as at the date of the Master Trust Deed or effective control of the Trustee alters from that as at the date of the Master Trust Deed, unless in either case approved by the Manager (which approval will not be unreasonably withheld).

The Manager may require the Trustee to retire if it believes in good faith that any of these events have occurred. If the Trustee refuses to retire within 30 days after either the occurrence of one of the above events or written notice from the Manager (with a copy to the Rating Agencies), the Manager may remove the Trustee from office immediately by notice in writing (with a copy to the Rating Agencies).

The Manager must use reasonable endeavours to appoint a Substitute Trustee who is approved by the rating agencies for all then series trusts under the Master Trust Deed within 30 days of the retirement or removal of the Trustee.

If, after 30 days, the Manager is unable to appoint a Substitute Trustee it must convene a meeting of the Unitholders, the Noteholders and the noteholders and unitholders of the other series trusts constituted under the Master Trust Deed and the Series Supplement (collectively, the “**Relevant Investors**”) at which a Substitute Trustee may be appointed by Extraordinary Resolution of the Relevant Investors (being not less than 75 per cent of all votes cast at a meeting of the Relevant Investors or a written resolution signed by the Relevant Investors).

Until the appointment of the Substitute Trustee is complete, the existing Trustee must continue to act as Trustee in accordance with the terms of the Master Trust Deed.

(h) *Voluntary Retirement of the Trustee*

The Trustee may only voluntarily retire if it gives the Manager 3 months written notice or such lesser time as the Manager and the Trustee agree. Upon retirement the Trustee must appoint a Substitute Trustee who is approved by the Manager (whose approval must not be unreasonably withheld) and the Rating Agencies for all then Series Trusts under the Master Trust Deed.

If the Trustee does not propose a substitute which is acceptable to the Rating Agencies and the Manager at least 1 month prior to its proposed retirement, the Manager may appoint a Substitute Trustee who is approved by the Rating Agencies for all then Series Trusts under the Master Trust Deed.

If, after 30 days, the Manager is unable to appoint a Substitute Trustee it must convene a meeting of the Unitholders, the Noteholders and the noteholders and unitholders of the other series trusts constituted under the Master Trust Deed and the Series Supplement (collectively, the “**Relevant Investors**”) at which a Substitute Trustee may be appointed by Extraordinary Resolution of the Relevant Investors (being not less than 75 per cent of all votes cast at a meeting of the Relevant Investors or a written resolution signed by the Relevant Investors).

Until the appointment of the Substitute Trustee is complete, the existing Trustee must continue to act as Trustee in accordance with the terms of the Master Trust Deed.

(i) ***Substitute Trustee***

The appointment of a Substitute Trustee will not be effective until the Substitute Trustee has executed a deed under which it assumes the obligations of the Trustee under the Master Trust Deed and the other Transaction Documents.

(j) ***Notice to Secured Creditors of the Trustee's retirement or removal***

If the Trustee retires or is removed as trustee of the Series Trust, the Manager has agreed to notify the Secured Creditors of this fact within 30 days of the retirement or removal taking place.

(k) ***Limitation of the Trustee's Responsibilities***

The Trustee has the particular role and obligations specifically set out in the Transaction Documents. The Manager, Servicer and Seller are responsible for different aspects of the operation of the Series Trust, as described elsewhere in this Information Memorandum. The Trustee has no liability for any failure by the Manager, Seller, Servicer or other person appointed by the Trustee under any Transaction Document (other than a person whose acts or omissions the Trustee is liable for under any Transaction Document) to perform their obligations in connection with the Series Trust except to the extent such failure is caused by fraud, negligence or wilful default (as defined in the Transaction Documents) on the part of the Trustee or its officers, employees or agents or any other person whose acts or omissions the Trustee is liable for under the Transaction Documents.

In addition, the Transaction Documents contain a range of provisions which regulate the scope of the Trustee's duties and liabilities. These provisions include (without limitation) the ability of the Trustee to rely conclusively on (and not in investigate the accuracy of) information and calculations given to the Trustee by the Manager and the Servicer, the allocation of the cashflows of the Series Trust and that the Trustee is not liable for the acts and omissions of the Relevant Parties or for the occurrence of a Perfection of Title Event, Manager Default or Servicer Default.

(l) ***Limitation of the Trustee's Liability***

The Master Trust Deed, Series Supplement and other Transaction Documents contain provisions which limit the Trustee's liability to Noteholders, other creditors of the Series Trust and any beneficiaries of the Series Trust to the extent that such liability can be satisfied out of the Assets of the Series Trust out of which the Trustee is actually indemnified for the liability.

Where the Trustee is held liable for breaches under the Consumer Credit Code, the Trustee must seek relief initially under any indemnities provided to it by the Manager, the Servicer or the Seller before exercising its right of indemnity to recover against any Assets of the Series Trust.

If the Trustee relies in good faith on an opinion, advice, information or statement given to it by experts (other than persons who are not independent of the Trustee), it is not liable for any misconduct, mistake, oversight, error of judgment, forgetfulness or want of prudence on the part of that expert. An expert is regarded

as independent notwithstanding that the expert acts or has acted as an adviser to the Manager or the Trustee or both of them so long as separate instructions are given to that expert by the Trustee.

(m) Disclosure of Information

In relation to information which the Trustee in its capacity as trustee of the Series Trust receives from any of the Manager, the Investors, the Seller or the Servicer in relation to the Series Trust, the BW Trust or the trust established under the Security Trust Deed (the “**Information**”), the Trustee is entitled to make available (to the extent permitted by law) such information to:

- (i) any Related Body Corporate of the Trustee which acts as custodian or Security Trustee of the Assets of the Series Trust or the BW Trust assets or which otherwise has responsibility for the management or administration of the Series Trust or the BW Trust including their respective assets; and
- (ii) the Trustee acting in its capacity as Manager, Custodian or Servicer (as applicable) of the Series Trust or the BW Trust.

The Trustee will not have any liability for the use, non-use, communication or non-communication of the Information in the above manner, except to the extent to which the Trustee has an express contractual obligation to disclose or not disclose or to use or not use certain information received by it and fails to do so.

5.3 The Manager

(a) Appointment

The Manager is appointed as manager of the Series Trust on the terms set out in the Master Trust Deed and the Series Supplement.

(b) The Manager’s Undertakings

The Manager undertakes amongst other things that it will:

- (i) manage the Assets of the Series Trust which are not serviced by the Servicer and in doing so will exercise at least the degree of skill, care and diligence that an appropriately qualified manager of such Assets would reasonably be expected to exercise having regard to the interests of the Investors;
- (ii) use its best endeavours to carry on and conduct its business to which its obligations and functions under the Transaction Documents relate in a proper and efficient manner;
- (iii) do everything to ensure that it and the Trustee are able to exercise all their powers and remedies and perform all their obligations under the Master Trust Deed and any of the other Transaction Documents to which it is a party and all other related arrangements;

- (iv) act honestly and in good faith in the performance of its duties and in the exercise of its discretions under the Master Trust Deed and the Series Supplement;
- (v) exercise such prudence as a prudent person of business would exercise in performing its express functions and in exercising its discretions under the Master Trust Deed and the other Transaction Documents, having regard to the interests of the Investors; and
- (vi) notify the Trustee promptly if it becomes actually aware of any Manager Default under the Master Trust Deed and provide full details of such Manager Defaults.

(c) ***The Manager may Rely***

If the Manager relies in good faith on an opinion, advice, information or statement given to it by experts (other than persons who are not independent of the Manager) it is not liable for any misconduct, mistake, oversight, error of judgment, forgetfulness or want of prudence on the part of that expert. An expert is regarded as independent notwithstanding that the expert acts or has acted as an adviser to the Manager so long as separate instructions are given to that expert by the Manager.

(d) ***Delegation by the Manager***

The Manager is entitled to appoint any person to be attorney or agent of the Manager for the purposes of carrying out and performing its duties and obligations in relation to the Series Trust provided that it does not delegate a material part of its duties and obligations. The Manager at all times remains liable for the acts or omissions of any such person to the extent that those acts or omissions constitute a breach by the Manager of its obligations in respect of the Series Trust.

(e) ***The Manager's Fees and Expenses***

The Manager is entitled to a fee (a "**Management Fee**") for administering and managing the Series Trust for each Monthly Period calculated based upon the actual number of days in the Monthly Period divided by 365 and a percentage of the principal outstanding on the Housing Loans immediately prior to the commencement of the Monthly Period. The Management Fee for a Monthly Period is payable by the Trustee in arrears on the Payment Date following the end of the Monthly Period. The Manager and the Servicer may agree to adjust the Management Fee from time to time subject to confirmation from each Rating Agency that the adjustment will not result in a withdrawal, qualification or reduction of the credit rating then assigned by it to the Notes.

The Manager will be indemnified out of the Assets of the Series Trust for all expenses incurred by the Manager in connection with the enforcement or preservation of its rights under or in respect of any Transaction Document or otherwise in respect of the Series Trust. The Manager will also be indemnified for costs in connection with court proceedings against the Manager alleging negligence, fraud or wilful default except where such allegation is found by the court to be correct.

(f) Removal of the Manager

A “**Manager Default**” occurs if:

- (i) the Manager does not instruct the Trustee to pay the required amounts to the Investors within the specified time periods and such failure is not remedied within 5 Business Days of notice from the Trustee;
- (ii) the Manager does not prepare and transmit to the Trustee any Settlement Statement or any other reports it is required to prepare under the Series Supplement and such failure is not remedied within 5 Business Days of notice from the Trustee (except when such failure is due in certain circumstances to a Servicer Default);
- (iii) an Insolvency Event occurs with respect to the Manager;
- (iv) the Manager breaches any other obligation under the Master Trust Deed or the Series Supplement and such action has had or, if continued will have, an Adverse Effect (as reasonably determined by the Trustee after the Trustee is actually aware of such breach) and either such breach is not remedied so that it no longer has or will have such an Adverse Effect, within 20 Business Days of notice from the Trustee, or the Manager has not, within 20 Business Days of such notice, paid compensation to the Trustee for its loss from such breach in an amount satisfactory to the Trustee (acting reasonably); and
- (v) a representation made by the Manager in a Transaction Document proves incorrect in any material respect and, as a result, gives rise to an Adverse Effect (as reasonably determined by the Trustee after the Trustee is actually aware of such incorrect representation) and the Manager has not paid compensation for any loss suffered by the Trustee in an amount satisfactory to the Trustee (acting reasonably) within 20 Business Days of notice from the Trustee.

The Trustee may agree to longer grace periods than those specified in paragraphs (i), (ii), (iv) and (v).

Whilst a Manager Default is subsisting, the Trustee may by written notice to the Servicer, the Manager and the Rating Agencies for all then series trusts immediately terminate the appointment of the Manager and appoint another entity to act in its place. Pending appointment of a new Manager, the Trustee will act as Manager and will be entitled to receive the Management Fee.

(g) Voluntary Retirement of the Manager

The Manager may only voluntarily retire if it gives the Trustee 3 months’ notice in writing (or such lesser time as the Manager and the Trustee agree). Upon such retirement, subject to any approval required by law, the Manager may appoint in writing any other entity approved by the Trustee. If the Manager does not propose a replacement at least 1 month prior to its proposed retirement, the Trustee may appoint a replacement.

Pending appointment of a new Manager, the Trustee will act as Manager and will be entitled to receive the Management Fee.

(h) *Substitute Manager*

The appointment of a substitute Manager will not be effective until the Trustee receives confirmation from the Rating Agencies for all then series trusts under the Master Trust Deed that the appointment of the Substitute Manager will not result in a withdrawal, qualification or downgrading of the credit ratings then assigned by them to the Notes and the Substitute Manager has executed a deed under which it assumes the obligations of the Manager under the Master Trust Deed and the other Transaction Documents.

(i) *Limitation of Manager's Liability*

The Manager is relieved from personal liability in respect of the exercise or non-exercise of its discretions or for any other act or omission on its part, except to the extent that any such liability arises from fraud, negligence or wilful default on the part of the Manager or its officers, employees or agents or any other person whose acts or omissions the Manager is liable for under the Transaction Documents.

5.4 The Servicer

(a) *Appointment*

The Servicer is appointed under the terms of the Series Supplement.

(b) *Undertakings of Servicer*

In addition to its servicing role described in Section 10 ("*The Servicer*"), the Servicer also undertakes, among other things, that it will:

- (i) subject to the provisions of the Privacy Act and any duty of confidentiality owed by the Servicer to its clients under the common law or otherwise, give the Manager, the Auditor and the Trustee such information as they reasonably require (after giving reasonable notice to the Servicer) with respect to all matters in the possession of the Servicer in respect of the activities of the Servicer to which the Series Supplement relates;
- (ii) not transfer, assign or otherwise grant an encumbrance over the whole or any part of its interest (if any) in any Housing Loan and its Housing Loan Rights;
- (iii) comply with its obligations under each Mortgage Insurance Policy; and
- (iv) upon being directed to do so by the Trustee, following the occurrence of a Perfection of Title Event, promptly take all action as is required or permitted to assist the Trustee and the Manager to perfect the Trustee's legal title in the Housing Loans and Housing Loan Rights.

(c) ***Delegation by the Servicer***

The Servicer is entitled to appoint any person to be attorney or agent for the purposes of carrying out and performing its duties and obligations in relation to the Series Trust provided that it does not delegate a material part of its powers, duties and obligations (except if the Trustee is acting as Servicer in which case the Trustee may delegate any part of its powers, duties and obligations as Servicer). The Servicer at all times remains liable for the acts or omissions of any such person to the extent that the acts or omissions constitute a breach by the Servicer of its obligations under the Series Supplement.

(d) ***The Servicer's Fees and Expenses***

The Servicer is entitled to a fee (a “**Servicing Fee**”) for servicing the Housing Loans for each Monthly Period, calculated based upon the actual number of days in the Monthly Period divided by 365 and a percentage of the principal outstanding on the Housing Loans immediately prior to the commencement of the Monthly Period. The Servicing Fee for a Monthly Period is payable by the Trustee in arrears on the Payment Date following the end of the Monthly Period. The Manager and the Servicer may agree to adjust the Servicing Fee from time to time subject to confirmation from each Rating Agency that the adjustment will not result in a withdrawal, qualification or reduction of the credit rating then assigned by it to the Notes.

The Servicer must pay from the Servicing Fee all fees and expenses incurred in connection with servicing the Housing Loans except for certain specified expenses including those in connection with the enforcement of any Housing Loan or its Housing Loan Rights and the recovery of any amounts owing under any Housing Loan (including fees and expenses of the Servicer's in-house legal counsel) or any amount repaid to a liquidator or trustee in bankruptcy pursuant to any applicable law, binding code, order or decision of any court, tribunal or the like or based on advice from the Servicer's legal advisors.

(e) ***Removal of the Servicer***

A Servicer Default occurs if:

- (i) the Servicer fails to remit amounts received in respect of the Housing Loan Rights then forming part of the Assets of the Series Trust to the Trustee within the time periods specified in the Series Supplement and such failure is not remedied within 5 Business Days of notice from the Manager or the Trustee;
- (ii) the Servicer fails to provide the Manager with the information necessary to enable it to prepare a Settlement Statement and such failure is not remedied within 5 Business Days of notice from the Manager or Trustee;
- (iii) an Insolvency Event occurs with respect to the Servicer;
- (iv) whilst the Servicer is acting as custodian of the Housing Loan Documents it fails to deliver all the Housing Loan Documents to the Trustee following the occurrence of a Document Transfer Event (see Section 5.8 (“*Document Custody*”)) and such failure is not remedied within 20

Business Days of notice from the Trustee specifying the Housing Loan Documents that remain outstanding;

- (v) if at any time the Servicer fails to adjust the rates at which interest offset benefits under the Interest Off-Set Facilities are calculated or the variable rates on Housing Loans (or both) in accordance with the Series Supplement), and such failure is not remedied within 20 Business Days of notice from the Trustee or the Manager; or
- (vi) the Servicer breaches its other obligations as Servicer under the Series Supplement (other than those referred to in (i), (ii), (iii) and (v) above) and such action has, or if continued will have, an Adverse Effect (as reasonably determined by the Trustee after it is actually aware of the breach) and either is not remedied so that it no longer has, or will have, an Adverse Effect within 20 Business Days of notice from the Manager or the Trustee, or the Servicer has not within this time paid compensation to the Trustee for its loss from such breach in an amount satisfactory to the Trustee (acting reasonably).

The Trustee may agree to longer grace periods than those specified in paragraphs (i), (ii), (iv), (v) and (vi).

While a Servicer Default is subsisting of which the Trustee is actually aware, the Trustee must by written notice to the Servicer, the Manager and the Rating Agencies immediately terminate the rights and obligations of the Servicer and appoint another reputable and responsible bank or appropriately qualified organisation to act in its place. Pending the appointment of a new Servicer, the Trustee will act as Servicer and is entitled to the Servicer's fee during the period that it so acts.

(f) *Voluntary Retirement of the Servicer*

The Servicer may only voluntarily retire if it gives the Trustee and the Rating Agencies 3 months notice in writing (or such lesser period as the Servicer and the Trustee agree). Upon retirement the Servicer, subject to any approval required by law, may appoint in writing as its replacement any other corporation approved by the Trustee (acting reasonably). If the Servicer does not propose a replacement by 1 month prior to its proposed retirement, the Trustee may appoint a replacement. Pending the appointment of a new Servicer, the Trustee will act as Servicer and will be entitled to the Servicing Fee.

(g) *Substitute Servicer*

The appointment of a Substitute Servicer will not be effective until the Manager issues a Rating Affirmation Notice in relation to each Rating Agency with respect to the appointment of such Substitute Servicer and the Substitute Servicer has executed a deed under which it assumes the obligations of the Servicer under the Series Supplement and the other Transaction Documents.

5.5 Termination of the Series Trust

(a) *Termination Events*

The Series Trust terminates on the earlier to occur of:

- (i) the date appointed by the Manager as the Termination Date by notice in writing to the Trustee (which, if the Notes have been issued), must not be a date earlier than:
 - (A) the date that the Stated Amount of all Notes has been reduced to zero; or
 - (B) if an Event of Default has occurred, the date of the final distribution by the Security Trustee under the Security Trust Deed;
- (ii) the date which is 80 years after its constitution; and
- (iii) the date on which the Series Trust terminates by operation of statute or general law,

(such date being the “**Termination Date**”).

(b) *Realisation of Assets of the Series Trust*

Upon the termination of the Series Trust, the Trustee in consultation with the Manager must sell and realise the Assets of the Series Trust within 180 days of the termination event provided that during this period the Trustee is not entitled to sell the Housing Loans and Housing Loan Rights for less than their Fair Market Value. The Trustee is also not entitled to sell any Housing Loans and Housing Loan Rights unless the Seller has not exercised its right of first refusal (see paragraph (c)). Furthermore, the Trustee must not conclude a sale unless any Housing Loans and Housing Loan Rights are assigned in equity only (unless the Trustee already has legal title) and the sale is expressly subject to both the Servicer’s right to be retained as Servicer in accordance with the Series Supplement and the rights of the BW Trust (and the Seller as beneficiary of the BW Trust) in respect of those Housing Loans and Housing Loan Rights.

If the Trustee is unable to sell the Housing Loans and Housing Loan Rights for at least their Fair Market Value on the above terms during the 180 day period, the Trustee may sell them after the expiry of that period for a price less than their Fair Market Value. Alternatively, the Trustee may perfect its legal title to the Housing Loans and Housing Loan Rights if it is necessary to do so to sell them for a price at least equal to their Fair Market Value. However, in such a sale the Trustee must include as a condition of the sale that the purchaser of the Housing Loans will consent to the Seller obtaining securities subsequent to the securities assigned to the purchaser and will enter into priority agreements such that the purchaser’s security has first priority over the Seller’s security only for the principal outstanding plus interest, fees and expenses on the relevant Housing Loan.

(c) ***Seller's Right of First Refusal***

On the Termination Date (other than if the Termination Date occurs because of the event referred to in Section 5.5(a)(ii) ("*Termination of the Series Trust*") above), the Trustee is deemed to offer to sell the Housing Loans and Housing Loan Rights forming part of the Assets of the Series Trust to the Seller for a price equal to the Fair Market Value of those Housing Loans. The Trustee must not sell the Housing Loans and Housing Loan Rights unless the Seller has failed to accept such offer within 90 days of that Termination Date or, having accepted the offer, has failed to pay that price within 180 days of that Termination Date. However, if the Fair Market Value of the Housing Loans is insufficient to ensure that the Noteholders will receive the aggregate of the Stated Amount of the Notes and interest payable on the Notes, the deemed offer will be conditional upon the Noteholders by Extraordinary Resolution approving the offer.

(d) ***Distributions***

After deducting expenses, the Trustee must pay amounts standing to the credit of the Collections Account on the Termination Payment Date in accordance with the order of priority set out in the Security Trust Deed (see Section 12.4 ("*Priorities under the Security Trust Deed*"). If there are insufficient funds to make payments to Noteholders in full, the amount distributed (if any) will be in final redemption of the Notes, the Income Unit and the Capital Units.

5.6 Audit and Accounts

The initial auditor for the Series Trust is PriceWaterhouseCoopers, Darling Park Tower 2 201 Sussex Street, Sydney, NSW 2000 Australia (the "**Auditor**"). The Auditor's remuneration is to be determined by the Trustee and approved by the Manager and will be an expense of the Series Trust.

The Manager must ensure that the accounts of the Series Trust are audited as at the end of each financial year. Copies of the accounts and the auditor's report will only be provided to the Investors on request but will be available for inspection during business hours at the Trustee's offices. The Manager must prepare and lodge the tax return for each trust and any other statutory returns.

5.7 Amendments to Master Trust Deed and Series Supplement

Subject to 10 Sydney Business Days' prior written notice being given to the Rating Agencies in respect of the Series Trusts under the Master Trust Deed (and no Rating Agency having advised the Manager that the amendment, if implemented, would cause a withdrawal, qualification or reduction of the credit ratings of the Notes), the Trustee and the Manager may amend the Master Trust Deed or the Series Supplement if the amendment, addition or revocation:

- (a) is necessary or expedient to comply with any regulatory requirements;
- (b) is to correct a manifest error or is of a formal, technical or administrative nature only;
- (c) is required by, a consequence of, consistent with or appropriate or expedient or desirable as a consequence of, the introduction of, or any amendment to, any

statute, regulation or requirement of any Governmental Agency or an decision by any court (including, without limitation, the imposition of any tax, any amendment to any statute or regulation imposing a tax, the issue of or amendment to any statute or regulation imposing a tax, the issue of or amendment of any government announcement or statement or the handing down of any decision by a court that has or may have the effect of altering the manner or basis of taxation of trusts generally or of trusts similar to any of the Series Trusts);

- (d) in the case of the Master Trust Deed, relates only to a trust not yet constituted under its terms;
- (e) will enable the provisions of the Master Trust Deed or the Series Supplement to be more conveniently, advantageously, profitably or economically administered; or
- (f) in the opinion of the Trustee is otherwise desirable for any reason.

However, where an amendment referred to in paragraphs (e) and (f) above is likely to be prejudicial to the interests of all or any Class of Unitholders or all or any Class of Noteholders of a Series Trust the amendment, addition or revocation will only be made if an extraordinary resolution approving the amendment is passed by the relevant Unitholders or Noteholders (as applicable) (being a resolution requiring not less than 75 per cent of all votes cast or a written resolution signed by the relevant Investors).

The Trustee may not amend, add to or revoke any provision of the Master Trust Deed or the Series Supplement if the consent of a party is required under a Transaction Document unless that consent has been obtained.

5.8 Document Custody

(a) *Introduction*

The Servicer holds the Housing Loan Documents in relation to the Housing Loans that from time to time form part of the Assets of the Series Trust as custodian on behalf of the Trustee from and including the Issue Date until a Document Transfer Event occurs. The Servicer must hold the Housing Loan Documents in accordance with its standard safe-keeping practices. The Servicer must deliver to the Trustee prior to the Issue Date a computer diskette containing details of the Housing Loan Documents and a letter containing the Servicer's identification methodology for the Housing Loan Documents. The Servicer's role as custodian will be periodically reviewed by the Auditor who will deliver an audit report to the Trustee (with a copy to the Manager and the Servicer) on a 12 monthly basis.

(b) *Document Transfer Event*

A "**Document Transfer Event**" will occur if an adverse document custody audit report is provided by the Auditor; the Auditor is then instructed by the Trustee to conduct a further document custody audit report no sooner than 1 month but no later than 2 months after the date of receipt by the Trustee of the adverse document custody audit report; and the Auditor provides a further adverse document custody audit report.

The Trustee must notify the Servicer immediately upon becoming actually aware of a Document Transfer Event. Upon receipt of such notice the Servicer must transfer custody of the Housing Loan Documents to the Trustee within 7 days (for at least 90 per cent of the Housing Loans) and within 14 days (for any remaining Housing Loan Documents), subject to the limited exceptions for certain Housing Loan Documents contained in the Series Supplement.

If following a Document Transfer Event:

- (i) the Trustee is satisfied that the Servicer is an appropriate person to act as custodian of the Housing Loan Documents; and
- (ii) the Manager has issued a Rating Affirmation Notice in relation to each Rating Agency in respect of the appointment of the Servicer to act as custodian of the Housing Loan Documents,

then the Trustee may by agreement with the Servicer appoint the Servicer to act as custodian of the Housing Loan Documents upon such terms as are agreed between the Trustee and the Servicer and approved by the Manager.

If:

- (iii) a Perfection of Title Event (other than a Servicer Default as described in Section 5.4(e)(vi) (“*The Servicer*”) is declared by the Trustee in accordance with the Series Supplement and the Trustee notifies the Servicer of that fact; or
- (iv) the Trustee considers in good faith that a Servicer Default as described in Section 5.4(e)(vi) (“*The Servicer*”) has occurred and the Trustee has notified the Servicer the reasons why the Trustee considers that the conditions in Section 5.4(e)(vi) (“*The Servicer*”) have been satisfied and why, in the Trustee’s reasonable opinion, an Adverse Effect has or may occur as a result, the Servicer must, immediately following notice from the Trustee, and subject to limited exceptions for certain Housing Loan Documents contained in the Series Supplement, transfer custody of the Housing Loan Documents to the Trustee.

(c) ***Custodian Fee***

The Servicer is entitled to a fee (a “**Custodian Fee**”) for the provision of custodial services to the Trustee. The amount of Custodian Fee will be agreed on from time to time between the Manager, the Trustee and the Servicer.

6 Housing Loans

6.1 Acquisition of assets by the Trustee from the Seller

For the Series Trust, on the Issue Date, the Trustee intends to acquire the Housing Loan Rights under a Letter of Offer from the Seller.

6.2 Trustee's rights after Issue Date

Following the payment of the Purchase Price on the Issue Date, the Trustee will hold an equitable interest in, to and under the following:

- (a) the Housing Loans;
- (b) all Other Loans from time to time (to be held by the Trustee as trustee of the BW Trust as described in Section 5.1(b) ("*Creation of Trusts*"));
- (c) all mortgages in existence from time to time in relation to the Housing Loans;
- (d) all collateral securities in existence from time to time securing the Housing Loans;
- (e) insurance policies in respect of land subject to such a mortgage or collateral security;
- (f) all Mortgage Insurance Policies;
- (g) all moneys owing from time to time in connection with the Housing Loans (but excluding the Accrued Interest Adjustment in respect of the Housing Loans); and
- (h) the documents relating to the above, including the original or duplicates of the relevant loan agreements, mortgages, collateral securities, insurance policies and the certificate of title (where existing) in relation to the land secured by the mortgages (the "**Housing Loan Documents**").

If any mortgages or collateral securities are granted after the Cut-Off Date which secure a Housing Loan or an insurance policy or any Housing Loan Document is entered into in connection with a Housing Loan after the Cut-Off Date, these will be also assigned to the Trustee.

Some of the Seller's security documentation relating to the Housing Loans are expressed to secure "all moneys" owing to the Seller by the mortgagor on any account. It is therefore possible that a security held by the Seller in relation to other facilities provided by it could secure a Housing Loan, even though in the Seller's records the particular security was not taken for this purpose.

The Trustee in its capacity as trustee of the Series Trust will only have an interest in those securities that appear in its records as intended to secure the Housing Loans. Any other securities which by the terms of their "all moneys" clauses secure the Housing Loans but were not taken for that purpose will (as will the corresponding insurance policies) be held by the Trustee as trustee of the BW Trust (as described in Section 5.1(b) ("*Creation of Trusts*")) and will not be held for the benefit of the Noteholders and the expression "Housing Loan Documents" should be construed accordingly.

If the Seller enforces a security appearing in the Seller's records as securing a Housing Loan as a result of a default by a borrower in respect of other facilities provided by the Seller to the borrower, the proceeds of enforcement of that security are made available to the Trustee in priority to the Seller. The Servicer will hold the Housing Loan Documents in relation to Housing Loans that from time to time form part of the Assets of the Series Trust as custodian on behalf of the Trustee from and including the Issue Date until a Document Transfer Event occurs (see Section 5.8(b) ("*Document Custody*") for further details).

6.3 Sale in Equity Only and Free of Set-Off to Extent Permitted by Law

The assignment of Housing Loans and Housing Loan Rights to the Trustee will initially be in equity only and accordingly, the Trustee will initially only obtain an equitable interest in the Housing Loans and Housing Loan Rights. The Trustee will not be entitled to take any steps to perfect its legal title or give notice to any party to the Housing Loan Documents of the assignment unless a Perfection of Title Event occurs (see Section 6.11 ("*Perfection of Title Event*")).

To the extent permitted by law, the Housing Loans will be sold free of any rights of set-off which any borrowers or security providers may have.

6.4 Consideration Payable to the Seller

On the Issue Date the Trustee will, in consideration of the assignment of the Housing Loans and Housing Loan Rights, pay to the Seller the total principal amount outstanding (as recorded on the Servicer's database) in respect of the Housing Loans calculated as at the Cut-Off Date.

To the extent that the amount subscribed by the Noteholders for the Notes exceeds the amount referred to in the above paragraph, the excess will form part of the Collections for the first Monthly Period.

6.5 Seller's Representations and Warranties in relation to the Housing Loans

Under the Series Supplement, the Seller makes (as at the Cut-Off Date) representations and warranties in relation to the Housing Loans and Housing Loan Rights being assigned to the Trustee which are summarised as follows:

- (a) at the time the Seller entered into the mortgages relating to the Housing Loans and as at the Cut-Off Date, those mortgages complied in all material respects with applicable laws;
- (b) the Seller entered into the Housing Loans in good faith;
- (c) at the time the Seller entered into the Housing Loans, the Housing Loans were originated in the ordinary course of the Seller's business;
- (d) at the time that the Seller entered into the Housing Loan, all necessary steps were taken in respect of each Mortgage created in connection with the Housing Loan so that each Mortgage complied with the legal requirements applicable at that time to ensure that:
 - (i) the Mortgage was a first-ranking mortgage; or

- (ii) the Mortgage was a second-ranking mortgage where there are 2 mortgages over the Land securing the Housing Loan and the Seller is the first-ranking mortgagee,

(subject to any statutory charges, any prior charges of a body corporate, service company or equivalent, whether registered or otherwise, and any other prior Security Interests which do not prevent the Mortgage from being considered to be a first-ranking mortgage in accordance with the Servicing Standards), secured over Land, in the jurisdiction in which the relevant Land is located subject to stamping and registration of the relevant Mortgage in due course;

- (e) where there is a second or other mortgage securing a Housing Loan and the Seller is not the mortgagee of that second or other mortgage, at the time the Seller entered into the Housing Loans satisfactory priority arrangements were entered into to ensure that the mortgage ranks ahead in priority to the second or other mortgage on enforcement for at least the principal amount plus accrued but unpaid interest on the Housing Loan plus such extra amount (if any) as is determined in accordance with the Servicing Guidelines;
- (f) at the time the relevant Housing Loans were approved, the Seller had received no notice of the insolvency or bankruptcy of the borrowers or providers of the related mortgage or any notice that any such person did not have the legal capacity to enter into the relevant mortgage;
- (g) the Seller is the sole legal and beneficial owner of the Housing Loans and the Housing Loan Rights and no prior ranking security interest exists in relation to its right, title and interest in the Housing Loans and Housing Loan Rights;
- (h) each of the relevant Housing Loan Documents which is required to be stamped with stamp duty has been duly stamped;
- (i) the Housing Loans have not been satisfied, cancelled, discharged or rescinded and the property relating to each relevant mortgage has not been released from the security of that mortgage;
- (j) the Seller holds, in accordance with the Servicing Standards, all documents which it should hold to enforce the provisions of the securities relating to Housing Loans;
- (k) other than the Housing Loan Documents and documents entered into in accordance with the Servicing Standards, there are no documents entered into by the Seller and the mortgagor or any other relevant party in relation to the Housing Loans which would qualify or vary the terms of the Housing Loans;
- (l) other than in respect of priorities granted by statute, the Seller has not received notice from any person that it claims to have a security interest ranking in priority to or equal with the Seller's mortgage;
- (m) the Seller was not aware as at the Cut-Off Date of that Housing Loan of any restrictive covenants, licences or leases existing in respect of land the subject of any relevant mortgage which reduce the value of the mortgage over such land so that the LVR in respect of the relevant Housing Loan as at the Cut-Off Date of that Housing Loan exceeded 95 per cent;

- (n) the Housing Loans comply with the Eligibility Criteria as at the Cut-Off Date (see Section 7.1 (“*Eligible Housing Loans*”));
- (o) except in relation to fixed rate Housing Loans (or those which can be converted to a fixed rate or a fixed margin over a benchmark) and as may be provided by applicable laws, binding codes and competent authorities binding on the Seller, there is no limitation affecting, or consent required from a borrower to effect, a change in the interest rate under the Housing Loans, and a change in interest rate may be set at the sole discretion of the Servicer;
- (p) the Housing Loans will be insured as at the Issue Date under the terms of a Mortgage Insurance Policy;
- (q) the Seller is lawfully entitled to sell its interest in the Housing Loans and Housing Loan Rights to the Trustee free of all security interests and, so far as the Seller is aware, adverse claims or other third party rights or interests;
- (r) the provisions of all legislation (if any) relating to the sale of the Housing Loans and Housing Loan Rights from the Seller to the Trustee have been complied with;
- (s) the sale of the Housing Loans and Housing Loan Rights from the Seller to the Trustee will not be held by a court to constitute a transaction at an undervalue, a fraudulent conveyance or a voidable preference under any insolvency laws;
- (t) the sale, transfer and assignment of the Housing Loans and Housing Loan Rights from the Seller to the Trustee did not constitute a breach of the Seller’s obligations or a default under any security interest granted by the Seller or affecting the Seller’s assets;
- (u) the terms of the loan agreements and mortgages relating to the Housing Loans require payments in respect of the Housing Loans to be made to the Seller free of set-off;
- (v) the Seller is not aware of any right of a mortgagor to rescind a loan agreement in relation to a Housing Loan or its related mortgage or of any circumstances (other than rights available generally to mortgagors or other borrowers under applicable laws) which could prevent the enforcement of such a loan agreement or mortgage; and
- (w) on the Settlement Date in relation to each Housing Loan, the land the subject of the related mortgage was insured under an insurance policy for an amount determined in accordance with the Servicing Guidelines and the Seller’s interest is noted on that insurance policy.

6.6 Trustee Entitled to Assume Accuracy of Representations and Warranties

The Trustee is under no obligation to test the truth of any of the representations and warranties referred to in Section 6.5 (“*Seller’s Representations and Warranties in relation to the Housing Loans*”) and is entitled to conclusively accept their accuracy at all times (unless it is actually aware of a breach).

6.7 Consequences of a Breach of the Representations and Warranties

If the Seller, the Manager or the Trustee becomes actually aware that a material representation or warranty referred to in Section 6.5 (“*Seller’s Representations and Warranties in relation to the Housing Loans*”) was incorrect when given, it must notify the others within 5 Business Days. None of the Seller, the Manager or the Trustee is under any ongoing obligation to determine whether any representation or warranty was incorrect when given.

If a representation or warranty by the Seller in relation to a Housing Loan and the Housing Loan Rights is incorrect when given and the Seller or the Manager gives or receives notice of this fact not later than 5 Business Days prior to the expiry of the relevant Prescribed Period, and that breach is not remedied to the satisfaction of the Trustee within 5 Business Days of the notice being given or received (as the case may be), the Housing Loan Rights relating to that Housing Loan will no longer form part of the Assets of the Series Trust and the Trustee will automatically hold its entire interest in the Housing Loan Rights relating to that Housing Loan for the BW Trust. The Seller must pay the Trustee, within 2 Business Days of the Housing Loan Rights being held by the Trustee for the BW Trust, the principal amount outstanding in respect of that Housing Loan and the accrued but unraised interest in respect of that Housing Loan, in each case as at the date that the Seller or the Manager gives or receives notice (as the case may be).

During the relevant Prescribed Period, the Trustee’s sole remedy for any of the representations or warranties being incorrect is the right to the above payment from the Seller and the Seller has no other liability for any loss or damage caused to the Trustee, any Noteholder or any other person, for any of the representations or warranties being incorrect.

If a representation or warranty by the Seller in relation to a Housing Loan and its Housing Loan Rights is discovered to be incorrect after the last day for giving notices in the relevant Prescribed Period, the Seller must indemnify the Trustee against any costs, damages or loss arising from the representation or warranty being incorrect. The amount of such costs, damages or loss must be agreed between the Trustee and the Seller or, failing this, be determined by the Seller’s external auditors. The amount of such costs, damages or loss must not exceed the principal amount outstanding, together with any accrued but unraised interest and any outstanding fees, in respect of the Housing Loan.

The above are the only rights that the Trustee has if a representation or warranty given by the Seller in relation to a Housing Loan or its Housing Loan Rights is discovered to be incorrect. In particular, this discovery will not constitute a Perfection of Title Event except in the circumstances described in Section 6.11 (“*Perfection of Title Event*”) below.

6.8 Consequences of Seller Advances by the Seller

Under the terms and conditions of each Housing Loan, the Seller may, in its discretion and subject to its credit review process, make an advance to the relevant borrower after the Cut-Off Date or may make an advance to the Seller or any other person to meet an obligation of the borrower in respect of or in relation to the Housing Loan which is recorded in the Servicer’s records as a principal advance.

If the Seller makes an advance and opens a separate account in its records in relation to that advance, then the advance will be an Other Loan, and will be held by the Trustee for the Seller as trustee of the BW Trust.

If the Seller agrees with a borrower and the Seller records the advance as a debit to the account in its records for the existing Housing Loan and the Scheduled Balance in respect of that Housing Loan is increased by more than one scheduled monthly instalment the Housing Loan is treated as having been repaid in full by the payment by the Seller to the Trustee of the sum necessary to repay that Housing Loan. Such payment from the Seller must equal the principal balance plus accrued but unpaid interest owing in respect of the Housing Loan (before any advance) and must be paid by the Seller to the Trustee such that it may be allocated by the Trustee to the Collections Account along with other Collections for the Monthly Period in which the Scheduled Balance of the Housing Loan was increased.

If the Seller makes an advance to a borrower and the Seller records the advance as a debit to the account in its records for the existing Housing Loan then, unless the Seller has agreed with the borrower to increase the Scheduled Balance of the Housing Loan by more than one scheduled monthly instalment as described above, the advance is treated as an advance made pursuant to the terms of the Housing Loan and the rights to repayment of such will form part of the Assets of the Series Trust.

6.9 Repayment of a Housing Loan

If a Housing Loan is repaid in full, the remaining interest of the Trustee (if any) in the Housing Loan and Housing Loan Rights will no longer form part of the Assets of the Series Trust. However, if any Housing Loan Rights appear in the Seller's records as also securing other existing Housing Loans (and are not released in accordance with the Transaction Documents), the Trustee will continue to hold the Housing Loan Rights as Assets of the Series Trust until repayment of those other Housing Loans.

6.10 Trustee's right to dispose of Housing Loans

The Trustee will have the right to dispose of, assign or transfer (at the direction of the Manager) its entire right, title and interest in the Housing Loans and their Housing Loan Rights at their aggregate Fair Market Value if:

- (a) a Tax Event occurs; or
- (b) the Call Date has occurred or the next Payment Date is the Call Date.

If any Notes are outstanding the Manager must not direct the Trustee to exercise this right unless the amount to be paid to the Trustee on the disposal (when combined with other Assets of the Series Trust that will be available to the Trustee) will be sufficient to redeem the Notes in full. The payment by the Trustee to Noteholders following disposal of the Housing Loans in accordance with the foregoing will be in full and final redemption of the Notes, regardless of any unreimbursed Charge-Offs.

6.11 Perfection of Title Event

A "**Perfection of Title Event**" occurs if:

- (a) the Seller makes any representation under the Series Supplement as described in Section 6.5 ("*Seller's Representations and Warranties in relation to the Housing Loans*") which is incorrect when made (other than a representation or warranty referred to in Section 6.5 ("*Seller's Representations and Warranties in relation to*

the Housing Loans”) which results in the Seller paying the Trustee any amount referred to in Section 6.7 (“*Consequences of a Breach of the Representations and Warranties*”) and it has, or if continued will have, an Adverse Effect as reasonably determined by the Trustee (in consultation with the Manager) after the Trustee is actually aware of such representation or warranty being incorrect and:

- (i) such breach is not satisfactorily remedied so that it no longer has or will have an Adverse Effect, within 20 Business Days (or such longer period as the Trustee agrees) of notice thereof to the Seller from the Manager or the Trustee; or
 - (ii) the Seller has not within 20 Business Days (or such longer period as the Trustee agrees) of such notice, paid compensation to the Trustee for its loss (if any) suffered by the Trustee as a result of such breach in an amount satisfactory to the Trustee (acting reasonably). The Trustee must (in consultation with the Manager), in such notice, specify the reasons why it believes an Adverse Effect has occurred or will occur (as the case may be);
- (b) the Trustee is not paid an amount owing to it by the Seller under any Interest Rate Swap Agreement in relation to which the Seller is a Interest Rate Swap Provider within 10 Business Days of its due date for payment (or such longer period as the Trustee may agree to);
 - (c) if the Seller is the Servicer, a Servicer Default occurs (see Section 5.4(e) (“*The Servicer*”));
 - (d) an Insolvency Event occurs in relation to the Seller; or
 - (e) the Seller’s long term credit rating is downgraded below BBB by Standard & Poor’s, BBB by Fitch or such other ratings as are agreed by the Manager, the Servicer and each Rating Agency.

The Trustee must declare a Perfection of Title Event (of which the Trustee is actually aware) by notice in writing to the Servicer, the Manager and the Rating Agencies unless the Rating Agencies confirm that the failure to perfect the Trustee’s title to the mortgages will not result in a reduction, qualification or withdrawal of the credit ratings then assigned by them to the Notes.

If the Trustee declares that a Perfection of Title Event has occurred, the Trustee and the Manager must immediately take all steps necessary to perfect the Trustee’s legal title to the mortgages (including lodgement of mortgage transfers) and must notify the relevant mortgagors (including informing them, where appropriate, of the Series Trust bank account to which they should make future payments) of the sale of the Housing Loans and mortgages, and must take possession of the Seller’s loan files in relation to the Housing Loans (subject to the Privacy Act and the Seller’s duty of confidentiality to its customers under general law or otherwise).

On becoming aware of the occurrence of a Perfection of Title Event the Trustee must, within 30 Business Days, either have commenced all necessary steps to perfect legal title in, or have lodged a caveat in respect of, the Trustee’s interest in each Housing Loan. However, if the Trustee does not hold all the Housing Loan Documents necessary to vest in it the Seller’s right, title and interest in any Housing Loan, within 5 Business Days of

becoming aware of the occurrence of a Perfection of Title Event, the Trustee must, to the extent of the information available to it, lodge a caveat or similar instrument in respect of the Trustee's interest in that Housing Loan.

7 Bankwest's Housing Loan Business

7.1 Eligible Housing Loans

The Housing Loans to be assigned to the Trustee consist of those originated in Bankwest's ordinary course of business. The Housing Loans have been selected from Bankwest's standard range of housing products. In general, the Housing Loans are subject to the laws of the Australian State or Territory where the property secured by the related mortgage is situated (that is, the laws of New South Wales, the Australian Capital Territory, Victoria, Queensland, South Australia or Western Australia). In some cases, however, the Housing Loans may be subject to the laws of an Australian State or Territory other than the State or Territory where the security property is situated.

As at the Cut-Off Date the Seller represents and warrants in respect of each Housing Loan that at the time it entered into the Housing Loan, all necessary steps were taken to ensure that the mortgage relating to the Housing Loan was considered to be a first ranking mortgage in accordance with the Servicing Standards (or a second ranking mortgage where the Seller is the mortgagee in respect of the first ranking mortgage and the first ranking mortgage has been assigned to the Trustee). Where the mortgage securing the Housing Loan is a second ranking mortgage the Seller has agreed that the first ranking mortgage will rank subsequent to the mortgage which secures the Housing Loan at least to the extent of the principal amount (plus accrued and unpaid interest) of the Housing Loan plus such additional amount (if any) as is determined in accordance with the Servicing Guidelines.

The Seller further represents and warrants that, as at the Cut-Off Date, each Housing Loan satisfied the following criteria or such criteria as the Trustee, the Seller and the Manager may have agreed in writing prior to the Issue Date and which the Rating Agencies have agreed will not result in a withdrawal, qualification or reduction of the credit ratings to be assigned by them to the Notes on the Issue Date (the "**Eligibility Criteria**"):

- (a) The Housing Loan:
 - (i) has been advanced in and is repayable in Australian dollars;
 - (ii) has been secured by a first-ranking mortgage, or a second-ranking mortgage where there are 2 mortgages securing the Housing Loan and the Seller is the first mortgagee and where both mortgages are assigned to the Trustee;
 - (iii) has been secured by a mortgage over land which is residential property and which includes a residential building;
 - (iv) has a stated term to maturity at the Cut-Off Date not exceeding 30 years;
 - (v) has a LVR not exceeding 95 per cent (calculated by excluding from the amount of the Housing Loan any capitalised mortgage insurance premium);
 - (vi) is assignable by the Seller to the Trustee in equity without prior consent being required from, or notice of the assignment needing to be given to, the mortgagor or any other person;

- (vii) has been approved by the Seller on or after 1 November 1996; and
 - (viii) has been (at some time) fully drawn down by the borrower or drawn down to within A\$500 of the amount available to be drawn; and
- (b) The Housing Loan must not be:
- (i) a loan under which the Seller is only entitled to receive interest payments under the terms of the loan for a period of greater than 10 years;
 - (ii) a loan that has a fixed rate period greater than 5 years;
 - (iii) a loan that allowed interest to be paid by the borrower, without the consent of the Seller, in advance; or
 - (iv) a loan with a principal amount outstanding which exceeds \$1,000,000.

A list of representations and warranties made by the Seller in respect of the Housing Loans is set out in Section 6.5 (“*Seller’s Representations and Warranties in relation to the Housing Loans*”).

7.2 Housing Loan Products

This section describes types of Housing Loans and features of the Housing Loans that were applicable when the Housing Loans were originated. The types of Housing Loans and the features of those Housing Loans may have changed since that time.

(a) *Types of Housing Loans*

The Housing Loans consist of the following types of loans:

- (i) **Owner Occupied Housing Loans:** Owner occupied Housing Loans have been made for the purchase, construction or improvement of residential property or to refinance an existing loan. Loans may be granted for stand alone houses, strata-title units, green titled duplexes and townhouses.
- (ii) **Investment Loans:** Investment loans represent loans for a residential property other than the principal residence of the borrower (e.g. vacation home or a rental property). Investment loans are generally not available to finance major investments such as blocks of strata-title units or investments of a commercial nature.
- (iii) **Personal Investment Loans:** Personal Investment Loans represent loans where the loan is secured by a residential property but the borrower is using the funds for wealth creation or other investment purposes.

(b) *Housing Loan Features*

- (i) **Interest Off-Set Facility:** Bankwest offers to borrowers an interest offset facility pursuant to which the interest rate charged on a portion of the Housing Loan equal to the balance of certain funds paid by the borrower to Bankwest that may be withdrawn by that borrower (“**Interest Off-Set Facilities**”) with Bankwest is less than or equal to the interest rate charged on the balance of the Housing Loan. No interest is actually paid

to the borrower on the Interest Off-Set Facility. The Interest Off-Set Facility must be in the same name or names as the Housing Loan. If the Trustee's title to a Housing Loan is perfected, Bankwest will no longer offer an interest off-set arrangement in respect of the Housing Loan.

- (ii) **Bankwest Home Loan expressway:** Bankwest also offered (until 31 January 2003) a housing loan titled "Bankwest Home Loan expressway". This product allows the borrower to withdraw their surplus balance electronically via ATM card access without notice to Bankwest. The Bankwest Home Loan expressway is identical to standard home loans in its repayment arrangements in that the loan is amortised over a set period by way of regular minimum monthly repayments that cover principal and interest. Only surplus funds may be withdrawn without notice to Bankwest. There are no restrictions on prepayments. The Seller may have also offered a separate Interest Off-Set Facility. See paragraph (d) below for further information in relation to the redraw ability of borrowers generally.
- (iii) **Concessional Packages:** Bankwest offers various loan packages under programmes titled "Affinity" programmes, "Gold" programme, "Plus Package", "Bankwise" programme (up until 31 January 2007) and, up until 14 April 1998, "Professionals Packages". The centrepiece of each program is a tailored housing loan to meet the needs of each group. Essentially, a concessional interest rate and/or discounted bank fees are offered. In some cases a payment may be made to an affinity partner who may provide a benefit to the borrower. In the case of the Affinity programme, loans may be marketed directly by the affinity partner to its members or employees. The Plus Package offers customers discounted interest rates and reduced fees and requires the customer to hold a Bankwest Lite Transaction Account – Direct Option The Bankwise programme offered Bankwest customers a range of discounted banking services, including housing loans. In the case of the Professionals Packages, loans were marketed through Bankwest directly to certain groups of borrowers.
- (iv) **Redraw Ability:** Borrowers being charged interest at a variable rate are allowed to access surplus balances, where they have pre-paid principal amounts of their Housing Loan, up to the Scheduled Balance of the Housing Loan. Minimum withdrawal amounts and fees may apply in some cases. Seller Advances are initially funded by the Seller and are reimbursed to the Seller from Principal Collections on the following Payment Date. In addition the Trustee may issue Redraw Notes to fund Seller Advances to the extent such redraws are not able to be funded from Principal Collections. If a Perfection of Title Event occurs the Servicer must take all necessary steps in order to vary each loan agreement in relation to a Housing Loan forming part of the Assets of the Series Trust (where this is required) such that the Seller may refuse to provide any Seller Advance to the Mortgagor in relation to the Housing Loan.
- (v) **Prepayments and Payment Holidays:** A borrower may make repayments under a Housing Loan in excess of the scheduled instalment amounts for the Housing Loan. Where the borrowers have made payments in excess of the scheduled instalment amount, Bankwest may

permit those borrowers to cease making repayments up until the time that the current balance of the Housing Loan equals the Scheduled Balance. In such circumstances the Servicer may treat the Housing Loan as not being in arrears unless the loan balance exceeds the Scheduled Balance.

(c) *Interest Rate Options*

- (i) **Variable Rate Loans:** At the Cut-Off Date, 91.12 per cent of the Housing Loans (by value) are charged interest at a variable rate. Any variable rates are administered rates determined by a pricing committee at Bankwest. On any change to variable rates on Housing Loans a new monthly payment amount determined to maintain the final payment date. Borrowers are provided with 30 days notice in writing of the new monthly payment.
- (ii) **Fixed Rate Loans:** At the Cut-Off Date, 8.88 per cent of the Housing Loans (by value) are charged interest at a fixed rate. Fixed rate loans are available for terms of one to five years, with the interest rate converting automatically at the end of the term to a variable rate. This includes Housing Loans with a one year fixed concessionary rate. Prior to the conversion to a variable rate, the borrower may roll the loan over for another fixed term on payment of any applicable fee. The interest rate for a fixed rate loan is fixed for the agreed term.
- (iii) **Concessional Introductory Rate:** Bankwest from time to time offers loans with concessional introductory rates for periods of one year, during which the rate is fixed. At the expiry of the concessional period, the rate will revert to the variable rate. The borrower may elect to roll the loan over for another fixed term on payment of any applicable fee.
- (iv) **Converting from Variable to Fixed (and vice versa):** Bankwest allows borrowers the option of converting from a variable rate loan to a fixed rate loan (or vice versa). Fees may apply.
- (v) **Tracker Products:** Bankwest offered loans (up to May 2010) with a discount interest rate for a period of two or three years. The rate applied to these loans is the average of the Standard Variable Rate of the four major trading banks in Australia (ANZ, CBA, NAB and WBC) less the fixed discount rate. The Tracker Product with the 3 years discount period included an APR 'floor' of 3.9%. At the conclusion of the discount period, the loans revert to the Bankwest Variable Rate.
- (vi) **Seniors Equity Release:** Bankwest from time to time offers loans with a variable interest rate, where borrowers meeting set criteria are not required to make repayments and all interest, fees and charges are capitalised monthly. Repayment of the loan is required where the property is sold or within 6 months of death or settlement of the estate of the last surviving borrower, whichever occurs first or if another security is taken over the property. The maximum amount that can be borrowed against the security is 25%.

No Seniors Equity Release loan will form part of the Housing Loan Rights to be acquired by the Trustee.

- (vii) **Bankwest Equity Access:** Bankwest from time to time offers loans with a variable interest rate where customers are offered a line of credit secured against a residential property. Monthly repayments are required where the maximum amount of credit has been drawn down.

No Bankwest Equity Access loan will form part of the Housing Loan Rights to be acquired by the Trustee.

- (viii) **Ongoing Concessional Interest Rate Products:** Bankwest from time to time offers products (Bankwest Premium Select, Bankwest Rate Cutter) with a discount of between 0.4% to 0.8% off the Bankwest Variable Rate for the life of the loan.

- (ix) **Capped Variable Rates:** Bankwest offered (up until 18 December 2009) a variable rate home loan with a cap on the interest rate of either 7.50% or 7.99%. The cap on all these products expires on 10 November 2012.

No Capped Variable Rates loan will form part of the Housing Loan Rights to be acquired by the Trustee.

(d) *Substitution of Security*

To accommodate the portability of a Housing Loan, a borrower may be permitted to substitute a mortgage for an existing mortgage, to release an existing mortgage or to add a further mortgage as security for a Housing Loan. Any such substitution, or addition, must be done in the Seller's ordinary course of business. Immediately upon the creation of such substituted or additional mortgage, the Seller's interest in such mortgage will be assigned in equity to the Trustee and the Trustee's interest in any existing mortgage for which another has been substituted will be either discharged or extinguished in favour of the Seller.

(e) *Early Repayment*

Early repayment or partial repayment of any Housing Loan is permitted while such Housing Loan is subject to a variable rate of interest. Housing Loans which are charged a fixed rate of interest, if repaid within their fixed rate term or partially prepaid above the scheduled instalment amount, may require the borrower to pay break costs or the Seller to pay break benefits in accordance with the terms of the Housing Loan. Variable rate housing loans may be subject to an early termination fee (known as a deferred establishment fee or DEF) where an introductory fixed rate was initially employed.

(f) *Origination Methods*

Bankwest originates Housing Loans through its own customer service centres, telebanking, direct banking and mobile lenders as well as through third party mortgage originators. Bankwest has entered into arrangements with selected mortgage originators. Mortgage originators are subject to selection criteria and must satisfy standards set by Bankwest. The decision to approve or decline a loan introduced by third parties is made solely by Bankwest.

(g) ***Credit Approval***

(i) ***Approvals and Delegations***

Housing Loans that are not approved by Bankwest's automated credit decisioning system are forwarded for further review and approval under specific limit delegations set for designated staff in Bankwest's centralised sanctioning area. As part of the credit approval process Bankwest considers a borrower's capacity to service the proposed Housing Loan. Currently Bankwest guidelines incorporate a net income commitment level test based on their income being utilised to service the total proposed end debt and predetermined living expenses. Bankwest does not actively encourage the use of guarantees. Guarantees will not be accepted as a substitute where the borrowers are not able to meet the repayments of the Housing Loan. They will, however, be considered where the security is being provided by a third party (such as the borrower's spouse) and other conditions are satisfied.

The following additional measures are undertaken by Bankwest either in advance of issuing an offer to a prospective borrower or prior to the offer becoming binding on Bankwest:

- (A) requiring proof of income containing employers details;
- (B) confirmation of available funds to pay the deposit where the security property is being purchased. Deposits may not be borrowed as a personal loan. Gifted deposits are not acceptable unless a declaration that they are non repayable is obtained from the grantor;
- (C) disclosure of assets, liabilities and expenditure commitments;
- (D) an external credit check through an external credit reference company in relation to the borrower; and
- (E) in the case of self-employed or company applicants, a check of financial statements.

(ii) ***Loan to Valuation (LVR) Policy***

As the Settlement Date of each Housing Loan, lending is allowed to a maximum of 95 per cent of Bankwest's valuation or the purchase price of the security property or the maximum safe lending margin applicable as determined by either the underlying product or the nature of the security provided, whichever is the lesser (calculated by excluding from the amount of the Housing Loan any capitalised mortgage insurance premium or fees (or both)).

(iii) ***Valuation Policy***

Bankwest policy requires substantiation of the property value either by contract of sale or valuation by a licensed or registered valuer who has been approved by the Bank to value residential property for lending purposes. A valuation of the security property is required where the

purchase price of the security property (as obtained by way of an arm's length offer and acceptance through a real estate agent registered with the state based affiliate of the Real Estate Institute of Australia) is greater than \$1,000,000, the LVR is greater than 75 per cent, or if lenders mortgage insurance is required. A valuation may also be required where the purchase is not by way of an arm's length transaction, the price of the security property or the LVR are lower depending on the property type (i.e. grouped housing such as villas and units), the geographic location of the security property, the purpose of the funds being borrowed or the product being applied for. Valuations must be performed by valuers who are members of the Australian Property Institute. In some remote centres where there is no resident qualified valuer, assessment of the security value is undertaken by a designated local bank officer to a predetermined maximum value. If an assessment of security value is considered problematic, assistance is sought from a suitably qualified valuer. In addition, housing loans may be secured by more than one property and in such cases the combined values of all relevant security properties is considered.

(iv) Security Description

A Housing Loan is considered to be secured by a mortgage over land which is residential property of less than 10 hectares and which is used solely for residential purposes (including investment housing and blocks upon which it is intended to construct a residence) where the occupant derives primary income from a source unrelated to that property and the current use is considered acceptable under Bankwest's credit policies. Properties that fall outside of this definition are also considered for a Housing Loan secured by a mortgage over land where they are greater than 10 hectares but less than 60 hectares and are classified as rural lifestyle properties from which the occupants may derive no more than 25% of their aggregate income from sources related to those properties. For all other properties falling outside of this definition a ruling is sought from Bankwest's credit policy area having regard for the guidelines set down by the Australian Prudential Regulation Authority.

(h) Mortgage Insurance

Depending on the LVR of the loan, Bankwest may require loans to be mortgage insured at the time of their origination. However, all Housing Loans included in the securitised portfolio will be mortgage insured. See 11.3 ("*Mortgage Insurance Policies*") for details of the Mortgage Insurance Policies.

(i) Loan Settlement & Documentation

(i) Settlement Procedures

Conditions for settlement and disbursement of funds to the borrower following credit approval and satisfaction of any condition imposed by that approval include receipt/verification of the following:

- (A) a copy of sale contract or offer and acceptance (if any);

- (B) a signed Housing Loan contract;
- (C) a valuation;
- (D) evidence of mortgage insurance (if required);
- (E) guarantor's acknowledgement signed and answered or waived by Credit Manager (if guaranteed);
- (F) signed and stamped guarantee document (if guaranteed);
- (G) signed mortgagors/guarantors consent (where applicable);
- (H) when the property is purchased, an executed and stamped land transfer together with discharges of existing mortgages and duplicate certificate of title (if a duplicate certificate title was issued. If no duplicate is issued a certificate title search is done) when the property was being refinanced, discharge of existing mortgages and duplicate certificate of title (if a duplicate certificate title is issued. If no duplicate is issued a certificate title search is done);
- (I) a settlement statement;
- (J) authority for Bankwest to disburse funds and to receive and lodge documents;
- (K) signed and stamped Bankwest mortgage documents;
- (L) other executed security documents;
- (M) fees; and
- (N) confirmation that all conditions precedent have been satisfied.

For Western Australian loans Bankwest's Loan Customer Support prepares security documents on the lending officer's instructions and arrangements are made to execute them. The signed copy of the Housing Loan contract and the executed security documents are then checked and stamped within Loan Settlement Support. Loan Settlement Support then attends to settlement and registration.

For loans originated outside Western Australia, a solicitor appointed by Bankwest attends to Bankwest security preparation. Settlement, stamping and registration in line with the above criteria has been outsourced. The solicitor issues a certificate confirming compliance after receipt of which Bankwest's Loan Customer Support authorises the relevant interstate office to issue the necessary bank cheques. Where Bankwest has discharged an existing mortgage, Bankwest outsources the preparation of the discharge to a property services provider.

(ii) Mortgages

Except to the extent that rights are restricted by priority agreements and similar arrangements, Bankwest's mortgages are stated to secure all monies owing to Bankwest by the mortgagor and/or the borrower named in the mortgage. This amount includes reimbursement of payment for:

- (A) Bankwest's cost of negotiations, preparation, execution, stamping and registration of the mortgage;
- (B) Bankwest's costs associated with waivers, releases and discharges;
- (C) enforcement and preservation expenses;
- (D) Bankwest's fees and certain taxes;
- (E) inspections; and
- (F) expenses in connection with indemnification of receivers, controllers, attorneys and similar appointees.

Apart from the above specific provisions, Bankwest's mortgages confer on Bankwest rights typically included in mortgages of land including the right of sale following an event of default.

(iii) Loan Agreements

The loan agreement between Bankwest and the borrower currently takes the form of a Home Loan Contract signed by Bankwest and accepted by the borrower. The Home Loan Contract and attachments outline the purpose, terms of repayment, interest rate, security, insurance requirements, fees and expenses and other essential terms of the loan.

(iv) Property Insurance

Under Bankwest's mortgage document, the mortgagor must maintain (or, in the case of a shared scheme, ensure the maintenance of) full replacement value property insurance at all times and Bankwest must be noted on the policy. Bankwest does not check that insurances remain current unless the loan is at some time reviewed, however, should the loan fall into default and Bankwest take possession of the property it is immediately included under Commonwealth Bank of Australia's 'blanket' insurance cover (or corporate insurance program) for full replacement value. Under Bankwest's mortgage documents, Bankwest can take necessary steps to ensure that the property is insured.

(v) Policy Review

Origination policies and procedures are subject to periodic review. Changes may flow from such reviews to ensure compliance with legislation or guidelines maintained by regulatory authorities or as a result of changes in policy by Bankwest.

8 Terms and Conditions of the Notes

8.1 General Description of the Notes

The Notes will upon issue be in the form of registered debt securities and will be issued by the Trustee in its capacity as trustee of the Series Trust. They are issued with the benefit of, and subject to, the Master Trust Deed, the Series Supplement and the Security Trust Deed.

8.2 Interest on the Notes

(a) *Period for which Notes accrue interest*

Each Note accrues interest from (and including) the Issue Date and ceases to accrue interest from (and excluding) the date on which the Note is deemed to be redeemed, provided that for so long as a Note has a Stated Amount of zero, that Note will not accrue any interest.

(b) *Interest Periods*

The period that a Note accrues interest as described above is divided into periods (also “**Interest Periods**”). The first Interest Period for a Note commences on (and includes) the Issue Date and ends on (but excludes) the first Payment Date thereafter (being 25 January 2011 or the next Business Day if this is not a Business Day unless that day falls in the next calendar month, in which case, the date is brought forward to the first preceding Business Day). Each succeeding Interest Period commences on (and includes) a Payment Date and ends on (but excludes) the next Payment Date. The final Interest Period ends on (but excludes) the date on which interest ceases to accrue on Notes as described above.

(c) *Note Rate of Interest*

(i) *Class A1 Notes*

The “Class A1 Rate of Interest” in relation to a Class A1 Note and an Interest Period means the aggregate of BBSW for that Interest Period and the Class A1 Margin.

The “Class A1 Margin” in relation to a Class A1 Note means:

- (A) for the period from, and including the Issue Date, to but excluding, the Call Date, the Agreed Margin in relation to the Class A1 Notes; and
- (B) for the period from, and including the Call Date to, but excluding the date on which that Class A1 Note ceases to accrue interest in accordance with Section 8.2(a) (“*Interest on the Notes*”), the Agreed Margin in relation to the Class A1 Notes, plus 0.25%,

provided that, if on or after the Call Date the Trustee, at the direction of the Manager, proposes to redeem the Notes at their Stated Amount, on a Payment Date, but is unable to do so because, following a meeting of the

relevant Noteholders for that Class convened under the provisions of the Security Trust Deed by the Manager for this purpose the Noteholders have not approved by an Extraordinary Resolution (as defined in the Security Trust Deed) the redemption of the Notes at their Stated Amount then the Class A1 Margin from, and including, that Payment Date to, but excluding, the date on which that Class of Note ceases to accrue interest in accordance with Section 8.2(a) (“*Interest on the Notes*”) is the Agreed Margin in relation to the Class of Notes.

(ii) *Class A2 Notes*

The “Class A2 Rate of Interest” in relation to a Class A2 Note and an Interest Period means the aggregate of BBSW for that Interest Period and the Class A2 Margin.

The “Class A2 Margin” in relation to a Class A2 Note means:

- (A) for the period from, and including the Issue Date, to but excluding, the Call Date, the Agreed Margin in relation to the Class A2 Notes; and
- (B) for the period from, and including the Call Date to, but excluding the date on which that Class A2 Note ceases to accrue interest in accordance with Section 8.2(a) (“*Interest on the Notes*”), the Agreed Margin in relation to the Class A2 Notes, plus 0.25%,

provided that, if on or after the Call Date the Trustee, at the direction of the Manager, proposes to redeem the Notes at their Stated Amount, on a Payment Date, but is unable to do so because, following a meeting of the relevant Noteholders for that Class convened under the provisions of the Security Trust Deed by the Manager for this purpose the Noteholders have not approved by an Extraordinary Resolution (as defined in the Security Trust Deed) the redemption of the Notes at their Stated Amount then the Class A2 Margin from, and including, that Payment Date to, but excluding, the date on which that Class of Note ceases to accrue interest in accordance with Section 8.2(a) (“*Interest on the Notes*”) is the Agreed Margin in relation to the Class of Notes.

(iii) *Class A3 Notes*

The “Class A3 Rate of Interest” in relation to a Class A3 Note and an Interest Period means at all times 7.00% per annum.

(iv) *Class A3-R Notes*

The “Class A3-R Rate of Interest” in relation to a Class A3-R Note and an Interest Period means at all times the aggregate of BBSW for that Interest Period and the Class A3-R Margin.

The “Class A3-R Margin” in relation to a Class A3-R Note means:

- (A) if the Trustee is able to issue Class A3-R Notes in accordance with Section 8.4 (“*Class A3 Notes*”), the margin on those Notes; and
- (B) if the Trustee is unable to issue Class A3-R Notes in accordance with Section 8.4 (“*Class A3 Notes*”), the Class A3 Stepped Up Margin

The “Class A3 Stepped Up Margin” means the Class A3 Swap Margin plus 0.50%.

(v) *Class AB Notes*

The “Class AB Rate of Interest” in relation to a Class AB Note and an Interest Period means the aggregate of BBSW for that Interest Period and the Class AB Margin.

The “Class AB Margin” in relation to a Class AB Note means:

- (A) for the period from, and including the Issue Date, to but excluding, the Call Date, the Agreed Margin in relation to the Class AB Notes; and
- (B) for the period from, and including the Call Date to, but excluding the date on which that Class AB Note ceases to accrue interest in accordance with Section 8.2(a) (“*Interest on the Notes*”), the Agreed Margin in relation to the Class AB Notes, plus 0.25%,

provided that, if on or after the Call Date the Trustee, at the direction of the Manager, proposes to redeem the Notes at their Stated Amount on a Payment Date, but is unable to do so because, following a meeting of the relevant Noteholders for that Class convened under the provisions of the Security Trust Deed by the Manager for this purpose the Noteholders have not approved by an Extraordinary Resolution (as defined in the Security Trust Deed) the redemption of the Notes at their Stated Amount then the Class AB Margin from, and including, that Payment Date to, but excluding, the date on which that Class of Note ceases to accrue interest in accordance with Section 8.2(a) (“*Interest on the Notes*”) is the Agreed Margin in relation to the Class of Notes.

(vi) *Class AC Notes*

The “Class AC Rate of Interest” in relation to a Class AC Note and an Interest Period means the aggregate of BBSW for that Interest Period and the Class AC Margin.

The “Class AC Margin” in relation to a Class AC Note means:

- (A) for the period from, and including the Issue Date, to but excluding, the Call Date, the Agreed Margin in relation to the Class AC Notes; and

- (B) for the period from, and including the Call Date to, but excluding the date on which that Class AC Note ceases to accrue interest in accordance with Section 8.2(a) (“*Interest on the Notes*”), the Agreed Margin in relation to the Class AC Notes, plus 0.25%,

provided that, if on or after the Call Date the Trustee, at the direction of the Manager, proposes to redeem the Notes at their Stated Amount on a Payment Date, but is unable to do so because, following a meeting of the relevant Noteholders for that Class convened under the provisions of the Security Trust Deed by the Manager for this purpose the Noteholders have not approved by an Extraordinary Resolution (as defined in the Security Trust Deed) the redemption of the Notes at their Stated Amount then the Class AC Margin from, and including, that Payment Date to, but excluding, the date on which that Class of Note ceases to accrue interest in accordance with Section 8.2(a) (“*Interest on the Notes*”) is the Agreed Margin in relation to the Class of Notes.

(vii) *Class B Notes*

The “Class B Rate of Interest” in relation to a Class B Note and an Interest Period means the aggregate of BBSW for that Interest Period and the Class B Margin. The “Class B Margin” in relation to a Class B Note means at all times the Agreed Margin in relation to the Class B Notes.

(viii) *Redraw Notes*

The “Redraw Rate of Interest” in relation to a Redraw Note and an Interest Period means the aggregate of BBSW for that Interest Period and the Redraw Margin.

The “Redraw Margin” in relation to a Redraw Note means the Agreed Margin in relation to the Redraw Notes.

(ix) *Withholding Tax*

Payments of principal and interest on the Notes will be reduced by any applicable withholding taxes. The Trustee is not obligated to pay any additional amounts to the Noteholders to cover any withholding taxes.

(d) *Calculation of Interest on the Notes*

Interest on the Floating Rate Notes for an Interest Period is calculated by applying the Note Rate of Interest applicable to that Class of Floating Rate Note for that Interest Period to the Invested Amount of that Floating Rate Note on the first day of the Interest Period (after taking into account any reductions in the Invested Amount on that day), by then multiplying such product by the actual number of days in the Interest Period divided by 365 and rounding the resultant figure to the nearest cent (half a cent being rounded upward).

Interest on the Fixed Rate Notes for an Interest Period is calculated by applying the Note Rate of Interest applicable to that Class of Fixed Rate Note for that Interest Period to the Invested Amount of that Fixed Rate Note on the first day of the Interest Period, by then multiplying such product by the RBA Bond Basis and

rounding the resultant figure to the nearest cent (half a cent being rounded upward).

(e) *Payment of Note Interest Amounts on each Payment Date*

The Trustee must, in accordance with the Series Supplement, on each Payment Date apply any amount available under the Series Supplement in the order contemplated by the Series Supplement, towards the Redraw Interest Amount, the Class A1 Interest Amount, the Class A2 Interest Amount, (if that Payment Date is a Fixed Interest Payment Date) the Class A3 Interest Amount, the Class A3-R Interest Amount, the Class AB Interest Amount, the Class AC Interest Amount and the Class B Interest Amount in relation to the Interest Period ending on that Payment Date.

A failure to pay interest on the Class B Notes does not constitute an Event of Default under the Security Trust Deed for so long as the Class AC Notes, the Class AB Notes, the Class A3-R Notes, the Class A3 Notes, the Class A2 Notes or the Class A1 Notes remain outstanding.

A failure to pay interest on the Class AC Notes does not constitute an Event of Default under the Security Trust Deed for so long as the Class AB Notes, the Class A3-R Notes, the Class A3 Notes, the Class A2 Notes or the Class A1 Notes remain outstanding.

A failure to pay interest on the Class AB Notes does not constitute an Event of Default under the Security Trust Deed for so long as the Class A3-R Notes, the Class A3 Notes, the Class A2 Notes or the Class A1 Notes remain outstanding.

(f) *Interest on Unpaid Note Interest Amounts*

If interest is not paid in respect of the Floating Rate Notes on the date when due and payable, that unpaid interest will in turn bear interest at the relevant Note Rate of Interest applicable from time to time until (but excluding) the day on which the unpaid interest, and interest in relation to it, is paid in accordance with the Series Supplement. The Trustee must, in accordance with the Series Supplement, on each Payment Date apply any amount available under the Series Supplement in the order contemplated by the Series Supplement, towards the Redraw Unpaid Interest Amount, the Class A1 Unpaid Interest Amount, the Class A2 Unpaid Interest Amount, the Class A3-R Unpaid Interest Amount, the Class AB Unpaid Interest Amount, the Class AC Unpaid Interest Amount and the Class B Unpaid Interest Amount in relation to the Interest Period ending on that Payment Date. If interest is not paid in respect of the Fixed Rate Notes on the date when due and payable, that unpaid interest will in turn bear interest at the relevant Note Rate of Interest applicable from time to time until (but excluding) the day on which the unpaid interest, and interest in relation to it, is paid in accordance with the Series Supplement. The Trustee must, in accordance with the Series Supplement, on each Fixed Interest Payment Date apply any amount available under the Series Supplement in the order contemplated by the Series Supplement, towards the Class A3 Unpaid Interest Amount in relation to the Interest Period ending on that Fixed Interest Payment Date.

8.3 Principal Repayments on the Notes

(a) *Final Redemption*

Unless previously redeemed in full, the Trustee will redeem the Notes at their then Invested Amount, together with all accrued but unpaid interest, on the Final Maturity Date.

(b) *Part Redemption on Payment Date*

On each Payment Date prior to the enforcement of the Charge, the Trustee must redeem the Notes in part by applying any amount available (if any) under the Series Supplement for that purpose.

(c) *Early Redemption*

On any Payment Date, if either:

- (i) the Call Date; or
- (ii) a Tax Event,

has occurred and unless previously redeemed in full, the Trustee when directed by the Manager (at the Manager's option) may redeem all, but not some, of the Notes by repaying the then Invested Amount of such Notes together with, in the case of all Notes other than the Class B Notes, all accrued but unpaid interest to (but excluding) the date of redemption.

However, the Trustee may redeem the Notes at their Stated Amount, instead of at their Invested Amount, together with, in the case of all Notes other than the Class B Notes, all unpaid interest in respect of the Notes to (but excluding) the date of redemption if the redemption of the Notes at their Stated Amount is approved by an Extraordinary Resolution of the Noteholders at a meeting convened under the Security Trust Deed.

(d) *Redemption on Final Payment*

Upon a final distribution being made in respect of the Notes in accordance with the Series Supplement or the Security Trust Deed, the Notes will thereupon be deemed to be redeemed and discharged in full and any obligation to pay any accrued but unpaid interest, any then unpaid Invested Amount, Stated Amount or any other amounts in relation to the Notes will be extinguished in full. Noteholders will have no further rights or entitlements in respect of their Notes.

(e) *No Payment in excess of Invested Amount*

No amount of principal will be repaid in respect of a Noteholder in excess of the Invested Amount of the Note held by that Noteholder.

8.4 Class A3-R Notes

- (a) At any time on or before the Determination Date immediately before the Class A3 Refinancing Date, the Manager has agreed to use its reasonable endeavours to

arrange, on behalf of the Trustee, for the marketing of the issuance of Class A3-R Notes with an Invested Amount equal to:

- (i) the Invested Amount of the Class A3 Notes; minus
- (ii) the expected balance of the GIC Account on the Class A3 Refinancing Date.

The Manager may, at its cost, appoint such advisors, arrangers or dealers as it sees fit to assist with the issuance of the Class A3-R Notes.

(b) If the Manager is able to arrange for Class A3-R Notes to be issued by the Trustee on the Class A3 Refinancing Date:

- (i) with an interest rate which results in a margin over BBSW that is less than the Class A3 Stepped Up Margin;
- (ii) with the same credit rating from each Rating Agency as the Class A3 Notes on the Class A3 Refinancing Date;
- (iii) with an initial Invested Amount equal to:
 - (A) the Invested Amount of the Class A3 Notes; minus
 - (B) the expected balance of the GIC Account on the Class A3 Refinancing Date; and
- (iv) in accordance with the public offer test outlined in Section 128F of the Income Tax Assessment Act 1936,

the Manager will direct the Trustee to issue those Class A3-R Notes on the Class A-3 Refinancing Date. The Trustee must deposit the proceeds of the issuance of any Class A3-R Notes issued on the Class A3 Refinancing Date into the GIC Account.

(c) On the Class A3 Refinancing Date, the Trustee agrees to apply the proceeds of the GIC Account and the issuance proceeds of any Class A3-R Notes issued on the Class A3 Refinancing Date towards redeeming the Class A3 Notes.

(d) If::

- (i) the Manager is unable to arrange for the issue of Class A3-R Notes in accordance with paragraph (b) above; and
- (ii) the balance of the GIC Account on the Class A3 Refinancing Date is insufficient to redeem the Class A3 Notes in full,

each Class A3 Note outstanding on the Class A3 Refinancing Date will with effect from the Class A3 Refinancing Date be converted to a Class A3-R Note. From that date the Class A3-R Note will be a Floating Rate Note and the Margin for each Class A3-R Note on and from the Class A3 Refinancing Date will be the Class A3-R Margin. The Manager must, as soon as reasonably practical, give notice that the Manager is unable to arrange for the issue of the Class A3-R Notes in accordance with paragraph (b) above, and give notice of that Margin to all Class A3 Noteholders (with a copy to the Trustee).

8.5 Payments

(a) *Method of Payment*

Any amounts payable by the Trustee to a Noteholder will be paid in Australian dollars and may be paid by:

- (i) a crossed “not negotiable” cheque made payable to the Noteholder and despatched by post to the address of the Noteholder appearing on the Register;
- (ii) electronic transfer through Austraclear;
- (iii) at the option of the Noteholder (which may be exercised on a Note Transfer), direct transfer to a designated bank account in Australia of the Noteholder; or
- (iv) any other manner specified by the Noteholder and agreed to by the Manager and the Trustee.

8.6 Rounding of Payments

All payments in respect of the Notes will be rounded to the nearest Australian cent (half a cent being rounded upwards).

8.7 The Register of Noteholders

The Trustee will maintain a register (the “**Register**”) at its principal office in Sydney, or in such place as is from time to time agreed between the Trustee and the Manager in respect of the Notes. The Register will include the names and addresses of the Noteholders and a record of each payment made in respect of the Notes.

The Register is the only conclusive evidence of the title of a person recorded in it as the holder of a Note. The Trustee may from time to time close the Register for a period not exceeding 35 Sydney Business Days in aggregate in any calendar year (or such greater period as may be permitted by the Australian Corporations Act).

In addition to the above period, the Register may be closed by the Trustee at 4.30 p.m. (Sydney time) on the Sydney Business Day prior to each Determination Date (or on such other Sydney Business Day as the Trustee notifies the Noteholders) for the purpose of calculating entitlements to interest and principal on the Notes. The Register may be reopened at the commencement of business on the Sydney Business Day immediately following the Determination Date on which such calculations are made. On each Payment Date, principal and interest on the Notes will be paid to those Noteholders whose names appear in the Register when the Register is closed prior to the Determination Date. The Register may be inspected by a Noteholder during normal business hours in respect of information relating to that Noteholder only. Copies of the Register may not be taken by the Manager or Noteholders. However, the Trustee must make a copy of the Register available to the Manager within one Sydney Business Day of a request for such a copy by the Manager.

The Trustee with the Manager's approval, may cause the Register to be maintained by a third party on its behalf, and require that person to discharge the Trustee's obligations in relation to the Register.

8.8 Note Certificates

No definitive certificate or other instrument will be issued to evidence a person's title to Notes. Instead, each Noteholder will be issued with a certificate (a "Note Certificate") under which the Trustee acknowledges that the Noteholder has been entered in the Register in respect of the Notes referred to in that Note Certificate. A Note Certificate is not a certificate of title as to the relevant Notes. It cannot, therefore, be pledged or deposited as security nor can Notes be transferred by delivery of only a Note Certificate to a proposed transferee. If a Note Certificate becomes worn out or defaced, then, upon production of it to the Trustee, a replacement will be issued. If a Note Certificate is lost or destroyed, and upon proof of this to the satisfaction of the Trustee and the provision of such indemnity as the Trustee considers adequate, a replacement Note Certificate will be issued. A fee not exceeding \$10 may be charged by the Trustee for a replacement Note Certificate.

8.9 Transfer of Notes

Subject to the following conditions, a Noteholder is only entitled to transfer any of its Notes:

- (a) if the offer for sale, or invitation to purchase the Note, to the proposed transferee by the Noteholder is an offer or invitation that:
 - (i) is not made to a person who is a "retail client" within the meaning of section 761G of the Australian Corporations Act;
 - (ii) complies with all applicable laws in all applicable jurisdictions; and
 - (iii) is in accordance with the listing and market rules of any exchange on which the Notes are listed or quoted as those rules apply to the Notes; and
- (b) unless lodged with Austraclear as explained in Section 8.11 ("*Lodgement of the Notes in Austraclear*"), all transfers of Notes must be effected by a Note Transfer. Note Transfers are available from the Trustee's registry office. Every Note Transfer must be duly completed, duly stamped (if applicable), executed by the transferor and the transferee and lodged for registration with the Trustee accompanied by the Certificate for the Notes to which it relates.

For the purposes of accepting a Note Transfer, the Trustee is entitled to assume that it is genuine (unless it has actual knowledge to the contrary).

The Trustee is authorised to refuse to register any Note Transfer if:

- (a) it is not duly completed, executed and (if necessary) stamped;
- (b) it contravenes or fails to comply with the terms of the Master Trust Deed or the Series Supplement; or

- (c) the transfer would result in a contravention of, or a failure to observe the provisions of a law of the Commonwealth of Australia or of a State or Territory of the Commonwealth of Australia.

The Trustee is not bound to give any reason for refusing to register any Note Transfer and its decision is final, conclusive and binding. If the Trustee refuses to register a Transfer, it must as soon as practicable following that refusal, send to the transferor and the purported transferee notice of that refusal.

A Note Transfer will be regarded as received by the Trustee on the Sydney Business Day that the Trustee actually receives the Note Transfer at the place at which the Register is then kept. Subject to the power of the Trustee to refuse to register a Note Transfer, the Note Transfer will take effect from the Sydney Business Day on which the Note Transfer is received by the Trustee. However, if a Note Transfer is received by the Trustee after 4.30 p.m. in Sydney the Note Transfer will not take effect until the next Sydney Business Day. If a Note Transfer is received by the Trustee during any period when the Register is closed for any purpose or on any weekend or public holiday, the Note Transfer will take effect from the beginning of the next Sydney Business Day on which the Register is open.

Where a Note Transfer is registered after the closure of the Register prior to a Determination Date but prior to any payments that are due to be paid to Noteholders on the following Payment Date then interest or principal due on the Notes on the following Payment Date will be paid to the transferor and not the transferee.

Upon registration of a Note Transfer, the Trustee will within 10 Business Days of registration issue a Note Certificate to the transferee in respect of the relevant Notes and, where applicable, issue to the transferor a Note Certificate for the balance of the Notes retained by the transferor.

8.10 Marked Note Transfer

A Noteholder may request the Trustee, or any third party appointed by the Trustee to maintain the Register as described in Section 8.7 (“*The Register of Noteholders*”), to provide a marked Note Transfer in relation to its Notes. Once a Note Transfer has been marked by the Trustee or any such third party, for a period of 90 days thereafter (or such other period as is determined by the Manager), the Trustee or that third party will not register any transfer of the Notes described in the Note Transfer other than pursuant to that marked Note Transfer.

8.11 Lodgement of the Notes in Austraclear

If the Notes are lodged into the Austraclear system, Austraclear Limited will become the registered holder of those Notes in the Register. While those Notes remain in the Austraclear system:

- (a) all payments and notices required of the Trustee and the Manager in relation to those Notes will be directed to Austraclear Limited; and
- (b) all dealings and payments in relation to those Notes within the Austraclear system will be governed by the Austraclear Limited Regulations.

If the Notes are lodged in the Austraclear system, interests in the Notes may be held through Euroclear or Clearstream, Luxembourg. In these circumstances, entitlements in

respect of holdings of interests in the Notes in Euroclear would be held in the Austraclear system by Westpac Custodian Nominees Limited as nominee of Euroclear while entitlements in respect of holdings of interests in the Notes in Clearstream, Luxembourg would be held in the Austraclear system by ANZ Nominees Limited as nominee of Clearstream, Luxembourg.

The rights of a holder of interests in Notes held through Euroclear or Clearstream, Luxembourg are subject to the respective rules and regulations for accountholders of Euroclear and Clearstream, Luxembourg, the terms and conditions of agreements between Euroclear and Clearstream, Luxembourg and their respective nominees and the rules and regulations of the Austraclear system.

In addition, any transfer of interests in Notes which are held through Euroclear or Clearstream, Luxembourg will, to the extent such transfer will be recorded on the Austraclear system, be subject to the Corporations Act and the other requirements set out in Section 8.9 ("*Transfer of Notes*").

8.12 Notices to Noteholders

Notices, requests, certificate, approval, demand, consent and other communications by the Trustee or the Manager to Noteholders must:

- (a) advertisement placed on a Sydney Business Day in The Australian Financial Review (or other nationally delivered newspaper); or
- (b) mail, postage prepaid, to the address of the Noteholder as shown in the Register. Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the Noteholder actually receives the notice.

Whilst the Class A2 Notes are listed on the Irish Stock Exchange and admitted to trading on the Market, a copy of all notices given in accordance with this Section 8.12 ("*Notices to Noteholders*") will be submitted to the Irish Stock Exchange.

8.13 Joint Noteholders

Where Notes are held jointly, only the person whose name appears first in the Register will be entitled to be:

- (a) given any notices; and
- (b) paid any moneys due in respect of the Notes except that in the case of payment by cheque, the cheque will be payable to the joint Noteholders.

9 Cashflow Allocation Methodology

9.1 Applications and payments on Payment Dates

Prior to each Determination Date the Manager must make all necessary determinations to enable the Trustee to make the payments or allocations to be made by the Trustee on the Payment Date (including, for the first Payment Date, the Accrued Interest Adjustment) and must give to the Trustee a written direction by 2.00 pm on the Business Day prior to each Payment Date in relation to the payments and allocations to be made on that Payment Date in accordance with the Series Supplement.

9.2 Redraw Shortfall

If, in respect of a Determination Date, the Manager considers that the amount by which the Adjusted Principal Collections are likely to be insufficient to meet in full under Section 9.9(a) (“*Application of Total Principal Collections on each Payment Date*”) the Seller Advances that the Manager estimates will be outstanding on that Determination Date, the Manager may prepare and forward to the Trustee a notice directing the Trustee to issue Redraw Notes for a principal amount and on an issue date (which must be no earlier than 5 Business Days from the date of receipt of the notice by the Trustee) specified in the notice. The Manager must not issue such a notice to the Trustee:

- (a) if the Manager considers that the Stated Amount of the Redraw Notes at the immediately following Payment Date (after including the proposed issue of Redraw Notes and taking into account any expected repayments of principal on the Redraw Notes pursuant to Section 9.9(b) (“*Application of Total Principal Collections on each Payment Date*”)) will exceed the Redraw Note Limit; and
- (b) unless the Manager has issued a Rating Affirmation Notice in relation to the proposed issue of Redraw Notes.

9.3 Drawings under Liquidity Facility Agreement and application of Cash Deposit

On each Determination Date the Manager must determine whether a Net Liquidity Shortfall has occurred in respect of the Monthly Period just ended.

If the Manager determines on a Determination Date that such a Net Liquidity Shortfall has occurred:

- (a) where that Determination Date occurs other than during a Cash Deposit Period, the Manager must prepare and forward to the Trustee no later than the close of business on that Determination Date a drawdown notice under and in accordance with the Liquidity Facility Agreement requesting an advance under the Liquidity Facility equal to the lesser of the Net Liquidity Shortfall and the amount which is available for drawing under the Liquidity Facility, which notice must also specify the calculations used in determining the advance requested; or
- (b) where that Determination Date occurs during a Cash Deposit Period, the Manager must direct the Trustee to apply the Cash Deposit to meet (to the extent possible) the Net Liquidity Shortfall in accordance with the Liquidity Facility Agreement.

2 Business Days prior to the Issue Date and on each subsequent Business Day (other than during a Cash Deposit Period) the Manager must determine whether the Liquidity Facility Provider has the Designated Credit Rating. If on any Business Day the Manager

determines that the Liquidity Facility Provider does not have the Designated Credit Rating, the Manager must prepare and forward to the Trustee no later than the close of business on that Business Day a drawdown notice under and in accordance with the Liquidity Facility Agreement requesting an advance equal to the amount which is available for drawing under the Liquidity Facility.

If the Trustee receives a drawdown notice under the Liquidity Facility Agreement from the Manager, the Trustee must sign and deliver that drawdown notice to the Liquidity Facility Provider pursuant to, and by the time required under, the Liquidity Facility Agreement.

9.4 Interest on Cash Deposit

On each Determination Date the Manager will determine the amount (if any) that has been received in the Monthly Period just ended in respect of interest that has been earned on the Liquidity Facility Reserve Deposit Account or any other account held by the Trustee as trustee of the Series Trust and which is attributable to the Cash Deposit (if any) and must direct the Trustee to pay such amount on the next Payment Date to the Liquidity Facility Provider.

9.5 Notification to Trustee

The Manager will notify the Trustee in writing of all reductions in the Stated Amounts of each Class of Notes as a result of any Charge-Offs it has made to such Stated Amounts.

9.6 Interest Rate Swap Agreement collateral

On each Determination Date the Manager will determine the amount (if any) that has been received in the Monthly Period just ended in respect of the interest that has been earned on the Collections Account or any other account held by the Trustee as trustee of the Series Trust and which is attributable to any collateral paid under the Interest Rate Swap Agreement (if any) and must direct the Trustee in writing to apply such an amount in accordance with the terms of the Interest Rate Swap Agreement.

9.7 Payment of Accrued Interest Adjustment of the first Payment Date

On the first Payment Date, the Trustee must, in accordance with the Manager's directions, pay to the Seller, or as the Seller directs, the aggregate Accrued Interest Adjustment. The aggregate Accrued Interest Adjustment will, for the purpose of making determinations as to the payments to be made pursuant to Section 9.8 ("*Application of Total Investor Revenues on each Payment Date*") on the first Determination Date, be deducted by the Manager from the Total Investor Revenues in respect of the Monthly Period just ended.

9.8 Application of Total Investor Revenues on each Payment Date

Subject to Section 9.7 ("*Payment of Accrued Interest Adjustment of the first Payment Date*") in respect of the first Payment Date, on each Payment Date prior to the enforcement of the Charge, the Trustee must, in accordance with the Manager's directions, apply the Total Investor Revenues for the Monthly Period just ended in making the following payments and allocations in the following order of priority:

- (a) first, at the Manager's discretion, in or towards payment of up to A\$1 to the Income Unitholder to be dealt with, and held by, the Income Unitholder absolutely;

- (b) second, in payment towards or provision for the Series Trust Expenses and Extraordinary Expenses in respect of the Monthly Period just ended in the order set out in the definition of “Series Trust Expenses” and “Extraordinary Expenses”;
- (c) third, in payment pari passu and rateably towards:
 - (i) any net amounts payable by the Trustee to the Interest Rate Swap Provider under the Interest Rate Swap Agreement for the Interest Period ending on that Payment Date other than any Subordinated Termination Payment;
 - (ii) on each Payment Date which is not a Fixed Interest Payment Date, towards retaining in Authorised Short-Term Investments an amount equal to the portion of the Trustee’s payment on the Class A3 Note Fixed Swap that is due on the following Fixed Interest Payment Date that has accrued since the immediately preceding Payment Date. Prior to the occurrence of an Event of Default and enforcement of the Charge, the Trustee has agreed to apply and only apply such amounts subsequently on the following Fixed Interest Payment Date to meet the Trustee’s obligation to make payments under the Class A3 Note Fixed Swap; and
 - (iii) the Liquidity Facility Interest (if any) due on that Payment Date;
- (d) fourth, in or towards repayment to the Liquidity Facility Provider of the Liquidity Facility Principal in relation to that Payment Date;
- (e) fifth, in or towards payment pari passu and rateably:
 - (i) to the Class A1 Noteholders of the Class A1 Interest Amount in respect of that Payment Date, and any Class A1 Unpaid Interest Amount (if any) from prior Payment Dates; and
 - (ii) to the Class A2 Noteholders of the Class A2 Interest Amount in respect of that Payment Date, and any Class A2 Unpaid Interest Amount (if any) from prior Payment Dates; and
 - (iii) if that Payment Date is a Fixed Interest Payment Date, to the Class A3 Noteholders of the Class A3 Interest Amount in respect of that Fixed Interest Payment Date, and any Class A3 Unpaid Interest Amount (if any) from prior Fixed Interest Payment Dates; and
 - (iv) to the Class A3-R Noteholders of the Class A3-R Interest Amount in respect of that Payment Date, and any Class A3-R Unpaid Interest Amount (if any) from prior Payment Dates; and
 - (v) to the Redraw Noteholders of the Redraw Interest Amount in respect of that Payment Date, and any Redraw Unpaid Interest Amount (if any) from prior Payment Dates;
- (f) sixth, in or towards payment pari passu and rateably to the Class AB Noteholders of the Class AB Interest Amount in respect of that Payment Date, and any Class AB Unpaid Interest Amount (if any) from prior Payment Dates;

- (g) seventh, in or towards payment pari passu and rateably to the Class AC Noteholders of the Class AC Interest Amount in respect of that Payment Date, and any Class AC Unpaid Interest Amount (if any) from prior Payment Dates;
- (h) eighth, an amount equal to the Unreimbursed Principal Draw in relation to the Payment Date immediately prior to the Payment Date will be allocated to the Adjusted Principal Collections for the Monthly Period just ended;
- (i) ninth, an amount equal to the Defaulted Amount for the immediately preceding Monthly Period will be allocated to Adjusted Principal Collections for the immediately preceding Monthly Period and applied in accordance with Section 9.9 (“*Application of Total Principal Collections on each Payment Date*”) on that Payment Date;
- (j) tenth, an amount equal to any Charge-Offs in respect of the Notes remaining unreimbursed from all prior Payment Dates will be allocated to Adjusted Principal Collections for the immediately preceding Monthly Period and applied in accordance with Section 9.9 (“*Application of Total Principal Collections on each Payment Date*”) on that Payment Date;
- (k) eleventh, an amount to the Extraordinary Expense Reserve until the balance of the Extraordinary Expense Reserve is equal to the Extraordinary Expense Reserve Required Amount;
- (l) twelfth, in or towards payment to the Liquidity Facility Provider of any amounts owing under the Liquidity Facility Agreement;
- (m) thirteenth, in or towards payment pari passu and rateably of any Subordinated Termination Payments payable by the Trustee to the Interest Rate Swap Provider in accordance with the Interest Rate Swap Agreement;
- (n) fourteenth, an amount to the Income Reserve until the balance of the Income Reserve is equal to the Income Reserve Required Amount;
- (o) fifteenth, in or towards payment pari passu and rateably to the Class B Noteholders of the Class B Interest Amount in respect of that Payment Date, and any Class B Unpaid Interest Amount (if any) from prior Payment Dates;
- (p) sixteenth, on a pari passu and rateable basis, in or towards payment of certain amounts payable by the Trustee to the Dealer pursuant to the Dealer Agreement;
- (q) seventeenth, in or towards the Tax Shortfall (if any) and Tax Amount (if any) for that Monthly Period; and
- (r) finally, the remaining amount (if any) will be paid to the Income Unitholder.

The obligation of the Trustee to make any payment or allocation under each of the above paragraphs is limited in each case to the balance of the Total Investor Revenues (if any) available after application in accordance with the preceding paragraph or paragraphs.

9.9 Application of Total Principal Collections on each Payment Date

On each Payment Date prior to the enforcement of the Charge, the Trustee must apply in accordance with the directions of the Manager given to it pursuant to Section 9

(“*Cashflow Allocation Methodology*”) the Total Principal Collections for the Monthly Period then just ended in making the following payments or allocations in the following order of priority:

- (a) first in or towards repayment to the Seller of any Seller Advances made by the Seller during or prior to the Monthly Period and which have not previously been repaid in accordance with this Section 9.9(a) (“*Application of Total Principal Collections on each Payment Date*”);
- (b) second to the Redraw Noteholders in or towards repayment of principal in respect of the Redraw Notes, *pari passu* and rateably amongst the Redraw Notes until the Invested Amount of the Redraw Notes is reduced to zero;
- (c) third, *pari passu* and rateably:
 - (i) allocating an amount of the Total Principal Collections equal to the Class A Principal Allocation to be applied in accordance with Section 9.10 (“*Class A Principal Allocation*”);
 - (ii) to the Class AB Noteholders, an amount of the Total Principal Collections equal to the Class AB Principal Allocation, in or towards repayment of principal in respect of the Class AB Notes, *pari passu* and rateably amongst the Class AB Notes until the Invested Amount of the Class AB Notes is reduced to zero; and
 - (iii) to the Class AC Noteholders, an amount of the Total Principal Collections equal to the Class AC Principal Allocation, in or towards repayment of principal in respect of the Class AC Notes, *pari passu* and rateably amongst the Class AC Notes until the Invested Amount of the Class AC Notes is reduced to zero;
- (d) fourth, to the Class AB Noteholders in or towards repayment of principal in respect of the Class AB Notes, *pari passu* and rateably amongst the Class AB Notes until the Invested Amount of the Class AB Notes is reduced to zero; and
- (e) fifth, to the Class AC Noteholders in or towards repayment of principal in respect of the Class AC Notes, *pari passu* and rateably amongst the Class AC Notes until the Invested Amount of the Class AC Notes is reduced to zero; and
- (f) sixth, in applying the remainder of the Total Principal Collections to the Class B Noteholders in or towards repayment of principal in respect of the Class B Notes, *pari passu* and rateably amongst the Class B Notes until the Invested Amount of the Class B Notes is reduced to zero; and
- (g) the balance (if any) is to be paid:
 - (i) first, to the Class A Capital Unitholder up to a maximum amount (in total for all such distributions) of A\$1000; and
 - (ii) second, to the Class B Capital Unitholder.

9.10 Class A Principal Allocation

On each Payment Date prior to the enforcement of the Charge, the Trustee must apply in accordance with the directions of the Manager given to it pursuant to Section 9.1

(“*Applications and payments on Payment Dates*”) the Class A Principal Allocation on that Payment Date in the following order of priority:

- (a) first, if any Class A1 Notes are outstanding:
 - (i) an amount equal to 75% of the Class A Principal Allocation to the Class A1 Noteholders in or towards repayment of principal in respect of the Class A1 Notes, *pari passu* and rateably amongst the Class A1 Notes until the Invested Amount of the Class A1 Notes is reduced to zero; and
 - (ii) an amount equal to 25% of the Class A Principal Allocation to the Class A2 Noteholders in or towards repayment of principal in respect of the Class A2 Notes, *pari passu* and rateably amongst the Class A2 Notes until the Invested Amount of the Class A2 Notes is reduced to zero;
- (b) to the Class A2 Noteholders in or towards repayment of principal in respect of the Class A2 Notes, *pari passu* and rateably amongst the Class A2 Notes until the Invested Amount of the Class A2 Notes is reduced to zero; and
- (c) third:
 - (i) on or prior to the Class A3 Refinancing Date, to the GIC Account until the balance of the GIC Account is equal to the aggregate Invested Amount of the Class A3 Notes; and
 - (ii) after the Class A3 Refinancing Date, to the Class A3-R Noteholders in or towards repayment of principal in respect of the Class A3-R Notes, *pari passu* and rateably amongst the Class A3-R Notes until the Invested Amount of the Class A3-R Notes is reduced to zero.

9.11 Repayment of Class A3 Notes on Class A3 Refinancing Date

The Trustee must, on the direction of the Manager, withdraw the balance of the GIC Account on the Class A3 Refinancing Date and apply those proceeds towards the redemption of the Class A3 Notes.

9.12 Step-Down Conditions

The Step-Down Conditions will be satisfied on any Determination Date if each of the following conditions are satisfied:

- (a) the Determination Date is at least two years after the Issue Date;
- (b) the aggregate outstanding principal amount of all Housing Loans that are Assets of the Series Trust as at that Determination Date expressed as a percentage of the aggregate outstanding principal amount of all Housing Loans that are Assets of the Series Trust as at the Issue Date is greater than 10%;
- (c) the aggregate Invested Amount of all of the Class AB Notes, Class AC Notes and the Class B Notes as at that Determination Date expressed as a percentage of the aggregate Invested Amount of all of the Class A Notes, Class AB Notes, Class AC Notes and the Class B Notes on that Determination Date is at least twice the percentage provided as at the Issue Date;

- (d) the aggregate Invested Amount of all Class AC Notes and Class B Notes as at that Determination Date expressed as a percentage of the aggregate Invested Amount of all Class A Notes, Class AB Notes, Class AC Notes and Class B Notes on that Determination Date is at least twice the percentage provided as at the Issue Date;
- (e) the aggregate Invested Amount of all Class B Notes as at that Determination Date expressed as a percentage of the aggregate Invested Amount of all Class A Notes, Class AB Notes, Class AC Notes and Class B Notes on that Determination Date is at least twice the percentage provided as at the Issue Date;
- (f) the aggregate principal amount outstanding of Mortgage Loans then forming part of the Assets of the Series Trust on that day with Arrears Days of greater than 60 days is less than 4% of the average of the aggregate principal amount outstanding of all Mortgage Loans then forming part of the Assets of the Series Trust on that Determination Date;
- (g) there are no Charge-Offs which remain unreimbursed on any Note;
- (h) there are no unreimbursed Principal Draws as at that Determination Date; and
- (i) there are no amounts which remain outstanding under the Liquidity Facility Agreement.

9.13 Extraordinary Expense Reserve

- (a) The Seller has agreed to lend to the Trustee an amount equal to the Extraordinary Expense Reserve Required Amount on the Issue Date. The Trustee has agreed to, at the direction of the Manager, deposit the Extraordinary Expense Reserve Required Amount received from the Seller into the Collections Account as a sub-ledger known as the “Extraordinary Expense Reserve”. Further amounts may be deposited into the Extraordinary Expense Reserve to the extent required under Section 9.8 (“*Application of Total Investor Revenues on each Payment Date*”).
- (b) If, on any Determination Date, the Manager determines that the Net Liquidity Shortfall exceeds the Applied Liquidity Amount (if any) to be paid or applied under the Liquidity Facility Agreement on the immediately following Payment Date, then an amount equal to the lesser of:
 - (i) that excess; and
 - (ii) the balance of the Extraordinary Expense Reserve,will be applied from the Extraordinary Expense Reserve on the following Payment Date by the Trustee, at the direction of the Manager, to meet that shortfall (“**Extraordinary Expense Reserve Draw**”).
- (c) Each Extraordinary Expense Reserve Draw made on any Payment Date in accordance with paragraph (b) is to be repaid on subsequent Payment Dates, but only to the extent that there are funds available for this purpose in accordance with Section 9.8 (“*Application of Total Investor Revenues on each Payment Date*”).
- (d) On the Payment Date on which all Notes are to be redeemed in full, any amounts standing to the balance of the Extraordinary Expense Reserve after any Extraordinary Expense Reserve Draw has been made in accordance with paragraph (b), will be released from the Extraordinary Expense Reserve and repaid to the Seller.

9.14 Income Reserve

- (a) The Seller has agreed to lend to the Trustee an amount equal to the Income Reserve Required Amount on the Issue Date. The Trustee has agreed to, at the direction of the Manager, deposit the Income Reserve Required Amount received from the Seller into the Collections Account as a sub-ledger known as the “Income Reserve”. Further amounts may be deposited into the Income Reserve to the extent required under Section 9.8 (“*Application of Total Investor Revenues on each Payment Date*”).
- (b) On each Determination Date, an amount equal to the lesser of:
 - (i) an amount equal to:
 - (A) the GIC Balance as at the immediately preceding Payment Date; multiplied by
 - (B) the Class A3 Swap Margin; multiplied by
 - (C) the number of days in the immediately preceding Monthly Period; divided by
 - (D) 365; and
 - (ii) the balance of the Income Reserve,will be applied from the Income Reserve on the following Payment Date by the Trustee, at the direction of the Manager, to meet that shortfall (“**Income Reserve Draw**”).
- (c) Each Income Reserve Draw made on any Payment Date in accordance with paragraph (b) is to be repaid on subsequent Payment Dates, but only to the extent that there are funds available for this purpose in accordance with Section 9.8 (“*Application of Total Investor Revenues on each Payment Date*”).
- (d) On the Class A3 Refinancing Date, any amounts standing to the balance of the Income Reserve after any Income Reserve Draw has been made in accordance with paragraph (b), will be released from the Income Reserve and repaid to the Seller.

9.15 Payments from Collections Account

The payments referred to in this Section 9 (“*Cashflow Allocation Methodology*”) are to be made by the Trustee out of the Collections Account.

9.16 Receipt of Funds

The Trustee is only taken to be in receipt of funds in relation to the Series Trust to the extent that those funds are cleared. Without limiting any other provision of any Transaction Document, the Trustee will not be taken to be fraudulent, negligent or in wilful default as a result of a failure to make any payments in accordance with a Transaction Document due to it not being in receipt of cleared funds at the time of payment. For the avoidance of doubt, such amounts will continue to be due and payable in accordance with the Transaction Documents.

9.17 Defaulted Amount Insufficiency

If on a Determination Date, the Manager determines that on the following Payment Date there will be insufficient Total Investor Revenues to be allocated in full against the Defaulted Amount (if any) in respect of that Monthly Period (the insufficiency being the “**Defaulted Amount Insufficiency**”) in accordance with Section 9.8(h) (“*Application of Total Investor Revenues on each Payment Date*”) then the following will occur:

- (a) first, the amount of any balance of the Defaulted Amount Insufficiency remaining will be charged-off on that Payment Date against the Stated Amount of the Class B Notes (pari passu and rateably amongst the Class B Notes based on their Stated Amounts on that Determination Date) until the Stated Amount of the Class B Notes is reduced to zero;
- (b) second, upon the Stated Amount of the Class B Notes being reduced to zero, the amount of any balance of the Defaulted Amount Insufficiency then remaining will be charged-off on that Payment Date against the Stated Amount of the Class AC Notes (pari passu and rateably amongst the Class AC Notes based on their Stated Amounts on that Determination Date) until the Stated Amount of the Class AC Notes is reduced to zero; and
- (c) third, upon the Stated Amount of the Class AC Notes being reduced to zero, the amount of any balance of the Defaulted Amount Insufficiency then remaining will be charged-off on that Payment Date against the Stated Amount of the Class AB Notes (pari passu and rateably amongst the Class AB Notes based on their Stated Amounts on that Determination Date) until the Stated Amount of the Class AB Notes is reduced to zero; and
- (d) fourth, upon the Stated Amount of the Class AB Notes being reduced to zero, the amount of any balance of the Defaulted Amount Insufficiency then remaining will be charged-off on that Payment Date against the Stated Amount of the Class A Notes and the Redraw Notes (pari passu and rateably amongst the Class A Notes and the Redraw Notes based on their Stated Amounts on that Determination Date) until the Stated Amount of the Class A Notes and the Redraw Notes is reduced to zero.

9.18 Reimbursement of Charge-Offs

If part of the Total Investor Revenues for a Monthly Period are allocated pursuant to Section 9.8(j) (“*Application of Total Investor Revenues on each Payment Date*”) on a Payment Date, the effect of this will be to:

- (a) increase the Stated Amount of the Class A Notes and the Redraw Notes, pari passu and rateably amongst the Class A Notes and the Redraw Notes based on their Stated Amounts, by the amount of the allocation until all Charge-Offs in respect of the Class A Notes and the Redraw Notes remaining unreimbursed from all prior Payment Dates are reduced to zero;
- (b) upon all Charge-Offs in respect of the Class A Notes and the Redraw Notes being reimbursed in full, increase the Stated Amount of the Class AB Notes, pari passu and rateably amongst the Class AB Notes based on their Stated Amounts, by the amount of the allocation until all Charge-Offs in respect of the Class AB Notes remaining unreimbursed from all prior Payment Dates are reduced to zero;

- (c) upon all Charge-Offs in respect of the Class AB Notes being reimbursed in full, increase the Stated Amount of the Class AC Notes, *pari passu* and rateably amongst the Class AC Notes based on their Stated Amounts, by the amount of the allocation until all Charge-Offs in respect of the Class AC Notes remaining unreimbursed from all prior Payment Dates are reduced to zero; and
- (d) upon all Charge-Offs in respect of the Class AC Notes being reimbursed in full, increase the Stated Amount of the Class B Notes, *pari passu* and rateably amongst the Class B Notes based on their Stated Amounts, by the amount of the allocation until all Charge-Offs in respect of the Class B Notes remaining unreimbursed from all prior Payment Dates are reduced to zero,

on that Payment Date. Such an increase in the Stated Amount of the Notes is to be regarded as a reimbursement for the purposes of the Series Supplement to the extent of the allocation, notwithstanding that no actual payment may be made.

10 The Servicer

10.1 Introduction

The Seller will undertake the role of initial Servicer in respect to the Housing Loans and Housing Loan Rights. Servicing involves interfacing directly with borrowers. It includes matters such as dealing with borrower inquiries, managing product features, the management of information technology to record the Housing Loans and maintain the day to day accounting of the Housing Loans, the collection of payments and the management of recovery action in relation to delinquent Housing Loans.

10.2 Servicing to be in accordance with Servicing Standards

The Servicer has undertaken to service the Housing Loans and Housing Loan Rights in accordance with the Servicing Standards. This obligation is subject to certain limitations (see Section 10.7 (“*Express Powers and Limitations on Servicing*”)). The Servicing Standards are the practices and procedures contemplated in:

- (a) the Servicing Guidelines; and
- (b) to the extent not covered by the Servicing Guidelines, standards and practices suitable for a prudent lender in the business of making and servicing retail home loans.

The Servicing Guidelines are written policies and guidelines that may be amended from time to time.

The Servicer may amend the Servicing Guidelines from time to time. Any amendments must be notified to the Rating Agencies, the Trustee and the Manager at least 1 month prior to the date of their intended effect and, where material, are subject to a Rating Agency Notification.

All acts of the Servicer are binding on the Trustee. However, neither the Trustee nor the Manager is liable for any Servicer Default except to the extent that the Servicer Default is caused by, or contributed to by, the Trustee’s or the Manager’s fraud, negligence or wilful default.

10.3 Custody of Documentation

The Seller will undertake the role of custodian of the Housing Loan Documents. The custodial role must be undertaken in accordance with the Transaction Documents including a requirement that the Seller hold the Housing Loan Documents in accordance with its standard safekeeping practices. See Section 5.8 (“*Document Custody*”) for further details of the provisions governing the Seller’s custody of the Housing Loan Documents.

10.4 Payment of Collections into the Collections Account

Monies due by borrowers under the terms of the Housing Loans will be collected by the Servicer. While the Collections Account is permitted to be maintained with the Servicer (see Section 2.13 (“*Structural Features*”)), the Servicer may retain the Collections it receives in respect of a Monthly Period until the following Payment Date, when it must deposit them into the Collections Account. Interest will be earned on the Collections

whilst in the Collections Account, except in the circumstances set out in Section 2.13 (“*Structural Features*”).

Where the Collections Account is not permitted to be maintained with the Servicer, the Servicer must pay all Collections in respect of the Series Trust into the Collections Account within 2 Business Days of receipt (where they are received by the Servicer) or within 2 Business Days of their due date for payment (where Collections are not received by the Servicer but are otherwise payable by the Seller or the Servicer). The Servicer may prepay its obligation to pay Collections into the Collections Account (and such prepaid amount on any day) to the extent that it then stands to the credit of the Collections Account is secured to the Servicer under the Security Trust Deed as an “Outstanding Prepayment Amount”.

Provided the Collections for a Monthly Period are sufficient to meet the Trustee’s expenses (other than amounts payable to the Income Unitholder in respect of an Excess Distribution) for that Monthly Period, the Servicer will (unless it is insolvent) be entitled to retain the interest and other income it has derived from holding any Collections prior to the time at which it deposits the Collections into the Collections Account. Where there are insufficient Collections to fund the Trustee’s expenses (other than amounts payable to the Income Unitholder in respect of an Excess Distribution) in any Monthly Period the Servicer must pay interest on the Collections from the date it receives them until the date they are deposited into the Collections Account. The rate of interest payable by the Servicer in respect of the Collections is the commercial rate agreed between the Manager and the Servicer from time to time.

10.5 Collections

Each Housing Loan has an instalment amount that is the minimum payment the housing loan system expects to be made each month on or before the instalment due date. Monthly instalment due dates are set by reference to the days of the month on which the Housing Loans are initially drawn and consequently are distributed in respect of Housing Loans in the Housing Loan Pool throughout the month. If there is no numerically corresponding day in the calendar month in which an instalment should occur, the instalment due date is set to the first day of the subsequent calendar month. If an instalment due date occurs on a day that is not a business day, then the instalment due date will be the first day following which is a business day. Payments to meet the instalment amount can comprise several deposits made during the month provided the sum equals or exceeds the required amount.

Surplus or arrears on a housing loan are assessed by comparing the difference between the Scheduled Balance and the current balance. If the Scheduled Balance is greater than the current balance the loan is in surplus and if the current balance is greater than the Scheduled Balance the loan is in arrears.

A borrower may make payments that exceed the scheduled instalment amount so that a surplus occurs on the loan account. If the borrower does not make the minimum monthly instalment, any existing surplus position will be reduced or an arrears position will be created or extended.

Interest is accrued daily and capitalised to the account monthly on the instalment due date. If payments are not received by the due date this will produce a compounding interest effect. Payments made before the instalment due date will reduce the balance on which

the interest is accrued and, even if the minimum instalment amount is received, may cause the current balance to be less than the Scheduled Balance.

10.6 Loans in Arrears

The control, monitoring and reporting of loans in arrears are managed by Retail Collections, Debt Solutions and Retail Secured Recoveries.

Retail Credit Risk is responsible for monitoring arrears performance and reporting monthly to the Retail Credit Risk Committee for review and comment.

Retail Collections control accounts in arrears typically up to 60 days, with borrowers contacted by mail, telephone, SMS or a mixture of all depending on Risk rating and current Credit Risk strategies. The preferred outcome is to make arrangements to clear arrears within the shortest timeframe.

The Debt Solutions team manage the issuance of the Legal demand at 80 days delinquent; here they leverage industry standard solutions along with Bankwest strategies to rehabilitate the customer. The team then look to ensure the account is either returned back to business as usual, or escalate to the Secured Recoveries team.

Retail Secured Recoveries manages accounts in arrears more than 120 days delinquent. The recovery action used is in line with standard procedures which meets all legal and regulatory requirements, and is dependent on the previous arrears history, equity in the security property, liaison with the mortgage insurer and an assessment of the borrower's financial position. Ultimately after all avenues are taken to rehabilitate the customer the bank would look at repossession and sale of the security property.

10.7 Express Powers and Limitations on Servicing

The Series Supplement regulates certain aspects of the servicing function. Some of the relevant provisions are summarised below.

(a) *Interest Off-Set Facilities and Interest Rates*

Notwithstanding the existence of the Basis Swap, at all times, the Servicer must reduce the rates at which the interest off-set benefits on the Interest Off-Set Accounts are calculated to zero or to a level which will ensure that the Trustee has sufficient income from the Housing Loans to meet its expenses (including the interest payable on the Notes). The Servicer must set the interest rate on each Housing Loan at the rate which the Servicer charges on similar housing loans within its portfolio which have not been sold to the Trustee. However, if the interest offset rates on the Interest Off-Set Facilities have been reduced to zero and the Trustee's income is still insufficient to meet its expenses, the Servicer must (in addition to reducing the interest offset rates on the Interest Off-Set Facilities) ensure that the weighted average of the rates of interest charged on the variable rate Housing Loans is at least equal to the Threshold Rate (as adjusted to reflect changes in BBSW).

The Seller must pay the Servicer (as part of the Collections to be deposited by the Servicer into the Collections Account in accordance with the Series Supplement) any amount which would otherwise be received by the Servicer as a Collection to the extent that the obligation to pay such amounts is discharged or reduced by virtue of

the terms of a Interest Off-Set Facility. Such payment must be made on the day that the relevant amount would otherwise have been received.

(b) *Release or Substitution of Securities*

A borrower may apply to the Servicer to release or substitute any securities relating to a Housing Loan. The Servicer will only consider such proposals if the following criteria is satisfied:

- (i) at least one mortgage is retained after the release or substitution to secure the Housing Loan;
- (ii) prior to the release or substitution, the LVR of the Housing Loan is reappraised in accordance with the Servicing Standards, and based on that reappraisal, the LVR of the Housing Loan after the release or substitution is below the LVR of that Housing Loan immediately before the release or substitution; and
- (iii) the relevant Mortgage Insurer confirms in writing to the Servicer that the release or substitution will not result in a reduction in the amount that could otherwise be recovered under Mortgage Insurance Policy in respect of the Housing Loan.

(c) *Extension of Maturity of Housing Loans and Variation or Relaxation of Other Terms*

Except where the Servicer is compelled by an order of a competent authority (for instance a court, tribunal, authority or ombudsman) or a Housing Loan is regarded as being repaid in full, the Servicer must not grant any extension of the maturity date of a Housing Loan beyond 30 years from the date the Housing Loan was made or allow a reduced monthly payment that would result in such an extension.

Subject to the foregoing considerations and to the restrictions on the release of borrowers or security providers by the Servicer below, the Servicer, may vary, extend or relax the time to maturity, the terms of repayment or any other term of a Housing Loan and Housing Loan Rights in accordance with the Servicing Standards.

(d) *Release of Debt*

Except where the Servicer is required to do so by law or a code of practice or the order of a competent authority (for instance a court, tribunal, authority or ombudsman) or in relation to Mortgagor Break Costs in the certain circumstances, the Servicer may not release the borrower or any security provider from any amount owing in respect of a Housing Loan or its Housing Loan Rights unless the amount has been, or is to be, written-off by the Servicer as uncollectable in accordance with the Servicing Standards.

(e) *Waivers, Releases and Compromises*

Subject to:

- (i) the Servicer indemnifying the Trustee against any costs, damages or loss suffered by the Trustee as a result of any release or substitution of a mortgage or collateral securities securing a Housing Loan other than in accordance with the requirements set out above under paragraph (b); and
- (ii) the restriction on releases of any amounts owing in respect of a Housing Loan set out above under paragraph (d),

the Servicer is empowered to waive any breach under, or to compromise, compound or settle any claim in respect of, or to release any party from an obligation or claim under, a Housing Loan or its Housing Loan Rights.

(f) *Consent to Subsequent Security Interests*

The Servicer may consent to the creation or existence of a security interest in favour of the Seller, the Trustee or a third party in relation to the land subject to a mortgage securing a Housing Loan provided in the case of a third party priority arrangements are agreed and documented with that party. One of the terms of any such consent must be that the mortgage securing the Housing Loan ranks in priority to the other party's security interest on enforcement for an amount equal to the principal amount of the Housing Loan together with accrued and unpaid interest outstanding on the Housing Loan plus such extra amount (if any) as is determined in accordance with the Servicing Guidelines.

(g) *Consent to Leases*

The Servicer may consent to the creation of leases, licences or restrictive covenants in respect of any mortgaged property in connection with a Housing Loan provided such consent is in accordance with the Servicing Guidelines.

(h) *Litigation and Enforcement*

The Servicer may take such action to enforce a Housing Loan and its Housing Loan Rights as it determines should be taken. The Servicer is not required to institute, or continue, any litigation in respect of any amount owing under a Housing Loan if there are reasonable grounds for believing, based on assessments by Consumer Recoveries Account Managers and advice from its legal advisers (either internal or external), that:

- (i) the Servicer is, or will be, unable to enforce the provisions of a Housing Loan under which such amount is owing; or
- (ii) the likely proceeds of any such litigation, in light of the costs involved, do not warrant the litigation.

The Servicer must not, however, knowingly take any action, or knowingly fail to take action, if that action or failure will interfere with the enforcement by the Trustee or the Servicer of any rights under a Housing Loan or Housing Loan Rights, unless such action or failure is in accordance with the Servicing Standards.

(i) *Insurance Policies and Claims*

The Servicer may settle any claim in respect of any Mortgage Insurance Policy or any property insurance policy. Any insurance proceeds received in respect of a Housing Loan must be applied to the account in the Servicer's records for the Housing Loan up to the principal amount outstanding in respect of that Housing Loan, together with any accrued but unraised interest (unless the proceeds relate to property insurance and are released in accordance with the Servicing Standards and are paid directly for work being carried out to rebuild, reinstate or repair the property to which the proceeds relate).

(j) *Binding Provisions and Orders of a Competent Authority*

The Servicer may release a mortgage or other related security, reduce the amount outstanding under or vary the terms of any Housing Loan (including the terms of repayment) or any related security or grant other relief to a borrower or a security provider if required to do so by any provision of the Code of Banking Practice, any other code binding on the Servicer or any applicable laws or if ordered to do so by a court, tribunal, authority, ombudsman or other entity whose decisions are binding on the Servicer.

11 Support Facilities

11.1 The Interest Rate Swaps

(a) *Purpose of the Interest Rate Swaps*

The Trustee may receive interest on the Housing Loans with 2 different types of interest rate.

These are:

- (i) the Seller's variable administered rates; and
- (ii) a fixed rate where the borrower has elected this.

This will result in an interest rate mismatch between the floating rate payment obligations of the Trustee under the Notes and the rate of interest earned on the Housing Loans.

In order to eliminate the mismatch, on the Issue Date, the Trustee and the Manager will enter into a basis swap (the "**Basis Swap**"), a fixed rate swap (the "**Fixed Rate Swap**") and a fixed rate swap in respect of payments of Class A3 Notes (the "**Class A3 Note Fixed Swap**") with an Interest Rate Swap Provider.

The Basis Swap will apply in respect of interest received under any Housing Loan charged a variable rate of interest as at the Issue Date or which converts from a fixed rate to a variable rate after the Issue Date.

The Fixed Rate Swap will apply in respect of interest received under any Housing Loan charged a fixed rate as at the Issue Date or which converts from a variable rate to a fixed rate after the Issue Date.

The Class A3 Note Fixed Swap will apply in respect of the fixed interest paid on the Class A3 Note and floating amounts received under the Basis Swap and the Fixed Rate Swap.

The Fixed Rate Swap, the Class A3 Note Fixed Swap and the Basis Swap will each be governed by the terms of an Interest Rate Swap Agreement entered into by the Manager, the Trustee and the Interest Rate Swap Provider.

(b) *Interest Rate Swap Provider*

The initial Interest Rate Swap Provider under the Fixed Rate Swap and the Basis Swap will be Bankwest. See Section 4.2 ("*Description of Bankwest*") for a description of Bankwest.

(c) *The Basis Swap*

The Trustee will enter into the Basis Swap with the Interest Rate Swap Provider to enable the Trustee to hedge the interest rate mismatch between the interest rates being charged on the Housing Loans at a variable rate and the floating rate payment obligations of the Trustee under the Floating Rate Notes and Class A3 Note Fixed Swap.

On each Payment Date the Trustee will pay to the Interest Rate Swap Provider an amount calculated by reference to the interest payable by borrowers on the variable rate Housing Loans, during the relevant preceding Monthly Period and the income earned by the Series Trust on the Collections Account and any Authorised Short-Term Investments during that Monthly Period. In return the Interest Rate Swap Provider will pay to the Trustee on each Payment Date an amount calculated by reference to the aggregate principal amount outstanding of the relevant proportion of the variable rate Housing Loans at the last day of the Monthly Period preceding the previous Payment Date and BBSW plus a margin.

Whilst the short term credit ratings of the Interest Rate Swap Provider remain less than A-1 by Standard & Poor's and F1 by Fitch and the long term credit rating of the Interest Rate Swap Provider remains less than A+ by Fitch, the Interest Rate Swap Provider must prepay the amount that is expected to be due, as determined by the Manager, from the Interest Rate Swap Provider to the Trustee on the next Payment Date.

To the extent that the aggregate amount of prepayments is in excess of the amount required, the Trustee must pay the excess to the Interest Rate Swap Provider. In lieu of making the prepayment referred to above, the Servicer may enter into such other arrangements which are satisfactory to the Manager and which the Rating Agencies confirm in writing will not result in a withdrawal, qualification or reduction of the credit ratings then assigned by them to the Notes.

If the Interest Rate Swap Provider makes a prepayment referred to above, any interest or income on that prepayment will be paid to the Interest Rate Swap Provider. Any prepayment will not form part of the Assets of the Series Trust, except to the extent the prepayment is available to the Trustee under the terms of the Interest Rate Swap Agreement, and will not be available to the Secured Creditors upon the enforcement of the Charge under the Security Trust Deed.

(d) Fixed Rate Swap

The Trustee will enter into the Fixed Rate Swap with the Interest Rate Swap Provider to enable the Trustee to hedge the interest rate mismatch between the interest rates being charged on Housing Loans at a fixed rate and the payment obligations of the Trustee under the Floating Rate Notes and Class A3 Note Fixed Swap.

The Fixed Rate Swap will have a notional amount in respect of each Payment Date equal to the principal amount outstanding on the Housing Loans being charged a fixed interest rate (excluding any such Housing Loans which are not Performing Loans) as at the beginning of the previous Monthly Period (the "**Fixed Rate Swap Notional Amount**").

Under the Fixed Rate Swap the Trustee will pay to the Interest Rate Swap Provider on each Payment Date an amount calculated by reference to the product of the Fixed Rate Swap Notional Amount for that Payment Date and the weighted average of the fixed rates charged on the fixed rate Housing Loans as at the first day of the previous Monthly Period.

While the Servicer is the Interest Rate Swap Provider in respect of the Fixed Rate Swap it may charge Mortgagor Break Costs to an account other than the account established in the Servicer's records for the Housing Loans (such that those Mortgagor Break Costs do not form part of Collections) or waive or otherwise deal with Mortgagor Break Costs (as these will otherwise be paid to the Servicer as Interest Rate Swap Provider in respect of the Fixed Rate Swap).

The Interest Rate Swap Provider will in turn pay to the Trustee on each Payment Date an amount calculated by reference to the product of the Fixed Rate Swap Notional Amount for that Payment Date, BBSW for the relevant period and a margin. The margin over BBSW payable by the Interest Rate Swap Provider is fixed for the life of the Fixed Rate Swap and is a market based margin determined at the time the Fixed Rate Swap is entered into.

If at any time the Interest Rate Swap Provider of the Fixed Rate Swap is assigned credit ratings of less than the Prescribed Ratings it must:

- (i) put in place a mark-to-market collateral agreement;
- (ii) novate its rights and obligations under the Fixed Rate Swap to a replacement counterparty which holds credit ratings at least equal to the Prescribed Ratings; or
- (iii) enter into other arrangements in support of its obligations under the Fixed Rate Swap which the Rating Agencies confirm will not result in a withdrawal, qualification or reduction of the credit ratings then assigned by them to the Notes.

If the Interest Rate Swap Provider lodges collateral with the Trustee, any interest or income on that collateral will be paid to the Interest Rate Swap Provider. Any collateral lodged by the Interest Rate Swap Provider with the Trustee will not form part of the Assets of the Series Trust, except to the extent the collateral is available to the Trustee under the terms of the Interest Rate Swap Agreement, and will not be available to the Secured Creditors upon the enforcement of the Charge under the Security Trust Deed.

(e) ***Class A3 Note Fixed Swap***

The Trustee will enter into the Class A3 Note Fixed Swap with the Interest Rate Swap Provider to enable the Trustee to hedge the interest rate mismatch between the Class A3 Rate of Interest and the floating amounts received under the Basis Swap and the Fixed Rate Swap.

The Class A3 Note Fixed Swap will have a notional amount in respect of each Payment Date equal to the Invested Amount of the Class A3 Notes (the "**Class A3 Note Fixed Swap Notional Amount**").

Under the Class A3 Note Fixed Swap the Trustee will pay to the Interest Rate Swap Provider on each Fixed Interest Payment Date an amount calculated by reference to the product of the Class A3 Note Fixed Swap Notional Amount for that Fixed Interest Payment Date, BBSW for the relevant period and the Class A3 Swap Margin.

The Interest Rate Swap Provider will in turn pay to the Trustee on each Fixed Interest Payment Date an amount calculated by reference to the product of the Class A3 Note Fixed Swap Notional Amount for that Fixed Interest Payment Date and the Class A3 Note Rate of Interest, divided by two.

If at any time the Interest Rate Swap Provider of the Class A3 Note Fixed Swap is assigned credit ratings of less than the Prescribed Ratings it must:

- (i) put in place a mark-to-market collateral agreement;
- (ii) novate its rights and obligations under the Class A3 Note Fixed Swap to a replacement counterparty which holds credit ratings at least equal to the Prescribed Ratings; or
- (iii) enter into other arrangements in support of its obligations under the Class A3 Note Fixed Swap which the Rating Agencies confirm will not result in a withdrawal, qualification or reduction of the credit ratings then assigned by them to the Class A3 Notes.

If the Interest Rate Swap Provider lodges collateral with the Trustee, any interest or income on that collateral will be paid to the Interest Rate Swap Provider. Any collateral lodged by the Interest Rate Swap Provider with the Trustee will not form part of the Assets of the Series Trust, except to the extent the collateral is available to the Trustee under the terms of the Interest Rate Swap Agreement, and will not be available to the Secured Creditors upon the enforcement of the Charge under the Security Trust Deed.

(f) *Early Termination of the Interest Rate Swaps*

The Interest Rate Swap Provider and the Trustee may terminate the Basis Swap, the Class A3 Note Fixed Swap and the Fixed Rate Swap in the following circumstances:

- (i) if, in the case of the Interest Rate Swap Provider, there is a payment default by the Trustee which is not remedied by 10.00 a.m. (Sydney time) on the 10th day after receiving notice from the Interest Rate Swap Provider of such failure to pay;
- (ii) if, in the case of the Trustee, there is a payment default by the Interest Rate Swap Provider which is not remedied by 10.00 a.m. (Sydney time) on the 10th day after notice from the Trustee of such failure to pay;
- (iii) if, in the case of the Trustee, the Interest Rate Swap Provider fails to comply with its obligations described above following a downgrade of its credit ratings;
- (iv) if due to a change in or a change in interpretation of law it becomes illegal for either party to make or receive payments, perform its obligations under any credit support document or comply with any other material provision of the Basis Swap, the Class A3 Note Fixed Swap or Fixed Rate Swap, each party must make certain efforts to transfer their rights and obligations to avoid this illegality. If those efforts are not successful then

both the Trustee and the Interest Rate Swap Provider will have the right to terminate; or

- (v) if the Charge under the Security Trust Deed is enforced.

If the Trustee is not paid an amount owing to it by Bankwest (as Interest Rate Swap Provider) under the Interest Rate Swap Agreement within 10 Business Days of its due date for payment (or such longer period as the Trustee may agree) this may result in a Perfection of Title Event (see Section 6.11 (“*Perfection of Title Event*”)). The Trustee may also have the right to terminate the Interest Rate Swap Provider in other circumstances, including if a credit support default occurs, if a force majeure event occurs or certain tax events occur.

(g) *Termination of Interest Rate Swaps*

The Basis Swap terminates on the earlier of:

- (i) the date that all of the Notes have been redeemed in full; and
- (ii) the Termination Date for the Series Trust.

The Fixed Rate Swap terminates on the earlier of:

- (iii) the date that all of the Notes have been redeemed in full; and
- (iv) the Termination Date for the Series Trust.

The Class A3 Note Fixed Swap terminates on the earlier of:

- (v) the date that all of the Class A3 Notes have been redeemed in full; and
- (vi) the Termination Date for the Series Trust.

(h) *Replacement of terminated Interest Rate Swaps*

If the Basis Swap, the Class A3 Note Fixed Swap or the Fixed Rate Swap is terminated prior to its scheduled termination date, the Manager and the Trustee must endeavour to within 5 Business Days:

- (i) enter into one or more replacement swaps on terms and with a counterparty which the Rating Agencies confirm will not result in a reduction, qualification or withdrawal of the credit ratings then assigned by them to the Notes; or
- (ii) enter into other arrangements which the Rating Agencies confirm will not result in a reduction, qualification or withdrawal of the credit ratings then assigned by them to the Notes.

11.2 *The Liquidity Facility*

(a) *Purpose of the Liquidity Facility*

Borrowers may prepay an amount of principal under their Housing Loans and then cease to make scheduled payments under the terms of their Housing Loans.

The Servicer does not treat the Housing Loan as being in arrears until such time as the borrower has exceeded the Scheduled Balance. However, this can affect the ability of the Trustee to make timely payments of interest to Noteholders.

Furthermore if borrowers fail to make monthly payments in respect of Housing Loans (other than where a borrower has prepaid principal under its Housing Loan) this may also affect the ability of the Trustee to make timely payments of interest to Noteholders. The Liquidity Facility provided by the Liquidity Facility Provider to the Trustee mitigates the risk of a liquidity deficiency should either of these situations occur.

(b) *Liquidity Facility Provider*

The initial Liquidity Facility Provider will be Bankwest.

(c) *The Liquidity Facility Limit*

The maximum liability of the Liquidity Facility Provider under the Liquidity Facility is an amount equal to the Liquidity Facility Limit, being of the lesser of:

- (i) A\$16,000,000 (1.6 per cent of the aggregate Invested Amount of the Notes on the Issue Date);
- (ii) if the Amortisation Conditions have ever been satisfied:
 - (A) 1.6 per cent of the aggregate Invested Amount of the Notes on the Issue Date; multiplied by
 - (B) the Performing Loans Amount as at the Review Date prior to the most recent Payment Date that the Amortisation Conditions were satisfied (following any payments on that date) divided by the Performing Loans Amount as at the Issue Date, provided that if this results in a number less than 0.1, the result will be taken to be 0.1;
- (iii) the Performing Loans Amount at that time; and
- (iv) the amount (if any) to which the Liquidity Facility Limit is reduced at that time by the Manager or the Trustee in accordance with the Liquidity Facility Agreement (one of the requirements for such a reduction is that each Rating Agency has confirmed in writing that such a reduction will not result in a reduction, qualification or withdrawal of the credit ratings then assigned by it to the Notes).

(d) *Utilisation of the Liquidity Facility*

Following the occurrence of a Net Liquidity Shortfall, an amount equal to the lesser of:

- (i) the un-utilised portion of the Liquidity Facility Limit; and
- (ii) the Net Liquidity Shortfall,

may be available to be advanced or applied under the Liquidity Facility on each Payment Date in or towards extinguishment of that Net Liquidity Shortfall. The amount so claimed or applied is referred to as the “Applied Liquidity Amount”.

The necessary documentation for drawdowns or applications to be made under the Liquidity Facility must be prepared by the Manager and delivered to the Trustee for execution.

(e) Interest and Fees

The duration that each Applied Liquidity Amount is outstanding is divided into interest periods. Interest accrues daily on each Applied Liquidity Amount advanced or applied under the Liquidity Facility to meet a Net Liquidity Shortfall at BBSW for that interest period plus a margin (plus, in the circumstances described in paragraph (f), an overdue rate), calculated on days elapsed and a year of 365 days. Interest is payable on each Payment Date, but only to the extent that moneys are available for this purpose in accordance with the Series Supplement. Any amount of unpaid interest will be capitalised and interest will accrue on any unpaid interest at BBSW plus a margin. If interest amounts due on a Payment Date are not paid in full, the unpaid amounts will be carried forward so that they are payable by the Trustee on each following Payment Date to the extent that funds are available for this purpose under the Series Supplement until such amounts are paid in full.

A commitment fee accrues daily from the date of the Liquidity Facility Agreement and is calculated on the un-utilised portion of the Liquidity Facility Limit based on the number of days elapsed and a 365 day year. The commitment fee is payable monthly in arrears on each Payment Date, but only to the extent that funds are available for this purpose in accordance with the Series Supplement. If fees due on a Payment Date are not paid in full, the unpaid amounts will be carried forward so that they are payable by the Trustee on each following Payment Date to the extent that funds are available for this purpose in accordance with the Series Supplement until such amounts are paid in full.

(f) Repayment

Each Applied Liquidity Amount outstanding on any Payment Date is repayable on the following Payment Date, but only to the extent that there are funds available for this purpose in accordance with the Series Supplement. It is not an event of default under the Liquidity Facility if the Trustee does not have funds available to repay the Applied Liquidity Amounts outstanding under the Liquidity Facility on a Payment Date. If outstanding Applied Liquidity Amounts are not repaid in full on a Payment Date, any unpaid amounts will be carried forward so that they are payable by the Trustee on each following Payment Date to the extent that funds are available for this purpose in accordance with the Series Supplement until such amounts are paid in full. Interest will accrue on any such unpaid amounts carried forward at BBSW plus a margin and an overdue rate until paid in full.

(g) Events of Default

Each of the following is an event of default under the Liquidity Facility (whether or not caused by any reason whatsoever outside the control of the Trustee or any other person):

- (i) the Trustee fails to pay any amount due under the Liquidity Facility within 10 days of the due date;

- (ii) the Trustee breaches its undertaking described in paragraph (j); or
- (iii) an Event of Default occurs under the Security Trust Deed.

At any time after the occurrence of an event of default under the Liquidity Facility, the Liquidity Facility Provider may by written notice to the Trustee, declare all advances, accrued interest and all other sums which have accrued due under Liquidity Facility Agreement immediately due and payable and/or declare the Liquidity Facility terminated (in which case the obligations of the Liquidity Facility Provider under the Liquidity Facility Agreement and the Liquidity Facility will immediately terminate on the date of receipt by the Trustee of such notice).

(h) Termination

The Liquidity Facility will terminate, and the Liquidity Facility Provider's obligation to make any advances will cease, on the earliest of the following to occur:

- (i) 32 years after the date of the Liquidity Facility Agreement;
- (ii) 1 month after the Notes have been redeemed in full in accordance with the Series Supplement;
- (iii) the termination date appointed by the Liquidity Facility Provider if it becomes unlawful or impossible for the Liquidity Facility Provider to maintain or give effect to its obligations under the Liquidity Facility Agreement as a result of a change of law or its interpretation;
- (iv) the date upon which the Liquidity Facility Limit is reduced to zero (see paragraph (c));
- (v) the date on which the Liquidity Facility Provider declares all amounts due under the Liquidity Facility Agreement (as described in paragraph (g) above) or declares the Liquidity Facility terminated following an event of default under the Liquidity Facility; and
- (vi) the date declared by the Trustee to be the date on which the Liquidity Facility is to terminate and the Liquidity Facility Provider is to be replaced by a substitute Liquidity Facility Provider, subject to the repayment by the Trustee of all amounts outstanding under the Liquidity Facility and the Rating Agencies confirming in writing that the termination of the Liquidity Facility and the appointment of the replacement Liquidity Facility Provider will not result in a downgrade, qualification or withdrawal of the credit ratings then assigned by them to the Notes.

(i) Cash Deposit

If at any time the Liquidity Facility Provider ceases to have short term credit ratings of at least A-1 by Standard & Poor's and at least F1 by Fitch, the Liquidity Facility Provider will deposit into an account in the name of the Trustee with an Eligible Depository ("Liquidity Facility Reserve Deposit Account") an amount

equal to the un-utilised portion of the Liquidity Facility Limit (the “**Cash Deposit**”).

Thereafter, if the Manager determines that a Net Liquidity Shortfall has occurred, the amount of such shortfall must be satisfied from the amount of that Cash Deposit in the Liquidity Facility Reserve Deposit Account. On the termination of the Liquidity Facility, or if the Liquidity Facility Provider obtains the ratings referred to above, the un-utilised portion of the Cash Deposit must be repaid to the Liquidity Facility Provider and (except in the case of the termination of the Liquidity Facility) any Net Liquidity Shortfalls occurring thereafter will be satisfied by the Liquidity Facility Provider meeting a direct claim under the Liquidity Facility.

On each Payment Date the Trustee, at the discretion of the Manager, will pay the Liquidity Facility Provider any interest that has been earned on the Liquidity Facility Reserve Deposit Account or any other account held by the Trustee as trustee of the Series Trust in respect of the Cash Deposit.

The Cash Deposit will not form part of the Assets of the Series Trust, except to the extent it is available to the Trustee under the terms of the Liquidity Facility Agreement, and will not be available to Secured Creditors upon enforcement of the Charge under the Security Trust Deed.

(j) ***Trustee Undertaking***

The Trustee has undertaken to the Liquidity Facility Provider not to consent to amend or revoke the provisions of any Transaction Document in a manner which would change the basis on which any advance under the Liquidity Facility or Applied Liquidity Amount is calculated, the entitlement of the Trustee to request any such advance or the basis of calculation or order of application of any amount to be paid or applied under the Master Trust Deed, the Series Supplement or the Security Trust Deed without the prior written consent of the Liquidity Facility Provider.

11.3 The Mortgage Insurance Policies

(a) ***QBE Master Policy and First Layer Insurance Policies***

Some of the Housing Loans have the benefit of lenders’ mortgage insurance policies provided by QBE (the “**First Layer Insurance Policies**”). The First Layer Insurance Policies will be assigned to the Series Trust on the Issue Date.

The balance of the Housing Loans have the benefit of lenders’ mortgage insurance policies from QBE issued under a master policy between QBE and the Trustee dated on or about 26 November 2010 (the “**QBE Master Policy**”).

The terms of the QBE Master Policy and the First Layer Insurance Policies are very similar.

The remainder of this Section 11.3 (“*The Mortgage Insurance Policies*”) contains a brief description of QBE and summary of some of the provisions of the QBE Master Policy and the First Layer Insurance Policies (the “**Mortgage Insurance**”).

Policies”) as at the date of this Information Memorandum. The terms of the Mortgage Insurance Policies may vary in the future from those described below.

(b) *QBE Lenders’ Mortgage Insurance Limited*

QBE Lenders’ Mortgage Insurance Limited (ABN 70 000 511 071) is an Australian public company registered in New South Wales and limited by shares. QBE Lenders’ Mortgage Insurance Limited’s principal activity is lenders’ mortgage insurance which it has provided in Australia since 1965 and in New Zealand since 1988.

QBE Lenders’ Mortgage Insurance Limited’s parent is QBE Holdings (AAP) Pty Ltd, a subsidiary of the ultimate parent company, QBE Insurance Group Limited (“**QBE Group**”). QBE Group is an Australian-based public company listed on the Australian Securities Exchange. QBE Group is recognised as Australia’s largest international insurance and reinsurance company with operations in 45 countries around the world, and is one of the top 25 global general insurers and reinsurers as measured by net written premium. QBE Group currently has a counterparty credit rating by Standard & Poor’s of A (outlook stable).

As of 31 December 2009, the audited financial statements of QBE Lenders’ Mortgage Insurance Limited had total assets of A\$1,864 million and shareholder’s equity of A\$936 million. QBE Lenders’ Mortgage Insurance Limited currently has an insurer financial strength rating by Standard & Poor’s of AA- (outlook stable) and Fitch Ratings of AA- (outlook stable) and by Moody’s of Aa3 (outlook stable).

There is no assurance that the ratings will continue for any given period of time or that they will not be revised or withdrawn entirely by such rating agencies, if, in their judgment, circumstances so warrant. The ratings reflect each respective rating agency’s current assessments of the creditworthiness of QBE Lenders’ Mortgage Insurance Limited and its ability to pay claims on its policies of insurance. Each insurer financial strength rating of QBE Lenders’ Mortgage Insurance Limited should be evaluated independently. Any further explanation as to the significance of the above ratings may be obtained only from the applicable rating agency. Such ratings are subject to revision, qualification or withdrawal at any time by the applicable rating agency.

The business address of QBE Lenders’ Mortgage Insurance Limited is Level 21, 50 Bridge Street, Sydney, New South Wales, Australia, 2000.

(c) *Period of Cover*

The insurance under the Mortgage Insurance Policies in respect of their corresponding Housing Loans terminate on the earliest of the following:

- (i) repayment in full of the Housing Loan;
- (ii) the expiry date of the relevant Mortgage Insurance Policy, however if before 14 days after the expiry date of the relevant Mortgage Insurance Policy notice is given of default under the Housing Loan, the relevant Mortgage Insurance Policy will continue solely for the purposes of a claim on that default;

- (iii) in relation to a particular mortgaged property, the date of payment of a claim for loss under the relevant Mortgage Insurance Policy in respect of that mortgaged property; or
- (iv) cancellation of the relevant Mortgage Insurance Policy in accordance with the Insurance Contracts Act 1984 of the Commonwealth of Australia.

(d) Cover for Losses

Subject to the exclusions outlined below, the Mortgage Insurer must pay the insured's loss in respect of a Housing Loan being the aggregate of the following amounts owed to the insured:

- (i) the balance of the loan account (being the total of the relevant loan amount and interest on the loan amount outstanding under the insured Housing Loan) at the settlement date (being the day the sale of the relevant mortgaged property is completed);
- (ii) interest on the balance of the loan account from the settlement date to the date of claim to a maximum of 30 days (in the case of the QBE Master Policy only, if a claim is paid before the relevant mortgaged property is sold, then interest on the balance of the loan account is calculated to the date of payment of the claim);
- (iii) in the case of the QBE Master Policy only, any GST incurred on the sale of or transfer of the mortgaged property to a third party in or towards the satisfaction of any debt that the borrower owes under the loan account, and any GST which is properly incurred in respect of the costs, fees, disbursements or commissions specifically included under paragraph (d) below;
- (iv) costs incurred on sale of the mortgaged property which include:
 - (A) costs properly incurred for insurance premiums, rates, land tax (calculated on a single holding basis) and other statutory charges on the mortgaged property and in respect of amounts payable to a body corporate, service company or equivalent in relation to the mortgaged property;
 - (B) reasonable and necessary legal fees and disbursements incurred in enforcing or protecting rights under the insured mortgage;
 - (C) reasonable agent's commission, advertising costs, valuation costs and other costs relating to the sale of the mortgaged property;
 - (D) reasonable and necessary costs incurred in maintaining (but not restoring) the mortgaged property, provided that amounts exceeding A\$1,500 will only be included if incurred by the insured with the prior written consent of the applicable Mortgage Insurer;

- (E) any amounts applied with the prior written consent of the applicable Mortgage Insurer to discharge a security interest having priority over the insured mortgage; and
- (F) in the case of the First Layer Insurance Policies only, GST incurred on the sale of or transfer of the mortgaged property to a third party in or towards the satisfaction of any debt that the borrower owes under the loan account or in respect of any of the above costs and any GST which is properly incurred in respect of the costs, fees, disbursements or commissions specifically included under paragraph (d) below,

less the following deductions:

- (v) the gross proceeds of sale of the mortgaged property;
- (vi) in the case of the QBE Master Policy only, any amount incurred in respect of GST relating to the mortgaged property or any collateral security to the extent the insured is entitled to claim an input tax credit;
- (vii) in the case of the QBE Master Policy only, early repayment fees;
- (viii) in the case of the QBE Master Policy only, break funding costs; and
- (ix) the following amounts to the extent they have not already been applied to the credit of the loan account:
 - (A) compensation received for any part of the mortgaged property or any collateral security that has been resumed or compulsorily acquired;
 - (B) all rents collected and other profits received relating to the mortgaged property or any collateral security;
 - (C) any sums received under any insurance policy relating to the mortgaged property not applied to restoration of the mortgaged property following damage or destruction;
 - (D) all amounts recovered from exercising rights relating to any collateral security;
 - (E) any other amount received relating to the insured mortgage or any collateral security including any amounts received from the borrower, any guarantor or prior mortgagee; and
 - (F) in the case of the First Layer Insurance Policies only, any amount incurred in respect of GST relating to the mortgaged property or any collateral security to the extent the insured is entitled to claim an input tax credit.

Amounts owed to the insured for the purposes of paragraphs (A) to (E) of the above calculations do not include the following amounts:

- (i) interest charged in advance;

- (ii) default rate interest;
- (iii) any higher interest rate payable because of failure to make prompt payment;
- (iv) fines, fees or charges debited to the loan account (except for any monthly account keeping fee, switch fee or loan establishment fee);
- (v) in the case of the First Layer Insurance Policies only, early repayment fees;
- (vi) in the case of the First Layer Insurance Policies only, break funding costs;
- (vii) costs of restoration following damage to or destruction of the mortgaged property;
- (viii) costs or removal, clean up and restoration arising from contamination of the mortgaged property;
- (ix) additional funds advanced to the borrower without the relevant Mortgage Insurer's written consent (except, in the case of the QBE Master Policy, where permitted thereunder);
- (x) amounts paid by the insured in addition to the loan amount to complete improvements;
- (xi) cost overruns;
- (xii) certain liabilities in relation to the Consumer Credit Code;
- (xiii) any amount that would have been payable under any term or provision of the housing loan or related security that is void, whether as a result of the operation of the Consumer Credit Code or otherwise;
- (xiv) certain legal fees and disbursements; and
- (xv) in the case of the First Layer Insurance Policies only, the amount of loss (including all legal costs and disbursements) attributable to any breach or non compliance of the managed investments legislation and/or a managed investments scheme however arising in relation to the mortgaged property.

(e) ***Reduction in a Claim***

The amount of a claim under a Mortgage Insurance Policy may be reduced by:

- (i) the amount by which the insured loss is increased due to the insured making a false or misleading statement, assurance or representation to the borrower or any guarantor, or the insured consenting to, without the written approval of the relevant Mortgage Insurer;
- (ii) the creation of any lease, licence, easement, restriction or other notification affecting the mortgaged property; or

- (iii) an increase in or acceleration of the payment obligation of the borrower under any security interest having priority over the insured mortgage.

Under the First Layer Insurance Policies, where the insured loss has been increased due to any breach or non compliance of with managed investments legislation and/or a managed investments scheme, the amount of a claim may be reduced by that increased loss.

The amount of a claim may also be reduced in other circumstances including where an input tax credit is or may be available by reason of any taxable supply made in connection with the exercise of rights under or in connection with the mortgaged property (to the extent that any such amount is not already deducted from the amount owed to the insured) and where the Seller, the Servicer, the Manager or the Trustee do not comply with their duties of disclosure or the requirements of the relevant Mortgage Insurance Policy.

The Mortgage Insurance Policies do not cover losses resulting from a credit tribunal or court re-opening an unjust insured mortgage, collateral security or loan account under Section 70 of the Consumer Credit Code or annulling or reducing any unconscionable interest rate change, fee or charge under Section 72 of the Consumer Credit Code.

(f) *Submission for Payment of Claims*

The insured must submit a claim for loss providing all documents and information reasonably required by the relevant Mortgage Insurer within 30 days of:

- (i) settlement of the sale of the corresponding mortgaged property; or
- (ii) notification by the relevant Mortgage Insurer to submit a claim for loss.

11.4 GIC account

The Trustee will enter into the GIC Agreement with the GIC Provider to establish the GIC Account. Under the GIC Agreement, provided that the GIC Provider has the required short term and long term credit rating, the Trustee is only permitted to make a withdrawal from the GIC Account in the following circumstances:

- (a) the Trustee may transfer interest paid on the balance of the GIC Account and interest paid on any GIC Authorised Investments acquired using amounts standing to the credit of the GIC Account to the Collection Account on each Payment Date;
- (b) the Trustee may transfer the entire balance of the GIC Account to the Collection Account on the Class A3 Refinancing Date; and
- (c) the Security Trustee may transfer the entire balance of the GIC Account to the Collection Account following the occurrence of an Event of Default and the enforcement of the Charge.

The GIC Provider has agreed to pay the Trustee an interest rate of BBSW on the balance of the GIC Account, with interest to accrue daily and payable in arrears by the GIC Provider on each Payment Date.

If at any time the GIC Provider ceases to have a short term credit rating of at least A-1+ by Standard & Poor's and F1+ by Fitch and a long term credit rating of at least AA by Standard & Poor's and A by Fitch, then the GIC Provider, the Security Trustee and the Trustee will (on the direction of the Manager) make arrangements as soon as practicable to novate the GIC Agreement or otherwise procure the transfer of the GIC Account to another financial institution provided that a Rating Affirmation Notice has been provided by the Manager in respect of such novation or transfer.

If the Manager (acting reasonably) forms the opinion that the balance of the GIC Account at any time will result in a reduction, qualification or withdrawal of the ratings then assigned by any of the Rating Agencies to the Class A3 Notes, the Manager may direct the Trustee to withdraw an amount from the GIC Account and invest that amount in GIC Authorised Investments which have a maturity prior to the Class A3 Refinancing Date, provided that a Rating Affirmation Notice has been provided in respect of the acquisition of those GIC Authorised Investments. The Manager has agreed to direct the Trustee to realise the GIC Authorised Investments on or before the Class A3 Refinancing Date and deposit the realisation proceeds into the GIC Account.

Following the occurrence of an Event of Default and the enforcement of the Charge, the proceeds of any GIC Authorised Investments acquired using amounts standing to the credit of the GIC Account will be applied in accordance with the Security Trust Deed.

12 Security Trust Deed

12.1 Charge

Under the Security Trust Deed, the Trustee grants a first ranking floating charge (the “**Charge**”) over the Charged Property in favour of the Security Trustee to secure the Trustee’s obligations to the Noteholders, the Interest Rate Swap Providers, the Liquidity Facility Provider, the Servicer and, in respect of the Accrued Interest Adjustment and Redraws, the Seller (together the “**Secured Creditors**”) and the Security Trustee. The Security Trustee holds the benefit of the charged property and certain covenants of the Trustee on trust for those persons who are Secured Creditors at the time the Security Trustee distributes the proceeds of the enforcement of the Security Trust Deed.

12.2 Events of Default

Each of the following is an “Event of Default” under the Security Trust Deed:

- (a)
 - (i) the Trustee retires or is removed, or is required to retire or be removed, as trustee of the Series Trust in accordance with the Master Trust Deed, and is not replaced within 60 days of the occurrence of that event and the Manager fails within a further 20 days to convene a meeting of debt security holders and beneficiaries of the SWAN program in accordance with clauses 19.3 and 19.4 of the Master Trust Deed;
 - (ii) the Security Trustee has actual notice or is notified by the Manager or the Trustee that the Trustee is (for any reason) not entitled fully to exercise its right of indemnity against the Assets of the Series Trust to satisfy any liability to a Secured Creditor and the circumstances are not rectified to the reasonable satisfaction of the Security Trustee within 14 days of the Security Trustee requiring the Trustee in writing to rectify them; or
 - (iii) the Series Trust is not properly constituted or is imperfectly constituted in a manner or to an extent that is regarded by the Security Trustee (acting reasonably) to be materially prejudicial to the interests of any class of Secured Creditor and is incapable of being remedied or if it is capable of being remedied this has not occurred to the reasonable satisfaction of the Security Trustee within 30 days of the discovery thereof;
- (b) an Insolvency Event occurs in relation to the Trustee;
- (c) distress or execution is levied or a judgment, order or a Security Interest is enforced, or becomes enforceable against any of the Charged Property for an amount exceeding A\$1,000,000, or can be rendered enforceable by the giving of notice, lapse of time or fulfillment of any condition and in respect of which the Manager is unable to issue a Rating Affirmation Notice;
- (d) the Charge:
 - (i) is or becomes wholly or partly void, voidable or unenforceable; or

- (ii) loses the priority which it has at or after the date of the Security Trust Deed (other than as mandatorily preferred by law or by an act or omission of the Security Trustee);
- (e) the Trustee breaches the undertaking in clause 6.1 of the Security Trust Deed which provides that the Trustee will not without the prior written consent of the Security Trustee or as otherwise permitted by the Security Trust Deed, the Master Trust Deed, or the Series Supplement:
 - (i) subject only to the Prior Interest attempt to create or permit to exist a Security Interest howsoever ranking over any part of the Charged Property; or
 - (ii) convey, assign, transfer, lease or otherwise dispose or part with possession of, make any bailment over, or create or permit to exist any other interest in the Charged Property at any time such part of the Charged Property is subject to the Charge, and such action has an Adverse Effect;
- (f) any Senior Secured Moneys are not paid within 10 days of when due;
- (g) either:
 - (i) all or any part of any Transaction Document is terminated or is illegal or unenforceable or of no force or effect; or
 - (ii) any Transaction Document is terminated or becomes void, or any party becomes entitled to terminate, rescind or avoid all or a part of any Transaction Document,

and such action or event would have an Adverse Effect.

The Charge becomes fixed:

- (A) over all of the Charged Property if the Event of Default is one of those described in paragraphs (a), (b), (d), (f) or (g) above;
- (B) over the Charged Property affected if the Event of Default is one of those described in paragraph (c) or (e) above; or
- (C) over all of the Charged Property if the Commissioner of Taxation, or its delegate, determines to issue a notice under any legislation that imposes a Tax requiring any person obliged or authorised to pay money to the Trustee to instead pay such money to the Commissioner in respect of any Tax or any fines and costs imposed on the Trustee.

Upon the Charge becoming a fixed charge pursuant to the foregoing provisions of this Section, the Security Trustee is deemed to have intervened at that point in time and to have exercised all its rights of intervention in respect of the relevant Charged Property.

12.3 Enforcement

At the meeting convened by the Security Trustee, the Voting Secured Creditors must vote by Extraordinary Resolution on whether to direct the Security Trustee to:

- (a) declare the Secured Moneys immediately due and payable;
- (b) appoint a receiver and, if a receiver is to be appointed, to determine the amount of the receiver's remuneration;
- (c) instruct the Security Trustee to sell and realise the Charged Property and otherwise enforce the Charge; and/or
- (d) take such other action as the Voting Secured Creditors may specify in the Extraordinary Resolution and which the Security Trustee indicates that it is willing to take (such indication, subject to the Security Trust Deed, not to be unreasonably withheld or delayed).

The Security Trustee is required to take all necessary action to give effect to any Extraordinary Resolution of the Voting Secured Creditors only if the Security Trustee is adequately indemnified from the Charged Property or has been satisfactorily indemnified by the Voting Secured Creditors in a form reasonably satisfactory to the Security Trustee (which may be by way of an Extraordinary Resolution of the Voting Secured Creditors) against all actions, proceedings, claims and demands to which it may render itself liable, and all costs, charges, damages and expenses which it may incur, in giving effect to the Extraordinary Resolution.

If the Security Trustee convenes a meeting of the Voting Secured Creditors or is required by an Extraordinary Resolution of the Voting Secured Creditors to take any action in relation to the enforcement of the Security Trust Deed and the Security Trustee advises the Voting Secured Creditors that it will not take that action in relation to the enforcement of the Security Trust Deed unless it is personally indemnified by the Voting Secured Creditors to its reasonable satisfaction against all actions, proceedings, claims, demands, costs, charges, damages and expenses in relation to the enforcement of the Security Trust Deed and put in funds to the extent to which it may become liable and the Voting Secured Creditors refuse to grant the requested indemnity and put it into funds, the Security Trustee will not be obliged to act in relation to such action. In these circumstances, the Voting Secured Creditors may exercise such powers, and enjoy such protections and indemnities, of the Security Trustee under the Security Trust Deed in relation to the enforcement of the Security Trust Deed as they determine by Extraordinary Resolution.

The Security Trustee will not be liable in any manner whatsoever if the Voting Secured Creditors exercise, or do not exercise, the rights given to them as described in the sentence preceding. Except in the foregoing situation, the powers, rights and remedies (including the power to enforce the Charge or to appoint a receiver to any of the Charged Property) are exercisable by the Security Trustee only and no Secured Creditor is entitled to exercise them.

12.4 Priorities under the Security Trust Deed

The proceeds from the enforcement of the Charge are to be applied in the order of priority described below, subject to any statutory or other priority which may be given priority by law. The Security Trust Deed provides that all moneys received in connection with the Security Trust Deed by the Security Trustee or by any receiver ("**Receiver**") appointed in relation to the Charged Property pursuant to the provisions of the Security Trust Deed are, except as described below, to be applied as follows:

- (a) first, pari passu and rateably towards satisfaction of amounts which become owing or payable under certain indemnities in favour of the Security Trustee under the Security Trust Deed and in payment of the Prior Interest (except the Receiver's remuneration);
- (b) second, in payment pari passu and rateably, of any fees and any liabilities, losses, costs, claims, actions, damages, expenses, demands, charges, stamp duties and other taxes due to the Security Trustee and the Receiver's remuneration;
- (c) third, in payment pari passu and rateably of such other outgoings or liabilities (or both) that the Receiver or the Security Trustee have incurred in performing their obligations, or exercising their powers, under the Security Trust Deed;
- (d) fourth, in payment of other Security Interests (if any) over the Charged Property of which the Security Trustee is aware having priority to the Charge (other than the Prior Interest), in the order of their priority (and the Security Trustee and the Receiver are entitled to rely upon a certificate from the holder of the prior Security Interest as to the amount so secured and will not be bound to enquire further as to the accuracy of that amount or as to whether that amount or any part thereof is validly secured by such other prior Security Interest);
- (e) fifth, in payment to the Servicer of the Outstanding Prepayment Amount;
- (f) sixth, in payment to the Seller of so much of the Accrued Interest Adjustment that has not then been paid to the Seller;
- (g) seventh, in payment pari passu and rateably:
 - (i) to the Liquidity Facility Provider of any other Secured Moneys owing to the Liquidity Facility Provider under the Liquidity Facility Agreement; and
 - (ii) to the Interest Rate Swap Provider of all Secured Moneys owing to the Interest Rate Swap Provider under the Interest Rate Swap Agreement other than any Subordinated Termination Payments; and
- (h) eighth, in payment pari passu and rateably:
 - (i) to the Class A Noteholders of all other Secured Moneys owing in relation to the Class A Notes (the Secured Moneys owing in respect of the principal component of the Class A Notes for this purpose will be calculated based on their Stated Amount), to be applied amongst them:
 - (A) first, towards all interest accrued but unpaid on the Class A Notes at that time (to be distributed rateably amongst the Class A Notes); and
 - (B) second, in reduction of the Stated Amount in respect of the Class A Notes at that time (to be distributed rateably amongst the Class A Notes);
 - (ii) to the Redraw Noteholders of all other Secured Moneys owing in relation to the Redraw Notes (the Secured Moneys owing in respect of the

principal component of the Redraw Notes for this purpose will be calculated based on their Stated Amount), to be applied amongst them:

- (A) first, towards all interest accrued but unpaid on the Redraw Notes at that time (to be distributed pari passu and rateably amongst the Redraw Notes); and
 - (B) second, in reduction of the Stated Amount in respect of the Redraw Notes at that time (to be distributed pari passu and rateably amongst the Redraw Notes); and
- (iii) to the Seller, the amount of the Outstanding Seller Advances;
- (i) ninth, pari passu and rateably:
- (i) in payment pari passu and rateably, to the Class A Noteholders of the unreimbursed Charge-Offs in respect of the Class A Notes constituting the remaining Secured Moneys owing in respect of the Class A Notes; and
 - (ii) in payment pari passu and rateably, to the Redraw Noteholders of the unreimbursed Charge-Offs in respect of the Redraw Notes constituting the remaining Secured Moneys owing in respect of the Redraw Notes;
- (j) tenth, to the Class AB Noteholders of all Secured Moneys in relation to the Class AB Notes to be applied amongst them:
- (i) first, towards all interest accrued but unpaid on the Class AB Notes (to be distributed pari passu and rateably amongst the Class AB Notes); and
 - (ii) second, in reduction of the Invested Amount of the Class AB Notes at that time (to be distributed pari passu and rateably amongst the Class AB Notes);
- (k) eleventh, to the Class AC Noteholders of all Secured Moneys in relation to the Class AC Notes to be applied amongst them:
- (i) first, towards all interest accrued but unpaid on the Class AC Notes (to be distributed pari passu and rateably amongst the Class AC Notes); and
 - (ii) second, in reduction of the Invested Amount of the Class AC Notes at that time (to be distributed pari passu and rateably amongst the Class AC Notes);
- (l) twelfth, in or towards payment pari passu and rateably of any Secured Moneys constituting Subordinated Termination Payments payable by the Trustee to the Interest Rate Swap Provider in accordance with the Interest Rate Swap Agreement;
- (m) thirteenth, to the Class B Noteholders of all Secured Moneys in relation to the Class B Notes to be applied amongst them:
- (i) first, towards all interest accrued but unpaid on the Class B Notes (to be distributed pari passu and rateably amongst the Class B Notes); and

- (ii) second, in reduction of the Invested Amount in respect of the Class B Notes at that time (to be distributed pari passu and rateably amongst the Class B Notes);
- (n) fourteenth, in repaying to the Seller, an amount equal to the Extraordinary Expense Reserve Required Amount;
- (o) fifteenth, in repaying to the Seller, an amount equal to the Income Reserve Required Amount;
- (p) sixteenth, to pay (pari passu and rateably) to each Secured Creditor any remaining amounts forming part of the Secured Moneys and owing to that Secured Creditor;
- (q) seventeenth, in payment of subsequent Security Interests over the Charged Property of which the Security Trustee is aware, in the order of their priority and the Security Trustee and the Receiver will be entitled to rely upon a certificate from the holder of any subsequent Security Interests as to the amount so secured and will not be bound to enquire further as to the accuracy of that amount or as to whether that amount or any part thereof is validly secured by the subsequent Security Interests; and
- (r) eighteenth, to pay the surplus (if any) to the Trustee to be distributed by the Trustee in accordance with the terms of the Master Trust Deed and the Series Supplement, but will not carry interest as against the Security Trustee.

Upon enforcement of the security created by the Security Trust Deed, the net proceeds may be insufficient to pay all amounts due on redemption to the Noteholders. Any claims of the Noteholders remaining after the realisation of the security and the application of the proceeds shall be extinguished.

Any Outstanding Interest Rate Swap Prepayment Amount will not be available for distribution in accordance with this Section. Any such Outstanding Interest Rate Swap Prepayment Amount shall (subject to the operation of any netting provisions in the Interest Rate Swap Agreement) be returned to the Interest Rate Swap Provider except to the extent that the Interest Rate Swap Agreement requires it to be applied to satisfy any obligation owed to the Trustee by the Interest Rate Swap Provider.

If a Cash Deposit has been established (as described in Section 11.2 (“*The Liquidity Facility*”) above) it will not be available for distribution as set out above. Any such Outstanding Cash Deposit (including any accrued but unpaid interest) will be paid to the Liquidity Facility Provider except to the extent that the Liquidity Facility Agreement requires that it be applied to satisfy the Liquidity Facility Provider’s obligations to the Trustee.

12.5 Amendments to the Security Trust Deed

Subject to 5 Business Days’ notice being given to the Rating Agencies the Security Trustee, the Manager and the Trustee may alter, add to or revoke any provision of the Security Trust Deed if the amendment:

- (a) in the opinion of the Security Trustee (or a barrister or solicitor instructed by the Security Trustee) is necessary or expedient to comply with any Statute or regulation or with the requirements of any Governmental Agency;

- (b) in the opinion of the Security Trustee is to correct a manifest error or ambiguity or is of a formal, technical or administrative nature only;
- (c) in the opinion of the Security Trustee is appropriate or expedient as a consequence of an amendment to any statute or regulation or altered requirements of any Governmental Agency or any decision of any court (including, without limitation, an alteration, addition or modification which is in the opinion of the Security Trustee appropriate or expedient as a consequence of the enactment of a Statute or regulation or an amendment to any Statute or regulation or ruling by the Commissioner or Deputy Commissioner of Taxation or any governmental announcement or statement or any decision of any court, in any case which has or may have the effect of altering the manner or basis of taxation of trusts generally or of trusts similar to the Security Trust);
- (d) in the opinion of the Security Trustee and the Trustee is otherwise desirable for any reason.

If any alteration, addition or revocation referred to paragraph (d) above would, if it were an Extraordinary Resolution of the Voting Secured Creditors, require any specific consents of any class of Secured, the alteration, addition or revocation may be effected only if the relevant consent is obtained.

Any alteration, addition or revocation must be notified to the Rating Agencies 5 Business Days in advance.

12.6 Meeting of Voting Secured Creditors

Under the Security Trust Deed, a meeting of Voting Secured Creditors has power, exercisable by Extraordinary Resolution, to sanction or authorise a wide range of actions including, without limitation, to sanction any proposal by the Manager, the Trustee or the Security Trustee for any modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Secured Creditors against the Trustee or the Manager, whether such rights arise under the Security Trust Deed, the other Transaction Documents or otherwise; to postpone the day when the Secured Moneys become payable; to sanction the exchange or substitution of the Secured Moneys for, or the conversion of the Secured Moneys into notes or other obligations or securities of the Trustee or any other body corporate; to assent to any modification of the provisions contained in the Security Trust Deed or the Notes proposed by the Trustee, the Manager or the Security Trustee; and to discharge or exonerate the Security Trustee from any liability in respect of any act or omission for which it may become responsible under the Security Trust Deed.

A meeting of the Voting Secured Creditors does not have power (amongst other things) to:

- (a) remove the Security Trustee or the Manager from office other than in accordance with the terms of the Security Trust Deed or the Series Supplement;
- (b) interfere in the management of the Series Trust;
- (c) wind up or terminate the Series Trust; or
- (d) dispose of, or otherwise deal with the Assets of the Series Trust.

12.7 Limitations on Trustee's Liability

The Trustee's liability under the Security Trust Deed is limited to the extent to which it can be satisfied out of the Assets of the Series Trust out of which the Trustee is actually indemnified for the liability, except in the case of fraud, negligence or wilful default (as defined in the Transaction Documents) on the part of the Trustee or its officers, employees or agents or any other person whose acts or omissions the Trustee is liable for under the Transaction Documents.

12.8 Disclosure of Information

In relation to information which the Trustee or the Security Trustee (the "**Recipient**") receives from the Manager or any Noteholders in relation to the Series Trust, the BW Trust or the Security Trust (the "**Information**"), the Recipient is entitled to make available (to the extent permitted by law) such Information to:

- (a) any Related Body Corporate of the Recipient which acts as custodian or Security Trustee of the Assets of the Series Trust or the BW Trust or which otherwise has responsibility for the management or administration of the Series Trust or the BW Trust, including their respective assets; and
- (b) the Recipient acting in its capacity as Manager, custodian or Servicer (as applicable) of the Series Trust or the BW Trust.

The Recipient will not have any liability for the use, non-use, communication or non-communication of the Information in the above manner, except to the extent to which the Recipient has an express contractual obligation to disclose or not disclose or to use or not use certain information received by it and fails to do so.

12.9 Resolution of Conflicts

If there is a conflict between the interests of any Secured Creditor or class of Secured Creditors (on the one hand) and the interests of the Noteholders as a whole (on the other hand), the Security Trustee must give priority to the interests of the Noteholders as a whole. Subject to the provisions of the Security Trust Deed (other than the provision in the previous sentence), the Security Trustee must give priority to the interests only of:

- (a) if the Class A Notes remain outstanding, the Class A Noteholders;
- (b) if no Class A Notes remain outstanding but the Class AB Notes remain outstanding, the Class AB Noteholders;
- (c) if no Class A Notes and no Class AB Notes remain outstanding but the Class AC Notes remain outstanding, the Class AC Noteholders; and
- (d) if no Class A Notes, Class AB Notes or Class AC Notes remain outstanding, but Class B Notes remain outstanding, the Class B Noteholders,

if, in the Security Trustee's opinion, there is a conflict between the interests of the Class A Noteholders, the Class AB Noteholders, the Class AC Noteholders and the Class B Noteholders or the other persons entitled to the benefit of the Charge. Provided that the Security Trustee acts in good faith, it will not incur any liability to any Secured Creditor for giving effect to the foregoing.

12.10 Security Trustee

(a) Appointment

The Security Trustee is appointed under the terms of the Security Trust Deed.

(b) Description of the Security Trustee

The Security Trustee as at the date of this Information Memorandum is P.T. Limited (ABN 67 004 454 666) having its registered office Level 12, 123 Pitt Street, Sydney, NSW Australia.

(c) Undertakings

In addition to the duties described above, the Security Trustee is required to:

- (i) act continuously as Security Trustee until the Security Trust Deed is terminated or until the Security Trustee has retired or been removed;
- (ii) exercise all due diligence and vigilance in carrying out its functions and duties and in protecting the rights and interests of the Secured Creditors;
- (iii) in the exercise of all discretions vested in it, except where expressly provided otherwise, have regard to the interests of the Secured Creditors as a class;
- (iv) subject to the terms of the Security Trust Deed retain the Security Trust Fund in safe custody and hold it on trust for the Secured Creditors; and
- (v) not sell, mortgage, charge or part with the possession of any part or the whole of the Security Trust Fund (or permit any of its officers, agents and employees to do so) except as permitted or contemplated by the Security Trust Deed.

(d) Remuneration and Expenses

The Security Trustee is entitled to be remunerated a quarterly fee based upon the time in attendance costs properly incurred by the Security Trustee in performing its functions as Security Trustee under the Transaction Documents in the relevant quarter. The amount of such fee will be agreed on from time to time between the Manager, the Security Trustee and the Trustee. The time in attendance costs may include a component that represents or is referable to GST. The Security Trustee is entitled to be reimbursed for all costs properly incurred in acting as Security Trustee.

(e) Retirement, Removal and Replacement of the Security Trustee

The Security Trustee must retire as security trustee if:

- (i) an Insolvency Event occurs with respect to it in its personal capacity or in respect of its personal assets (and not in its capacity as trustee of any trust or in respect of any assets it holds as trustee);
- (ii) it ceases to carry on business;

- (iii) a Related Body Corporate of it retires or is removed as trustee of the Series Trust and the Manager requires the Security Trustee by notice in writing to retire;
- (iv) an Extraordinary Resolution requiring its retirement is passed at a meeting of Voting Secured Creditors;
- (v) when required to do so by the Manager or the Trustee by notice in writing, it fails or neglects within 20 Business Days after receipt of such notice to carry out or satisfy any material duty or obligation imposed on it by the Security Trust Deed; or
- (vi) there is a change in the ownership of 50 per cent or more of the issued equity share capital of the Security Trustee from the position as at the date of the Security Trust Deed or effective control of the Security Trustee alters from the position as at the date of the Security Trust Deed, unless in either case approved by the Manager (whose approval must not be unreasonably withheld).

If the Security Trustee refuses to retire the Manager is entitled to remove the Security Trustee from office immediately by notice in writing if an event referred to above has occurred.

On the retirement or removal of the Security Trustee the Manager must issue a Rating Affirmation Notice in relation to each Rating Agency in respect of such retirement or removal.

(f) Security Trustee May Retire

The Security Trustee may retire as trustee under the Security Trust Deed upon giving 3 months notice in writing to the Trustee and the Manager or such lesser time as the Manager, the Trustee and the Security Trustee agree.

(h) Trustee retirement

The first Security Trustee must retire as trustee under the Security Trust Deed upon the Trustee retiring or being removed as trustee of the Series Trust under the Master Trust Deed.

(h) Appointment of Substitute Security Trustee by Voting Secured Creditors

- (i) Following the Manager receiving notice of the removal or retirement of the Security Trustee under paragraphs (e), (f) or (g), the Manager is entitled to appoint a Substitute Security Trustee, which must be an Authorised Trustee Company in respect of which the Manager has issued a Rating Affirmation Notice with respect to each Rating Agency.
- (ii) If a Substitute Security Trustee has not been appointed under paragraph (h)(i), within 30 days of the Manager receiving notice of the retirement or removal, the Manager must promptly convene a meeting of Voting Secured Creditors at which Voting Secured Creditors, holding or representing between them Voting Entitlements comprising in aggregate a number of votes which is not less than 75% of the aggregate number of

votes comprised in the total Voting Entitlements at the time, appoint any person appointed by an Extraordinary Resolution passed at that meeting to act as Security Trustee.

- (iii) Until the appointment of the Substitute Security Trustee is complete, the existing Security Trustee must continue to act as the Security Trustee in accordance with the Transaction Documents. The Security Trustee agrees to cooperate with the Manager with respect to the finding and appointing of a Substitute Security Trustee.
- (iv) None of Bank of Western Australia Limited (ABN 22 050 494 454) or any of its Related Bodies Corporate may act as the Security Trustee under the Security Trust Deed.

(i) Security Trustee's Liability Limited to Indemnity out of Trust Assets

The Security Trustee's liability under the Security Trust Deed is limited to the amount the Security Trustee is able to be satisfied out of the assets held on trust by it under the Security Trust Deed from which the Security Trustee is actually indemnified for the liability. However, this limitation will not apply to the extent that the Security Trustee's right of indemnity is reduced as a result of fraud, negligence or wilful default on the part of the Security Trustee or its officers, employees or agents or any other person whose acts or omissions the Security Trustee is liable for under the Transaction Documents.

(j) Other Limitations on Responsibility and Liability of Security Trustee

The Security Trust Deed contains a range of provisions regulating the scope of the Security Trustee's duties and liabilities. These include (which list is not exhaustive) the following:

- (a) the Security Trustee is not required to monitor whether an Event of Default has occurred or inquire as to compliance by the Trustee or the Manager with the Transaction Documents, or their other activities;
- (b) the Security Trustee is not required to take any action under the Security Trust Deed, except as directed by an Extraordinary Resolution of Voting Secured Creditors;
- (c) the Security Trustee is not required to act in relation to the enforcement of the Security Trust Deed unless its liability is limited in a manner satisfactory to it and the Secured Creditors place it in funds or indemnify it to its satisfaction;
- (d) the Security Trustee is not responsible for the adequacy, validity or enforceability of any Transaction Documents;
- (e) the Security Trustee need not give to the Secured Creditors information concerning the Trustee or the Manager which comes into the possession of the Security Trustee;
- (f) the Trustee gives wide ranging indemnities to the Security Trustee in relation to its role as Security Trustee; and

- (g) the Security Trustee may rely on documents and information provided by the Trustee or the Manager.

13 Taxation Considerations

*The following is a summary of the material Australian tax consequences under the Income Tax Assessment Acts of 1936 and 1997 of Australia (together, “**Australian Tax Act**”) of the purchase, ownership and disposition of the Notes (other than the Redraw Notes) by Noteholders who purchase the Notes on original issuance at the stated offering price and do not hold the Notes as trading stock. It is not exhaustive and, in particular, does not deal with the position of certain classes of Noteholders of Notes (including, dealers in securities, custodians or other third parties who hold Notes on behalf of any Noteholders).*

This summary is based on Australian law in effect on the date of this Information Memorandum which is subject to change, possibly with retroactive effect, and should be treated with appropriate caution.

The following is a general guide and should be treated with appropriate caution. Each prospective investor should consult his or her own tax advisors concerning the tax consequences, in their particular circumstances, of the purchase, ownership and disposition of the Notes.

13.1 Tax Issues for the Series Trust

The Series Trust will form part of a consolidated group for Australian income tax purposes. Under consolidation, the head company of the consolidated group has the liability to pay the income tax of the group. Further comments on consolidation are in part 13.4(a) below.

13.2 Interest Withholding Tax

(a) Exemption in section 128F

An exemption from Australian interest withholding tax imposed under Division 11A of Part III of the Australian Tax Act (“**IWT**”) is available, in respect of the Notes issued by the Trustee under section 128F of the Australian Tax Act, if the following conditions are met:

- (i) the Trustee is a company as defined in section 128F(9) (which includes certain companies acting in their capacity as trustee) and a resident of Australia when it issues those Notes and when interest (as defined in section 128A(1AB) of the Australian Tax Act) is paid. Interest is defined to include amounts in the nature of, or in substitution for, interest and certain other amounts;
- (ii) those Notes are issued in a manner which satisfies the public offer test. There are five principal methods of satisfying the public offer test, the purpose of which is to ensure that lenders in capital markets are aware that the Trustee is offering those Notes for issue. In summary, the five methods are:
 - (A) offers to 10 or more unrelated financiers or securities dealers;
 - (B) offers to 100 or more investors;
 - (C) offers of listed Notes;

- (D) offers via publicly available information sources; and
- (E) offers to a dealer, manager or underwriter who offers to sell those Notes within 30 days by one of the preceding methods.

The issue of any of the Notes (whether in global form or otherwise) and the offering of interests in any of those Notes by one of these methods should satisfy the public offer test;

- (iii) the Trustee does not know or have reasonable grounds to suspect, at the time of issue, that those Notes or interests in those Notes were being, or would later be, acquired, directly or indirectly, by an “associate” of the Trustee, except as permitted by section 128F(5) of the Australian Tax Act; and
- (iv) at the time of the payment of interest, the Trustee does not know, or have reasonable grounds to suspect, that the payee is an “associate” of the Trustee, except as permitted by section 128F(6) of the Australian Tax Act.

(b) **Associates**

Since the Trustee is a trustee of a trust, the entities that are “associates” of the Trustee for the purposes of section 128F of the Australian Tax Act include:

- (i) any entity that benefits, or is capable of benefiting, under the trust (“**Beneficiary**”), either directly or through any interposed entities; and
- (ii) any entity that is an “associate” of a Beneficiary. If the Beneficiary is a company, an “associate” of that Beneficiary for these purposes includes:
 - (A) a person or entity that holds more than 50% of the voting shares in, or otherwise controls, the Beneficiary;
 - (B) an entity in which more than 50% of the voting shares are held by, or which is otherwise controlled by, the Beneficiary;
 - (C) a trustee of a trust where the Beneficiary is capable of benefiting (whether directly or indirectly) under that trust; and
 - (D) a person or entity that is an “associate” of another person or entity that is an “associate” of the Beneficiary under any of the foregoing.

However, for the purposes of sections 128F(5) and (6) of the Australian Tax Act (see paragraphs (a)(iii) and (a)(iv) above), the issue of the Notes to, and the payment of interest to, the following “associates” may still qualify for the exemption from IWT under section 128F:

- (iii) onshore “associates” (ie Australian resident “associates” who do not hold the Notes in the course of carrying on business at or through a permanent establishment outside Australia and non-resident “associates” who hold the Notes in the course of carrying on business at or through a permanent establishment in Australia); or

- (iv) offshore “associates” (ie Australian resident “associates” that hold the Notes in the course of carrying on business at or through a permanent establishment outside Australia and non-resident “associates” who do not hold the Notes in the course of carrying on business at or through a permanent establishment in Australia) who are acting in the capacity of:
 - (A) in the case of section 128F(5), a dealer, manager or underwriter in relation to the placement of the relevant Notes or a clearing house, custodian, funds manager or responsible entity of a registered managed investment scheme; or
 - (B) in the case of section 128F(6), a clearing house, paying agent, custodian, funds manager or responsible entity of a registered managed investment scheme.

(c) **Compliance with section 128F of the Australian Tax Act**

The Notes are “debentures” for the purposes of section 128F of the Australian Tax Act. Interest payable on the Notes would be “interest” for the purposes of the withholding tax provisions.

Unless otherwise specified in any relevant Series Supplement (or another relevant supplement to this Information Memorandum), the Trustee intends to issue the Class A Notes, Class AB Notes, Class AC Notes and Class B Notes in a manner which will satisfy the requirements of section 128F of the Australian Tax Act.

(d) **Exemptions under recent Tax Treaties**

The Australian Government has signed new or amended double tax conventions with a number of countries (each a “**Specified Country**”) which contain certain exemptions from IWT.

In broad terms, those treaties prevent IWT being imposed on payments of interest derived by either:

- (i) the government of the relevant Specified Country and certain governmental authorities and agencies in the Specified Country; or
- (ii) a “financial institution” which is a resident of a “Specified Country” and which is unrelated to and dealing wholly independently with the Australian Trustee. The term “financial institution” refers to either a bank or any other form of enterprise which substantially derives its profits by carrying on a business of raising and providing finance. (However, interest under a back-to-back loan or an economically equivalent arrangement will not qualify for this exemption.)

The Australian Federal Treasury maintains a listing of Australia’s double tax conventions which provides details of country, status, withholding tax rate limits and Australian domestic implementation which is available to the public through the Federal Treasury’s Department’s website at:

<http://www.treasury.gov.au/contentitem.asp?pageId=&ContentID=625>.

(e) **No payment of additional amounts**

Despite the fact that the Notes are intended to be issued in a manner which will satisfy the requirements of section 128F of the Australian Tax Act and unless expressly provided to the contrary in a Series Supplement (or another relevant supplement to this Information Memorandum), if the Trustee is at any time compelled or authorised by law to deduct or withhold an amount in respect of any Australian withholding taxes imposed or levied by the Commonwealth of Australia in respect of the Notes, the Trustee is not obliged to pay any additional amounts in respect of such deduction or withholding.

13.3 Other tax matters that are relevant to Noteholders

Discussed below is a general discussion of certain matters that are relevant to Noteholders, under Australian laws as presently in effect.

(a) **Other taxes**

- (i) *death duties* - no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death; and
- (ii) *stamp duty and other taxes* - no ad valorem stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any Notes; and
- (iii) *supply withholding tax* - payments in respect of the Notes can be made free and clear of the “supply withholding tax” imposed under Section 12-190 of Schedule 1 to the Taxation Administration Act; and
- (iv) *goods and services tax* - The receipt of the Notes will not give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore non-resident subscriber) a GST-free supply.

(b) **Non-Australian Noteholders**

- (i) *income tax* - assuming the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Notes, payments of principal and interest (as defined in section 128A(1AB) of the Australian Tax Act) to a Noteholder of the Notes, who is a non-resident of Australia and who, during the taxable year, does not hold the Notes in the course of carrying on business at or through a permanent establishment in Australia, will not be subject to Australian income taxes; and
- (ii) *gains on disposal or redemption of Notes* - a Noteholder of the Notes, who is a non-resident of Australia and who, during the taxable year, does not hold the Notes in the course of carrying on business at or through a permanent establishment in Australia, will not be subject to Australian income tax on gains realised during that year on sale or redemption of the Notes, provided such gains do not have an Australian source. A gain arising on the sale of Notes by a non-Australian resident Noteholder to another non-Australian resident where the Notes are sold outside

Australia and all negotiations are conducted, and documentation executed, outside Australia would not be expected to have an Australian source; and

- (iii) *deemed interest* - there are specific rules that can apply to treat a portion of the purchase price of Notes as interest for IWT purposes when certain Notes originally issued at a discount or with a maturity premium or which do not pay interest at least annually are sold by a non-Australian Noteholder to an Australian resident (who does not acquire them in the course of carrying on business at or through a permanent establishment outside Australia) or a non-resident who acquires them in the course of carrying on business at or through a permanent establishment in Australia. If the Notes are not issued at a discount and do not have a maturity premium, these rules should not apply to the Notes. These rules also do not apply in circumstances where the deemed interest would have been exempt under section 128F of the Australian Tax Act if the Notes had been held to maturity by a non-resident; and
- (iv) *additional withholdings from certain payments to non-residents* - Section 12-315 of Schedule 1 to the Taxation Administration Act gives the Governor-General power to make regulations requiring withholding from certain payments to non-residents. However, Section 12-315 expressly provides that the regulations will not apply to interest and other payments which are treated as interest under the IWT rules or specifically exempt from those rules. Further, regulations may only be made if the responsible Minister is satisfied the specified payments are of a kind that could reasonably relate to assessable income of foreign residents. The regulations that have so far been promulgated under Section 12-315 prior to the date of this Information Memorandum are not applicable to any payments in respect of the Notes. Any further regulations also should not apply to repayments of principal under the Notes, as in the absence of any issue discount, such amounts will generally not be reasonably related to assessable income. The possible application of any future regulations to the proceeds of any sale of the Notes will need to be monitored; and
- (v) *other withholding taxes on payments in respect of Notes* - Section 12-140 of Schedule 1 to the Taxation Administration Act 1953 of Australia (“**Taxation Administration Act**”) imposes a type of withholding tax at the rate of (currently) 46.5% on the payment of interest on certain registered securities unless the relevant payee has quoted an Australian tax file number (“**TFN**”) or an Australian Business Number (“**ABN**”) (in certain circumstances) or provided proof of some other exemption (as appropriate). Assuming that the requirements of section 128F of the Australian Tax Act are satisfied with respect to the Notes, then the requirements of Section 12-140 do not apply to payments to a Noteholder of Notes in registered form who is not a resident of Australia and not holding those Notes in the course of carrying on business at or through a permanent establishment in Australia; and
- (vi) *mutual assistance in the collection of debts* - The Commissioner of Taxation has some powers to collect a taxation debt on behalf of certain foreign taxation authorities if formally requested to do so, or to take conservancy measures to ensure the collection of that debt. Conservancy is concerned with preventing a taxpaying entity from dissipating their

assets when they have a tax related liability. The provisions also treat Australian tax debts collected and remitted to Australia by a foreign tax authority as tax debts collected in Australia. In certain circumstances, any foreign tax liabilities of a non-resident Noteholder of the Notes the subject of the measures may be collected by Australia on behalf of another country.

(c) **Australian Noteholders**

- (i) *income tax* - Australian residents or non-Australian residents who hold the Notes in the course of carrying on business at or through a permanent establishment in Australia (“**Australian Noteholders**”), will be assessable for Australian tax purposes on income either received or accrued due to them in respect of the Notes. Whether income will be recognised on a cash receipts or accruals basis will depend upon the tax status of the particular Noteholder and the terms and conditions of the Notes. Special rules apply to the taxation of Australian residents who hold the Notes in the course of carrying on business at or through a permanent establishment outside Australia which vary depending on the country in which that permanent establishment is located; and
- (ii) *gains on disposal of Notes* - Australian Noteholders will be required to include any gain or loss on disposal of the Notes in their taxable income. Special rules apply to the taxation of Australian residents who hold the Notes in the course of carrying on business at or through a permanent establishment outside Australia which vary depending on the country in which that permanent establishment is located; and
- (iii) *other withholding taxes on payments in respect of Notes* - Payments to Australian Noteholders of Notes in registered form may be subject to a withholding where the Noteholder does not quote a TFN or ABN or provide proof of an appropriate exemption (as appropriate); and
- (iv) *taxation of foreign exchange gains and losses* - Divisions 230, 775 and 960 of the Australian Tax Act contain rules to deal with the taxation consequences of foreign exchange transactions. As all payments under the Notes will be in Australian dollars, these rules should not apply to the Australian Noteholders.

(d) **Taxation of Financial Arrangements**

Division 230 of the Income Tax Assessment Act contains rules which represent a new code for the taxation of receipts and payments for certain taxpayers in relation to “financial arrangements”. The rules in Division 230 contain a number of different methods for bringing to account gains and losses in relation to “financial arrangements” (including fair value, accruals, retranslation, realisation, hedging and financial records).

Division 230 does not affect the provisions relating to the imposition of IWT. In particular, the rules do not apply in a manner which overrides the exemption available under section 128F of the Australian Tax Act.

13.4 Other tax matters that are relevant to the Series Trust

(a) Tax Consolidation Rules

Under the tax consolidation rules, the Series Trust will be a member of a consolidated group. Under consolidation, the transactions entered into by the members of the consolidated group are effectively ignored for income tax purposes and attributed to the head company. The head company has the liability to pay the income tax of the group. However, if the head company fails to make a relevant tax payment promptly, then there is (prima facie) joint and several liability on all group members to pay that tax. That joint and several liability can be avoided by allocating the relevant tax obligation to the group members on a reasonable basis under a tax sharing agreement. It is expected that the Series Trust will be party to a tax sharing agreement that provides a reasonable allocation of the group's tax liabilities to the Series Trust (which should effectively be a nil allocation).

(b) Goods and Services Tax

The issue of the Notes will not give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore non-resident subscriber) a GST-free supply. Furthermore, neither the payment of principal or interest by the Series Trust, nor the disposal of the Notes, would give rise to any GST liability on the part of the Series Trust.

The supply of some services made to the Series Trust may give rise to a liability for GST on the part of the relevant service provider.

In relation to the acquisition of these taxable services by the Series Trust:

- (i) in the ordinary course of business, the service provider would charge the Series Trust an additional amount on account of GST unless the agreed fee is already GST-inclusive.
- (ii) assuming that the Series Trust exceeds the financial acquisitions threshold for the purposes of Division 189 of the GST Act, which is likely to be the case, the Series Trust would not be entitled to a full input tax credit from the ATO to the extent that the acquisition relates to:
 - (A) the Series Trust's input taxed supply of issuing Notes (ie Notes issued to:
 - (aa) Australian residents; or
 - (bb) to non-residents acting through a fixed place of business in Australia); and
 - (B) the acquisition by the Series Trust of the Housing Loans.

In the case of acquisitions which relate to the making of supplies of the nature described above, the Series Trust may still be entitled to a "reduced input tax credit" (which is equal to 75% of 1/11th of the GST-inclusive consideration payable by the Series Trust to the person making the taxable

supply) in relation to certain acquisitions prescribed in the GST regulations, but only where the Series Trust is the recipient of the taxable supply and the Series Trust either provides or is liable to provide the consideration for the taxable supply.

- (iii) Where services are provided to the Series Trust by an entity comprising an associate of the Series Trust for income tax purposes, those services are provided for nil or less than market value consideration, and the Series Trust would not be entitled to a full input tax credit, the relevant GST (and any input tax credit) would be calculated by reference to the market value of those services. The associate may be entitled to recover the GST calculated by reference to the market value of the services from the Series Trust. Depending on the nature of the services supplied the Series Trust, if the associate charges the Series Trust GST in relation to those services, the Series Trust may be entitled to partly recover the GST charged to it as a “reduced input tax credit”.

In the case of supplies performed outside Australia for the purposes of the Series Trust’s business, these may attract a liability for Australian GST if they are supplies of a kind which would have been taxable if they occurred in Australia and if the Series Trust would not have been entitled to a full input tax credit if the supply had been performed in Australia. This is known as the “reverse charge” rule. Where the rule applies, the liability to pay GST to the ATO falls not on the supplier, but on the Series Trust.

Where services are performed offshore for the Series Trust and the supplies relate solely to the issue of Notes by the Series Trust to Australian non-residents who subscribe for the Notes through a fixed place of business outside Australia, the “reverse charge” rule should not apply to these offshore supplies. This is because the Series Trust would have been entitled to a full input tax credit for the acquisition of these supplies if the supplies had been performed in Australia, as the supplies would be GST-free and not taxable.

Where GST is payable on a taxable supply made to the Series Trust in respect of the Series but a full input tax credit is not available, this will mean that less money is available to pay interest on the Notes or other liabilities of the Series.

14 Selling Restrictions

14.1 Introduction

No action has been taken by the Trustee, any of the Joint Lead Managers or the Co-Manager which would or is intended to permit a public offer of the Class A Notes, Class AB Notes, Class AC Notes or Class B Notes (together the “**Relevant Notes**”) in any country or jurisdiction where action for that purpose is required. Neither this Information Memorandum nor any other circular, prospectus, form of application, advertisement or other material may be distributed in or from or published in any country or jurisdiction except under circumstances which will result in compliance with applicable laws and regulations.

14.2 Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Relevant Notes has been or will be lodged with ASIC or the ASX and:

- (a) no invitation or offer of the Relevant Notes has been or will be made for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) no Information Memorandum or any other offering material or advertisement relating to any Relevant Notes in Australia may be distributed or published, unless:
 - (i) the minimum aggregate consideration payable by each offeree or invitee on acceptance of the offer is at least A\$500,000 (or its equivalent in an alternate currency) (disregarding monies lent by the offeror or its associates) or more, or the offer does not otherwise require disclosure to investors under Part 6D.2 or Part 7.9 of the Corporations Act;
 - (ii) the offer does not constitute an offer to a “retail client” for the purposes of Chapter 7 of the Corporations Act; and
 - (iii) such action complies with other applicable laws and directives and does not require any document to be lodged with ASIC.

14.3 The United States of America

The Relevant Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”), and the Trustee has not been and will not be registered as an investment company under the United States Investment Company Act of 1940, as amended (the “**Investment Company Act**”). An interest in the Relevant Notes may not be offered or sold within the United States of America or to, or for the account or benefit of, a “U.S. person” (as defined in Regulation S under the Securities Act (“**Regulation S**”)) at any time except in accordance with Regulation S or pursuant to an exemption from the registration requirements of the Securities Act.

14.4 European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), with effect from and

including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) no person may make an offer of Relevant Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State:

- (a) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (b) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts;
- (c) at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant dealer or dealers nominated by the Trustee for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (a) to (e) above shall require the Trustee or any dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Relevant Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Relevant Notes to be offered so as to enable an investor to decide to purchase or subscribe the Relevant Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State. The expression “**Prospectus Directive**” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State. The expression “**European Economic Area**” means the European Union. The expression “**Member State of the European Economic Area**” means any Member State of the European Union.

14.5 The Republic of Ireland

No person may:

- (a) offer or sell any Notes, except in accordance with the provisions of the Prospectus (Directive 2003/71/EC) Regulations 2005 (“**Prospectus Regulations**”) and the provisions of the Irish Companies Act 1963-2005 and any rules issued under section 51 of the Irish Investment Funds, Companies and Miscellaneous Provisions Act 2005 by the Central Bank of Ireland;
- (b) offer or sell any Notes other than in compliance with the provisions of the Market Abuse (Directive 2003/6/EU) Regulations 2005 (Ireland) and any rules issued under section 34 of the Irish Investment Funds, Companies and Miscellaneous Provisions Act 2005 by the Central Bank of Ireland;

- (c) it will not underwrite the issue of, or place, the Notes in the Republic of Ireland, otherwise than in conformity with the provisions of the Central Bank Acts 1942-1999 (Ireland) (as amended) and any codes of conduct made under Section 117(1) thereof; and
- (d) underwrite the issue or place the Notes otherwise than in accordance with the provisions of the Irish Investment Intermediaries Act 1995 (as amended), including without limitation section 9, 23 (including any advertising restrictions made under that section), 50 and 37 (including any codes of conduct issued under that section) and the provisions of the Irish Investor Compensation Act 1998, including without limitation, section 21.

14.6 The United Kingdom

In relation to each Class of Notes, each person subscribing for the Notes:

- (a) may only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Relevant Notes in circumstances in which section 21(1) of the FSMA does not or would not, if the Trustee was not an authorised person, apply to the Series Trust; and
- (b) must comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

14.7 Hong Kong

In Hong Kong, interests in the Notes may not be offered or sold by any document other than (i) to persons whose ordinary business is to buy or sell shares or debentures (whether a principal or agent); or (ii) to “professional investors” as defined in the Securities and Futures Ordinance (cap. 571) of Hong Kong and any rules made under that Ordinance; or (iii) in circumstances which do not constitute an offer to the public within the meaning of the Companies Ordinance (cap. 32) of Hong Kong. No person may or shall issue, or have in its possession for the purpose of issue, any advertisement, invitation or document relating to the Relevant Notes, whether in Hong Kong or elsewhere, which is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to those of the Relevant Notes which are intended to be disposed of only to persons outside Hong Kong or only to “professional investors” within the meaning of the Securities and Futures Ordinance and any rules made thereunder.

The contents of this document have not been reviewed by any regulatory authority in Hong Kong. You are advised to exercise caution in relation to the Relevant Notes. If you are in any doubt about the contents of this document, you should obtain independent professional advice.

14.8 Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Law of Japan as amended and reviewed (the “**Financial Instruments and Exchange Law**”) and, accordingly, no person may offer or sell any Notes, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (which term as used

herein means any person resident in Japan, including any corporation or other entity having its principal office in Japan or organised under the laws of Japan. Any branch or office in Japan of a non-resident will be deemed to be a resident for the purpose whether such branch or office has the power to represent such non-resident), or to others for re-offering or resale, directly or indirectly, in Japan or to a resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Law and any other applicable laws, regulations and ordinances promulgated by the relevant Japanese governmental and regulatory authorities and in effect at the relevant time.

14.9 New Zealand

The Trustee does not intend that the Notes be offered for sale or subscription to the public in New Zealand in terms of the *Securities Act 1978* of New Zealand. Accordingly, no person may subscribe for, offer, sell or deliver any Notes or distribute any Information Memorandum, advertisement or offering material relating to the Notes in breach of the *Securities Act 1978* of New Zealand and, in particular, no person may sell or offer for sale Notes to any member of the public in New Zealand in breach of the *Securities Act 1978* of New Zealand.

14.10 Switzerland

This Information Memorandum does not constitute a prospectus within the meaning of Article 652A of the *Swiss Code of Obligations* and Article 1156 et seq. of the *Swiss Code of Obligations*. The Notes may not be publicly offered or distributed in or from Switzerland, and neither the preliminary Information Memorandum, the final Information Memorandum nor any other offering materials relating to any of the Notes may be publicly distributed in connection with any such offering or distribution.

14.11 Singapore

The Information Memorandum has not been registered as a prospectus with the Monetary Authority of Singapore under the Securities and Futures Act, Chapter 289 of Singapore, as amended (the “**Securities and Futures Act**”). The Notes must not be offered or sold or made the subject of an invitation for subscription or purchase nor may the Information Memorandum or any other document or material in connection with the offer or sale or invitation for subscription or purchase of any Notes be circulated or distributed, whether directly or indirectly, to the public or any member of the public in Singapore other than (a) to an institutional investor or other person falling within section 274 of the Securities and Futures Act, (b) to a relevant person, or any person pursuant to section 275(1A) of the Securities and Futures Act, and in accordance with the conditions specified in section 275 of the Securities and Futures Act, or (c) otherwise than pursuant to, and in accordance with the conditions of, any other applicable provision of the Securities and Futures Act.

Any person offering the Notes must notify (whether through the distribution of this Information Memorandum or any other document or material in connection with the offer or sale or invitation for subscription or purchase of any Notes or otherwise) each of the following relevant persons specified in section 275 of the Securities and Futures Act which has subscribed or purchased Relevant Notes from and through that person, namely a person who is:

- (a) a corporation (which is not an accredited investor as defined in section 4A of the Securities and Futures Act) the sole business of which is to hold investments and

the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or

- (b) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary is an accredited investor,

that shares, debentures and units of shares and debentures of that corporation or the beneficiaries' rights and interest in that trust shall not be transferable for 6 months after that corporation or that trust has acquired the Relevant Notes under section 275 of the Securities and Futures Act except:

- (i) to an institutional investor (for corporations, under section 274 of the Securities and Futures Act) or to a relevant person, or any person defined in section 275(2) of the Securities and Futures Act or to any person pursuant to an offer that is made on terms that such shares, debentures and units of shares and debentures of that corporation or such rights and interest in that trust are acquired at a consideration of not less than S\$200,000 (or its equivalent in a foreign currency) for each transaction, whether such amount is to be paid for in cash or by exchange of securities or other assets, and further for corporations in accordance with the conditions, specified in section 275 of the Securities and Futures Act;
- (ii) where no consideration is given for the transfer; or
- (iii) by operation of law.

14.12 Republic of China

The Notes may not be sold or offered in the Republic of China and may only be offered and sold to Republic of China resident investors from outside the Republic of China in such a manner as complies with securities laws and regulations applicable to such cross border activities in the Republic of China.

14.13 General

These selling restrictions may be modified by each of the Joint Lead Managers and the Co-Manager following a change in or clarification of a relevant law, regulation, directive, request or guideline having the force of law or compliance with which is in accordance with the practice of responsible financial institutions in the country concerned or any change in or introduction of any of them or in interpretation or administration.

15 Listing on the Irish Stock Exchange

15.1 Application for Listing

This Information Memorandum has been approved by the Central Bank of Ireland (“**Central Bank**”), as competent authority under the Prospectus Directive 2003/7 1/EC (“**Prospectus Directive**”). The Central Bank only approves this Information Memorandum as meeting the requirements imposed under Irish and EU law pursuant to the Prospectus Directive. Application has been made to the Irish Stock Exchange for the Class A2 Notes to be admitted to the Official List and trading on its regulated market. Such approval relates only to the Class A2 Notes which are to be admitted to trading on the regulated market of the Irish Stock Exchange or other regulated markets for the purposes of Directive 2004/39/EC or which are to be offered to the public in any member state of the European Economic Area. Perpetual Trustee Company Limited has not authorised or made the application for admission to listing and/or trading. The estimated total expenses related to the admission of the Class A2 Notes to trade on the Irish Stock Exchange are expected to be approximately €10,000. No application has been made to list the Class A2 Notes on any other stock exchange. There can be no assurance that such listing will be granted. Prior to the purchase of any Class A2 Notes, each investor in the Class A2 Notes is advised to check whether the Irish Stock Exchange listing application has been approved. The listing of the Class A2 Notes on the Official List of the Irish Stock Exchange will be expressed in Australian dollars.

15.2 Additional Information

For the life of this Information Memorandum, copies of the following documents will be available for physical inspection, and will be obtainable at the offices of Deutsche Bank Luxembourg SA, 2, Boulevard Konrad Adenauer, L-1115 Luxembourg, and the registered office of the Manager, where copies thereof may be obtained upon request:

- (a) the Series Supplement;
- (b) the Security Trust Deed; and
- (c) the Interest Rate Swap Agreement.

For the life of this Information Memorandum, this Information Memorandum will be available to the public for physical inspection during normal business hours at the offices of Deutsch Bank Luxembourg SA. The monthly noteholder reports will be available during normal business hours at the registered office of the Manager and Deutsch Bank Luxembourg SA. The monthly noteholder reports will contain information on the cashflows of the Series Trust. However, any person wishing to inspect these documents must first undertake not to disclose the contents of the documents without the prior written consent of the Trustee and the Manager.

If and for so long as the Class A2 Notes are listed on the Irish Stock Exchange and the rules of the Irish Stock Exchange so require, copies of notices to holders of the Class A2 Notes must be forwarded in final form to the Company Announcement Office of the Irish Stock Exchange, no later than the day of dispatch.

The Manager has undertaken that, for as long as any of the Class A2 Notes are listed on the Irish Stock Exchange, it will notify the Irish Stock Exchange of any material

amendment to any Transaction Document and if any party to any Transaction Document resigns or is replaced, together with details of any relevant replacement parts. Except for the transactions described in this Information Memorandum relating to the issuance of the notes, as at the date of this Information Memorandum the Series Trust has not commenced operations and no financial statements relating to the Series Trust have been prepared.

The Series Trust was established on 19 November 2010 in the State of New South Wales, Australia by the Trustee, the Manager, the Servicer and the Originator executing a series supplement and the Manager settling AS\$200 on the Trustee. The Series Trust is governed by the laws of New South Wales. The Series Trust is a special purpose entity established to issue Notes, to apply the proceeds thereof to acquire the Housing Loans from the Seller and to hold the Housing Loans in accordance with the Transaction Documents.

As at the date of this Information Memorandum, the Series Trust has no borrowings or indebtedness and there has been no change in the capitalisation of the Series Trust since it was established.

The Class A2 Notes have been accepted for clearing through Austraclear.

The Trustee is not involved in any litigation, arbitration or governmental proceedings which may have, or have had during the 12 months preceding the date of this Information Memorandum, a significant effect on the Trustee's financial position nor, as far as the Trustee is aware, are any such litigation, arbitration or governmental proceedings pending or threatened.

From the date of creation of the Series 2010-2 SWAN Trust, to the date of issue of the Class A2 Notes, the Trustee will not, in its capacity as Trustee of the Series 2010-2 SWAN Trust, carry on any business. The Series 2010-2 SWAN Trust is not required by Australian law and does not intend to publish annual reports and accounts, and no accounts with respect to the Series 2010-2 SWAN Trust have been prepared prior to the date of this Information Memorandum.

The Manager is the administrator of the Series Trust. The Manager can be contacted on +61 8 9449 2840. The Trustee can be contacted on + 61 2 9229 9000.

16 Transaction Documents

Copies of the following Transaction Documents may be inspected during normal business hours on any weekday, excluding Saturdays, Sundays and public holidays, at the offices of the Trustee for so long as the Notes remain outstanding:

- (a) the constitution of the Trustee;
- (b) the Master Trust Deed between the Trustee and the Manager, dated 30 July 1999 entered into by the Manager and acceded to by the Trustee, as amended from time to time;
- (c) the Series Supplement between the Trustee, the Manager, the Seller and the Servicer dated 19 November 2010;
- (d) the Security Trust Deed between the Trustee, the Manager and the Security Trustee dated 19 November 2010;
- (e) the Liquidity Facility Agreement between the Trustee, the Manager and the Liquidity Facility Provider, dated on or about 26 November 2010;
- (f) the Interest Rate Swap Agreement between the Trustee, the Manager and the Interest Rate Swap Provider dated on or about 26 November 2010 entered into pursuant to the ISDA Master Agreement, related schedule and credit support annex;
- (g) the Mortgage Insurance Policy between the QBE and the Trustee dated on or about 26 November 2010;
- (h) the GIC Account Agreement between the Manager, the GIC Provider, the Trustee and the Security Trustee dated on or about 26 November 2010; and
- (i) the Dealer Agreement between the Trustee, the Manager, each of the Joint Lead Managers and the Co-Manager dated on or about 19 November 2010.
